

## ABOUT METRO

Clean air and clean water do not stop at city limits or county lines. Neither does the need for jobs, a thriving economy, and sustainable transportation and living choices for people and businesses in the region. Voters have asked Metro to help with the challenges and opportunities that affect the 25 cities and three counties in the Portland metropolitan area.

A regional approach simply makes sense when it comes to making decisions about how the region grows. Metro works with communities to support a resilient economy, keep nature close by and respond to a changing climate. Together, we're making a great place, now and for generations to come.

Let Metro know what's important to you. Join the new online opinion panel today.

Just \$32 to \$47 per 5-gallon pail  
Covered by limited warranty

Discount on 5-gallon pails  
for qualifying nonprofits and  
government agencies

## 2008 Top 10 Green Product

– Sustainable Industries magazine

### SUSTAINABLE, CERTIFIED, VALUE-PRICED

Choose original or certified MetroPaint for 100 percent recycled latex that's better for the environment and easy on the wallet.\* Original MetroPaint includes a one-year warranty and provides the same good quality that homeowners, designers and contractors have come to expect for more than a decade. Certified MetroPaint, approved by Green Seal™ and the Master Painters Institute, includes a five-year limited warranty and mold inhibitor. Both sustainable products are good toward LEED and Earth Advantage certification.

When you use recycled paint, you:

- decrease your carbon footprint
- reduce the need for landfill space
- conserve water used to make new paint
- prevent pollution from the mining and extraction of raw materials.

*\*May contain up to 2 percent virgin materials as additives*

Proper preparation and priming of all surfaces recommended.  
Feb. 2011\_11275 Printed on recycled-content paper.

### EASY PICKUP

#### MetroPaint Swan Island store

4825 N. Basin Ave.  
Portland, OR 97217

8 a.m. to 4 p.m. Monday through Friday  
7 a.m. to 4 p.m. Saturday

### ONE-STOP SHOPPING

When picking up your paint, look for special limited-time colors, paint supplies, 2-ounce color samples and compost bins.

Visit [www.oregonmetro.gov/metropaint](http://www.oregonmetro.gov/metropaint) or call 503-234-3000 for more information on MetroPaint – including prices, store directions and additional retail outlets in Oregon and Washington – or to learn about other Metro programs on recycling, natural gardening, waste prevention and hazardous waste disposal.

### KEEP IT GOING

Got leftover paint at home? Recycle it! Oregon's new industry-run program for paint recycling makes it even more convenient to drop off unwanted paint and keep reusable materials out of landfills. The MetroPaint Swan Island store does not accept unwanted paint for disposal or recycling. For the nearest collection center in Oregon, visit [www.paintcare.org](http://www.paintcare.org) or call 1-800-CLEANUP.

### USE INSIDE OR OUT

MetroPaint is made from a combination of acrylics and enamels with various glosses, making it suitable and durable for use inside and outside.

### WHAT TO PAINT

Wood	Homes
Masonry	Apartments
Concrete	Barns
Vinyl siding	Warehouses
Metal	Factories

and just about anything else!

### APPLICATION AND COVERAGE

- Thick and rich coverage, often in just one coat
- Smooth application by brush, roll or spray
