About Metro

Clean air and clean water do not stop at city limits or county lines. Neither does the need for jobs, a thriving economy, and sustainable transportation and living choices for people and businesses in the region. Voters have asked Metro to help with the challenges and opportunities that affect the 25 cities and three counties in the Portland metropolitan area.

A regional approach simply makes sense when it comes to providing services, operating venues and making decisions about how the region grows. Metro works with communities to support a resilient economy, keep nature close by and respond to a changing climate. Together we're making a great place, now and for generations to come.

Stay in touch with news, stories and things to do.

Subject Whistleblowing (Reporting Improper Conduct)
Section Human Resources
Approved by Martha Bennett, Chief Operating Officer; MERC Commission

POLICY

It is Metro's policy to promote ethical behavior and to comply with Oregon's Whistleblower Law. Employees, interns, volunteers and contractors are encouraged to report improper or unlawful conduct and may do so anonymously. Such reports serve the public interest and assist Metro in meeting high standards of public accountability. No employee or intern will be subject to disciplinary action or retaliation for making a good faith report or disclosure under this policy or for initiating or aiding in a criminal or civil proceeding.

Applicable to

All employees, interns and contractors performing services for Metro.

Volunteers are also encouraged to report improper or unlawful conduct using the procedures described in this policy.

Definitions

Disclosure: A formal or informal internal or extra-agency communication.

Employees: For the purposes of the Oregon whistleblower law, "employees" include contractors and their employees in addition to individuals who are employed directly by Metro.

Good faith: A sincere belief or motive.

Reckless disregard for truth or falsity: A conscious disregard of a substantial and justifiable risk that the information disclosed is false.

Reporter: An individual who makes a report or disclosure under this policy.

Guidelines

1. Metro encourages its employees, interns, volunteers and contractors to notify Metro of improper or unlawful government action by Metro or its officials or employees.
2. No employee or intern will be subject to discipline or other retaliation for disclosing information he or she reasonably believes is evidence of:
 - a. A violation of any federal or state law, rule, or regulation by the agency;

- b. Serious agency misconduct that could undermine Metro’s ability to fulfill its public mission;
 - a. Gross misuse or waste of public resources or funds;
 - b. Abuse of authority in connection with the administration of a public program or the execution of a public contract; or
 - c. A substantial and specific danger to public health or safety resulting from agency action.
3. No employee or intern will be subject to discipline or other retaliation for initiating or aiding in criminal, civil, or administrative legal proceedings in good faith.

Procedures

Reporting improper or unlawful conduct:

1. Employees, interns, volunteers and contractors are encouraged to notify Metro of improper or unlawful actions in any Metro facility or department.
 - a. Reports may be made to any Metro manager, the Human Resources (HR) Department, and/or the Office of Metro Attorney (OMA).

 - i. The Ethics Line is administered by the Metro Auditor’s Office. The auditor contracts with a hotline vendor, EthicsPoint, to maintain the reporting system and ensure confidentiality. EthicsPoint does not reveal the reporting party’s identity to Metro.
2. Metro will not discipline or retaliate against an employee or intern for making a good faith report under this policy. Employees will be subject to discipline only if:
 - a. The information disclosed is known by the employee or intern to be false, or is disclosed with reckless disregard for its truth or falsity; or
 - b. The disclosed information relates to the employee’s or intern’s own violations, mismanagement, gross waste of funds, abuse of authority, or endangerment of the public health or safety, in which case the employee or intern may be disciplined for the underlying conduct.
3. During its investigation of any disclosure listed above, Metro will not identify the individual making the disclosure without his or her written consent unless such identification is necessary to an investigation or legal process and allowable by law. In that case, Metro will protect the reporter’s confidentiality to the greatest extent possible without impairing the investigation or legal process.

Initiating or Aiding Administrative, Criminal or Civil Proceedings

4. Metro will not discriminate or retaliate against an employee or intern because he or she has in good faith:
 - a. Reported criminal activity (or activity he or she believes to be criminal) to any person or caused criminal charges to be filed against any person;
 - b. Cooperated with a criminal investigation or testified at a criminal trial;

- c. Initiated, cooperated with, or testified at a civil administrative or court proceeding;
- d. Opposed harassment, discrimination, or other conduct prohibited by civil rights laws;
- e. Discussed, inquired about, or brought a claim for unpaid wages.

Legislative Testimony

- 5. Metro will not prohibit, discourage, or otherwise interfere with an employee or intern responding to a legislative request to discuss the activities of Metro or any other political subdivision of the state.
 - a. An employee or intern is not required to inform Metro before engaging in the requested legislative discussion, unless the legislative request for information is directed to Metro and the employee or intern is responding on behalf of Metro.
 - b. Notwithstanding this policy, employees and interns are not permitted to:
 - i. Represent their personal opinions as the opinions of the agency;
 - ii. Disclose information required to be kept confidential by law;
 - iii. Disclose records exempt from disclosure, except as provided by law;
 - iv. Disclose information of an advisory nature to the extent that it is preliminary to any final agency determination of policy or action and covers other than purely factual materials.
 - c. Absences to testify before a legislative committee will be excused. Employees may take unpaid leave or use any type of accrued paid time off other than sick leave. Employees and interns are not required to disclose the purpose of the absence. Employee testimony on behalf of Metro is paid work time.

Whistleblowing in general

- 6. Employees and interns are not required to notify Metro before engaging in activities protected under this policy and will not face discipline if they choose not to do so; however, Metro encourages individuals to bring problems to its attention so they can be addressed promptly. As noted above, reports may be made confidentially using the Ethics Line.
- 7. Discrimination, harassment, and retaliation are prohibited for activities undertaken in good faith under this policy even if the underlying complaint or report is ultimately not substantiated.

Human Resources Department:

- Cooperate with ethics investigations while protecting the reporter's confidentiality.

Subject Payroll Procedures
Section Human Resources
Approved by Martha Bennett, Chief Operating Officer; MERC Commission

POLICY

Metro maintains payroll schedules and policies that ensure employees are paid in accordance with legal requirements.

Applicable to

All employees.

Where provisions of an applicable collective bargaining agreement directly conflict with this policy, the provisions of that agreement will prevail.

Definitions

Payday: The calendar date on which checks are issued to employees.

Off-Cycle Checks: Checks issued on dates other than scheduled paydays. Due to bank timing constraints, direct deposit is not available for off-cycle payments.

Kronos: The software timekeeping system used by Metro to record employees' time worked, exception hours, and how that time should be allocated to funds, departments, programs, and projects.

Kronos Help Desk: The email inbox for all Kronos related questions, corrections, or issues (kronoshelpdesk@oregonmetro.gov).

Guidelines

The Payroll Division will administer all functions of payroll within legal guidelines, ensuring employees are paid as directed by statutes, policies and collective bargaining agreements. All lawful withholdings and authorized deductions will be subtracted from gross earnings.

Procedures

Paychecks

1. Employees shall be paid twice monthly on the 10th and 25th of the month.

- a. In the event the normal payday falls on a holiday, the payday shall be the workday before the holiday.
 - b. If the normal payday falls on a Saturday or a Sunday, the payday shall be the prior Friday.
2. Payroll deductions will be made for income tax withholding, workers' compensation insurance, and other deductions mandated by federal or state law. Other deductions that may be withheld include (but are not limited to):
 - a. health, dental, and vision insurance;
 - b. life insurance;
 - c. long-term disability, accidental death and dismemberment insurance;
 - d. 401(k) and Section 457 plan deductions;
 - e. Flexible Spending Account deductions;
 - f. PERS contributions;
 - g. union dues;
 - h. uniform deposits;
 - i. parking deductions; and
 - j. charitable donations, if requested by the employee and approved by the Chief Operating Officer.
3. Employees being paid by direct deposit will have their pay information available in printable format via PeopleSoft Self Service by 8am on payday. If a printed pay statement ("advice") is desired, the employee must request this service using Metro-provided forms.
4. Paychecks and pay statements will be distributed or made available to all departments no later than 11am on scheduled paydays. Individual distribution procedures are determined at the department level. Individual employees may not pick up paychecks directly from the Payroll Division, except that an employee may request Payroll to hold his or her final check for pick-up.

Underpayments

5. The Payroll Division will remedy any underpayments as soon as possible after they are discovered and confirmed.
6. If an employee believes he or she has been underpaid, it is the employee's responsibility to notify his or her Supervisor, who will in turn notify the Payroll Division. If the Supervisor is unavailable, the employee may contact the Payroll Division directly.
7. Payroll will determine, in consultation with the Supervisor, whether there has been an underpayment.
8. If an underpayment has occurred as a result of incorrect Kronos data, the Supervisor will notify the Kronos Help Desk via email. The email must contain the following information:
 - a. Employee Name;
 - b. Employee ID;
 - c. Date of error;

- d. Explanation of correction needed; and
 - e. Account code change, if needed.
9. Once the Supervisor has notified the Kronos Help Desk of the error, Payroll staff will enter a historical edit into Kronos to record the correction.
 10. If the underpayment is not in dispute and the underpaid amount is more than 5% of the employee's current gross wages per pay period, an off-cycle check will be issued within 3 business days. If an undisputed underpayment is less than 5% of gross wages, the unpaid amount will be included on the next regular paycheck.
 11. If the Supervisor believes that the employee was paid correctly, the Supervisor will meet with the employee to explain why there is no underpayment. If the employee disagrees with this determination, he or she may follow the grievance procedure outlined in an applicable collective bargaining agreement or contact the Human Resources (HR) Department.

Overpayments

12. Employees who are overpaid are required to repay Metro for any overpayment, regardless of the cause of overpayment.
13. If any employee believes he or she has been overpaid, it is the employee's responsibility to notify his or her supervisor immediately upon discovering the error. If the supervisor is not available, notification should be made to the Payroll Division.
14. Payroll will calculate the overpayment amount, identify the cause of the overpayment, and notify the employee in writing. The employee will be asked to sign an agreement acknowledging the overpayment and agreeing to a repayment schedule.
15. If the employee disagrees with the determination that an overpayment has occurred, he or she may follow the grievance procedure outlined in an applicable collective bargaining agreement or contact the HR Department.
16. Once a signed repayment agreement is received from the employee, Metro will collect funds from the employee until the overpayment is repaid in full. If authorized by a collective bargaining agreement, repayment will be made by payroll deduction.
17. If an employee's employment at Metro ends before an overpayment is fully collected, Metro may pursue legal options to collect the funds. Legal options may include the use of a collection agency or a private action in court.

Final Paychecks

18. Supervisors must immediately contact the Kronos Help Desk to notify the Payroll Division of any upcoming voluntary or involuntary terminations so that employees receive their final checks in a timely manner as outlined by state law.
19. The termination date should ordinarily be the last date the employee is present at work and may not be extended by leave time or holidays. The HR Department may approve an exception to this rule in unusual circumstances, such as when an employee on leave is unable to return.
20. Supervisors will have all hours recorded and approved in Kronos no later than 10am on the employee's final day of employment.
21. Once Kronos time is approved, Payroll will process a final off-cycle check for the remaining wages due, minus all lawful taxes and deductions.

22. Payroll staff will mail or hold the check for pickup as directed by the employee.

Responsibilities

Employees:

- Record accurate time for hours worked and leave taken in the Kronos time entry system by the end of the pay period as established by Payroll.
- Verify the accuracy of paychecks received.
- Notify Supervisor of any possible payroll errors. If the supervisor is unavailable, notify the Payroll Division.

Supervisors:

- Verify the accuracy of time reported by employees and approve time reports by the deadline established by Payroll.
- Notify Payroll via the Kronos Help Desk immediately after learning of any Kronos error that needs to be corrected.
- Notify the Payroll Division of any upcoming voluntary or involuntary terminations.

Payroll Division:

- Verify the accuracy of paychecks to data reported. Investigate and resolve any reports of overpayment or underpayment and refer matters to the HR Director or Office of Metro Attorney as appropriate.
- Disburse payroll checks and pay statements to departments for distribution to employees in accordance with this policy. Hold or mail final checks as requested by the employee.
- Obtain written authorization for deductions if required by law or Metro policy.

1. Personnel files and medical files will be maintained by the HR Department in a locked, confidential area.
 - a. Access to the personnel file will be limited to the employee, management staff, Office of Metro Attorney staff and HR Department staff.
 - b. Access to the confidential medical file will be limited to the employee, Office of Metro Attorney staff and HR Department staff. Management staff will be provided with medical information only as needed to manage work restrictions, requests for leave, disability accommodations, and medical response protocols (e.g., for an employee with a medical condition requiring particular first aid procedures) or to consider as a mitigating factor in a disciplinary process.
2. To ensure proper records management, employees must notify the HR Department of any changes to their name, home address, phone number or emergency contacts.

5. Personnel records and medical records will be treated as exempt from public disclosure to the maximum extent permitted by Oregon Public Records law and other legal requirements.

 - b. In certain circumstances, disclosure of otherwise confidential records may be required by law. Metro will limit the scope of disclosure to information necessary to comply with the required legal process.
6. Metro will retain personnel records and medical records for a minimum of 3 years.

 - d. An employee may provide written authorization to allow another person (such as a union representative) to view or obtain copies of his or her personnel file or medical file.
8. **Managers:** A manager may access an employee's personnel file or medical file only if there is a job-related reason to do so. Before viewing the file, the manager must sign a statement identifying the job-related purpose of the request and acknowledging confidentiality requirements. This statement will be reviewed by HR and considered prior to a decision regarding access.
9. **Former employees:** Following separation from employment, Metro will provide a former employee with a certified copy of his or her existing personnel records or

medical records within 45 days of a written request from the employee or his or her authorized representative.

10. Metro may charge a fee for providing information under this policy, but this fee will not exceed an amount reasonably calculated to recover the actual costs for copying and labor. Current employees will not be charged for viewing or copying their files.
11. No one other than HR Department staff is authorized to add or remove information from an official personnel file or medical file. Metro employees and managers who add or remove information without authorization may be subject to discipline.
 - a. If an employee or manager believes information should be added to a personnel or medical file, he or she may submit the information to the HR Department. The HR Department will determine whether it is appropriate to include in the file.
 - b. Documents may be removed from the employee's official personnel or medical file only upon the mutual agreement of the HR Director or designee and the employee or the employee's representative.
 - i. The Oregon public records law prohibits destruction of public records except when certain conditions are met. Documents that are removed from the official personnel file may be retained consistent with applicable law, but will not be used as a basis for future discipline or other employment decisions.

Section Human Resources
Approved by Martha Bennett, Chief Operating Officer; MERC Commission

POLICY

It is the policy of Metro to comply with the Immigration Reform and Control Act of 1986, which requires employers to verify work eligibility and proof of identity for all employees hired after November 6, 1986. Employers must maintain documentation of such eligibility for three years from the date of verification or one year after the person's employment is terminated.

Applicable to

All employees hired after November 6, 1986.

Definitions

I-9 Form: The I-9 Employment Eligibility Verification form issued by the Department of Homeland Security – U.S. Citizen and Immigration Services. The I-9 form is used to verify a person's identity and eligibility for employment in the United States.

Human Resources Representative: A member of the Metro Human Resources Department or their designee.

Acceptable Documentation: Specific documents used to show proof of identity and eligibility to work in the United States. These documents are listed on the I-9, Employment Eligibility Verification form and are the only ones that an employer is allowed to accept.

Guidelines

1. A new employee will receive an employment confirmation letter notifying him or her of the requirement to provide documentation on the first day of employment that verifies identity and eligibility to work in the United States.
2. The Human Resources representative collecting the I-9 form must review and verify the documentation and certify to the genuine appearance of the documents presented.
3. The I-9 form must be completed in the Metro Human Resources Department or by a Human Resources representative on or before the employee's first day of work.

The I-9 form includes a list of acceptable documents. The documents must be current. As long as documents submitted by the employee fulfill the requirements listed on the I-9 form, the employer may not ask for specific pieces of identification or request to view a specific document,

4. An employee who cannot produce the required documents or an “acceptable receipt in lieu of the document” will be terminated. “Acceptable receipts in lieu of document” are listed on the I-9 form.
5. If employees have alien or visa status, they may not work past the visa expiration date unless eligibility for employment is re-verified. It is the responsibility of the employee to obtain an extended visa or work permit. If the visa or work permit is not extended, the employee will be terminated.
6. A new I-9 form must be completed for rehired employees unless the employee is rehired within 3 years of completion of the original I-9 form.

Procedures

1. A new employee will either report to the Metro Human Resources Department or meet with a Human Resources representative to complete the I-9 form prior to beginning work. Before the form can be approved, the new employee must provide documentation that establishes identity and eligibility for working in the United States.
2. The Human Resources representative will ensure that Section 1 is properly completed and will complete the I-9 form by examining the original document(s), providing the information requested, and signing the form. The document(s) presented must appear to be genuine and relate to the individual. Photocopies of the document(s) should be attached to the I-9 form.
3. Employees who provide documents that demonstrate limited work authorization will be required to provide updated information upon expiration. The updated information will be attached to the original I-9 form.
4. If documents have expired, Human Resources will update and record the new document title, number, and expiration date (if any) of the documents the employee presents.
5. A new I-9 form must be completed if the version of the original I-9 form has since been replaced by a newer version or if an employee is rehired 3 years after the initial hire date.
6. Completed I-9 forms are retained in the Metro Human Resources Office for three years from the date of verification or one year after the person’s employment is terminated.

Responsibilities

Employees:

- Before beginning work, new employees must complete an I-9 form and provide documents as described in the form in order to confirm their identity and eligibility to work in the United States. Subject Employment of Minors
Section Human Resources
Approved by Martha Bennett, Chief Operating Officer; MERC Commission

POLICY

Metro may hire minors between the ages of 14 and 18 in compliance with applicable law. Due to legal restrictions on the type of work minors may perform and the hours during which they may be employed, Metro is able to employ minors in a limited range of positions.

Applicable to

All employees.

Definitions

Minor: A person under the age of 18.

Guidelines

1. Metro will not employ minors under the age of 14.
2. Metro must verify the age of every minor hired and post an employment certificate issued by the State of Oregon Bureau of Labor and Industries.
3. State and federal law regulate minors' work hours and the types of work they may perform. Supervisors of employees who are minors must comply with all legal requirements.

Procedures

1. A supervisor who is considering hiring minors must contact the Human Resources (HR) Department prior to offering employment. The HR Department will review job duties, applicable laws and regulations and will give advice on procedures and scheduling.
2. Job offers to minors will be made contingent upon age verification at hire. Acceptable documents for age verification include a birth certificate, state identification card, drivers' license, or passport. Metro may accept other documents as proof of age only if permitted by law.
3. Metro must maintain and post an employment certificate issued by the State of Oregon Bureau of Labor and Industries (BOLI) Child Labor Unit.

- a. The HR Department will complete and submit the certificate application. The application requires Metro to estimate the number of minors to be employed during the following year and describe their anticipated job duties and use of equipment. Department Directors must provide this information to the HR Department promptly upon request.
 - b. Department Directors must ensure that a current employment certificate is posted in a conspicuous place in every department where minors work.
 - c. If minors' work duties are changed at any time, Metro must submit a Notice of Change Form to the BOLI Child Labor Unit. Supervisors must notify the HR Department before changing minors' work duties so that the HR Department can evaluate the anticipated change for legal compliance and submit the necessary paperwork.
4. If a minor is required to report to work, Metro must provide enough work (or compensation in lieu of work) to allow the employee to earn at least one half of the scheduled day's earnings. If a minor employee arrives for a scheduled shift but is not needed for the entire shift, the employee's supervisor is responsible for ensuring that this time is recorded correctly in Kronos.

Work hours, meals and rest periods

5. Minors who are 14 or 15 years old may not work:
- a. During school hours;
 - b. More than three hours on any school day;
 - c. More than eight hours on a non-school day;
 - d. Before 7 a.m. or after 7 p.m., except that they may work as late as 9 p.m. between June 1 and Labor Day;
 - e. More than 18 hours per week during the school year; or
 - f. More than 40 hours per week when school is not in session.
6. All minors who are 16 or 17 years old may work up to 44 hours per week (subject to overtime requirements), and may work the same number of hours per day as adult employees.
7. All minors must receive a paid rest break of at least 15 minutes for every work session of four hours or the major portion thereof (i.e., for any period longer than two hours).
8. Minors must receive at least 30 minutes for lunch, beginning no later than five hours after reporting for duty.
- a. Minors who are 14 or 15 years old must be completely relieved of all duties during lunch.
 - b. Minors who are 16 or 17 years old may perform work or remain on call during the lunch period when business conditions require it, but in that case they must be paid for the entire lunch period.

Prohibited job duties

9. Oregon law contains specific safety-related restrictions on the types of work minors may perform. Supervisors and managers must obtain advance approval from the HR Department for all work duties to be assigned to minors.

10. Legal restrictions on job duties include, but are not limited to, the following:
- a. Minors with drivers' licenses may drive to and from work but may not drive on public roads while on the job.
 - b. Minors are not permitted to operate power-driven machinery. Minors who are 14 or 15 years old may not work in areas where power-driven machinery is used.
 - c. Minors are not permitted to lift excessive weight.

Responsibilities

Supervisors:

- Contact the HR Department if you are considering hiring minors, and before changing the work duties of employees who are minors, to ensure legal compliance.
- If a minor reports to work for a scheduled shift but is not needed for the entire shift, make the appropriate adjustments in Kronos to ensure the employee will receive pay for at least half the scheduled shift. Contact the Kronos Help Desk with any questions.
- Monitor and ensure compliance with legal requirements regarding minor employees' work hours, meals and rest periods, and prohibited job duties. Notify HR or the Office of Metro Attorney of any questions or concerns about compliance.

Department Directors:

- Monitor and ensure compliance with legal requirements regarding minor employees' work hours, meals and rest periods, and prohibited job duties. Notify HR or the Office of Metro Attorney of any questions or concerns about compliance.
- Respond promptly to HR requests for information about anticipated and current employment of minors.

Family members: For the purposes of this policy, family members include spouses, children (including stepchildren), parents (including stepparents), siblings (including half and step siblings), aunts, uncles, nieces, nephews, grandparents, grandchildren, domestic partners and equivalent family members of an employee's spouse or domestic partner.

2. Family members, household members and romantic partners shall not work together in a direct supervisory-subordinate relationship under any circumstances.
3. Family members, household members or romantic partners in the same department, chain of command, or span of control are cautioned to conduct themselves professionally or be subject to discipline and possible separation of the working relationship.

1. An employee may not appoint, employ, promote, discipline, demote, or fire a family member, household member or romantic partner.
 - a. No employee may participate in any official discussion or decision related to the employment of a family member, household member, or romantic partner, even if the employees do not work in the same department, chain of command, or span of control.
 - i. Example: No employee may serve on an interview panel or otherwise participate in the screening process for a position for which a family member, household member or romantic partner is a candidate.
 - ii.  - b. In order to comply with legal conflict of interest requirements, the HR Director and Office of Metro Attorney (OMA) must be consulted immediately in any situations that could fall under this policy.

 - b. One employee or the other must transfer to a different position in the agency or leave employment within 30 days. The HR Director may extend this time period if there is a clear plan and timeline for separation and an extension is consistent with Metro's legal, ethical, and business interests.

 - d. If no solution is reached within the designated time period, both employees will be terminated.

Current employees whose essential functions include driving, safety and security, financial and fiduciary responsibility, or direct unsupervised access to children must also disclose arrests that relate to these functions.

Procedures

1. A criminal conviction will not necessarily bar an employee from hire or continued employment with Metro. HR will consider the following criteria when reviewing a conviction record:
 - a. Nature, gravity and frequency of the offense;
 - b. Duties of the position the employee holds or for which the candidate is applying;
 - c. Age of the individual at the time of conviction;
 - d. Time that has passed since the conviction;
 - e. Rehabilitation and/or other court-ordered treatment completed, if any;
 - f. Employee's entire work record or the applicant's work qualifications in total, rather than only one aspect of the individual's history.
2. An applicant who is still on probation or parole may be denied employment based on the above criteria. If a pre-employment arrest leads to a conviction after hire, it will be evaluated by Human Resources and the Office of Metro Attorney.
3. In addition to convictions, finalists for positions that involve financial or fiduciary responsibilities, safety and security, or direct unsupervised access to children may be denied a position because of underlying conduct leading to arrest in certain very limited circumstances. While an arrest itself is not a bar to employment, employment may be denied if the conduct underlying the arrest makes the individual unfit for the specific position. A consultation with the Office of Metro Attorney is required prior to rendering a no-hire decision based on an arrest record or an "open case" with Child Protective Services.
4. Metro may conduct a criminal background check for current employees who transfer or promote to, or work out of class in, positions with responsibilities that include safety and security, financial or fiduciary duties, or direct unsupervised access to children. A criminal background check may also be conducted if there is reason to believe that an arrest or undisclosed conviction has occurred that may be relevant to the safety of employees and customers or to the integrity of the organization.
5. All finalists will be provided a disclosure and will be required to sign a consent form for a background check. Metro will contract with an outside vendor to conduct criminal

background checks. All background checks will comply with Fair Credit Reporting Act (FCRA) requirements. If a finalist is not hired due to the background check, he or she will receive an “adverse action letter” including a notice of the individual’s right to obtain a free copy of the report from the agency and to dispute with the agency the accuracy or completeness of the information. The agency can then conduct a reasonable reinvestigation to determine whether the disputed information is inaccurate. If it is determined that the initial information was inaccurate, Metro may choose to hire the finalist.

6. Current employees must self-report criminal convictions that are drug-related or that relate to the qualifications or duties of the employee’s position. Reports should be made to Human Resources or the Office of Metro Attorney within 5 calendar days of conviction. This requirement is consistent with the Drug-Free Workplace Act, which imposes specific reporting requirements on federal grantees and contractors for drug-related convictions.
7. At the time of the standard pre-employment background check procedures, Human Resources will complete a driving record check. Finalists whose primary and essential duty will be driving a vehicle for Metro must successfully pass the driving record check. If the driving record does not meet Metro standards, Human Resources will reject the applicant.
8. An employee who drives for Metro as a primary function of his or her position must report all driving-related arrests and suspensions (in addition to convictions) within 5 calendar days.
9. An employee whose essential functions include safety and security, financial and fiduciary responsibility, or direct unsupervised access to children must report all arrests (in addition to convictions) related to these functions within 5 calendar days.
10. If a current employee’s background check or self-report discloses a conviction or arrest that is relevant to the employee’s ability to perform in his or her current position, the employee’s employment in that position may be impacted. OMA and HR will evaluate such situations and determine the appropriate outcome.

Expunged records

11. Applicants and employees shall not report convictions that have been expunged by a court.

Responsibilities

All applicants are required to disclose convictions and sign a background check authorization form in order to proceed in the hiring process. Applicants may be asked to provide supplemental information and should do so in a timely manner to be considered further for employment.

Employees:

- Report any criminal convictions that are drug-related or that relate to the qualifications or duties of the employee’s position to Human Resources or the Office of the Metro Attorney within 5 calendar days of conviction.
- Report driving-related arrests, suspensions and convictions within 5 calendar days if the employee drives for Metro as a primary function of his or her position.

- Report arrests within 5 days if they relate to the employee's essential functions related to safety and security, financial and fiduciary responsibility, or direct unsupervised access to children.
- Refrain from conducting their own unofficial background checks on potential employees.

Supervisors:

- Make offers contingent upon passing background checks and other pre-employment screenings.
- Hire a finalist only after receiving notification from HR that the finalist has successfully passed all applicable background checks.
- Ensure confidentiality of information.

Human Resources:

- Be responsible for the background check process. HR staff are the only persons authorized to administer the process and obtain information related to background checks.
- Provide finalists with information about their rights under FCRA and disclose that a "consumer report" will be obtained for employment purposes, when applicable.
- Ensure confidentiality and prompt processing of the information.

Office of Metro Attorney:

- Provide legal counsel to Human Resources to guide decision-making under this policy.
- Determine applicants' suitability for employment based on the information obtained through the recruitment process and forward recommendations to HR.

Subject Temporary and Seasonal Employee Policy
Section Human Resources
Approved by Dan Cooper, Acting Chief Operating Officer

POLICY

Metro hires temporary and seasonal employees to meet short-term, non-reoccurring or seasonal workload needs that are vital to the organization.

Applicable to

All employees who are hired to work in a temporary or seasonal assignment.

Definitions

Temporary Employee: An employee hired for the purpose of meeting emergency, non-recurring or short-term workload needs, or to replace an employee during an approved leave period.

Seasonal Employee: An employee hired to work during peak seasons of the year and who may be scheduled as needed during the remainder of the year.

Regular Employee: An employee who is appointed to fill a budgeted position, has passed a probationary period, and who is not temporary or seasonal.

Competitive recruitment: A recruitment for which a candidate submitted an application through an open recruitment process (either internal or external), interviewed for a position, and was selected for the position.

Non-recurring workload: Hires and assignments are made and budgeted to meet workload needs and are intended to stay within the 1040 hour limitation.

Guidelines

1. Temporary employees shall be employed by Metro for non-recurring workload needs on a short-term basis not to exceed 1040 hours within 12 months from the date of hire. Temporary positions are not intended to undermine the competitive recruitment process, to replace regular employees, or to diminish regular employees' wages, hours or other conditions of work.
2. Temporary and seasonal employees are not eligible for an internal only recruitment unless hired as a result of a competitive recruitment. Temporary and seasonal employees work at-will, and are not guaranteed at any set number of hours.

Procedures

1. A hiring manager shall notify Human Resources when a need for a temporary employee arises. Human Resources will conduct a competitive recruitment for temporary and seasonal employees.
2. If the department's need for temporary assistance is urgent, Human Resources will contact a temporary agency to request qualified candidates. If the temporary agency is not able to provide a qualified candidate for the position, a hiring manager may directly appoint a person to the temporary position provided the candidate possesses the specialized knowledge, skills and abilities required for the role.
3. All temporary or seasonal employees are required to pass the background check prior to employment regardless of the recruitment method used.
4. Human Resources will help the department prepare offer letters, which should be completed for all temporary positions. Offer letters should clearly state employment terms including the start date and anticipated end date of the position. If the end date is not certain, the offer will be for a duration not to exceed 1040 hours within 12 months from date of hire.
5. The department and Human Resources will ensure that any pay adjustments will be applied consistently to prevent inequity and adverse impact. With budget approval, supervisors have discretion to pay returning employees above the minimum pay or step in the respective range.
6. In a case in which a temporary employee is not fulfilling the full responsibilities of a regular classification employee, Human Resources, in consultation with the department, may create temporary classifications at a lower pay range.

Responsibilities

Employee:

- Maintain limit on work hours unless an extension has been authorized by management and, if the temporary employee is filling a position that would otherwise fall within the bargaining unit, agreed to by the union.
- No temporary or regular employee working directly for Metro shall report to work or engage in work with a temporary employment agency in a Metro assignment.

Supervisor:

- Anticipate and budget total costs of temporary and seasonal hires. This assessment includes potential PERS and unemployment costs.
- At the start of employment, a manager should indicate if a temporary employee is projected to reach the PERS threshold of 600 hours and 12 months of service, and manage hours appropriately.
- Ensure that a temporary employee's period of employment does not exceed the 1040 hour limit.
- If there is an emergency that may make it necessary to use a temporary employee for more than 1040 hours, prior to exceeding the limit, request approval from the department director and Human Resources to extend the hours.
- Ensure there is a distinction between regular staff and temporary staff with clear roles and responsibilities. Make it clear to all regular staff what the appropriate duties are for temporary employees.

- When work is offered to a temporary or seasonal employee and they decline the offer or report in advance that they will be unavailable for work, make note of that information and report it to Human Resources.
- Notify Human Resources if a temporary employee will not be called back for thirty days or more. Human Resources will then terminate the employee from the Human Resource Information System.

Human Resources:

- Manage and conduct competitive recruitments for temporary and seasonal employees.
- Track all temporary hours based on hours from time of hire and notify departments and hiring managers appropriately.
- Draft hire letters for the managers for temporary employees.
- Ensure that no contract is entered into with a temporary employment agency for services that would result in a temporary or regular Metro employee working concurrently for Metro and a temporary employment agency.
- Administer compensation for temporary employees in accordance with applicable policies and procedures.

 - g. Metro and the intern agree in writing that the intern is not entitled to wages for the time spent in the internship.

Subject Classification Plan
Section Human Resources
Approved by Office of the Executive

EXCERPT FROM EXECUTIVE ORDER 88 (2005)

Policy is under review. Numbering has been changed from original manual; content is from former Sections 6 – 8, E.O. 88 (2005).

CLASSIFICATION PLAN

1. General

- a. The purpose of the classification plan is to provide an inventory of specifications for each classification. The plan shall be developed and maintained so that all positions substantially similar with respect to duties, responsibilities, authority and qualifications are included within the same class, and so that the same range of compensation will apply. Each permanent position shall be allocated to an appropriate classification on the basis of the duties and responsibilities of the position.
- b. Classification titles shall be used in all personnel, budget and financial records.
- c. The classification plan shall cover permanent full-time and permanent part time positions, as adopted and amended by the Council.
- d. The Chief Operating Officer or his/her designee shall establish administrative procedures to implement the classification and pay plans. The Chief Operating Officer may make administrative changes to classification specifications, title, and classification numbers. The Chief Operating Officer may annually revise salary ranges to reflect a cost of living adjustment.

2. New Classifications

Any new classification added to the classification plan requires approval from the Chief Operating Officer.

3. Reclassification of Existing Positions

Reclassification of an existing position from one existing classification to another existing classification may be approved by the Chief Operating Officer provided the reclassification can be accomplished with the limitations of the current budget.

Subject Compensation
Section Human Resources
Approved by Office of the Executive

EXCERPT FROM EXECUTIVE ORDER 88 (2005)

Policy is under review. Numbering has been changed from original manual; content is from former Sections 9 - 10, E.O. 88 (2005).

PAY PLANS

1. The Chief Operating Officer shall prepare pay plans for permanent positions and seasonal appointments which shall establish a salary range with a minimum and a maximum salary rate of pay appropriate for each class. The pay plans shall establish the eligibility of each classification to receive overtime compensation as indicated by exempt or non-exempt status.
2. The pay plans shall equitably reflect the difference in duties and responsibilities, and shall be related to compensation for comparable positions within the job market.
3. The Chief Operating Officer shall review the pay plans annually and include recommended revisions within his/her proposed budget. Said review may cover such items as changes in the Consumer Price Index and in salaries and benefits received by employees in the labor market.
4. The Chief Operating Officer shall administer the pay plans based on the need and expectations of Metro along with suitable employee performance.
5. The Chief Operating Officer may propose an agency-wide classification/compensation study for non-represented employees to assess classifications and evaluate compensation.

COMPENSATION – NON-REPRESENTED EMPLOYEES

1. Policy

It shall be the policy of Metro to provide competitive salary opportunities for non-represented employees and to administer its salaries in such a way as to attract, retain and motivate a qualified workforce.

2. Implementation

***REPLACED** in part – See Probation policy (Dec. 2012)*

a. Initial Hire and Promotion

Upon initial appointment to Metro, or upon promotion to a position in a classification with a higher maximum salary range, each employee should receive a salary at or 5 percent above the beginning salary rate of the salary range for the class to which the position is allocated. Appointment at or 5 percent above the beginning salary rate should be the general practice, with appointments above that level being the exception for outstanding qualifications and experience, and subject to departmental personal services budget resources and approval of the hiring Department Director with concurrent notification to the Chief Operating Officer. Appointments above the first quartile require the prior written approval of the Chief Operating Officer.

<DELETION>

b. Merit Pay

Regular, non-represented employees are eligible for the merit pay portion of the performance evaluation program. Merit increases shall be linked to the agency-wide performance evaluation program.

Merit increases will be effective on a common date (March 1) agency-wide. Employees must have been in their current classification for at least six (6) months and have successfully completed probation in that classification, as of the last day of February of the current year, in order to be included in the current March 1 award process.

Merit increase amounts will be determined by the Chief Operating Officer on an annual basis, employing a merit matrix. The amount of increase shall be determined by the agency's ability to pay, the individual employee's performance rating for that year, and the individual employee's quartile position in his/her salary range. Merit increases may not result in an employee's salary falling above the range maximum.

- c. When an employee is reclassified to a position in a classification with a higher maximum salary rate, the employee shall be placed on the beginning salary rate of the salary range or receive an increase of 5 percent, whichever is greater.

A reclassified employee shall not serve a probationary period. An employee reclassified to a position in a classification with a higher maximum salary rate shall not receive a salary increase after completion of six months in the new classification. The employee's job class entry date shall reflect the effective date of the reclassification.

When an employee is reclassified to a position in a classification with a lower maximum salary rate, the employee's salary rate shall not be reduced. If the employee's salary rate is above the new salary range, the employee's rate of pay shall remain the same (red-circled) until annual adjustments to the pay plan bring the employee's rate within the new classification range. At that time, the employee will become eligible for merit increases.

- d. When an employee is voluntarily demoted to a position in a classification with a lower maximum salary rate, the employee's salary rate shall not be reduced as long as the employee's current salary rate is within the lower salary range. If the employee's salary rate is above the new salary range, the employee's salary will

be reduced to the highest rate of the new range. In no case, shall an employee's current salary rate be increased upon voluntary demotion.

- e. A Department Director may assign an employee, in writing, to work "out of class." Whenever an employee is assigned to work temporarily in a higher classification for a period in excess of 10 consecutive work days, he/she shall be considered as working "out of class" in a higher position and shall be paid from the date of assignment at 5 percent above his/her current rate of pay or at the beginning salary rate in the range designated for the higher classification. An employee shall not remain in an acting capacity for a period exceeding six months within a 12-month period. If a Department Director needs to extend the work out of class period beyond six months, extenuating circumstances must be given in writing to the Chief Operating Officer for approval and forwarded to the Human Resources Director. A work out of class assignment, for up to six months, shall not be considered as time served for purposes of the effective date for reclassification or promotion.
- f. When, as part of a classification/compensation study, the salary range for any classification is increased, individual employees shall be placed within the new range at their current rate of pay or on the beginning salary rate of the new salary range if the beginning salary rate is higher than his/her current rate of pay.
- g. When the salary range for an entire classification is decreased as a part of a classification/compensation study, the rates of the incumbents in the positions shall be continued (red-circled) and no change in salary shall occur until the annual adjustments to the pay plan bring the employee's rates in the new class within the new range. At that time, incumbents will become eligible for salary adjustments.

Subject Overtime Compensation
Section Human Resources
Approved by Office of the Executive

EXCERPT FROM EXECUTIVE ORDER 88 (2005)

Policy is under review. Numbering has been changed from original manual; content is from former Section 21, E. O. 88 (2005).

OVERTIME COMPENSATION

1. When overtime is authorized, overtime compensation shall be paid only to employees who are not exempt from overtime as established in the pay plan.
2. No overtime shall be paid to overtime exempt employees. Time worked on a holiday may be taken at a later date. It is understood that an overtime exempt employee may have to work on occasion beyond normal business hours, and that some extra work hours beyond a usual workday or workweek are part of the job expectations for an overtime exempt employee. At the Department Director's discretion, flexible work hours may be utilized to accommodate a reasonable balance of work hours. Recorded time off shall be consistent with administrative leave.
3. For purposes of computing overtime, hours worked shall include only time actually worked by the employee and shall not include holiday pay, vacation pay, sick pay, or other compensable leaves.
4. Compensation for authorized overtime shall be at the rate of time and one half for time actually worked in excess of the 40 hours in a workweek or eight hours in a workday and may be paid in cash if budgeted funds are available or, if the employee agrees as compensatory time off, at the discretion of the Department Director. Compensatory time must be taken as leave within six months or paid in cash within the fiscal year that it is earned. Such payment shall be at the employee's rate of pay being earned at the time of payment. When a non exempt employee is terminated, the employee shall be given cash compensation for the overtime the employee has accrued and not used.
5. Overtime hours worked shall not be used to expand employee benefits or to shorten probationary or annual merit increase periods. Compensatory time off in lieu of overtime pay will be counted as regular time worked in computing wages and toward earning employee benefits and to serve out probation and merit increase periods.

Ordinary fringe benefit: An employment benefit given in addition to one's wages or salary.

Marketing rewards: Marketing programs are designed to enhance brand loyalty by cultivating an ongoing relationship between a marketer and a customer. Many loyalty programs reward purchases based on the dollar value of purchases made or the frequency of purchases. The most well-known loyalty programs are airline frequent flyer programs that offer discounts against future travel called award miles.

Guidelines

1. As an ordinary fringe benefit of employment, all Metro employees are entitled to retain marketing rewards received in the course and scope of work, including but not limited to, frequent flier airline miles, hotel rewards, and credit card rewards and rebates.
2. Since such rewards are non-transferable and can only be used for an employee's personal use, Metro will not track the retention and use of these rewards. All rewards must be appropriately associated with travel or other business-related expenses as specified in Metro Executive Order 63 and MERC Personnel Policies 12.10. Employees are responsible for any tax liability associated with this benefit.

Responsibilities

Employee:

- Direct any questions to your supervisor, department director, or the Human Resources Benefits Manager regarding whether a particular marketing reward is being received through the course and scope of work and/or can properly be retained.

Supervisor:

- Familiarize yourself with this policy and respond to employee questions regarding coverage.
- Direct any questions that you cannot answer to the department director or the Human Resources Benefits Manager.

Department Director:

- Familiarize yourself with this policy and respond to employee questions regarding coverage.
- Direct any questions that you cannot answer to the Human Resources Benefits Manager.

Human Resources:

- Provide education regarding this policy.
- Answer employee, supervisor, and/or department director questions regarding the policy's applicability to particular situations.

Approved by Office of the Executive

EXECUTIVE ORDER 63 (updated 2002)

Policy is under review. Numbering is from the original Executive Order.

This Executive Order defines the procedures for requesting authorization and reimbursement for travel expenditures. The procedures outlined apply to all departments requesting travel authorization, expenditures and reimbursement for employees. This Order supersedes all previously issued Orders on this subject.

I. TRAVEL EXPENSES - GENERAL

Each Department Director is charged with the responsibility of determining the reasonableness of, necessity for, and method of, travel for their department's employees, provided that funds are available within the appropriate budget. Once such necessity has been determined, disbursement of funds for travel expenses shall be governed by these rules.

Employees shall exercise good judgment in carrying out activities related to travel on Metro business, and shall strive to limit travel costs by such measures as carpooling, staying at lower cost hotels, and sharing accommodations when applicable and appropriate. Any individual traveling for the benefit of Metro has the responsibility to keep accurate and complete cost documentation and to submit requests for prepayment and reimbursement in accordance with this Executive Order. It is not permissible for one employee to receive funds for an advance or reimbursement of expenses incurred or to be incurred by another Metro employee.

The Executive Order on travel has been developed with the Internal Revenue Service Regulations as its primary framework. The travel payment methodology used in this policy is defined as an Accountable Plan (IRS publication 535). If travel related expenses are reimbursed under a Nonaccountable plan, the reimbursements would be reported by Metro on the employee's IRS Form W-2, Wages and Tax Statement. By definition, an Accountable Plan assumes the following IRS criteria have been met:

- All expenses were incurred while on official Metro business
- The expenses were adequately accounted for within a reasonable amount of time
- Any excess reimbursements or advances were returned within a reasonable period of time

No expenditure of Metro funds will be allowed for transportation costs that are solely vacation related, nor shall expenditure of Metro funds be allowed for lodging, per diem, or other expenses for any additional travel time charged to vacation. There will also be no reimbursement to employees for commuting costs.

A. Local Travel

Local travel is defined as travel within a fifty-five (55) mile radius of Metro Regional Center. Under these guidelines, travel to Salem from Portland is considered local travel. Local travel will use the same accounting guidelines as established for out-of-town travel except that meals, per diem and lodging costs are not paid, unless included in the cost of conference (seminar) registration.

B. Out-of -Town Travel

Out-of-town travel is defined as any trip with a destination outside of a fifty-five (55) mile radius of Metro Regional Center. Employees who are authorized to take out-of-town travel are allowed per diem and lodging expense reimbursement as described in Section III.

II. APPROVAL AUTHORITY

An employee must receive authorization to incur travel-related expenditures, from the authority as outlined below, in advance of travel arrangements being made. This authorization will be evidenced, in writing, by the appropriate approval signature(s) appearing on travel expenditure or employee reimbursement requests submitted to the Accounting Division. The appropriate approval signatures are as follows:

- A. Department Director (or designee) approval shall be required for each employee travel expenditure or expenditure reimbursement request.
- B. Executive Officer approval shall be required for each Department Director travel expenditure or expenditure reimbursement request.

Significant changes in originally approved travel plans or costs require approval by the appropriate authority as outlined above.

Failure to comply with any of these provisions may result in Metro not paying for the travel expenditures incurred.

III. ADVANCE PAYMENT REQUEST PROCEDURES

Advance payment for travel expenses is normally to be limited to estimated costs for Per Diem and miscellaneous expenses. Transportation by common carrier is to be arranged through Metro's designated travel agent, as described in Section IV. Lodging arrangements may be made by Metro's designated travel agent. To pay for lodging expenses, travelers are encouraged to use either their Metro purchasing card or the departmental travel coordinator's purchasing card. Otherwise, Metro may pay for the costs directly through the issuance of a check in the amount of the quoted cost payable to the lodging establishment or employees may pay for lodging costs themselves and request reimbursement.

A. Procedure

If an employee requests a travel expense advance, the "Travel Authorization and Payment" form is to be completed, including all applicable approvals, and submitted to the Accounting Division. In order for the employee to be paid within the normal

cash disbursement processing cycle, the form should be submitted to the Accounting Division in a timely manner. Accounting will process the form and return a check to the traveler in the amount of the advance. The amount so drawn will be considered a debt owed to Metro by the payee from the date the check is made available to the employee.

To minimize processing costs, if the amount of expected travel expenses does not exceed \$50, the traveler is requested to pay the expenses and, upon return, request reimbursement.

B. Accounting for Advance Payments

To comply with IRS regulations, employees shall submit to the Accounting Division appropriate documentation for travel expense advances no later than sixty (60) days after the date of the advance. This requires that all expense documentation be attached to a copy of the originally completed and signed "Travel Authorization and Payment" form kept by the employee at the time of the advance.

"All expense documentation" is defined as all receipts for which expenses are being claimed and a written and legible summary that totals the receipts by expenditure category shown on the "Travel Authorization and Payment" form.

C. Sixty Day Limit

If no documentation for travel advances has been received by the Accounting Division within sixty (60) days after the date of the advance, the employee will be notified in writing of his or her delinquency. The Accounting Division must receive complete documentation from the employee within five (5) working days of the date of the notice of delinquency.

Should the employee fail to provide the necessary documentation to the Accounting Division by the date specified on the notice of delinquency, the amount of the undocumented advance will be treated as taxable wages and subject to federal withholding taxes.

D. Actual Expenses Over/Under Estimate

If actual documented travel expenses are less than the amount of the advance; the employee shall owe Metro the difference and shall make payment to Metro when submitting the travel expense documentation to the Accounting Division. The payment to Metro must be received within thirty (30) days of the submittal of the travel expenses.

If actual documented travel expenses exceed the amount of the advance, reimbursement will be made to the employee within fourteen (14) days of the employee's submittal of all expense documentation (as defined above).

If reimbursement is requested for local travel (as defined in Part I) a "Payment Authorization" form shall be submitted attaching all necessary expenditure documentation.

If there are significant changes in the original travel cost estimates (i.e., increases in the number of days to be reimbursed for lodging or per diem), the changes must be approved in accordance with the "Approval Authority" procedures outlined in Section II above.

IV. USE OF DESIGNATED TRAVEL AGENT

- A. A travel agent shall be designated by the Executive Officer following a competitive selection process. The name of Metro's designated travel agent, and all other pertinent information regarding such agent shall be distributed in writing to all departments upon appointment of such agent. Further information is available from the Administrative Services Department.
- B. Because of contractual and payment arrangements, airline reservations must be made through Metro's designated travel agent unless a waiver is obtained from the designated travel agent before the travel is arranged. A separate waiver is required for each traveler for each event. If travel is booked without using the designated travel agent, and a waiver is not obtained, the travel may not be reimbursable.
- C. Special discounted airfare or hotel rates negotiated by a conference or professional association may be available. Metro's travel agent must be contacted to compare special airfare rates to other discounted airfare rates meeting the traveler's needs. If the travel is not arranged through the designated travel agent, a waiver must be obtained from the designated travel agent before the travel is booked.

V. TRAVEL EXPENSE ALLOWANCES

Reasonable travel expenses are generally allowable if they have been budgeted and are considered necessary to carry out the lawful business of Metro. Commercial transportation shall not be paid for with advance money. The travel agency or transportation company shall bill Metro directly. Specific travel allowances are provided below.

A. Transportation

Transportation may be authorized as follows:

1. **Public Carrier or Metro Vehicle.** Use of a public carrier or Metro vehicle is encouraged for local travel. Receipts will be required for all reimbursements (except in cases where receipts are not commonly provided, such as bus fare).

Use of a Metro vehicle for travel outside the State of Oregon or within Clark County, Washington is not allowed without the prior approval of the Department Director (or designee).

2. **Private Car.** For local travel, use of public carrier or Metro car is encouraged, but reimbursement for use of a private vehicle may be allowed if authorized by the employee's Department Director (or designee). Mileage reimbursements will be based on travel to and from Metro, not to the employee's home.

If it is practical for the employee to use a public carrier or Metro vehicle for local travel, but the employee chooses to use a private vehicle, Metro shall not reimburse for use of the private car. The employee should be able to provide proof that a Metro car was not available before requesting reimbursement for a private car, unless they work at sites where there are no Metro cars or have a need to carry special gear or tools as part of their job duties.

For approved out-of-town travel, the Department Director (or designee) may authorize the use of the employee's private car. The following items will be

considered when allowing an employee to use a private vehicle for out of town travel; the cost of coach airfare, the cost of the mileage reimbursement, the cost of lodging and meals for car-travel days, the cost of normal wages and benefits for car travel days (unless accumulated leave is used), and other specific costs directly related to travel by automobile.

Reimbursement for use of a private car will be made at the rate published by the IRS. Employees are responsible for providing their own personal auto insurance coverage.

If Metro travel is combined with a vacation trip and a private vehicle is used for transportation, reimbursement will be at the lower rate of commercial (common carrier) transportation or mileage. For airfare, the lower of the following two items will apply: the coach rate with a fourteen (14) day advance payment and Saturday layover or the lowest government airfare rate available through the designated travel agent. In making this determination, the airfare must be based on the travel that would have taken place solely for the business portion of the trip, generally a return trip from Portland directly to the business destination. The employee is responsible for adequately documenting the quoted airline rate.

3. **Ride Sharing.** In a situation where several employees are to attend the same function and the transportation is to be by automobile, the ride shall be shared if practical. If use of a private car is authorized, mileage reimbursement shall be requested for only one vehicle. If mileage reimbursement is requested for more than one vehicle, the requests must be approved separately by the Department Director (or designee) or Executive Officer.
4. **Rail.** Metro will approve rail accommodations for out-of- town travel based upon Amtrak's coach fare rate and minimum distance requirement. Rail fare shall be ordered and paid for directly by Metro.

The following items should be considered when allowing an employee to use rail travel; the cost of coach airfare, the cost of rail travel, the cost of lodging and meals during the train travel, and the cost of normal wages and benefits for rail travel days. The cost of the rail fare and lodging on the train should not exceed the cost of the lowest airfare (given the guidelines stated below) plus the hotel Per Diem amount. If the costs of the rail fare and the lodging on the train exceed this amount, the traveler will be responsible for the difference.

5. **Air.** To take advantage of significant savings in airfare, Metro employees will be expected to arrange their travel itinerary to take advantage of the lowest available fare that corresponds to the departure times and direct routing which are required to conduct Metro business. This may involve a Saturday night layover if the total cost to Metro, including per diem and hotel accommodations, is less than cost of the ticket without the layover. Exceptions to this requirement must be approved by the Department Director (or designee) or Executive Officer, as appropriate.

Reasonable judgment should be used by the traveler and the administrative staff in determining whether the additional cost associated with a nonstop flight (or another flight that would result in a significant savings of travel time) is acceptable. The Department Director (or designee) will determine

any questions relating to the reasonableness of the airfare and the time saving.

The use of Metro's designated travel agent is required to arrange airline travel due to contractual and payment arrangements. Please refer to Section IV regarding the use of Metro's designated travel agent for specifics.

Employees including additional destination(s) in their travel for non-Metro business shall pay for the difference between the travel that would have been taken for the business portion of the trip, given the guidelines stated above, and the cost of the airfare containing their personal travel portion. Employees must use their own personal charge card for the non-Metro-business portion of the travel expense, not a Metro purchasing card.

Employees combining business and personal travel should be cautioned that substituting non-refundable airline tickets for fully refundable airline tickets might result in a liability to the employee should the reason for the business travel be cancelled. Employees leaving on vacation prior to the business event will become responsible for all costs should the business event be cancelled at a point that all reservations could have been cancelled resulting in little or no cost to Metro.

6. **Ground Transportation at Destination.** Receipts must be submitted for reimbursement for taxi fares, rental cars and other costs of transportation to and from terminals and necessary to conduct the matters relating to approved out-of-town travel. Rental car expenses will be allowed only if specifically authorized by the Department Director or Executive Officer, as appropriate. Reimbursement will be made on actual cost only, as supported by receipts.
7. **Local Ground Travel.** Airport parking and transportation between the traveler's office and Portland International Airport will be reimbursed only for reasonable charges.

B. Per Diem

When an employee is required to travel outside the Metro area to conduct official Metro business (including attendance at conferences and seminars), the employee is entitled to a meal Per Diem. The amount of Per Diem requested shall be indicated on the "Travel Authorization and Payment" form and approved per procedures outlined in Section II above.

The Per Diem allowance is made for the purpose of reimbursement for meals. No accounting or receipts are required for this portion of the reimbursement. If meal costs exceed the established per diem, full reimbursement will be provided on submittal of meal receipts for the entire trip. Travelers may choose to receive either per diem or reimbursement for each trip. No meal of a lavish or extravagant nature will be reimbursed. The purchase of alcoholic beverages with Metro funds is prohibited.

The daily Per Diem allowance shall be the allowance, by city, as published by the IRS. The most current Per Diem amounts can be obtained on the Internet at www.policyworks.gov/perdiem. When obtaining the Per Diem amounts from the Internet, it is required that documentation of the rate be attached to the Travel Authorization. Copies of the IRS Per Diem allowances are also available from the Accounting Division.

For the purpose of calculating the meal Per Diem rate, the following percentages will be used: Breakfast: 25% of the meal Per Diem ; Lunch: 25% of the meal Per Diem; Dinner: 50% of the meal Per Diem.

For overnight travel, on the initial day of travel, if the employee finds it necessary to leave:

At or before:	Per Diem allowance would include:
7:00 a.m.	Breakfast
12:00 noon	Lunch
6:00 p.m.	Dinner

On date of return, if the employee has:

Returned at or after:	Per Diem allowance would include:
8:00 a.m.	Breakfast
1:00 p.m.	Lunch
7:00 p.m.	Dinner

For non-overnight travel, the employee is entitled to the following meal Per Diem:

Breakfast: The employee must be on travel status for two hours or more before the beginning of their regularly scheduled work shift to receive a breakfast allowance.

Lunch: No allowance is provided for lunch except in certain situations which may include an official business meeting where the meal is an agenda item and part of the meeting.

Dinner: The employee must be on travel status for two hours or more beyond the end of their regularly scheduled work shift to receive a dinner allowance.

Under no condition shall an employee be entitled to a meal Per Diem allowance if such meal is provided as a cost of meeting or conference (registration), air fare or other travel expense. If such meals are provided, a corresponding reduction in the Per Diem allowance shall be made. The primary responsibility for adjustments of this nature rests with the employee and shall be approved by the Department Director (or designee), however, the Accounting Division will review the documentation and adjust these items if determined to be appropriate.

C. Lodging

When out-of-town travel requires absence overnight, reimbursement will be made for the actual cost of reasonably priced lodging not to exceed the single occupancy rate established by the hotel (unless employees share accommodations). Receipts are required for reimbursement. No payment will be made for lodging in a private residence.

When requesting advance payment for hotel or motel, the amount requested must be the rate quoted when the reservation is made. Only this rate plus any local tax will be allowed on the final accounting, unless good cause is shown why the rate was exceeded.

Employees shall submit an occupancy tax exemption certificate when checking into the hotel for potential tax exemption. Copies of the exemption form may be obtained from the Accounting Division.

D. Telephone Expenses

A limited number of personal telephone calls during travel on Metro business are allowed. Employees shall be reimbursed for one (1) phone call home on the first day of travel as well as a personal call on every second day thereafter while on Metro business. Metro will reimburse the employee up to ten (10) minutes per call, or to a maximum of \$10.00 per call. Documentation must be provided to show the number of minutes per call or the dollar amount of the call. When authorized by Metro, employees will be provided with a Metro phone card. Employees are encouraged minimize phone expenses by using phone cards rather than dialing directly from their hotel room, which can be much more expensive. When Metro phone cards are not available, the employee shall provide receipts to be reimbursed for allowable phone calls.

E. No Personal Benefit from Metro-paid Travel

If a spouse/dependent accompanies a Metro employee on official travel, reimbursements for lodging shall not exceed that of the single occupancy government rate. Sufficient documentation will be provided to indicate the difference between the single and multiple occupancy rates. The employee will be personally responsible for any additional lodging costs.

VI. EXCEPTIONS

The Executive Officer may grant exceptions to the travel expenditure procedures included in this Executive Order. Any such exceptions must be requested in writing, and demonstrate good cause and exceptional circumstances.

VII. INTERPRETATIONS

Instances may arise from time to time which require an interpretation of this Executive Order. Such interpretations are incorporated into this Executive Order by reference, provided they are in writing, dated, and signed by the Executive Officer; they will be kept on file with this Executive Order in the files maintained in the Office of General Counsel and the Office of the Executive.

Subject Probation
Section Human Resources
Approved by Martha Bennett, Chief Operating Officer; MERC Commission

POLICY

Upon initial hire, promotion, transfer or demotion to a budgeted regular or limited duration position, all employees must successfully complete a probationary period to demonstrate fitness for the position.

Applicable to

All employees occupying regular and limited duration positions.

Where provisions of an applicable collective bargaining agreement directly conflict with this policy, the provisions of that agreement will prevail.

Definitions

Limited duration position: A budgeted full-time or part-time position approved by the Chief Operating Officer (COO) or MERC Commission for a predetermined amount of time in order to meet a specific need.

Probation: A continuation of the screening process during which an employee is required to demonstrate fitness for the position to which the employee is appointed or promoted.

Probationary employee: An employee serving any period of probation.

Promotion: The movement of an employee from a position in one classification to a different position in a classification with a higher maximum salary rate.

Reclassification: A change in the classification of a position based on the duties currently assigned to an existing position or to be assigned for a vacant position. A position may be reclassified to a classification with a higher, lower, or equivalent rate of pay. If the position is filled, the incumbent employee is reclassified along with the position. A reclassification differs from a promotion, demotion or transfer in that the employee does not move to a different position; rather, the position is changed to a different classification.

Regular status employee: An employee who has successfully completed the initial probationary period and occupies a regular full-time or regular part-time position.

Regular position: A budgeted full-time or part-time position approved by the Metro COO or MERC Commission for an ongoing, indefinite time period.

Guidelines

1. Upon initial hire, promotion, or lateral transfer to a regular or limited duration position, all employees must successfully complete a probationary period to demonstrate fitness for the position. The probationary period is typically six months, except as noted below or established by a collective bargaining agreement.
2. The probationary period provides the supervisor an opportunity to observe the employee's work; to train, instruct and aid the employee in adjustment to the position; and to reject any employee who does not meet the position's conduct and performance standards.
3. Successful completion of any probationary period is for Metro's internal screening process only and does not confer any form of tenure or other expectation of continued employment.
4. Upon successful completion of initial or promotional probation, non-represented employees will receive up to a 4% salary increase unless alternative arrangements have been made at the time of hire or promotion. Represented employees' pay is determined by collective bargaining agreement.

Procedures

1. Metro's standard probationary period is six months.
 - a. The probationary period for a part-time employee must include a minimum of 400 hours, which may require a longer probationary period.
 - b. If an employee is absent from work for a total of 10 or more days during probation, the probationary period will be extended by the number of days the employee was absent.
 - c. With the approval of the Department Director and Human Resources (HR) Director, a supervisor may extend an employee's probation. The supervisor must provide the employee a written explanation of the reasons for the extension, with a copy to the HR Department.
2. During initial probation, employees will accrue sick leave but will not accrue vacation time or personal holidays. After completing probation, employees will receive a bank of vacation time and personal holidays equivalent to what they would have earned during probation.
 - a. Supervisors have discretion to grant probationary employees brief periods of leave without pay for illness for which the employee has insufficient accrued sick leave, for bereavement, or for any other appropriate purpose, subject to the department's operational needs.
 - b. Employees on probation after promotion, demotion or transfer may use any type of accrued time off subject to regular approval procedures.
 - c. Probationary employees may be entitled to additional types of leave as required by law.

3. Supervisors must evaluate employees' work performance and conduct at least twice during probation, once at or near the midpoint of the probationary period and again before the end of probation. Supervisors are encouraged to provide regular feedback in addition to formal performance evaluations.
 - a. If it is feasible and appropriate to do so, supervisors should notify the employee as soon as possible after conduct or performance problems arise to give the employee an opportunity to correct the problem.
 - b. Supervisors must submit performance evaluations to the Department Director and HR Department for review. Supervisors must consult with the Department Director and HR Director before terminating a probationary employee.
 - c. Before the conclusion of the probationary period, the supervisor must recommend whether the employee should be given regular status or terminated.
 - i. The supervisor's recommendation is subject to the Department Director's approval.
 - ii. If an employee does not pass probation, the supervisor must provide a written explanation to the employee with a copy to the HR Department.
4. **Initial hire:** All employees hired into a regular or limited duration position must complete a probationary period of six consecutive months of service.
 - a. Employees serving the initial six-month probationary period may be terminated without cause, with or without prior notice.
 - b. Successful completion of probation does not confer any form of tenure or a guarantee of continued employment. Non-represented employees are employed on an "at will" basis and can be terminated with or without cause in accordance with Metro's policies related to layoff and termination.
5. **Application for promotion, demotion or transfer:** Employees are permitted to apply for other positions at Metro while on initial probation but will be required to serve an additional probationary period upon beginning a new position.
6. **Promotions, demotions, and transfers:** Employees who are promoted, transferred, or voluntarily or involuntarily demoted and have completed initial probation at Metro must serve a three-month probationary period in the new position. Employees who have not completed initial probation must serve a complete six-month probationary period in the new position.
 - a. With the approval of the HR Director, the Department Director may reduce or waive this requirement if the employee has already completed initial probation and has previously demonstrated excellent performance in a position with the same or similar duties.
 - b. Employees who are unable to perform to the standards of the new position may be terminated. An employee in this situation is not entitled to reinstatement to the previous position but may apply for any suitable vacancy through the recruitment process.

- c. Upon successful completion of initial or promotional probation, non-represented employees will receive up to a 4% salary increase unless alternative arrangements have been made at the time of hire or promotion. There is no post-probationary pay increase for transfers and demotions.

7. **Reclassifications:** Employees whose positions are reclassified are not required to serve an additional probationary period and therefore do not receive a post-probationary pay increase.

Responsibilities

Employees:

- Become familiar with the performance expectations for your position and do your best to meet them. Ask your supervisor for guidance if you are having difficulty.

Supervisors:

- Provide instruction and feedback to help employees meet performance expectations. Notify the employee as soon as possible after conduct or performance problems arise.
- Conduct performance evaluations at the midpoint and before the end of the employee's probationary period and provide copies to the employee, Department Director, and HR Department.
- Consult with the Department Director and HR Department if an employee is not meeting the standards necessary to pass probation.
- Provide a written explanation to the employee and the HR Department if an employee does not pass probation or if probation is extended.

Department Directors:

- Consult with the supervisor and HR Department on decisions about employees' probationary status.

HR Department:

- Consult with the supervisor and HR Department on decisions about employees' probationary status.
- Make appropriate adjustments to the employee's status in the applicable HR systems.

Subject Performance Management
Section Human Resources
Approved by Martha Bennett, Chief Operating Officer; MERC Commission

POLICY

The purpose of performance management is to ensure that employees understand job expectations and receive timely feedback and coaching in order to be successful in their current job and prepared for future growth within Metro.

Applicable to

All employees in regular and limited status positions; temporary and seasonal employees as determined by the Department Director.

Where provisions of an applicable collective bargaining agreement directly conflict with this policy, the provisions of that agreement will prevail.

Definitions

Coaching: Guidance provided by supervisors to help employees succeed in meeting performance goals and/or to promote professional development.

Performance cycle: A probationary period or the timeframe between annual performance evaluations.

Performance evaluation: A formal evaluation of an employee's performance during the preceding performance cycle.

Performance Improvement Plan (PIP): A set of goals given to an employee who is not meeting performance expectations. The PIP gives specific details of the areas in which the employee must improve and the period of time during which that improvement should occur.

Progress review: A structured review conducted during a performance cycle to review an employee's progress toward meeting performance expectations and the goals set for that cycle.

Guidelines

1. Performance management is an ongoing process that includes planning, feedback and coaching, and review.
2. Performance evaluations are conducted at the end of each probationary or annual performance cycle in order to summarize accomplishments and areas for development and to set goals for the upcoming performance cycle.

Procedures

1. Shortly after an employee begins a new position or performance cycle, the supervisor should initiate a performance planning dialogue with the employee to clarify job responsibilities and identify goals.
2. Feedback and coaching should be ongoing throughout the performance cycle and can be initiated by either the employee or the supervisor.
 - a. Employees are encouraged to ask for feedback and clarification of performance expectations as needed.
 - b. Supervisors are encouraged to provide coaching as soon as possible when an employee's performance is falling short of expectations.
3. Supervisors are required to conduct formal performance evaluations at the end of an employee's probationary period and annually. In addition, a mid-year progress review is required and a mid-probation progress review is strongly recommended.
 - a. A satisfactory performance evaluation is not a guarantee of an increase in wages, salary or benefits, advancement or continued employment.
 - b. A copy of the performance evaluation is kept in the employee's official personnel file.
 - c. In the event that an employee disagrees with any portion of the supervisor's written comments, the employee may submit a written response, which will be included in the employee's personnel file along with the evaluation.
 - i. A response may be submitted at any time; however, the response must be submitted within 10 working days of receipt of the evaluation to be considered as part of the final evaluation. The supervisor has final authority for the evaluation.
 - ii. If an employee submits a written question or concern, the supervisor will discuss the employee's concerns with the employee and provide a written response.
4. Progress reviews and performance evaluations will be conducted in accordance with the Human Resources (HR) Department's Performance Planning and Evaluation Guide. Supervisors may contact HR for additional guidance as needed.
5. If an employee receives an unsatisfactory overall performance rating, the employee will be placed on a Performance Improvement Plan (PIP) with specific goals and timelines to improve performance. If an employee does not meet the PIP goals within the designated timelines, the employee may be subject to discipline.
6. A supervisor's failure to provide an employee with a performance evaluation or place the employee on a PIP does not guarantee that an employee's performance is satisfactory or waive management's right to pursue disciplinary action as appropriate. Employees should ask their supervisors and/or notify HR if they do not receive a timely mid-year progress review or performance evaluation.

Responsibilities

Employees:

- Ask your supervisor for clarification or feedback if you are unsure of performance expectations.

- Actively engage in the process, including goal-setting and self-evaluation.

Supervisors and Managers:

- Conduct performance planning, coaching and review in accordance with the Performance Planning and Evaluation Guide provided by the HR Department.
- Document employees' performance and provide feedback throughout the review cycle.
- Notify HR of performance concerns that may prevent the employee from passing probation or that may warrant disciplinary action.

Human Resources Department:

- Provide training opportunities to assist employees with job performance and career development.
- Develop and maintain performance management forms and guidance documents.
- Notify supervisors of timeframes for completing required evaluations.
- Advise managers on employee coaching and improvement plans as needed.
- Maintain copies of performance evaluations in employees' personnel files.

Subject Training and Education
Section Human Resources
Approved by Martha Bennett, Chief Operating Officer; MERC Commission

POLICY

Metro is committed to providing training and educational opportunities for employees to develop knowledge, skills, and abilities to excel in their current positions and prepare for future opportunities within Metro.

Applicable to

All employees.

Where provisions of an applicable collective bargaining agreement directly conflict with this policy, the provisions of that agreement will prevail.

Definitions

Metro Learning Center: An online resource for learning about training and educational opportunities at Metro. The Metro Learning Center allows employees to enroll in courses, launch online trainings, and view their personalized transcripts.

Training: Employees, upon hire or promotion, are expected to possess the general education and experience to perform the duties of their job successfully. If additional, job-related training is necessary for an employee to become more proficient, Metro will provide this training.

Education: Metro encourages employees to pursue educational opportunities or work programs for professional development that are relevant to the employee's work and that will enhance the employee's job-related skills. Depending on budgetary constraints, Metro may or may not reimburse employees for education-related expenses.

Procedures

Training

1. All regular status employees and temporary employees may participate in training courses offered through Metro or by outside entities. Employees must obtain advance approval from their manager before enrolling in training. Training opportunities are subject to budgetary limitations and priorities.

2. Metro will provide information about internal training opportunities to all employees through the Metro Learning Center.
3. Employees may participate in training offered by Metro during working hours provided it does not interfere with their work responsibilities. If management requires the training, it will be considered time worked for pay purposes.
 - a. Employees should request to attend Metro-sponsored training through the Metro Learning Center.
 - b. Employees should provide at least 24 hours notice when cancelling their enrollment.

Education

4. Upon successful completion of the initial probationary period, all regular status, full-time employees and regular status, part-time employees (on a prorated basis) may pursue courses at a college or university that are directly related to their current position. Employees must receive approval at least thirty (30) day in advance from their department director and be performing their job duties at a satisfactory level in order to participate. The supervisor, manager, or Facility Director may approve time off with pay so an employee may attend courses or training which are related to the employee's current position and/or will result in improved job performance.
5. Employees may be reimbursed for tuition, textbooks, and related course material, with total reimbursement not to exceed \$1000 in any fiscal year. The tuition reimbursement per course shall not exceed the tuition rate for a similar course at Portland State University. The specific amount of reimbursement is at the department director's discretion and is subject to budgetary limitations and priorities.
6. If an employee terminates employment or is terminated for cause within one year of completion of the course, he or she shall refund Metro a proportional amount of the course costs. To determine the prorated amount, the course cost will be divided by 12 months. The employee will repay the cost less the prorated amounts for the months worked since completion of the course.
7. To receive reimbursement for courses at a college or university, an employee must:
 - a. obtain approval from their Department Director at least 30 days prior to proposed enrollment;
 - b. receive a grade of "C" or better or a "Pass" grade if the class is graded on a "Pass-Fail" basis;
 - c. provide proof of satisfactory completion of the approved course. Metro will make reimbursement within 30 days after receiving proof of satisfactory completion; and
 - d. show proof that they did not receive tuition reimbursement from other sources for the amount reimbursed by Metro.

- Discuss training and professional development needs with their managers as part of the annual performance appraisal process (PACE).

Subject Metro Committees
Section Office of the Chief Operating Officer; Human Resources
Approved by Martha Bennett, Chief Operating Officer; MERC Commission

POLICY

Metro committees provide valuable contributions to improve business operations and support our region's communities. To succeed, these committees need active participation from their members. This policy establishes procedures to support these committees and recognize employees' contributions.

Applicable to

All employees who are members of ongoing internal committees.

Where provisions of an applicable collective bargaining agreement directly conflict with this policy, the provisions of that agreement will prevail.

Guidelines

1. This policy applies to internal committees that serve an ongoing business need and for which membership crosses departments. Teams supporting finite projects or projects with external partners are excluded from these criteria.
 - a. Examples of committees that meet the criteria: Safety Committees, Joint Labor Management Committee for Health Benefits, Diversity Action Team, 401(k) Committee, Green Teams, Sustainability Committee.
 - b. Examples of committees that do not meet the criteria: Web design team.
2. The procedures outlined below are intended to support Metro committees by:
 - a. Clarifying documentation expectations;
 - b. Promoting transparency between participating employees and their supervisors; and
 - c. Creating an environment that recognizes employees' contributions.

Procedures

Committee bylaws

1. Each internal committee covered by this policy must have bylaws that follow the template attached to this policy. Bylaws must be reviewed by the respective Department Director and approved by the Senior Leadership Team and/or Deputy Chief Operating Officer.

- a. The bylaws should include:
 - i. Committee mission;
 - ii. Membership selection criteria;
 - iii. Terms of membership and requirements of members;
 - iv. Level of committee authority (i.e., advisory or decision making body) and decision-making process; and
 - v. Officer or chair responsibilities.
- b. Human Resources will house copies of bylaws for all committees.

2. When recruiting members, a committee should provide a copy of its bylaws to the interested employee.

Employee participation

3. An employee must have a supervisor's approval to participate in a Metro committee. A supervisor may decide not to approve an employee's participation if it would prevent the employee from meeting the business needs of the department. Conversely, participation in some committees may be required to meet a department's business needs and employees may be assigned to participate.
4. The terms and hours of the membership commitment must be identified in advance and discussed with the supervisor.
5. The supervisor must adjust the employee's workload as necessary to allow the employee to participate on work time.
6. Committee participation should be noted as a goal in the employee's performance evaluation and appropriately documented for future review.

Fundraising and cash handling

7. A committee that wishes to raise funds in support of its mission must receive authorization to do so from Metro's Chief Operating Officer (COO) or Deputy COO.
8. For fundraisers expecting minimal proceeds, committees must follow the cash procedures listed in Appendix A. Committees planning to conduct significant or repeated fundraising events should seek financial and legal advice concerning non-profit status and other critical issues.

Responsibilities

Employees:

- Request supervisor approval to participate in a committee.
- Follow fundraising and cash handling procedures as applicable.

Supervisors and Managers:

- Assign and approve committee membership.
- Adjust employees' workloads and performance evaluation goals to reflect committee memberships.

Human Resources Department:

- Maintain copies of committee bylaws.

Committee:

- Complete draft bylaws following the format in the attached and seek approvals as outlined in this policy.

EXCERPT FROM EXECUTIVE ORDER 88 (2005)

Policy is under review. Numbering has been changed from original manual; content is from former Sections 32-33, E.O. 88 (2005).

PREAMBLE: CONDUCT, DISCIPLINE, TERMINATION AND APPEAL

Nothing contained in these policies precludes a supervisor from establishing work rules not inconsistent with these policies for efficient operation and administration of the job site, or precludes a supervisor from having private discussions with employees. These discussions may be in the form of assignment, instruction or any other job-related communication. Any disciplinary action may be grieved by non-represented employees under the grievance procedure established in these policies.

DISCIPLINARY ACTIONS

1. Disciplinary actions shall include only the following:
 - a. Oral or written reprimand;
 - b. Suspension;
 - c. Reduction in pay;
 - d. Transfer;
 - e. Demotion; and
 - f. Termination from employment.
 - i. Any of these disciplinary actions may be utilized. It may not be necessary in every circumstance that the discipline be taken progressively. Disciplinary actions shall occur in a manner that is least likely to embarrass employees before other employees or the public, although it is recognized that this may not always be possible depending on the circumstances.
2. Metro reserves the right to discipline or terminate an employee whenever:
 - a. The employee's performance is unsatisfactory; or

- b. Metro feels discipline or termination is appropriate for other reasons; or
 - c. Whenever it is determined that such action is in the best interests of Metro.
3. The following are some examples (but not all) of the types of conduct which will result in disciplinary action. The listing of these examples is for illustrative purposes and in no way limits Metro's authority and discretion to discipline or terminate employees pursuant to paragraph (A) of this section:
- a. Abandonment of position.
 - b. Absence from duty without leave.
 - c. Abuse of leave privileges.
 - d. Below standard work performance.
 - e. Discourteous treatment of the public or other employees, including but not limited to intentional tortious conduct.
 - f. Possessing, using, transferring, offering or being under the influence of any intoxicants or narcotics during working hours.
 - g. Fraud in securing appointment or promotion.
 - h. Insubordination, including but not limited to, refusal or failure to follow the directive of a supervisor or other designated management staff, failure to comply with an established work rule or procedure, or discourteous behavior toward members of management.
 - i. Misuse of Metro property, funds or records.
 - j. Neglect of duty.
 - k. Willful deceit.
 - l. Any conviction by a court of law which demonstrates an impaired ability to properly perform work for Metro, or which would cause embarrassment or inconvenience for Metro.
 - m. Violation of Metro ordinances, regulations and directives.
 - n. Willful violation of established safety policies.
 - o. Inability to get along with fellow employees.
 - p. Any falsification of information during the employment application or employment appointment process, regardless of when discovered.
 - q. Unlawful harassment or discrimination.
 - r. Theft, including personal or public property.
 - s. Sleeping on the job.

- t. Gambling on Metro premises, including but not limited to card games, dice games.
 - u. Violation of these policies, established work rules, or other management directives.
4. **Procedure for Suspension, Reduction in Pay, Transfer, Demotion or Termination.** The supervisor will review information gathered with the office of human resources prior to the supervisor taking any suspension without pay, reduction in pay, transfer, demotion or termination action. If a basis for discipline exists:
- a. An employee may be suspended with pay, by the Department Director, pending disciplinary action.
 - b. A written notice of contemplated disciplinary action (suspension, reduction in pay, transfer, demotion, or dismissal) shall be delivered to the affected employee in person or by mail. This notice shall state the reasons for the proposed action and will include:
 - i. The alleged conduct by the affected employee.
 - ii. The violation(s).
 - iii. A date, time, and place for the affected employee to have an opportunity to address the violation(s) at a pre-disciplinary meeting. Employees may, at their expense, be represented by an attorney or other person of their choice in a pre-disciplinary meeting.
 - c. Upon completion of the pre-disciplinary meeting, a written notice of the actual disciplinary action taken, if any, shall be delivered to the affected employee in person or by mail. This notice shall state the disciplinary action taken, the violation(s), and the effective date of the disciplinary action. This notice shall be a permanent part of the affected employee's personnel record.
 - d. No failure by Metro to follow any of the procedures described herein shall be grounds for invalidating disciplinary action, including termination, which is otherwise deserved on the merits. Additionally, the Human Resources Director may, in his/her discretion, dispense with all or part of these procedures, with or without notice to the employee.
5. The affected employee may grieve the final disciplinary action pursuant to the grievance procedure established in this policy. In the case of a termination action the grievance shall be filed at Step 2 of the Grievance Procedure in these policies with the Department Director, with a copy to the Human Resources Director.

Subject Discrimination and Harassment
Section Human Resources
Approved by Martha Bennett, Chief Operating Officer; MERC Commission

POLICY

Metro is committed to promoting and maintaining a work environment that is free from all forms of discrimination, harassment, intimidation, hostility and offensive behavior.

Applicable to

All employees, elected officials, interns, volunteers, visitors, contractors and vendors.

Where provisions of an applicable collective bargaining agreement directly conflict with this policy, the provisions of that agreement will prevail.

Definitions

Discrimination: An act having adverse effect on one or more individuals because of race, color, religion, sex, national origin, age, marital status, familial status, gender identity, sexual orientation, veteran status, disability or perceived disability, or any other status protected by law. It may be intentional or unintentional.

Harassment: Behavior which is reasonably perceived by the recipient as unwelcome and includes, but is not limited to, the use of verbal/written derogatory or discriminatory statements, denigrating jokes, unwelcome touching, offensive remarks, put-downs, epithets, slurs or negative stereotyping, displays, objects or materials which create an offensive work environment. Harassment has the purpose or effect of creating an intimidating, hostile, abusive or offensive work environment; unreasonably interfering with an individual's work performance; or otherwise adversely affecting an individual's employment and employment related opportunities.

Harassment does not refer to behavior or occasional compliments of a socially acceptable nature. It refers to behavior that is not welcome, offensive, fails to respect the rights of others, lowers morale, and/or interferes with work effectiveness.

Unlawful Harassment: Any harassment as defined above that is based on a protected class status or singles someone out because of their protected class, and where: 1) enduring the offensive conduct becomes a condition of continued employment, or 2) the conduct is severe or pervasive enough to create a work environment that a reasonable person would consider intimidating, hostile, or abusive.

Retaliation: Treating someone negatively or differently because that person has filed a complaint under this policy, exercised his or her rights under state or federal law, or participated in a harassment investigation.

Protected Class: Any individual or group of individuals for whom there is an established law prohibiting discrimination, harassment, or retaliation. Examples of protected classes are race, color, religion, sex, national origin, age, marital status, familial status, gender identity, sexual orientation, veteran status or disability.

Guidelines

1. Any practice or behavior which acts to discriminate against or harass an employee, intern, volunteer or applicant because of his or her race, color, religion, sex, national origin, age, marital status, familial status, gender identity, sexual orientation, veteran status, disability or perceived disability, or any other status protected by law, is in direct conflict with Metro's commitment to ensuring a discrimination and harassment-free work environment. Such behavior, or tolerance of such behavior, on the part of management or employees violates Metro's policy and may result in disciplinary action up to and including termination, even if the conduct does not necessarily constitute a violation of the law.
2. This policy applies to all conduct on any of Metro's premises and to conduct off Metro's premises that has an effect on an employee's work environment.
3. No employee, elected official, intern, volunteer, visitor, contractor or vendor may engage in any of the following conduct (this list represents examples and is not intended to be all-inclusive):
 - a. Making unwelcome sexual advances, requesting for sexual favors, or engaging in other inappropriate verbal or physical conduct of a sexual nature.
 - b. Making stereotypical offensive comments, jokes, innuendo or threats about a person's protected class status (e.g. race, color, religion, sex, national origin, age, marital status, familial status, gender identity, sexual orientation, veteran status or disability).
 - c. Bringing suggestive or offensive objects or pictures, cartoons, or graphics onto Metro premises, either electronically or otherwise.
 - d. Making suggestive or insulting sounds or obscene gestures, leering, staring, or whistling.
 - e. Making unwanted physical contact with others, such as touching, grabbing, pinching, brushing the body, neck or back rubs, coerced sexual intercourse or assault.
4. Management and elected officials must demonstrate by their own conduct that they support and enforce Metro's policy. For example, managers must take prompt action when they observe inappropriate conduct or when a complaint is made, and are expected to provide leadership in carrying out the policy's intent. If a manager learns of any potential discrimination or harassment in the workplace, they must immediately contact the Metro Human Resources department.

Procedures

Complaint Procedure

1. Any employee, intern, volunteer or elected official subjected to discrimination or harassment is encouraged to proceed under the Complaint Procedure in this policy. Individuals who observe or who are aware of situations involving discrimination or harassment should immediately notify their supervisor, the Human Resources Director, or any other manager at

Metro. Discretion will be used during the investigation in order to maintain as much confidentiality as is possible without compromising the ability to effectively complete the investigation.

- a. If a complaint, whether informal or formal, is concerning a Councilor, the complaint shall be forwarded to the Council President or Human Resources Director. If the complaint, whether informal or formal, is about the Council President, the complaint shall be forwarded to the Deputy Council President or Human Resources Director.
 - b. If a complaint, whether informal or formal, is about the Chief Operating Officer, the complaint shall be forwarded to the Council President or Human Resources Director.
 - c. If a complaint, whether informal or formal, is about the Auditor, the complaint shall be forwarded to the Chief Operating Officer or Human Resources Director.
 - d. If a complaint, whether informal or formal, is concerning the Human Resources Director, the complaint shall be forwarded to the Chief Operating Officer.
 - e. If a complaint, whether informal or formal, is about the Metro Attorney, the complaint shall be forwarded to the Council President or Human Resources Director.
2. Formal Complaint Procedure: A formal complaint alleging an act of discrimination or harassment by an employee, elected official, intern, volunteer, visitor, contractor or vendor may be submitted in writing to the Human Resources Director.
- a. A written complaint should include the following information:
 - i. the complainant's name and protected class status (e.g., race, religion, sex, national origin, disability, age, veteran status, sexual orientation, etc.) if applicable;
 - ii. the nature of the complaint, the date the alleged violation occurred, the name of the person who is the subject of the complaint, and the names of any witnesses present; and
 - iii. if the complaint is in regard to a vendor, contractor or subcontractor, the name of that organization.
 - b. The Human Resources Director or his or her designee shall:
 - i. thoroughly investigate the complaint and establish a file of findings;
 - ii. submit the findings with a recommendation to the Department Director or his or her designee;
 - iii. inform the alleged harasser of the determination and any action to be taken; and
 - iv. notify the complainant that the investigation has been completed and relevant avenues of appeal, if appropriate.
3. Informal Complaint Procedure: Some individuals alleging an act of unlawful discrimination or harassment may wish to go through an informal process. The following informal procedure is established to address that need; however, a person making a complaint is not required to use this procedure either in lieu of or prior to proceeding with a formal complaint.

- a. Any person alleging an act of discrimination or harassment by another employee, elected official, intern, volunteer, visitor, contractor or vendor has occurred, may verbally request an informal investigation of the allegation by either his or her Manager/Director, or the Human Resources Director.
 - b. The Manager/Director, or Human Resources Director or his or her designee shall, after appropriate investigation of the complaint, determine what informal remedial action, if any, shall be taken. The Manager/Director, or Human Resources Director or his or her designee shall inform the complainant and alleged harasser of the determination and any action to be taken. The details of any disciplinary action taken against the alleged harasser will not be disclosed to the complainant.
 - c. If the complainant does not feel that the informal procedure satisfactorily resolves his or her complaint, or if the complainant does not want to initiate the informal procedure, he or she may proceed with the formal complaint procedure described above.
 - d. All management and supervisory personnel who have received a report or complaint of discrimination or harassment shall immediately inform Metro's Human Resources Director. The Human Resources Director shall make arrangements for the prompt and proper investigation of such report or complaint.
 - e. Discretion will be used during the investigation in order to maintain as much confidentiality as possible while still being able to effectively complete the investigation.
4. Job Applicant Complaint Procedure: Any individual who has made application for employment and alleges that an act of unlawful discrimination has occurred may file a complaint in writing to the Human Resources Director as set forth in the formal procedure outlined above.

Retaliation

5. An employee, intern or volunteer who files a complaint of discrimination or harassment, participates in the investigation of a complaint, or reports or opposes harassing or discriminatory behavior shall not be subject to adverse treatment as a result of such activity. In addition, any individual who is the subject of, or is aware of, a complaint must refrain from taking any retaliatory actions against the person who complained, or against others participating in the investigation.
6. Any form of retaliation related to a discrimination or harassment complaint may result in discipline up to and including termination.
7. Any employee, intern or volunteer who believes he or she has been retaliated against for filing a complaint or otherwise participating in any investigation under this policy should immediately report the circumstances to the Human Resources Director.

Responsibilities

Employee/Intern/Volunteer:

- Demonstrate support of the policy by your own conduct; refrain from engaging in behaviors which constitute harassment, discrimination or retaliation.

- If you are comfortable doing so, tell employees or other individuals who violate this policy to stop the offensive behavior.
- Immediately notify your supervisor, Human Resources Director or any Metro manager if you observe or are aware of situations involving discrimination, harassment or retaliation in the workplace.

Director/Manager/Supervisor:

- Monitor and ensure that the work environment is free from discrimination, harassment and retaliation.
- Demonstrate support and enforcement of the policy by your own conduct, and provide leadership in carrying out this policy's intent.
- Take all complaints of discrimination or harassment seriously.
- Immediately notify Human Resources if you learn of any actual or potential discrimination, harassment or retaliation in the workplace.

Human Resources:

- Upon notification of potential discrimination, harassment or retaliation in the workplace, immediately conduct a thorough investigation.
- Take appropriate action in order to end discrimination, harassment or retaliation in the workplace.

Subject Restriction of Weapons
Section Human Resources
Approved by Office of the Executive

EXECUTIVE ORDER 78 (2000)

Policy is under review. Numbering is from the original Executive Order. See also: all-staff memo on workplace violence (1998), attached.

PURPOSE

The purpose of this Executive Order is to set forth policies restricting weapons at Metro facilities.

I. General

Metro is committed to providing all employees with a safe workplace, free from prejudice, harassment, intimidation, and violence. This policy is an important part of ensuring a safe workplace.

II. Policy and Procedures

A. General Rule. No member of the public while on Metro property, including Metro-owned or leased parking areas, or Metro employee while on duty, whether on Metro owned property or not, shall:

1. Possess a loaded or unloaded firearm. "Firearm" means a weapon, by whatever name known, including pistol, revolver, gun, or rifle, which is designed to expel a projectile by the action of an explosive, compressed air, or spring.
2. Possess a dangerous weapon. "Dangerous weapon" means metal knuckles, straight razor, weapon of the type commonly known as a nunchaku, blackjack, sap or sap glove, slingshot, bomb or bombshell, and any type of knife other than an ordinary pocketknife with a blade not longer than three and one-half inches. When carried with intent to use the same unlawfully against any other, "dangerous weapon" also includes any instrument or device capable of inflicting injury to the person or property of another.

METRO

April 17, 1998

To: All Metro Employees

From: Mike Burton, Executive Officer

Subj: Workplace Violence

Because of the recent occurrences of workplace violence that have been in the media, I would like to take this opportunity to clearly state Metro's policy on workplace violence.

Nothing is more important to Metro than the security of its employees. As stated in the introduction of Executive Order No. 64, (Restriction of Weapons at Metro Facilities) threats, threatening behavior, or acts of violence against employees, visitors, customers, or the public, will not be tolerated. Such threats to the safety of visitors, customers, employees, or the public while on Metro property or engaged in Metro related business will be treated seriously. A violation of this policy by a Metro employee may lead to disciplinary action including suspension and termination. In addition, criminal charges will be filed if indicated.

Any employee who makes substantial threats, exhibits threatening behavior, or engages in violent acts on Metro property shall be removed from the premises as quickly as safety permits, and shall remain off Metro property pending the outcome of an investigation.

All Metro employees are responsible for notifying their manager or the Human Resource Director of any threat which they have witnessed, received, or have been told that another employee has received. Even without an actual threat, employees should report any behavior that they have witnessed which they regard as threatening or violent, when that behavior is job related or might be carried out at a Metro site, or is connected to employment.

All employees who apply for or obtain a protective or restraining order which lists Metro locations as being protected areas, must provide the Office of General Counsel (OGC) a copy of the petition and declarations used to obtain such an order, a copy of any temporary restraining order which is granted, and a copy of any permanent restraining or protective order which is granted. OGC will be responsible for informing the appropriate staff, i.e. Security at Metro Regional Center or at the Zoo.

Please be assured that Metro takes these matters seriously. If you feel that you need to discuss actual or potential threats with a confidential counselor, whether arising from work or your private life, please remember that assistance, at no charge, is available from CAPE. If you have any questions regarding this policy please contact your manager or Human Resources.

Training on workplace violence awareness and prevention is available from Laurie Wulf at Metro Regional Center and from Terri Dill-Simpson at the Zoo. Please contact your supervisor if you have an interest in this training.

EXCERPT FROM METRO CODE

Policy is under review; numbering is from original Code provision.

See also: Human Resources Administrative Guidelines for Metro's Drug and Alcohol Policy, attached.

METRO CODE § 2.02.080 - Drug and Alcohol Policy

- (a) Purpose: The purpose of the Drug and Alcohol Policy is to assist Metro in providing and maintaining a safe, healthy, and productive work environment for employees. The Metro Drug and Alcohol Policy is applicable to all Metro employees. This policy authorizes drug and alcohol testing if there is reasonable suspicion of drug or alcohol impairment, as well as return-to-duty and follow-up testing. Drug testing shall be conducted in accordance with procedures established and administered by the Human Resources Director.

No employee shall report to work or engage in work while under the influence of alcohol, or having the presence of illegal drugs, or any other disabling or controlled substance in his or her system.

HUMAN RESOURCES ADMINISTRATIVE GUIDELINES FOR METRO'S DRUG AND ALCOHOL POLICY

The following are the administrative guidelines for Metro's Drug and Alcohol Policy (Metro Code 2.02.215 and 20.02.477). Details of the policy can be found within the specific codes and any related labor agreements. This purpose of this document is to provide details regarding the administration of this policy in the following areas:

1. PROGRAM HISTORY

The Drug and Alcohol Policy was implemented in order assist Metro in providing and maintaining a safe and healthy work environment for employees and a safe and dependable service delivery system for the public.

Accordingly, Metro expects and requires all employees to report to work in an appropriate mental and physical condition to work safely and effectively.

2. EMPLOYEE CONDUCT

- (1) All employees are prohibited from engaging in the unlawful possession, dispensation, distribution, manufacture or use of alcohol or any controlled substance at any time while on duty, or in a Metro owned or operated vehicle(s).
- (2) It is the responsibility of any employee with a substance abuse problem to seek assistance, including any resources which may be required from Metro or Metro's employee assistance program, before drug and alcohol problems adversely affect the ability to perform his or her job or lead to violations of this policy.
- (3) All employees shall report to work in an appropriate mental and physical condition to work safely and effectively. No employee shall report to work or engage in work while under the influence of alcohol, or having the presence of illegal drugs, or any other disabling or controlled substance in his or her system.
- (4) Any employee who observes or has knowledge of another employee on duty in violation of this policy, and in a condition which poses a hazard to the safety or welfare of others, shall report the information to his or her immediate supervisor, the employee's supervisor, or the Personnel Director.
- (5) This policy is not violated when an employee possesses and uses a physician-prescribed medication in accordance with the prescription.

3. EMPLOYEE ASSISTANCE PROGRAM (“EAP”)

Employees are encouraged to voluntarily seek assistance in dealing with emotional, physical, or mental health problems, including drug use and/or alcohol misuse that may adversely affect their job performance. Very often, the health benefits provided to full time employees are a resource for employees with a drug or alcohol problem. In addition, the EAP may also be a resource for employees seeking counseling and referral assistance for a drug or alcohol problem.

4. EMPLOYEE RESPONSIBILITY

Employees shall support the effort to provide a drug-and alcohol-free work environment. An employee who observes or has knowledge of another employee in a condition while on duty and which impairs his/her ability to perform his/her job duties or who poses a serious hazard to the safety and welfare of others, has a responsibility to report the information to his/her immediate supervisor, the employee’s supervisor, or the Personnel Director.

5. DRUG RELATED CONVICTIONS

Any Metro employees convicted for a violation of a criminal drug statute may be determined to have violated Metro Code and may be subject to discipline.

6. RIGHT TO INSPECT

Metro reserves the right to search, without employee consent, all areas and property over which Metro maintains joint or full control. All Metro vehicles, equipment, offices, desks and lockers are subject to search by management. Searches, which are undertaken specifically to investigate violations of this rule, shall be conducted in the presence of the employee if practical. If the employee is not available, or if the employee so requests, a reasonable time will be allowed for a representative to be present before a search is conducted. The limitation on Metro’s right to examine Metro property does not apply to property used jointly by more than one employee. Metro personnel may not search an employee’s person or personal property (car, purse, backpack) without the employee’s permission.

If there is reason to believe a crime may have been committed, *e.g.* possession of illegal drugs or driving with an open container of alcohol in the vehicle, management should secure the Metro property in question and immediately notify the police and either Human Resources or the Office of the Metro Attorney. Searches which could result in criminal prosecution should be conducted only by law enforcement personnel.

When Metro has reasonable suspicion to believe an employee is in improper possession of drugs and/or alcohol on Metro property supervisors should secure any Metro property/premises in question and notify the police.

7. TRAINING

All supervisors and managers who are responsible for determining when it is appropriate to administer reasonable suspicion drug and/or alcohol tests will be required to attend a training regarding the physical, behavioral, and performance indicators of probable drug use and alcohol misuse.

8. TESTING

All employees may be required to submit to drug and alcohol testing as a condition of employment with Metro.

All drug and alcohol testing will be conducted in a manner which assures a high degree of accuracy and reliability by using the techniques, chain of custody procedures, and equipment and laboratory facilities which have been approved or comparable to those approved by the U.S. Department of Health and Human Services (“DHHS”).

9. TYPES OF TESTING

Reasonable Suspicion:

- a. Employees may be required to submit to urine testing for drugs and/or alcohol breath testing when there is a reasonable suspicion to believe that the employee is under the influence of a prohibited drug or alcohol during work hours.
- b. The determination to require a reasonable suspicion drug and/or alcohol test will be made by a supervisor or manager trained to identify the signs and symptoms of drug use and alcohol misuse. The determination will be based on the supervisor’s or manager’s specific observations concerning such indicators, as a means of illustration and not by limitation, appearance, behavior, speech, body odor of the employee, or the occurrence of a workplace accident. Such a determination must be supported by the concurrence of a second supervisor or manager trained to identify the signs and symptoms of drug use and alcohol misuse. If the event precipitating a consideration of conducting a reasonable suspicion test is a workplace accident, the second supervisor must concur that drugs or alcohol are suspected as a factor in the accident. A represented employee subject to a sequestered observation conducted under this provision shall be informed of a right to representation by an authorized agent of the involved labor organization. However, the securing of such a representative, if requested, shall not unreasonably delay said sequestered observation being conducted.
- c. When an employee has been notified that he/she will be required to submit to reasonable suspicion drug and/or alcohol testing, he/she must report immediately to the collection site designated by Metro. The employee will be transported to and

from the collection site by Metro. The employee will not be permitted to use rest room facilities, consume beverages, or smoke until specimen collection is completed.

- d. Any employee who has had a verified positive drug test, an alcohol test result of 0.04 or greater, or a refusal to submit to a test may be referred to a Substance Abuse Professional (“SAP”) for evaluation. Refusal to accept a SAP referral or to cooperate with a SAP-recommended course of treatment may be considered as an aggravating factor in any disciplinary action arising out of the employee’s violation of Metro’s drug and alcohol policy.

10. TESTING LABORATORIES

All alcohol and drug testing will be completed in a laboratory selected by Metro. Immunoassay screening will be used as the initial test for the testing of the primary specimen. If any prohibited drug registers above the cutoff level, a confirmation test using gas chromatography/mass spectrometry (“GC/MS”) will be conducted.

11. RESPONSIBILITY OF EMPLOYEES

Compliance with the Metro’s Drug and Alcohol Policy is a condition of employment for all employees. For employees who are represented by labor organization, a violation of any part of the Drug and Alcohol Policy may result in discipline as provided in the applicable Labor Agreement. For all other employees, a violation of any part of the Metro’s Drug and Alcohol Policy may result in discipline, up to and including suspension and/or discharge.

An employee must:

- a. Notify his/her supervisor before beginning work, when taking any prescription or non-prescription medications which may interfere with the safe and effective performance of duties or operation of Metro equipment.
- b. Consult with the supervisor if there is any question concerning whether the use of a particular prescription or non-prescription medication is covered by this rule. Note: This rule is not intended to prohibit the safe and legal use of prescription and non-prescription medications.

- d. Notify Metro of any criminal drug statute conviction.
- e. Notify Metro of any criminal drug conviction for acts occurring on Metro premises or on duty no later than five days after such conviction.

12. RESPONSIBILITY OF MANAGEMENT

- c. Investigate any employee who appears to be in violation of this policy.
- d. Advise an employee of his/her right to have either an available union representative (if any) or another employee present during an investigatory interview.

13. RETURN TO WORK AGREEMENT

Employees who test positive on a drug test, have a confirmed breath alcohol concentration level of 0.04 greater, and who elects to enter drug and/or alcohol treatment, may be allowed to enter into a return to work agreement in lieu of termination or other severe discipline. The agreement may include, but is not limited to the following requirements:

- a. A release to work statement from an approved treatment specialist.
- b. A negative test for drugs and/or alcohol.
- c. An agreement to follow-up testing.
- d. A statement of expected work-related behaviors.
- e. An agreement to follow specified aftercare requirements.

Subject Code of Ethics
Section Human Resources
Approved by Office of the Executive

EXECUTIVE ORDER 66 (1997)

Policy is under review. Numbering is from the original Executive Order.

PURPOSE

The purpose of this Executive Order is to provide a statement of ethical principles that shall serve as guideposts for Metro officials.

For the purpose of this Order:

1. "Metro official" means the Executive Officer and Executive Officer's staff; any Metro employee other than employees of the Council, Auditor or Metro Exposition-Recreation Commission (MERC); and any appointee to a board or commission, or citizen volunteer authorized to act on behalf of Metro, who was appointed by the Executive Officer.
2. "Ethics" means positive principles of conduct. Some ethical requirements are enforced by federal, state, or local law. Others rely on training, or on individuals' desire to do the right thing. The provisions of this Order which are not elsewhere enforced by law shall be considered advisory only.

GENERAL PRINCIPLES

The following statements regarding trust, objectivity, accountability and leadership should be considered as moral and ethical guideposts for actions by Metro officials.

TRUST

The purpose of Metro is to serve the public. Metro officials should treat their office as a public trust.

1. Metro's powers and resources are used for the benefit of the public rather than any official's personal benefit.
2. Metro officials ensure public respect by avoiding even the appearance of impropriety.
3. Policymakers place long-term benefit to the public as a whole above all other considerations, including important individuals and special interests. The public interest includes protecting the rights of under-represented minorities.

4. Administrators implement policies in good faith, as equitably and economically as possible, regardless of their personal views.
5. Whistle-blowing is appropriate on unlawful or improper actions and should be done with no threat of reprisals.
6. Citizens have a fair and equal opportunity to express their views to Metro officials.
7. Metro officials do not give the appearance or impropriety of personal gain by accepting personal gifts. Individuals should refer to relevant law regarding acceptance of gifts in current Oregon statutes, and/or review the propriety of any anticipated action with the Office of General Counsel.
8. Metro officials devote Metro resources, including paid time, working supplies, and capital assets to benefit the public.
9. Political campaigns will not be conducted on Metro time or property. Relative federal and state statutes apply.

OBJECTIVITY

Metro decisions are based on the merits of the issues. Judgment is independent and objective.

1. Metro officials avoid financial conflict of interest and do not accept benefits from people wanting to affect decisions.
2. If an individual official's financial interests will be specifically affected by a decision, that official will give written notice to be placed on file with the Office of General Counsel and will then withdraw from further participation on the matter.
3. Metro officials avoid bias or favoritism and respect cultural differences as part of decision-making.
4. Intervention on behalf of constituents or friends is limited to assuring fairness of procedures, clarifying policies or improving service for citizens.

ACCOUNTABILITY

Open government allows citizens to make informed judgments and to hold officials accountable.

1. Metro officials exercise their authority with open meetings and accessible public records.
2. Officials who delegate responsibilities also follow up to make sure the work is carried out efficiently and ethically.
3. Campaigns for election should allow the voters to make an informed choice on appropriate criteria.
4. Each Metro official is encouraged to improve Metro systems by identifying problems and proposing improvements.
5. Metro government systems are self-monitoring, with procedures in place to ensure appropriate actions.

6. All Metro departments and work teams will develop detailed ethical standards, training, and enforcement procedures, and submit work plans to the Executive Officer concurrent with the annual budget year.

LEADERSHIP

Ethical leadership sets a good example and treats all citizens with respect.

1. Metro officials obey both the letter and the spirit of all laws and regulations.
2. Leadership facilitates, rather than blocks, open discussion.

EXAMPLES AND EXPLANATORY STATEMENTS

Past experience has shown that certain activities by Metro officials may create the appearance of ethical conflicts. This section of this Executive Order sets forth examples of questionable behavior that should be avoided where possible. The use of these examples is not intended to be exhaustive or to limit the scope of the standards expected and created by the adoption of the statement of principles by this Executive Order.

- Maintain a clear separation of your personal life and your Metro activities. The work space you are provided at Metro is where you work. Personal activity should not be centered here. Many Metro officials work after hours on Metro business. Evening or weekend use of Metro facilities for personal use should be avoided.
- The use of telephone equipment, computers, email, or other Metro-owned devices is limited to Metro business. Metro officials should refer to pertinent Metro Code, Executive Orders and other directives (such as the Computer User's Handbook) that may be issued regarding use of these types of devices.
- Don't let friendships create the appearance of favoritism. Your friends, coworkers and former coworkers may be considered by some of Metro's citizens and stakeholders to represent special interests. Metro officials should avoid creating the appearance that their friendships will result in biased decisions or disparate treatment.
- Avoid the appearance that the personal, political or social agenda of non-elected officials is a substitute for Metro's policy decision process. Metro policymakers are elected by the public. Some Metro officials are delegated discretionary authority as well, subject to approval and supervision of elected officials. All Metro officials should be careful to act only within the authority for decision-making they have. Personal involvement with political or social activities by Metro officials is acceptable. However, all Metro officials should avoid taking actions on behalf of Metro that create the impression that their own personal agendas are guiding their official actions at Metro, rather than being subject to Metro's policymaking procedures.

CONCLUSION

From time to time the Executive Office may supplement this Executive Order with further principles and examples. This Executive Order is not intended to limit the authority of the Executive or supervisors to take disciplinary action where they deem it appropriate.

Metro may monitor any and all email traffic passing through its email system as well as website visits, other computer transmissions, and any stored information created or received using Metro's information systems.
 - d. Metro will disclose or maintain the confidentiality of information in accordance with applicable law.
2. Metro information systems and devices are provided for business purposes only; however, Department Directors may approve limited, incidental personal use consistent with the terms of this policy.
3. Metro expects employees to comply with normal standards of professional and personal courtesy and conduct in their use of email and other electronic communications.
4. The Information Services Department is responsible for issuing guidance, consistent with this policy, to address changing technology or business needs. At a minimum, newly issued guidance will be posted on the IS intranet page and notification will be emailed to employees with Metro email addresses.
5. Violation of terms of this policy may result in the limitation, suspension or revocation of access to Metro information systems and can lead to other disciplinary action up to and including termination.

Procedures

General security protocols

1. All users must be authorized by Information Services to use Metro technology assets.
2. Users are responsible for the security of their passwords and accounts. Users must keep their passwords confidential. Passwords must be changed on a regular basis and should be complex enough that they cannot be easily discovered.

3. Users of Metro information systems shall respect the confidentiality of other users' information. Users shall not attempt to:
 - a. access third-party systems without prior authorization by the system owners;
 - b. obtain other users' login names or passwords;
 - c. attempt to defeat or breach computer or network security measures;
 - d. intercept, access, or monitor electronic files or communications of other users or third parties without approval from the author or responsible business owners;
 - e. review the files or information of another user without a specific business need to do so.
4. **Remote access:** Users may access Metro networks and email from remote locations only with proper authorization and through the use of agency-approved and agency-provided remote access systems or software.
 - a. Telecommuting is subject to applicable Metro policies and collective bargaining agreements.
5. **Software:** Non-approved software, including but not limited to desktop and workgroup applications, screen savers, browsers, application plug-ins and games, may not be downloaded or installed from the Internet, portable computer and storage devices, or other external sources without prior approval from Metro Information Services.
 - a. Approved software is listed on the IS Department intranet page.
 - b. Employees who have an ongoing business need to download non-approved software may request an exception from the requirement to obtain prior approval each time. Such requests must be supported by the employee's supervisor and submitted to the IS Department in writing. IS will evaluate the request with due consideration to the employee's business need, Metro's operational readiness, and the potential security impact. If the request is granted in whole or in part, IS will provide a written description of the expanded approval.
 - c. The IS Director has final authority over software approval decisions.
6. **Privately owned electronic devices:** Privately owned devices may not be connected to Metro networks, wireless access points, computers or other equipment without prior approval from Metro Information Services.
 - a. Privately owned devices such as laptops, smart phones and tablets may be connected to the email server over the public internet in accordance with IS Department guidance.
 - b. Hardware devices that are not required for assigned work must not be attached to a Metro-provided computer. All hardware attached to Metro systems must be appropriately configured, protected and monitored so it will not compromise Metro technology assets.
7. **Instant messaging and streaming video/audio:** Departments may allow the use of Instant Messaging (IM) and other communications or messaging alternatives for business purposes. Departments may also allow the use of streaming video/audio for business purposes. However, these uses must be approved, documented, and adequately secured and must comply with Metro records and information management policies. The IS Department is authorized to monitor IM communications and video/audio streams as needed for business or legal reasons.

8. Technology assets must not be used in a manner that impairs the availability, reliability or performance of Metro business processes and systems or unduly contributes to system or network congestion.
9. Users are required to report evidence of computer viruses, security breaches, or unauthorized access to the IS help desk as soon as possible.
10. Metro-provided email systems and Internet access for the public must be secured appropriately in order to protect Metro technology assets.
11. Metro may employ additional security controls, such as limited workstation access, in order to protect Metro technology assets and maintain a secure environment.
12. Information Services is responsible for monitoring the use of information systems and assets. At a minimum, IS will monitor on a random basis and for cause. Monitoring systems or processes will be used to create usage reports and the resulting reports will be reviewed by Information Services management for compliance.

Restriction of personal use of Metro technology assets

13. Internet use increases the risk of exposing Metro technology assets to security breaches. Metro can only accept this risk for business uses.
 - a. Business use includes accessing information related to employment with Metro, such as accessing benefit-related information. Approved sites for this purpose are the Oregon Public Employees' Retirement System (PERS), Employee Assistance Program (EAP), Oregon Savings Growth Plan and union contract information.
 - b. Department Directors may determine whether to allow limited incidental personal internet use, such as to check weather conditions or in case of emergency.
 - c. Metro has discretion to determine if an employee's use is personal or business. Employees will not be disciplined for personal use without an opportunity to explain any business reasons for the use.
14. Email is to be used for Metro-related business only, except as follows:
 - a. Department Directors may allow employees limited, incidental personal use as long as it does not violate other requirements of this policy and there is no significant cost to the agency.
 - b. Email may be used for union business to the extent allowed in the applicable collective bargaining agreement.
15. Metro employees are responsible for exercising good judgment regarding the reasonableness of personal use of Metro's technology assets. No personal use of Metro information systems shall interfere with staff productivity, pre-empt any business activity, consume more than a trivial amount of resources, or be used for personal gain.
 - a. Users may not use Metro technology systems to play computer games, regardless of whether Internet-based, personal, or included with approved software applications.
 - b. Metro systems may not be used for hosting or operating personal Web pages; non-business-related postings to Internet groups, chat rooms, or list services; or creating, sending or forwarding chain emails.

- c. Metro information systems, other than the intramet bulletin board, may not be used for personal solicitation. Systems may not be used to lobby, solicit, recruit, sell or persuade for or against commercial ventures, products, religious or political causes, or outside organizations.

Prohibited uses

16. Metro networks and systems shall not be used to intentionally view, download, store, transmit, or retrieve any information, communication or material that:
 - a. is harassing or threatening; is obscene, pornographic or sexually explicit;
 - b. is defamatory;
 - c. fosters hate, bigotry, discrimination or prejudice or makes discriminatory reference to race, age, gender, sexual orientation, gender identity, religious or political beliefs, national origin, health or disability;
 - d. is untrue or fraudulent;
 - e. is illegal or promotes illegal activities;
 - f. is intended for personal profit;
 - g. facilitates Internet gaming or gambling; or
 - h. contains offensive humor.
17. Under certain circumstances, there may be legitimate business reasons to access materials that are otherwise prohibited. Employees should obtain supervisor approval before accessing such materials.
18. Users shall not intentionally destroy data in an attempt to misrepresent data in Metro information systems.
19. Personal hardware or software may not be used to encrypt any Metro-owned information except with express prior permission and direction from Information Services.
20. Users shall not send email or other electronic communication that attempts to hide the identity of the user or represent the user as someone else. Users shall not utilize proxy devices or servers to hide their identity or to circumvent existing security. No use of scramblers, remailer services, drop-boxes or identity-stripping methods is permitted.

Additional legal requirements

21. All information created on or stored within Metro's applications, systems, devices and networks, whether on or off-premises, is the sole property of Metro and subject to its sole control, except as required by contract. In addition, all Metro documents, communications and work products are the sole property of Metro, regardless of whether the information is stored, accessed or transmitted via Metro-owned or personally owned devices such as computers, tablets, and cell phones.
 - a. No part of Metro agency systems or information is or may become the private property of any system user.
 - b. Metro owns all legal rights to control, transfer, or use all or any part or product of its systems.

- c. Metro is under no obligation to store or forward the contents of an individual's email inbox, outbox or contact list either during or after their employment.
22. Use of Metro information systems must comply with copyrights, licenses, contracts, intellectual property rights and laws associated with data, software programs and other materials made available through those systems.
23. Users must comply with Metro's records retention policies.

Responsibilities

Employees:

- Take reasonable steps to ensure the physical security of Metro technology assets and passwords and report missing, lost or stolen Metro technology assets to their supervisor immediately.
- Use Metro technology assets in a manner consistent with the Acceptable Use Policy, seeking answers to any questions about the policy from their supervisor or the IS help desk as needed.

Supervisors:

- Ensure that authorized users have received training on acceptable use through the Metro Learning Center software or have received and signed a hard copy of the policy.
- Submit new account request forms for new employees.
- Review and update employee access when requested.
- Ensure employees are using Metro technology assets in a manner consistent with the Acceptable Use Policy and guard against inappropriate use of such assets by employees.
- Coordinate with the agency's Information Services and Human Resources Departments on violations of acceptable use of Metro technology assets.

Department directors:

- Ensure that department purchases for Metro technology assets are restricted to only those necessary for the conduct of official business and that standards for hardware and software are followed.
- Ensure appropriate usage of Metro technology assets and compliance with applicable rules and policies.

Information Services:

- Implement firewall, anti-virus, role provisioning, password controls, web surfing and Email filtering mechanisms, ensure their maintenance, and monitor logs and reports for system performance and compliance.
- Report policy violations to the Human Resources Department and/or supervisory staff as appropriate.

- Create hardware and software standards with the help of a technical standards committee and publish hardware and software standards on at least an annual basis.
- Review policy annually to determine applicability. Publicize new guidance on the intramet and by email.
- Update filters by employee or group to include items required as part of the job when directed by a manager.

Human Resources Department:

- Alert Information Services of policy violations when appropriate.

POLICY

Metro recognizes the value of social media in connecting with the citizens of the Metro region. Metro finds social media to be a valuable tool to further the goals of the Metro Compass. This policy establishes expectations for employee use of social media. Metro has an overriding interest in what is "spoken" on behalf of Metro on social media sites.

Applicable to

All employees.

Where provisions of an applicable collective bargaining agreement directly conflict with this policy, the provisions of the collective bargaining agreement will prevail.

Moderator: A Metro employee authorized to moderate public comments on a Metro social media account.

User: A Metro employee authorized to post or publish to a Metro social media account.

Public Record: As defined by Oregon Revised Statutes (ORS) 192.005(5), a public record is “a document, book, paper, photograph, file, sound recording or machine-readable electronic record, regardless of physical form or characteristics, made, received, filed or recorded in pursuance of law or in connection with the transaction of public business, whether or not confidential or restricted in use.”

Guidelines

1. All Metro social media users and moderators shall comply with this policy and the laws cited herein as well as the Metro Charter, Code and other applicable policies. Applicable policies include but are not limited to the Metro Email/Voicemail Policy, Network Access Policy, Restrictions on Political Campaigning by Public Employees, Discrimination and Harassment Policy, and the Code of Ethics.

Personal Use of Social Media

2. Metro employees using social media for personal use outside of work are cautioned not to give the false impression that they are speaking on behalf of Metro. The intention of this provision is to avoid misleading the public.
 - a. Employees shall avoid using Metro-generated content, including Metro’s logo, venue logos, or other Metro branding, in a way that may lead a reader to believe they are viewing Metro’s official website.
 - b. Employees who are known by the public to be Metro employees are encouraged to include a disclaimer on their personal social media accounts stating that the opinions and posts contained there are personal and are not endorsed by Metro.
3. Metro employees using social media shall have no expectation of privacy for any data posted during work time or while using Metro equipment.
4. Metro employees using social media for personal use outside of work may be subject to discipline for posts on personal blogs, profiles, and other social media accounts that are related to Metro and adversely impact the Metro work environment. Examples of social media conduct for which an employee may be disciplined include disclosing confidential information or threatening, harassing, or violating the privacy of others at Metro.

For the purposes of this provision, confidential information includes the following:

- a. Other employees’ identifiable personal information, such as medical information and social security numbers, unless permission is specifically granted by the employee;
- b. Information about confidential personnel matters, such as disciplinary information or information about job applicant performance during the selection and hiring process, unless permission is specifically granted by the employee;

- c. Information about interview or test questions used in the selection process that may provide an unfair advantage during the hiring process;
 - d. Information about security measures in place to protect employees, the public, and/or Metro assets;
 - e. Information that is subject to attorney-client privilege;
 - f. Any other information that is required to be kept confidential by law or Metro policy.
5. This policy is not intended to restrict employees from legally protected speech, such as engaging in concerted labor activity or speaking as a private citizen on matters of public concern. Employees will not be disciplined for such conduct. Determinations under this provision will be made by the Office of Metro Attorney in accordance with applicable law.

Procedures

Using Metro's Social Media Channels

1. A department or venue may enter into an agreement with a social media site to create a forum for interacting with the public when there is a proven need to do so and staff capacity to regularly update and moderate the online conversation.
2. To request permission for access to a social media site, employees must fill out the attached Social Media Access Request form and submit it, with supervisor and manager approval, to the Communications Director. If the Communications Director authorizes the Social Media Access Request, social media content management will be formally added to the individual employee's job description.
3. Users must familiarize themselves and comply with all Terms of Use of the social media host site. Each user shall retain a copy of the host's Terms of Use and be alert to any modification to those terms. Departments may establish their own procedures for monitoring changes to host sites' Terms of Use.
4. Whenever possible, all Metro social media accounts will display the Metro logo and tag "Making a great place" for consistency and authenticity. Metro has ownership of the Metro logo, which can only be used by Metro for Metro business. Venues that choose to display their own venue logo instead of the Metro logo shall ensure the registration of their trademark logo with the State of Oregon.
5. Users who are authorized to establish or maintain a Metro social media account shall ensure that all public comment capabilities are disabled unless they are essential to the purpose of the social media account. If public comments are enabled, the following steps must be taken:

- a. If possible, use a “click to agree” disclaimer that includes the Social Media Terms of Use, Prohibited Content and Disclaimer statement.
 - b. If there is no “click to agree” function available, the Social Media Terms of Use, Prohibited Content and Disclaimer statement must be posted in a conspicuous location on the profile or information page for the social media site.
 - c. If the formatting of the social media site cannot accommodate the full text of the Social Media Terms of Use, Prohibited Content and Disclaimer statement in a prominent location on the account, the user must include a hyperlink to the full disclaimer in a prominent location on the site.
6. Each Metro social media account shall prominently post one of the two following Terms of Use, Prohibited Content and Disclaimer statements:

Metro - Social Media Terms of Use, Prohibited Content and Disclaimer

7. If outside links are permitted, the Metro social media account shall prominently post the following "Links Disclaimer":

Metro – Outside Links Disclaimer

Links to external Internet sites do not constitute Metro's endorsement of the content of those sites, policies, or statements contained therein. Web links are often updated or deleted, and the user is cautioned to conduct his/her own research before following a link contained herein or elsewhere.

8. Metro's social media channels are designed to be moderated discussion sites rather than public forums. A moderator shall delete, in their entirety, any comments that violate the Social Media Terms of Use and Prohibited Content statement. A copy of all deleted comments shall be retained for Metro's records, including the date, time, and identity of the poster, when available, and a brief description of why the comment violates the Metro comment policy.
9. Moderators shall not discriminate against public speech based on content or viewpoint except as provided in the Social Media Terms of Use and Prohibited Content statement.
10. Users shall establish social media accounts using a Metro or venue email address. Using a Metro or venue email address will ensure that:
 - a. Personal and professional communications are separated;
 - b. Metro is able to back up public conversations because of Metro's ownership and control of the email address;

- c. Metro has access to the social media account when the employee is out on vacation or otherwise away from the office; and
 - d. Metro and the public can determine that the social media account is legitimately Metro's (and not a rogue site generated from a private email address).
- 11. All users shall be trained on appropriate and effective use of social media in order to meet Metro's goals. Only those employees who are both authorized and trained shall engage in social media activities on Metro's behalf.
- 12. Users shall not make any posts on Metro's social media sites that include the following:
 - a. Confidential information;
 - b. Nonpublic or otherwise sensitive information;
 - c. Defamatory, libelous, offensive or demeaning material;
 - d. Inaccurate or misleading information;
 - e. Information that would invade the privacy of others;
 - f. Information or opinions related to legal matters, litigation or parties involved in legal or litigation matters;
 - g. Statements promoting or opposing election petitions, candidates, political committees or ballot measures in violation of restrictions on political campaigning by public employees;
 - h. Personal matters regarding yourself or others;
 - i. Illegal or banned substances and narcotics;
 - j. Pornography or other offensive or illegal materials; or
 - k. Uncivil, tactless, incendiary or combative statements.
- 13. Each user is responsible for publishing accurate and clear information to social media accounts and quickly making corrections or clarifications as needed. Users must clearly indicate corrections and clarifications and include the time and reason for the correction or clarification.

Records Retention Requirements

- 1. Users and moderators must maintain and preserve records in compliance with Oregon public records law, ORS 192.001 *et seq.* Metro is required to maintain records for the period provided in the retention schedule for that type of record.
 - a. In some instances, individual departments have their own records retention schedules for their records. These must be approved by the State where they

differ from what is found in the state statute. Users and moderators must be familiar with their department's record retention schedules and preserve records in accordance with those schedules.

- b. The public records law applies whether the site is hosted by Metro or a third party.
2. **Managing Social Media Content that is Officially Maintained Elsewhere.** Under the ORS definition, a public record does *not* include: "Extra copies of a document, preserved only for convenience of reference" (ORS 192.005(5)(d)). Users can greatly simplify their retention responsibilities by using Social Media applications exclusively to provide the public with links or references to content that is officially maintained elsewhere. Using this approach, the links or references posted on Social Media sites would be considered convenience copies that need to be retained only "as needed" or "until superseded."
3. **Managing "Original" Social Media Content.** It is possible that users will publish original content via social media, and that content requires retention. Public comments to Metro social media sites may also constitute a public record. Almost all of this "original" content will fall into one of the categories below.
 - a. **Speeches/Statements/News Releases/Program Activity Records:** For retention purposes, a Metro blog posting (for example) is the equivalent of a public speech. An on-the-spot written or photographed account of a Metro event or summary of Metro activities pushed out via any social media will be considered a "report." If any of these statements or reports contains policy or historically significant content, they must be retained permanently. Otherwise, they have a two-year retention from the time they are "published."
 - b. **Correspondence:** Incoming messages from the public that arrive via a Metro social media site will be treated as correspondence. For correspondence that originates on a Metro social media site and that merits a response to an individual (as opposed to a public posting), the user would be advised to take that correspondence "offline" and, if possible, communicate directly with the individual and maintain that correspondence using established procedures for correspondence management. Much of the correspondence between elected officials and the public is considered "policy and historical" and warrants permanent retention.
 - c. **Content Associated with a Specific Function or Activity:** If a user establishes a social media site as a public entry point to solicit specific information (e.g. conducting a poll) or launch a process (e.g. placing an order), the information received must then be retained along with other records associated with that function or activity using the appropriate retention schedule.
4. **Preserving Social Media Content – Technology.** Metro does not currently endorse a single, preferred method of capturing and preserving social Media content. Before activating a social media account, users must consult with Information Services and the Metro Records Officer to create a plan for managing any content that constitutes an official Metro record.

Responsibilities

Employees:

- Become familiar with this policy and comply with its terms.
- Refrain from representing comments on a non-Metro site as Metro-endorsed or as acting in the capacity of a Metro representative.

Supervisors and Managers:

- Oversee employee compliance with this policy.
- Provide preliminary approval of Social Media Access Requests before they are submitted to the Communications Department.
- Consult with the Office of Metro Attorney before disciplining an employee for personal social media use.

Communications Department:

- Approve or deny Social Media Access Requests.
- In consultation with the Office of Metro Attorney, provide guidance to social media users and moderators as needed.

Subject Charitable Solicitation
Section Human Resources
Approved by Martha Bennett, Chief Operating Officer; MERC Commission

POLICY

Financial contributions may not be solicited from Metro employees on the job during working hours except through the Metro Charitable Giving Campaign or in accordance with a special exception approved in accordance with this policy.

Applicable to

All employees.

Where provisions of an applicable collective bargaining agreement directly conflict with this policy, the provisions of that agreement will prevail.

Definitions

Metro Charitable Giving Campaign: Metro's official annual campaign to raise funds for charitable organizations.

Charitable solicitation: A request for a financial contribution to benefit any charitable, personal or other cause.

Financial contribution: The donation of money or other financial sponsorship (such as a purchase).

Guidelines

1. The Metro Charitable Giving Campaign is the only fundraising campaign that may solicit financial contributions from Metro employees on the job during working hours, including through Metro's email system, unless a unique need of special interest to Metro warrants an exception as described below under Procedures.
2. This policy is not intended to restrict an employee from:
 - a. Attending or participating in fundraising activities as part of the employee's job duties;
 - b. Attending, participating in, or contributing to fundraising activities on a voluntary basis on the employee's personal time.

Procedures

1. In the event of a unique need of special interest to Metro, exceptions to the prohibition on charitable solicitation during working hours may be granted by the Chief Operating Officer on a case-by-case basis.
2. Department Directors have discretion to announce fundraising solicitations and events for causes that benefit or are closely related to the business of their department. Such announcements may be made by the Director or designee during working hours without requesting an exception from the COO as long as the following conditions are met:
 - a. The announcement is not directed to employees outside of that director's department;
 - b. The announcement clearly indicates that participation is voluntary and not work-related;
 - c. The announcement does not violate state law restricting on-the-job political activity and political solicitation of public employees.
3. **Passive fundraising by employees:** Department Directors have discretion to approve a location and timeframe for employees of that department to leave solicitation materials, such as for school fundraisers, for review by other department employees *outside* of work time. Employees may also leave these materials in designated employee break rooms or post information on Metro's intramet bulletin board.
4. Employees may contact the Human Resources Department to discuss any concerns about charitable solicitation at Metro.

Responsibilities

Employees:

- Refrain from conduct prohibited by this policy.
- Inform your supervisor if a unique need of special interest to Metro may warrant an exception to this policy.

Supervisors, Managers and Department Directors:

- Refer any employee requests that may warrant an exception to this policy to the attention of the Chief Operating Officer.
- Department Directors: Determine whether, where and when employees may post solicitation materials in your department for passive fundraising outside of working hours.
- Ensure that any fundraising announcements are consistent with this policy and applicable law.
- If you permit employees to post solicitation materials, do not prohibit solicitation or make other distinctions based on the nature of the cause for which funds are solicited. Refer any questions to the Office of Metro Attorney.
- Ensure that any Metro committees authorized to solicit funds from employees comply with the fundraising and cash-handling procedures found in the Metro Committees policy.

Chief Operating Officer:

- Approve or deny requests for special exceptions to permit charitable solicitation of employees on the job during working hours.

Subject Outside Employment
Section Human Resources
Approved by Martha Bennett, Chief Operating Officer; MERC Commission

POLICY

Metro employees shall not accept any outside employment that may create a conflict of interest or prevent them from meeting applicable performance standards.

Applicable to

All employees.

Where provisions of an applicable collective bargaining agreement directly conflict with this policy, the provisions of that agreement will prevail.

Guidelines

1. Metro employees shall not accept any outside employment that may create a conflict of interest or prevent them from meeting applicable performance standards.
2. Employees are welcome to pursue opportunities that do not violate this policy. Therefore, Metro will consider alternate arrangements that may eliminate the conflict of interest or performance concerns and allow the employee to accept the outside employment.

Procedures

1. Outside employment creates a conflict of interest if it:
 - a. Involves use of Metro work time, facilities, equipment or supplies;
 - b. Involves the use of the employee's influence as an employee of Metro;
 - c. Involves the receipt of money or other benefits for duties performed as a Metro employee;
 - d. Involves competing with Metro in providing a service or product; or
 - e. Involves time demands that interfere with the employee's availability for scheduled work, including mandatory and prescheduled overtime or other extra work that may be required, or that makes the employee unable to meet the performance expectations for his or her position.

2. Employees are required to notify their supervisors before accepting outside employment that could potentially violate this policy. Employees must also report employment that may give the appearance of impropriety, even if no actual conflict of interest exists.
 - a. Employees should provide notice as soon as possible to allow Metro to evaluate the potential conflict and determine whether the employment is permitted under this policy.
 - i. The employee should advise Metro if he or she is subject to a deadline for responding to an offer of outside employment.
 - ii. Metro will make an effort to respond within the requested timeframe; however, it may not be feasible to do so in every circumstance.
 - b. The supervisor must provide the employee with a written response within 14 days of the request and maintain a copy in the supervisory working file. Supervisors must consult with the Human Resources Department before disciplining an employee under this policy or discouraging the employee from accepting the proposed employment.
3. If Metro determines that a potential conflict of interest exists, Metro will consider whether there are feasible alternate arrangements that will eliminate the conflict and allow the employee to accept the outside employment.
4. Metro has sole discretion to determine whether a potential conflict of interest exists and whether alternate arrangements are feasible to eliminate the conflict. If Metro determines that a conflict exists, Metro will communicate its determination and reasoning to the employee in writing.
5. If Metro determines that a potential conflict of interest exists, the employee must follow management directives to eliminate the conflict.
6. An employee who is found to have violated this policy will be subject to discipline up to and including termination. Performance concerns will be managed according to regular policies and procedures.

Responsibilities

Employees:

- Notify your supervisor before accepting or continuing employment that may fall under this policy.

Supervisors and Managers:

- Clearly communicate expectations for scheduling availability and job performance to employees.
- Consult with the Human Resources Department about any potential violations of this policy.

Human Resources Department:

- Evaluate potential conflicts of interest in consultation with Office of Metro Attorney.
- Investigate options for eliminating potential conflicts of interest or performance concerns and advise supervisors, managers, and employees accordingly.

 - k. Two floating holidays are allowed each fiscal year on days of each employee's choice, subject to schedule approval of the supervisor. For purposes of this section, a floating holiday is any day chosen by the employee and approved by the supervisor which would otherwise be a regular scheduled workday. The floating holidays are non-cumulative from fiscal year to fiscal year and must be taken by the employee within the fiscal year in which they accrue. No payment for floating holidays accrued and not taken shall be provided for any employee upon termination of employment for any reason.

If they are needed to work that day, then they may schedule a deferred holiday on a different day during the fiscal year (i.e., by June 30 of the following year). The additional holiday must be taken within the fiscal year; the hours cannot be carried over to a subsequent year.

Update (Oct. 2013) – Veterans Day: All veterans who served on active duty for at least 6 months and received a discharge under honorable conditions are eligible to take Veterans Day off if they would otherwise be required to work that day, unless it would cause a significant economic or operational hardship to Metro. In that case, the employee will be granted an alternate day off to honor his or her service. Requests for Veterans Day off must be made 21 days in advance or within the timeframe specified by the department's scheduling procedures.

Subject Vacation
Section Human Resources
Approved by Office of the Executive

EXCERPT FROM EXECUTIVE ORDER 88 (2005)

Policy is under review. Numbering has been changed from original manual; content is from former Sections 24 - 25, E. O. 88 (2005).

VACATION

1. The following provisions are applicable to permanent employees only:
 - a. All regular and regular part time employees shall be granted annual vacation leave with pay.
 - b. Upon successful completion of their initial probationary period, employees may be granted accrued vacation leave by approval of the Department Director. Department Director vacations shall be approved by the Chief Operating Officer.
 - c. Employees shall not accumulate more than 250 hours of vacation leave. ~~If the operating needs of the department prohibit granting a vacation leave request, additional hours in excess of the 250-hour limit may be accrued or may be compensated at the discretion of the Department Director and with the written approval of the Chief Operating Officer. Vacation accrual in excess of 250 hours requires written authorization and shall be filed in the finance and management information department, accounting division, with a copy to the office of human resources.~~

***Update (Feb. 2010) – Accrual cap:** Effective July 1, 2010, the 250-hour limit is firm. Employees who reach the 250-hour cap stop accruing vacation until they take vacation time and reduce their accrual level below 250 hours. Once the accrual level drops below the 250-hour maximum, they will then accrue time based on the schedule in the applicable personnel policy or collective bargaining agreement.*
 - d. Department Directors shall schedule vacation requests consistent with the operational needs of the department. Vacation schedules may be amended to allow the department to meet emergency situations.
 - e. An employee who has successfully completed his/her initial probationary period, and terminates for any reason, shall be entitled to payment for accrued unused vacation leave. In no case shall payment be more than the maximum allowable 250-hour accrual limit. An employee who terminates for any reason during the initial probationary period shall not be entitled to any accumulated vacation leave payment.

2. The vacation credit and accrual schedules for permanent employees are as follows:

8th year through completion of 11th year	7.00 hours	168 hours
12th year or more	8.00 hours	192 hours

Permanent part time employees shall accrue vacation under the above schedule at a rate proportionate to the time worked per week.

Subject Sick Leave
Section Human Resources
Approved by Office of the Executive

EXCERPT FROM EXECUTIVE ORDER 88 (2005)

Policy is under review. Numbering has been changed from original manual; content is from former Section 26, E. O. 88 (2005).

SICK LEAVE

1. Permanent employees shall earn sick leave with pay at a rate of 104 hours per year (.05 hours per hour worked); such sick leave shall accrue in an unlimited amount.
2. Permanent part time employees shall earn sick leave with pay proportionate to the amount of FTE for the position in the budget; such sick leave shall accrue in an unlimited amount.
3. Employees may use accrued sick leave when temporarily unable to perform work duties by reason of personal illness, injury, disability, medical or dental care, or illness, injury, or disability of a person living in the employee's household. Sick leave is not to be used for personal time off or to extend holidays or vacation leave. No payment for accrued sick leave shall be provided for any employee upon termination of employment for any reason.
4. Abuse of the sick leave privilege shall be cause for disciplinary action. An employee who is unable to report to work because of any of the reasons set forth in the above subsection of this section shall report the reason for his/her absence to his/her supervisor. Sick leave with pay may not be allowed unless such report has been made. The supervisor may require sick leave to be supported by a physician's statement attesting to the illness.
5. Permanent full time employees who use 24 hours or less of sick leave within one fiscal year period, and who are not at the 250-hour vacation accrual limit, shall accrue eight additional hours of vacation leave in exchange for eight hours of sick leave at the end of the fiscal year period. Permanent part time employees who use 12 hours or less of sick leave within one fiscal year, and who are not at the 250-hour vacation accrual limit, shall accrue four additional hours of vacation leave in exchange for four hours of sick leave. Permanent employees must work a full fiscal year in order to be eligible for this exchange of accrued hours.
6. **Transfer of Leave Credits.** Sick leave is provided as a benefit to each employee as insurance for period of illness. Under normal circumstances benefits are not transferable; however, upon written request of a regular employee to the Chief Operating Officer the voluntary transfer of sick leave hours may be authorized on a limited, carefully monitored basis as follows:

- a. Each request will be reviewed and approval granted or denied on a case-by-case basis by the Chief Operating Officer.
- b. Requests must be due to a catastrophic, long-term, or chronic illness of the requesting employee only.
- c. The requesting employee must have no more than 40 hours combined accrued sick leave hours and accrued vacation leave hours at the time of the request.
- d. Upon approval per (1) above, the requesting employee, or another employee he/she has designated, may initiate a request to Metro employees for the transfer of accrued sick leave hours.
- e. Employees wanting to voluntarily transfer accrued sick leave hours to the requesting employee may do so only as follows:
 - i. The transferring employee's Department Director must authorize the transfer of hours by signature. Such authorization will indicate the transfer of hours can be accomplished within the departmental fiscal year budget.
 - ii. The transfer of accrued sick leave hours cannot exceed a total of 40 hours per transferring employee for each individual requesting employee for each fiscal year.
 - iii. Under no circumstances shall the transferring employee's sick leave balance be reduced to below 120 hours of accrued sick leave because of the voluntary transfer of sick leave hours to another employee.
- f. Normal leave accruals will not continue for requesting employees while they are on paid leave status as a result of transferred hours. However, health and welfare benefits provided for any other employee on paid leave status will continue for the requesting employee for as long as they remain on paid status.
- g. Any transferred sick leave hours unused by the requesting employee shall be returned to all transferring employees' sick leave accrual balances on a pro-rated basis.
- h. Copies of approved requests and approved transfers of hours must be sent to the finance and management information department, accounting division, for implementation and to the office of human resources.

Subject Job Sharing
Section Human Resources
Approved by Martha Bennett, Chief Operating Officer; MERC Commission

POLICY

Metro permits two employees to share one full-time position if, in Metro's judgment, the position lends itself to a job sharing arrangement without decreasing efficiency or increasing the net cost of the position to Metro.

Applicable to

All employees.

Where provisions of an applicable collective bargaining agreement directly conflict with this policy, the provisions of that agreement will prevail.

Definitions

Full-Time Equivalent (FTE): the number of total work hours divided by the maximum number of compensable hours in a full-time schedule.

Guidelines

1. A budgeted full-time position may be shared by two employees if, in Metro's judgment, the position lends itself to a job sharing arrangement without decreasing efficiency or increasing the net cost of the position to Metro.
 - a. For positions represented by a union, each job share employee will be budgeted at .50 FTE (20 hours per week). For non-represented positions, FTE may be divided according to business need and the needs and preferences of the employees.
2. Benefits will be prorated between the two employees in proportion to each employee's budgeted work hours. The benefits associated with a job share position may not exceed the benefits of an equivalent full-time position. An employee working in a job share position will be treated as a part time employee for purposes of calculating leave accruals.
3. Job share partners must have the same classification (since the classification is associated with the position) but may be paid at different rates, consistent with applicable collective bargaining agreements and policies.

Procedures

1. A budgeted full-time position may be designated a job share position with the approval of the Department Director and HR Director.
2. To initiate a request for job sharing, employees should first discuss the request with their immediate supervisor, who will discuss the request with the Department Director. The decision whether to proceed with the request is at the Department Director's discretion based on operational needs and budget considerations.
3. If the Director supports the request, the employees must submit a written proposal to the Director, signed by both employees. The proposal should describe the proposed division of work hours and duties.
4. The Department Director will forward the proposal to the Human Resources (HR) Benefits Manager. The HR Benefits Manager will review the proposal to ensure compliance with applicable laws and policies related to benefits and discuss any concerns with the Department Director. The HR Benefits Manager will then forward the request to the HR Director who will approve or deny the request and notify the Department Director and Human Resources Information Systems (HRIS) Analyst. The Department Director is responsible for communicating the response to the affected employees.
5. Employees in job sharing arrangements are required to maintain the same performance, productivity and customer service standards that would be expected if the position were filled with one full-time employee. The immediate supervisor is responsible for managing the days and hours worked and the duties assigned to each employee. Job share partners and their supervisors are expected to work together to develop appropriate procedures to balance workloads and share information effectively.
6. Employees in job sharing arrangements may be required to track their work hours, even if they are paid on a salary basis, to facilitate management of the position and ensure compliance with legal requirements. Supervisors are responsible for managing work hours consistent with the approved job share arrangement.
7. If, in the judgment of the Department Director, the job share arrangement is not meeting Metro's business needs, the Department Director may terminate the arrangement upon 30 days' notice to the affected employees. The affected position may be converted to two part-time positions if consistent with business needs. Any resulting changes to the terms and conditions of employment will be in accordance with Metro's personnel policies and the applicable collective bargaining agreement, if any.
8. If one partner in a job sharing arrangement separates from employment, the supervisor and Department Director will determine whether to recruit for a new job share partner, convert the position to two part-time positions, or convert the position to one regular full-time position. This decision is at management's discretion based on operational needs and budget considerations.
 - a. If the position is converted to a regular full time position, the remaining job share employee will be offered the opportunity to assume the position on a full-time basis.
 - b. If the former job share employee is unable to assume the offered full-time position, he or she will be laid off following procedures in the applicable policy or collective bargaining agreement and the full-time position will be opened for recruitment.

Responsibilities

Employees:

- Discuss job sharing requests with your immediate supervisor and submit a signed written proposal.
- Share information with your job share partner to ensure efficiency and seamless customer service.
- Track work hours and submit them to your supervisor (salaried, overtime-exempt employees: only if required by supervisor).

Supervisors:

- Ensure that job share employees are meeting applicable performance and customer service standards and that workloads and work hours are consistent with the job share agreement.

Department Director:

- Determine whether to support or deny job share requests.
- Submit job share proposals to the HR Department.

Human Resources:

- Track job share arrangements throughout the agency.
- Benefits Manager: Review job share proposals for compliance with applicable laws and policies.
- Director: Approve or deny job share proposals and notify Department Director and HRIS Analyst.
- HRIS Analyst: Complete data entry to allocate payroll and benefits in accordance with approved proposals.

Subject Telecommuting
Section Information Services; Human Resources
Approved by Office of the Executive

EXECUTIVE ORDER 52 (1994)

Policy is under review. Numbering is from the original Executive Order.

Definition: Telecommuting is defined as transportation and work alternatives that substitute home-to-work commuting with working at home or at satellite work locations as authorized by a supervisor.

Policy Statement: Metro supports authorized telecommuting by employees to reduce energy used in transportation, to decrease traffic congestion, to improve air quality and to improve the environment.

This policy address telecommuting on a part-time basis, generally one to two days per week or for special projects as assigned. It does not set conditions for home-based employees, whose primary place of business is their home.

Telecommuting does not include temporary work at home due to specific employee situations such as childcare, recovering from an illness or caring for an ill family member. Such situations should be arranged between the employee and his/her supervisor. This policy will comply with all applicable provision of the American with Disabilities Act (ADA).

CONDITIONS: To ensure an effective, productive telecommuting program, Metro establishes the following policies:

A. GENERAL

1. Professionalism in terms of job responsibility, work products and customer or public contact will continue to follow the same high standards as currently are being met by Metro staff.
2. Metro is committed to the telecommuting program and will enhance network access from remote locations. However, current system constraints may not guarantee modem access to the system.
3. Telecommuting is not suitable for all employees and/or positions. Any employee who wants to telecommute must discuss the request this with his/her supervisor. The supervisor will make the final decision about telecommuting and suitability. A supervisor may terminate an authorized telecommuting situation as any time.

4. To be eligible to participate, an employee must have completed the probationary period in his/her current position. Employee participation in Metro's telecommuting program is voluntary.
5. Telecommuters must be self-motivated, have minimal requirements for face-to-face daily supervision and must be conscientious about work time and productivity.
6. Employee salary/wages, benefits and employer-sponsored insurance coverage will not change as a result of telecommuting.
7. A telecommuting employee's conditions of employment remain the same as for non-telecommuting employees.
8. Telecommuting is not a substitute for childcare. Telecommuters shall make appropriate childcare arrangements during the agree-upon telecommuting work hours.
9. Trips between the employee's home and primary work location are not reimbursable.
10. While telecommuting, the employee should be reachable by telephone, fax, network access or E-mail during agree-upon hours. The employee and supervisor will agree on how to handle phone messages, including the feasibility of call forwarding, voice-mail, frequency of checking phone messages and feasibility of having a home phone answering machine.
11. More specific conditions relating to the employee's telecommuting are detailed in the **Telecommuting Agreement**, which must be filled out by the employee and his/her supervisor prior to the start of telecommuting.

B. HOME OFFICE

1. A designated home work space shall be maintained by the telecommuter that is quiet, free of distractions and kept in a clean, professional and safe condition, with adequate lighting and ventilation.
2. Since the employee's home work space is an extension of Metro work space, Metro's liability for job-related accidents or injuries will continue to exist during the approved work schedule and in the employee's designated work location. To ensure that safe working conditions exist, Metro retains the right to make on-site inspections of the home work space at mutually agreed upon time.
3. A consistent schedule of telecommuting work days and hours is desirable for many jobs to ensure regular and predictable contact with Metro staff and others. For some positions, more flexibility in work hours and days is feasible. A special work schedule will be stated in the Telecommuting Agreement and must be authorized by the superior.

C. SUPPLIES AND EQUIPMENT

1. Office supplies will be provided by the employee's department. Out-of-pocket expenses for supplies normally available in the department will not be reimbursed.

2. Metro will not provide office furniture for telecommuters.
3. The following conditions shall apply to use of computers, software and other equipment.
 - a. In most instances, the telecommuter will provide his/her own equipment. Use of Metro equipment will be decided by the supervisor. Metro equipment in the home office may not be used for personal purposes.
 - b. Metro-owned software shall not be duplicated.
 - c. The telecommuter and supervisor will comply with the Using Business Software Home Directive in the Computer Handbook published by ISD.
 - d. The home computer must be plugged into a surge protector and have current virus protection maintained on it.
 - e. Restricted-access materials shall not be taken out of the office of access through the computer unless approved in advance by the supervisor.
 - f. Unless otherwise agreed to in writing prior to any loss, damage or wear, Metro does not assume any liability for loss, damage or wear of employee-owned equipment.

Executive Order No. 52

7. The following equipment will be used by the employee in the remote work location (please specify whether equipment is Metro or employee owned):

10. Employee agrees to participate in Transportation Planning's evaluation of telecommuting including mileage logs and completion of questionnaires and other surveys.

12. Additional conditions agreed upon by the telecommuting employee and the supervisor areas follows (e.g. child care arrangements, need of employee to attend meetings as necessary, etc):

This Agreement is subject to cancellation by the supervisor at any time as stated in the Telecommuting Executive Order No. 52.

I have read and understand Metro's telecommuting policies and agree to the conditions detailed.

Subject Religious Accommodation
Section Human Resources
Approved by Martha Bennett, Chief Operating Officer; MERC Commission

POLICY

It is Metro's policy to provide reasonable accommodation for an employee's sincerely held religious beliefs, observances and practices unless such accommodation would cause an undue hardship to Metro's operations. Metro will not discriminate on the basis of religion.

Applicable to

All employees and interns.

Where provisions of an applicable collective bargaining agreement directly conflict with this policy, the provisions of that agreement will prevail.

Definitions

Religious Beliefs, Observances and Practices: The definition of "religious beliefs, observances and practices" that Metro applies will be in accordance with the constitutional definition of those terms as determined by applicable law. A general guideline is that religious beliefs are moral or ethical beliefs as to what is right and wrong that are sincerely held with the strength of traditional religious views, even though the beliefs themselves may be nontraditional, if those beliefs concern "ultimate ideas" about "life, purpose, and death." Social, political, or economic philosophies, as well as mere personal preferences, are not "religious" beliefs protected by law.

Undue Hardship: A significant difficulty or expense. Undue hardship is determined on a case-by-case basis in accordance with applicable law. Co-workers' or supervisors' mere dissatisfaction with the requested accommodation is not an undue hardship. Factors influencing a determination of undue hardship include, but are not limited to:

- a. Business necessity;
- b. Safety and health concerns;
- c. Financial cost and overall financial resources available; and
- d. Resulting personnel problems, such as staffing needs, interference with other employees' rights, or the effect on seniority systems mandated by union contract.

Guidelines

1. The intent of this policy is to provide reasonable accommodation for employees' and interns' sincerely held religious beliefs, observances and practices, consistent with state and federal law.
2. Common examples of religious accommodation include:

- a. Accommodation or time off to engage in religious practices, attend religious services, or observe a holy day as required by the employee's religion.
 - b. Accommodation of religious dress or grooming practices (e.g. required hairstyles or facial hair).
3. There is no prescribed manner of providing reasonable accommodation. Metro will consider all possibilities as they apply to its operational requirements. Criteria for determining whether an employee's requested accommodation is reasonable include:
 - a. The nature of the job;
 - b. The number of employees who can do that job;
 - c. The effects of transferring the employee;
 - d. The effects of accommodation on other employees;
 - e. The requirements of applicable collective bargaining agreements; and/or
 - f. Scheduling and overtime problems.
4. The Human Resources (HR) Department may request verification that the request is based on a sincerely held religious belief. Metro is not required to accommodate requests that are based merely on an individual's personal preference. Determinations of whether a requested accommodation pertains to a sincerely held religious belief, whether verification is necessary, and what verification may be appropriate will be made on a case-by-case basis consistent with applicable law.
5. It is unlawful to harass, discriminate against, or take any adverse employment action in regards to an individual because of his or her religion or because he or she has requested or received an accommodation under this policy. Anyone who experiences or observes discrimination, harassment, or retaliation on the basis of religious beliefs or requests for religious accommodation should report the offending conduct using the procedures specified in Metro's Discrimination and Harassment Policy.

Procedures

1. An employee or intern may initiate a request for religious accommodation by contacting his or her supervisor or the HR Department.
2. Upon receipt of a request for accommodation, the supervisor shall notify the HR Benefits Manager. The HR Department, in consultation with the Office of Metro Attorney, will be responsible for determining whether a requested accommodation is reasonable and whether it will result in undue hardship to Metro.
3. The HR Benefits Manager will contact the employee or intern to discuss the requested accommodation, and will consult with the supervisor and other managers as needed to determine the impact of the requested accommodation on Metro operations.
4. If it is determined that the requested accommodation would pose an undue hardship, the HR Benefits Manager will coordinate an interactive process to determine whether a mutually acceptable alternative accommodation is available.
5. The HR Benefits Manager may require additional information to verify that the requested accommodation is based on a sincerely held religious belief and/or a religious requirement.
6. Failure to timely submit verification may result in the delay of accommodation approval.

7. After receiving sufficient verification, the HR Benefits Manager will inform the employee or intern of whether a requested or alternative accommodation will be granted.
8. The employee or intern is required to comply with all applicable policies and work rules while the request for accommodation is under consideration, or if the request is denied.
9. If special circumstances make it necessary to expedite the approval process, the HR Benefits Manager may grant an accommodation on a provisional basis before receiving verification, with the understanding that there is no guarantee the requested accommodation will be granted permanently.
10. Anyone with concerns about the religious accommodation process may contact the Director of Human Resources or Office of Metro Attorney to discuss the matter.

Responsibilities

Employee/Intern:

- Notify the immediate supervisor or HR Department if religious accommodation is needed.
- Provide additional information as requested by the HR Benefits Manager.
- Be willing to discuss mutually agreeable alternative accommodations if necessary to avoid undue hardship to Metro's operations.
- Continue to follow all employment policies and work rules until accommodation is approved.

Supervisor:

- Notify the HR Benefits Manager of any requests for religious accommodation.
- Work with the HR Benefits Manager to determine the impact of the requested accommodation on operations.

Human Resources Department:

- Contact the employee or intern and engage in an interactive process to determine whether a reasonable accommodation is appropriate.
- Request documentation as necessary to certify eligibility for accommodations and/or protected leave.
- Work with the supervisor and other managers as needed to determine the impact of the requested accommodation on operations.
- Determine whether the requested accommodation poses an undue hardship.
- Notify the employee or intern of the decision and discuss possible alternative accommodations if the requested accommodation is denied.

Applicable to

All employees, interns and applicants.

Where provisions of an applicable collective bargaining agreement directly conflict with this policy, the provisions of that agreement will prevail.

Definitions

Americans with Disabilities Act (ADA): A federal law designed to protect individuals with disabilities from discrimination. For purposes of this policy, the focus will be on the employment-related portion of the ADA.

Disability: A substantial impairment of a major life activity. Temporary impairments of short duration, such as colds, flu, sunburn, or broken bones that heal normally, are typically not disabilities.

Essential function: The fundamental duties of a position that an individual with a disability holds or desires. Considerations in determining essential functions include the time it takes to perform the function; the consequences of not performing that function; whether the position exists to perform that function; and whether there are others who can perform that function.

Genetic information: For the purposes of this policy, genetic information includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Interactive process: An informal process between an individual with a disability and an employer in an effort to identify potential reasonable accommodation.

Major life activity: Major life activities include, but are not limited to: caring for oneself; performing manual tasks; seeing; hearing; eating; drinking; sleeping; walking; standing; lifting; bending; twisting; speaking; breathing; cognitive functioning; learning; education; reading; concentrating; remembering; thinking; communicating; operation of a major bodily

function, including but not limited to functions of the immune system, normal cell growth, and digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine and reproductive functions; working. To be substantially limited in the major life activity of working, an individual must be significantly restricted in the ability to perform a class of jobs or a broad range of jobs in various classes as compared to the ability of an average person with comparable skill, experience, education or other job-related requirements needed to perform those same positions.

Qualified individual: An individual who is able to perform the essential functions of his or her position with or without reasonable accommodation.

Reasonable accommodation: Any modification or adjustment to a position or the work environment that will enable a qualified individual with a disability to participate in the application process or perform essential job functions. Reasonable accommodation also includes adjustments to provide a covered individual the same employment rights and privileges enjoyed by those without disabilities.

Substantially limits: Restricts one or more of an individual's major life activities as compared to most people in the general population. This analysis is made without regard to whether the individual can reduce the effects of the impairment through the use of mitigating measures, with the exception of ordinary eyeglasses and contact lenses.

Undue hardship: A significant difficulty or expense.

Guidelines

1. Metro will not discriminate against any employee, intern or applicant because the individual has a disability or a record of disability; is regarded as having a disability; is associated with a person with a disability; or has inquired about, received, or requested reasonable accommodation.
2. Metro will provide reasonable accommodation to employees, interns and applicants with disabilities unless to do so would result in an undue hardship. When an otherwise qualified employee or intern has a disability, Metro will engage in an interactive process to determine whether he or she can perform the essential functions of his or her position with reasonable accommodation.
3. In accordance with the Genetic Information Non-Discrimination Act of 2008, no genetic information, including family medical history, will be requested or considered as part of the accommodation process.

Procedures

Applicants for employment or promotion

1. Reasonable accommodation will be provided to disabled applicants for employment, internship or promotion if necessary to complete the application process.
 - a. If a physical capacities test is necessary before beginning regularly scheduled work, the test will be required only after a conditional offer of employment has been made, consistent with the requirements of the ADA.
 - b. If the results of a physical capacities test indicate that an employee is unable to perform essential functions of the position, Metro will initiate an interactive process with the employee to determine whether disability accommodation is appropriate.

Current employees and interns

2. An individual with a disability may request an accommodation if needed to perform the essential functions of his or her position.
 - a. The individual should initiate the request by contacting his or her supervisor or the Human Resources Benefits Manager.
 - b. Upon receipt of a request for accommodation, the supervisor shall immediately notify the HR Benefits Manager.

3. The employee or intern will be asked to meet with the HR Benefits Manager to engage in an interactive process to discuss the disability in relation to the essential functions of the position and to identify reasonable adjustments or changes that may allow the individual to perform these essential functions.
 - a. Prior to the meeting, HR will inform the individual that they may have a union representative, family member, or other appropriate person present during interactive process meetings.
 - b. An employee or intern may choose to decline participation in the interactive process at this point or at any other time. This decision will suspend Metro's further assessment of potential disability accommodations until the employee or intern re-initiates a request. HR will twice seek to initiate such a dialogue before closing the matter due to non-participation. A closure of this nature will not prevent the employee from initiating the ADA process at a later date for the same or different medical reasons.
 - c. The HR Benefits Manager will write a letter outlining the duties of the position to the employee's or intern's health care provider and will request a signed medical release from the employee or intern. The release will authorize the health care provider to provide a medical opinion and relevant medical information as to whether the individual can perform the full scope of the essential duties of the position and what, if any, accommodation(s) are recommended.
 - d. Metro will reimburse the employee or intern for out-of-pocket costs for providing medical documentation required under this policy in accordance with applicable law.
 - e. The HR Benefits Manager will review the health care provider's responses. If the documentation is insufficient to establish the existence of a disability and the need for accommodation, the HR Benefits Manager will explain why the documentation is insufficient and allow an opportunity to provide the missing information.
 - i. With the employee's or intern's written consent, the HR Benefits Manager may request follow-up information directly from the employee's health care provider.
 - ii. If necessary to confirm or clarify the need for accommodation, Metro may require the employee or intern to go to a second health care provider chosen by Metro for an independent medical opinion at Metro's expense.

- f. The HR Benefits Manager, the employee or intern, and the supervisor will meet to discuss the requested accommodation and, if appropriate, other potential accommodations that may allow the employee or intern to perform the essential functions of his or her position. HR and the employee's supervisor will jointly determine if a reasonable accommodation is available, and if so, they will arrange for timely implementation.
4. If a reasonable accommodation cannot be made so that an employee may continue to successfully perform in his or her current position, the HR Recruitment and Selection Manager will conduct a thorough review of available positions to determine if there is an available, suitable position for which the employee may be eligible.
5. If the suggested accommodations will create an undue hardship to Metro's operations as defined by the ADA, the HR Benefits Manager will meet with an employee to determine if any other benefit options may be appropriate. If no other options are found, Human Resources will meet with the department Director and Office of Metro Attorney to determine if a termination is necessary due to inability to perform the job.
6. Metro will provide reasonable accommodation to help employees meet performance and conduct standards; however, Metro is not required to waive performance or conduct standards that are job-related and consistent with business necessity or to rescind discipline or an evaluation warranted by poor performance if the employee has not requested accommodation.
 - a. An employee who has a disability that may cause performance or conduct problems is encouraged to seek reasonable accommodation before problems arise.
 - b. Consistent with the ADA, Metro will not accommodate or extend job protections based on current use of illegal drugs.
7. Information obtained regarding an individual's medical condition or history will be kept in separate medical files and treated as confidential, except as follows:
 - a. Supervisors and managers may be informed regarding necessary restrictions on the individual's duties and necessary accommodations.
 - b. First aid and safety personnel may be informed, when appropriate, if the disability might require emergency treatment.
 - c. Officers and employees of the Equal Employment Opportunity Commission and the Bureau of Labor and Industries investigating compliance will be provided relevant information upon request.
8. Anyone with concerns about the ADA process, including the outcome of the interactive process, may contact the Director of Human Resources or Office of Metro Attorney to discuss the matter.
9. Anyone who experiences or observes discrimination, harassment, or retaliation related to disability should report the offending conduct using the procedures specified in Metro's Discrimination and Harassment Policy.

Responsibilities

Employee/Intern:

- Notify the supervisor or HR Benefits Manager that an accommodation is being requested.
- Meet with the HR Benefits Manager to begin the ADA interactive process and follow up as requested.
- Provide a medical release for Metro to obtain relevant medical information.
- Report any discrimination, harassment, or retaliation related to disability using the procedures specified in Metro's Discrimination and Harassment Policy.

Supervisor:

- Timely respond to all ADA requests by notifying HR.
- Participate in a discussion with the employee or intern and HR regarding reasonable accommodation.
- Coordinate with the Human Resources Department and the employee or intern to implement any necessary accommodations.
- Refer any reports or observations of discrimination, harassment, or retaliation related to disability to the HR Department.
- Maintain the confidentiality of medical information.

HR Benefits Manager:

- Provide the employee or intern with the appropriate forms to obtain medical documentation.
- Obtain necessary medical information from the applicable health care professional(s) in order to verify the need for accommodation and identify potential solutions.
- Ensure that genetic information is not requested or considered during the accommodation process.
- Work with the employee or intern and the supervisor to determine if reasonable accommodation(s) can be made.
- Coordinate implementation of any necessary accommodations.
- Maintain medical information in a confidential file separate from the personnel file.

Subject Modified Duty for Non-Occupational Medical Conditions
Section Human Resources; Finance and Regulatory Services (Risk)
Approved by Martha Bennett, Chief Operating Officer; MERC Commission

POLICY

In limited circumstances, Metro may provide temporary modified duty (also known as “light duty”) for injuries or medical conditions that were not incurred on the job at Metro.

Applicable to

All employees.

Where provisions of an applicable collective bargaining agreement directly conflict with this policy, the provisions of that agreement will prevail.

Guidelines

1. Metro will temporarily modify the work assigned to employees with temporary non-occupational medical conditions only if the following criteria are met:
 - a. The employee can complete all the essential job functions as outlined in the employee’s classification description;
 - b. There is a business need for the work to be performed; and
 - c. There is no financial cost to Metro (e.g. equipment purchases) required to place the employee on modified duty.
2. Metro does not provide transfers to accommodate restrictions due to non-occupational medical conditions except as required by law or other Metro policies.
3. Employees who are unable to perform their regular duties due to non-occupational medical conditions may have additional options under other laws and Metro policies, including the Americans with Disabilities Act (ADA), Oregon Family Leave Act (OFLA), Family and Medical Leave Act (FMLA), and Metro’s Pregnancy Transfer and Leave policy. Metro also provides modified duty for on-the-job injuries covered by Metro’s workers’ compensation insurer. Employees should consult the applicable Metro policies and contact the Human Resources (HR) Department for more information if needed.

Procedures

1. To request modified duty, employees must provide their supervisor or the HR Department with written restrictions from their health care provider.

- a. Supervisors must forward this information to HR immediately.
 - b. If more information is needed to clarify the restrictions or evaluate the suitability of possible transfer options, the HR Department may request that the employee provide additional information before a decision is made on the employee's request.
2. Modified duty for non-occupational conditions is typically limited to 30 days or less except as required by law or other Metro policies. In unusual circumstances, the C.O.O. or GM may approve an extension of modified duty beyond the standard 30-day period provided there is no adverse impact to Metro's operations.
3. Metro may remove an employee from the modified duty assignment before the end of the 30-day period for any of the following reasons:
 - a. The employee's medical restrictions are lifted or change substantially such that the modified duty assignment is no longer appropriate;
 - b. The employee is unable or unwilling to meet the attendance, performance and conduct expectations for the modified duty assignment; or
 - c. Continuation of the modified duty assignment is not consistent with Metro's business needs.
4. If an employee is medically restricted from performing the duties of his or her position but modified duty is not appropriate under the terms of this policy, the employee will not be permitted to work until the employee is no longer subject to medical restrictions.
5. An employee on modified duty whose medical restrictions are lifted or changed must give his or her supervisor a copy of the release or revised restrictions before the employee's next scheduled work shift or within three business days, whichever comes first.
6. Metro will return an employee to his or her regular duties only upon receipt of a medical release indicating that the employee is able to perform all the duties of that position.
7. Employees with non-occupational medical conditions may have additional options for extended modified duty or a leave of absence under the Americans with Disabilities Act (ADA), the Oregon Family Leave Act (OFLA), the Family and Medical Leave Act (FMLA), and/or other Metro policies.
8. An employee who is unable to return to his or her former position upon the conclusion of the modified duty assignment due to continued medical restrictions may be subject to termination in accordance with regular attendance policies except as provided by applicable law or other Metro policies.

Responsibilities

Employees:

- Provide your supervisor with written restrictions from your physician.
- Fulfill the performance and conduct expectations for the modified duty assignment. Consult with your supervisor if guidance is needed.
- When your restrictions are lifted or changed, give a copy of the release or new restrictions to your supervisor before your next scheduled work shift or within three business days, whichever comes first.
- If you are unable to return to your regular position at the end of your modified duty assignment, consult Metro policies and contact the HR Department to explore any other options you may have for modified duty or a leave of absence.

Supervisors and Managers:

- Notify the HR Department and Risk Management of all employee requests for modified duty.
- Promptly send any medical information received from an employee or another source to the HR Department without keeping copies, except that a copy of the employee's work restrictions may be retained while the restrictions are in effect. Maintain the confidentiality of all medical information.
- Consult with the HR Department before making changes to an employee's work assignment.
- Provide guidance to the employee as to the performance and conduct expectations for the modified duty assignment.
- Instruct employees to consult Metro's personnel policies and contact the HR Department to explore their options if they are unable to return to their regular assignment at the conclusion of modified duty.

Human Resources Department:

- Maintain all medical information in the employee's confidential medical file in accordance with legal requirements.
- Advise supervisors and employees on options for modified duty and leaves of absence as applicable.

Family and Medical Leave Policy

Leave without Pay policy

Metro | Policies and procedures

Subject Family and Medical Leave
Section Human Resources
Approved by Martha Bennett, Chief Operating Officer; MERC Commission

POLICY

It is the policy of Metro to grant Family and Medical Leave to eligible employees in accordance with federal and state law. Family and Medical Leave is intended to ensure that eligible employees have the opportunity to take protected leave to care for oneself or a family member with a serious illness or injury, to care for a sick child, and/or to care for a newborn child, newly adopted child, or newly placed foster child in the employee's home. In addition, the Family and Medical Leave Act provides protected leave for eligible employees to care for family members who are covered military service members or veterans recovering from a serious illness or injury sustained in the line of duty and to handle exigencies related to active duty. The Oregon Family Leave Act also provides protected bereavement leave to grieve the death of an immediate family member. Employees may also be entitled to protected leave for additional purposes under other federal and state laws and Metro policies. Lastly, represented employees may have greater leave rights under their applicable collective bargaining agreement with Metro.

Applicable to

All employees.

Where provisions of an applicable collective bargaining agreement directly conflict with this policy, the provisions of that agreement will prevail.

Types of Leave Covered By This Policy

Serious Health Condition Leave: An eligible employee may take leave on a continuous or intermittent basis for his or her own serious health condition or to care for an immediate family member with a serious health condition.

Parental Leave: An eligible employee may take leave to care for a newborn, newly adopted or newly placed foster child. Parental Leave may be taken any time within 12 months of the birth, adoption, or placement of the child. Parental Leave may also be used to complete legal procedures prior to the adoption.

Sick Child Leave: An eligible employee may take leave to care for their child due to a non-serious health condition requiring home care. Non-serious health conditions include a cold, the flu, or a condition not requiring hospitalization. Metro may request a doctor's note after the fourth occurrence of such leave.

Military Family Leave:

Caregiver Leave. Leave to care for a military service member or veteran who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious illness or injury incurred or aggravated in the line of covered active duty. For purposes of caregiver leave, an eligible employee is the spouse, son, daughter, parent or “next of kin” of the military service member. Eligible employees may take up to 26 weeks of leave during a single rolling consecutive 12-month period for this reason. Leave to care for a military service member, when combined with all other Family and Medical Leave, may not exceed 26 weeks in a single 12-month period.

Qualifying Exigency Leave. Leave allows eligible employees to take up to 14 days to handle exigencies related to a family member’s active duty military service or call to active duty. Qualifying exigency leave is specifically intended to cover events other than medical needs, including making financial, legal or childcare arrangements or to facilitate rest and recuperation. Eligible employees may also take leave to care for a military member’s parent who is incapable of self-care when the care is necessitated by the member’s covered active duty. For purposes of exigency leave, an eligible employee is a spouse, son, daughter, or parent of a military service member on active duty (or notified of an impending call or order to active duty) in support of a contingency operation. Metro and the employee must agree to both the timing and duration of any such leave. This leave will be counted against the employee’s 12-week FMLA leave entitlement.

Note: Military service members, veterans, and their families have additional employment rights, including protected leave rights, under other laws and Metro policies. Please contact the Human Resources Department if you have any questions related to military service, military leave, or veteran status.

Bereavement Leave: Leave taken by an eligible employee to grieve the death of an immediate family member; to make necessary arrangements related to the death; and/or to attend the funeral or alternative ceremony. An eligible employee is entitled to take up to two weeks of unpaid leave per death, up to a maximum of 12 weeks per leave year. OFLA bereavement leave must be completed within 60 days after the date on which the employee receives notice of the death. The leave will be counted against the employee’s 12-week OFLA leave entitlement. OFLA bereavement leave does not alter or expand any paid funeral or bereavement leave that may be available under Metro policies or collective bargaining agreements and runs concurrently with any paid leave.

Definitions

Family and Medical Leave: Leave rights are governed by both the federal Family and Medical Leave Act (FMLA) and the Oregon Family Leave Act (OFLA). Family and Medical Leave is protected leave that allows a covered employee extended time off work on a continuous or intermittent basis under the following circumstances:

- a. to receive treatment or recover from a serious health condition as defined under applicable law;
- b. to respond to a serious health condition of an immediate family member;
- c. for the birth of a child, or placement with the employee of a child under the age of 18 (or older if the child is mentally or physically disabled) for adoption or foster care;

- d. to care for a sick child;
- e. to care for a spouse, son, daughter, parent, or next of kin who is a covered military service member recovering from a serious illness or injury sustained in the line of duty;
- f. to handle qualifying exigencies arising from the fact that the employee's spouse, son, daughter or parent is a covered service member who is on active military duty, or who has been notified of an impending call to active duty status; or
- g. to grieve, attend the funeral, and/or make necessary arrangements related to the death of an immediate family member.

Eligible employees have reinstatement and/or reemployment rights after using Family and Medical Leave. An employee's benefits remain in place while he or she is off work on approved Family and Medical Leave. Family and Medical Leave must be paid from accrued leave time. Once paid leave accrual is exhausted, approved Family and Medical Leave shall be unpaid.

Eligible Employee: Specific eligibility requirements apply under state and federal law. Metro's Human Resources Department will review all leave applications and determine eligibility consistent with state and federal law.

- a. To qualify for FMLA, an employee must have been employed by Metro for a total of at least 12 months (if months are non-consecutive, there can be no more than a seven year break in service), and must have worked at least 1250 hours during the 12-month period immediately preceding the leave.
 - i. Periods of absence due to service covered by the Uniformed Services Employment and Reemployment Rights Act are counted in determining an employee's eligibility for FMLA leave.
- b. To qualify for OFLA, employees must have been employed by Metro for a period of 180 calendar days immediately preceding the date leave begins, and must have worked an average of 25 hours per week during the preceding 180-day period. If the leave is to care for a newborn child or newly placed adopted or foster child, case employees must meet the 180-day requirement only.

Health Care Provider: A person who is primarily responsible for providing health care to an eligible employee or family member; who is a licensed physician, podiatrist, dentist, psychologist, optometrist, naturopath, registered nurse, nurse practitioner, direct entry midwife, certified nurse midwife nurse practitioner, regulated social worker, or chiropractic physician (only to the extent that treatment consists of manual manipulation of the spine to correct a subluxation demonstrated to exist by x-ray); and who is performing within the scope of his or her license. A person who is primarily responsible for treatment solely through spiritual means, such as a Christian Science practitioner, may also be considered a health care provider.

Immediate Family Member: Immediate family members include the employee's spouse, child (biological, adopted, foster step, or for whom the employee stands *in loco parentis*), parent (or individual standing *in loco parentis* of the employee); parent-in-law, grandparent, grandchild, domestic partner, and child or parent of a domestic partner.

Rolling Consecutive Twelve Month Period: Each 12-month period begins on the date of the first day leave is actually taken. Leave taken for any qualifying reason during that 12-month

leave year will be deducted from the 12-week leave allowance. Once the period has expired, the 12-month period recommences with the first day of the next Family and Medical Leave taken.

Serious Health Condition: An illness, injury, impairment, or physical or mental condition that involves one of the following:

- a. Hospital Care/Inpatient Care. Hospital Care/Inpatient Care is an overnight stay in a hospital, hospice, or residential medical care facility, including any period of incapacity or subsequent treatment in connection with, or consequent to, such inpatient care.
- b. Absence Plus Treatment. A period of incapacity of more than three consecutive calendar days (including any subsequent treatment or period of incapacity relating to the same condition), that also involves:
 - i. Treatment two or more times within 30 days of the first day of incapacity, unless extenuating circumstances exist, by a health care provider, by a nurse or physician's assistant under direct supervision of a health care provider, or by a provider of health care services (e.g. a physical therapist) under orders of, or on referral by, a health care provider; or
 - ii. Treatment by a health care provider on at least one occasion which results in a regimen of continuing treatment under the supervision of the health care provider.
- c. Pregnancy Disability or Prenatal Care. Any period of incapacity due to pregnancy or leave for prenatal care.
- d. Chronic Conditions Requiring Treatments. A chronic condition which:
 - i. Requires periodic visits for treatment by a health care provider, or by a nurse or physician's assistant under direct supervision of a health care provider;
 - ii. Continues over an extended period of time; and
 - iii. May cause episodic rather than a continuing period of incapacity (e.g. asthma, diabetes, epilepsy, etc.).
- e. Permanent/Long-term Conditions Requiring Supervision. A period of permanent and long-term incapacity due to a condition for which treatment may not be effective. The employee or family member must be under the continuing supervision of, but need not be receiving active treatment by, a health care provider. Examples include Alzheimer's, a severe stroke, or the terminal stages of a disease.
- f. Multiple Treatments (Non-Chronic Conditions). Any period of absence to receive multiple treatments (including any associated period of recovery) by a health care provider or by a provider of health care services under orders of, or on referral by, a health care provider, either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy), and kidney disease (dialysis).

Procedures

1. Generally, eligible employees may take a maximum of 12 weeks of Family and Medical Leave within a rolling forward, consecutive 12-month period. Each 12-month period begins on the first day of actual leave taken. Leave may be taken continuously, intermittently, or, under certain circumstances, on a reduced workweek schedule. Except for limited circumstances, Federal Family and Medical Leave typically runs concurrently with other leaves, including time loss for Workers' Compensation. Oregon

Family and Medical Leave typically runs concurrently with other leaves except Workers' Compensation leave.

2. Eligible employees who work less than 40 hours per week will have a pro-rated number of hours available based on the average hours worked over the previous 12 months.
3. Employees initially request leave through Metro's electronic timekeeping system. Employees without electronic access may request leave using a **Leave Request Form**, available from the Human Resources Department. This requires approval by the immediate supervisor. The approved leave request is then forwarded to Human Resources to determine if the employee is eligible under FMLA/OFLA. When the need for Family and Medical Leave can be anticipated, the employee should submit a leave request to his or her supervisor at least 30 days prior to the commencement of the leave. If leave is unexpected, notice should be provided as soon as possible.
4. Notification of eligibility will occur within 5 days of receipt of the leave request. At that time, the appropriate **Certification Form** will be sent to the employee.
 - a. An employee requesting leave related to a family member's or his or her own serious health condition will receive a Medical Certification Form, which he or she may forward to their treating medical provider to certify the need and duration of leave.
 - b. An employee requesting Sick Child Leave may be asked for medical verification after the 4th occurrence.
 - c. An employee requesting Military Family Leave for exigencies unrelated to a serious health condition may provide a copy of the service member's military orders as certification of the need for leave.
 - d. An employee requesting Bereavement Leave may provide a copy of a death certificate, obituary notice, funeral announcement, or other similar documents that can confirm eligibility for leave.
5. In an emergency, an employee may initially make a verbal request for Family and Medical Leave to Human Resources or his or her supervisor. The employee must provide enough information to put Human Resources on notice that protected Family and Medical Leave is requested or may be appropriate under the circumstances. A verbal request must be followed up with the completed Certification Form within 15 calendar days of receiving the request for certification.
6. Human Resources will notify the employee whether or not his or her time off from work qualifies as protected leave.
7. Failure to complete the Medical Certification Form in full and timely submit it to Human Resources may result in the delay of leave approval. It is the employee's responsibility to make sure the health care provider completes the form in full, including specific information regarding requested leave dates, times, and frequency.
8. Metro reserves the right to place employees who fail to return the Medical Certification Form on FMLA.
9. Metro may provide a temporary reassignment for a pregnant employee unable to perform her job duties without significant risk to the health and safety of the employee and the pregnancy, if there is suitable, available work for which the employee is qualified to perform, and the reassignment can be reasonably accommodated. If there is no suitable, available work for which the employee is qualified for temporary reassignment, Metro shall provide a pregnancy leave of absence if the leave can be reasonably accommodated.

10. An employee who takes Family and Medical Leave has a duty to make reasonable efforts to schedule medical treatment or supervision on days off or around their current work schedule, subject to the approval of the health care provider, in order to minimize disruption of Metro's operations.
11. Employees on leave must follow the call-in procedures in their respective collective bargaining agreement, non-represented employee policy and/or work rule. Employees must provide sufficient information to communicate that the absence is for a purpose covered by protected leave.
12. Family and Medical Leave must be paid from accrued personal leave time. Once paid leave accrual is exhausted, approved Family and Medical Leave shall be unpaid.
13. Health and welfare coverage will continue at the same level of benefits and contributions for employees on Family and Medical Leave as for active benefit-eligible employees. Employees taking approved leave without pay are required to make direct payment to Metro for their premium payments on elected benefits.
14. If an employee fails to return from leave, Metro is entitled to recover the full amount of health premiums the agency paid on behalf of the employee while on leave, except in cases where the employee fails to return due to their own serious health condition.
15. Prior to returning to work from leave for an employee's own serious health condition, the employee will be required to submit a release for work from their health care provider to the Human Resources Department. The Human Resources Department will then review the release and file it in the employee's confidential medical file.
16. An employee returning from Family and Medical Leave shall be reinstated with no greater or lesser rights in employment than if the employee had not taken the leave.
17. Employees who do not return to work by the date specified by their health care provider may be disciplined, up to and including dismissal.
18. No employee will be subject to retaliation for taking or inquiring about protected leave.

Responsibilities

Employees:

- Request the leave through Metro's timekeeping system or by completing a Leave Request Form and obtain the appropriate supervisor authorization. This leave form is then sent to the Human Resources Department to determine eligibility. Become familiar with the Leave packet that includes Frequently Asked Questions, Your Rights Under FMLA, and the certification form that will be sent to you if it is determined you are eligible for leave.
- If you are requesting Family and Medical Leave for your own or a family member's serious health condition, you are required to provide medical certification. Such medical certification shall come from an approved health care provider and must be submitted to the Human Resources Department 30 days prior to the anticipated leave, or in the case of emergency leave, no later than 15 days of the receipt of certification.
- Employees are responsible for ensuring the medical certification is completed in full by the treating provider including the dates of absence, anticipated date of return and any intermittent frequency for leave. Leave approval may be delayed if the medical certification is not complete.

- If an employee's anticipated return to work date changes, he or she shall immediately notify Human Resources by providing a written medical update from the approved health care provider.
- Upon approval, the FMLA letter will include your return to work date and requirements to provide a physician's release for duty, if necessary.
- Complete Kronos coding appropriately. If you have any questions, be sure to check with your department timekeeper.
- If you are requesting intermittent Family and Medical Leave, you are still required to provide 30 days advance notice when at all possible. You must also follow the call-in procedures in your respective collective bargaining agreement, non-represented employee policy and/or work rule. You must provide sufficient information to communicate that the absence is for a purpose covered by protected leave. When possible, physician's visits and care for family members should be scheduled around your work schedule to minimize disruptions of Metro's operations.
- Metro will periodically request recertification as necessary. Periodically check in with the supervisor as to return to work status while on leave.

Supervisors:

- Notify the Benefits Manager and the employee when you think an employee may be on leave that would qualify as Family and Medical Leave and forward approved Leave Request Forms to Human Resources.
- Communicate with the Benefits Manager on staffing issues and the employee's return to work timeline.
- If an employee directly provides you medical paperwork, forward it to the Benefits Manager; do not keep it in the employee file on site.

Human Resources:

- Within 5 days of the receipt of a Leave Request Form or electronic leave request, Human Resources will provide an employee with initial eligibility determination and a Family and Medical Leave certification form.
- Within 10 days of receipt of the Medical Certification form, Human Resources will determine if the situation qualifies under Family and Medical Leave and notify the employee and the supervisor of its determination or need for further information.
- Notify an employee and supervisor 30 days prior to the end of the allowable Family and Medical Leave.
- Notify an employee if they are in a leave without pay status and are required to pay their portion of Health & Welfare benefits and any supplemental life insurance. If appropriate, provide notice for availability of Long Term Disability insurance.

Subject Pregnancy Transfer and Leave
Section Human Resources; Finance and Regulatory Services (Risk)
Approved by Martha Bennett, Chief Operating Officer; MERC Commission

POLICY

Metro may provide modified duty, a temporary transfer, or a leave of absence for a pregnant employee who is unable to perform any or all job duties without undue risk to the health and safety of the employee or the pregnancy.

Applicable to

All employees who are or may become pregnant.

Where provisions of an applicable collective bargaining agreement directly conflict with this policy, the provisions of that agreement will prevail.

Guidelines

1. Metro may provide modified duty, a temporary transfer, or a leave of absence for a pregnant employee who is unable to perform any or all job duties without undue risk to the health and safety of the employee or the pregnancy.
 - a. Metro will grant a leave of absence only if modified duty and temporary transfer are not feasible within the terms of this policy, except that if necessary an eligible employee may be granted leave pending consideration of modified duty and transfer options.
2. This policy is intended to address situations that do not meet the legal requirements for coverage under the Americans with Disabilities Act (ADA), Oregon Family Leave Act (OFLA), Family and Medical Leave Act (FMLA). Pregnant employees may have additional options for extended modified duty, transfer, or leave under those laws or other Metro policies. Employees should consult the applicable Metro policies and contact the HR Department for more information as needed.

Procedures

1. To request modified duty, employees must provide their supervisor or the HR Department with written medical restrictions from their health care provider.
 - a. Supervisors must forward this information to HR immediately.

- b. Employees who work around chemicals may find it helpful to ask their health care provider to review copies of the Material Safety Data Sheets (MSDS) for their work area. Supervisors will ensure that MSDS sheets are available to employees.
 - c. If more information is needed to clarify the restrictions or evaluate the suitability of possible transfer options, the HR Department may request that the employee provide additional information before a decision is made on the employee's request. With the employee's consent, the HR Benefits Manager may request follow-up information directly from the employee's health care provider.
 - d. Employees are not required to meet eligibility requirements under the ADA, OFLA or FMLA to qualify for modified duty, transfer or leave under this policy.
 - e. Metro will not assume a pregnant employee is unable to perform regular duties without a request by the employee.
 - f. The employee must meet all the attendance, conduct, and performance expectations for the modified duty or transfer position.
2. A temporary transfer will be provided only if:
- a. It is not feasible to modify the duties of the employee's current position;
 - b. There is an available position for which the employee is qualified;
 - c. The duties in the temporary position are consistent with the employee's medical restrictions; and
 - d. The transfer does not create a hardship to Metro's operations.
3. Metro may remove an employee from a modified duty or transfer assignment for any of the following reasons:
- a. The employee's medical restrictions are lifted or change substantially such that the modified duty or transfer assignment is no longer appropriate;
 - b. The transfer assignment is needed for an employee with a disability that requires accommodation or for an employee with on-the-job injury covered by the Workers' Compensation system;
 - c. The employee is unable or unwilling to meet the attendance, performance and conduct expectations for the modified duty or transfer assignment; or
 - d. Continuation of the modified duty or transfer assignment will create a hardship to Metro's operations.
4. If modified duty or temporary transfer is not feasible, Metro will provide a leave of absence unless it would create a hardship to Metro's operations.
- a. A leave of absence for pregnancy will be paid from accrued paid time off. Once accrued paid time off is exhausted, leave will be unpaid.
 - b. If the employee is benefits-eligible, benefits will be continued for as long as the employee's leave is paid by accruals. For unpaid leave, benefits will continue through the last day of the month following the month in which unpaid leave begins. After that date, leave will be without benefits unless the employee elects to continue benefits at the employee's own expense.
 - i. If the leave is covered by OFLA/FMLA, benefits will continue as described in that policy.
 - c. Leave will be excused for as long as the employee is unable to perform any suitable and available positions due to pregnancy-related medical restrictions.

- d. Leave granted under this policy will not be counted against the employee's attendance record for purposes of discipline or performance evaluations.
5. The position of an employee who has been transferred or is on leave may be filled on a temporary basis or kept vacant until the employee is reinstated.
6. An employee whose medical restrictions change or are lifted must notify the supervisor and submit a copy of the release or revised restrictions to the HR Department by the employee's next scheduled work shift or within three business days, whichever comes first.
7. Metro will reinstate an employee to their regular position prior within ten business days of receiving a medical release indicating that the employee is able to perform all the duties of that position, unless the position has been eliminated or the employee is no longer eligible for the position for reasons unrelated to the pregnancy transfer or leave.
 - a. In the event that the employee's regular position is eliminated, the employee will be subject to layoff consistent with applicable policy and contract provisions.

Responsibilities

Employees:

- Submit a request for modified duty, transfer or leave to your supervisor or the HR Department along with appropriate medical documentation.
- Fulfill the performance and conduct expectations for a modified duty or transfer assignment. Consult with your supervisor if guidance is needed.
- If your restrictions are lifted or changed, give a copy of the release or new restrictions to your supervisor by your next scheduled work shift or within three business days, whichever comes first.
- If you are unable to return to your regular position at the end of your modified duty assignment, consult Metro policies and/or contact the HR Department to explore any other options you may have for modified duty or a leave of absence.
- Request and code leave time consistent with this policy and regular timekeeping procedures.

Supervisors and Managers:

- Notify the Department Director and HR Department if an employee requests modified duty, temporary transfer, or a leave of absence due to pregnancy risks.
- Promptly send any medical information received from an employee or another source to the HR Department without keeping copies, except that a copy of the employee's work restrictions may be retained while the restrictions are in effect. Maintain the confidentiality of all medical information.
- Consult with the HR Department before making changes to an employee's work assignment.
- Provide guidance to the employee as to the performance and conduct expectations for the modified duty assignment.
- Direct employees to consult Metro's personnel policies and/or contact the HR Department to explore their options if they are unable to return to their regular assignment at the conclusion of approved modified duty, transfer or leave.

Human Resources Department:

- Maintain all medical information in the employee's confidential medical file in accordance with legal requirements.
- Notify the Department Director upon receipt of a request for modified duty, transfer or leave under this policy.
- Provide advice on options for modified duty, temporary transfer and leave as needed.

Subject Nursing Mothers Accommodation
Section Human Resources
Approved by Martha Bennett, Chief Operating Officer; MERC Commission

POLICY

In accordance with federal and state law, Metro provides unpaid rest periods and designated locations for employees to express milk for children up to eighteen months.

Applicable to

All employees.

Where provisions of an applicable collective bargaining agreement directly conflict with this policy, the provisions of the collective bargaining agreement will prevail.

Definitions

Designated Location: A private area in close proximity to an employee's workstation, other than a public restroom or toilet stall, to express milk.

Rest Period: Duration in which employees are entitled to unpaid leave in accordance with wage and hour laws and guidelines.

Work Time: The regular schedule for which an employee is paid to work. In order to comply with the law, supervisors may have to offer an employee a flexible schedule.

Guidelines

The intent of this policy is to comply with the Patient Protection and Affordable Care Act (PPACA) and Oregon law and to accommodate women who wish to breastfeed.

Procedures

1. Metro will supply a list of designated locations that meet the above guidelines and will be responsible for maintaining these locations in accordance with state and federal laws.
2. The supervisor and employee should determine a mutually agreeable schedule for breastfeeding rest periods.
3. Employees covered under this policy are entitled to a 30-minute unpaid rest period to express milk for every four hours of work. The rest period(s) should be taken approximately

in the middle of the work period and, if possible, at the same time as the other rest breaks or meal periods provided to the employee. If the employee's rest period to express milk overlaps with a regular paid rest break, Metro will compensate the employee for the time of the paid rest break but not the remaining time of the break to express milk.¹

- Supervisors are to consider flexible schedules to accommodate individual employees' needs. With supervisor approval, if an employee takes unpaid rest periods to express milk, the employee may work before or after their shift to make up the amount of time used during the unpaid rest break. If the employee does not work to make up the time used during unpaid rest periods, Metro will not compensate the employee for this time.²

Example: If a regularly scheduled 8 am to 5 pm employee takes two 30-minute breaks, the employee can be required to work an additional half hour to offset the two break periods.

- If the employee no longer has need for the provisions of this policy or no longer qualifies, she should inform her supervisor and return to a regular work schedule.
- In calculating hours worked towards benefit eligibility, time spent on authorized leave under the law will count towards hours worked. For example, if a 20 hour a week employee takes 30 minutes of unpaid leave each shift for the purpose of expressing milk, that time will count towards the required 20 hour minimum for benefit eligibility.

Responsibilities

Employee:

- Provide written or verbal notice to her supervisor that she intends to express milk upon returning to work or at any later point prior to her child's eighteenth month birthday.
- If unable to determine an agreed upon schedule with their supervisor, the employee should contact Metro Human Resources for assistance.
- Will be responsible for storing breast milk. An employee may bring a cooler or insulated food container or use a Metro refrigerator open for personal use at the worksite.

Supervisor:

- Become familiar with this policy and the designated locations at their worksite.
- Upon request for accommodation to express breast milk, supervisors will discuss scheduling issues with the employee and work out a mutually agreeable plan.
- Consider flexible schedules to accommodate employees' needs.
- Contact Metro Human Resources if questions arise regarding designated locations or scheduling.

Human Resources Department:

- Work with employees and supervisors to accommodate employee requests to express breast milk.
- Maintain a current list of designated locations at every Metro worksite and inspect them periodically to make sure they comply with the policy. When feasible, obtain employee feedback when a new designated location is established.

¹ Does not apply to exempt employees.

Subject Jury Duty and Witness Leave
Section Human Resources
Approved by Martha Bennett, Chief Operating Officer; MERC Commission

POLICY

It is Metro's policy to comply with Oregon law allowing employees to take leave from work for jury duty without the loss of any employment benefits. Metro also provides leave to employees who are subpoenaed as witnesses. Benefits-eligible regular status and limited duration employees will be granted paid leave for jury duty and qualifying witness service.

Applicable to

Excused leave: All employees.

Paid leave in addition to accruals: Regular status and limited duration employees who are eligible to receive benefits from Metro.

Where provisions of an applicable collective bargaining agreement directly conflict with this policy, the provisions of the collective bargaining agreement will prevail.

Definitions

Subpoena: An order issued by the court requiring you to appear in person at a certain place, date and time to testify as a witness about a particular case.

Guidelines

1. All Metro employees will be excused from work when summoned for jury duty or subpoenaed to appear as a witness before a court, legislative committee or judicial or quasi-judicial body in a matter in which the employee is not a party.
2. Paid leave will be granted to benefits-eligible regular status and limited duration employees during jury duty or witness service except as specified below. Paid leave granted under this provision is in addition to the employee's regularly accrued paid leave.
3. With the employee's agreement, Metro may petition for removal of an employee from jury duty if the employee's absence would cause an undue hardship to Metro's operations.
4. Metro will not coerce or retaliate against employees due to their jury or witness service.
5. If an employee is required to appear in a matter in which he or she is a party, time off may be granted subject to attendance policies and work rules. Such time off must be paid from the employee's accrued paid time off. If the employee does not have accrued time off, the leave will be unpaid.

6. If an employee is required to appear in court or before another government body in connection with his or her assigned duties, such time (including travel time) will be paid work time. The employee will pay to Metro any fees received for this service.
7. Employees who are required to appear in court in connection with their status as a victim of a personal felony, domestic violence, sexual assault, harassment or stalking may have additional rights under other Metro policies. Please see Metro's Crime Victims' Leave Policy and Domestic Violence, Sexual Assault, Harassment and Stalking Protections Policy or contact the HR Department for more information.

Procedures

1. An employee summoned for jury duty or subpoenaed as a witness should notify his or her supervisor as soon as possible and provide a copy of the jury summons or subpoena. The employee should request leave using Kronos or with a leave request form if they do not have access to Kronos.
2. The excused period of leave is the amount of time the employee is required to be present for jury or witness service during his or her regular work hours. Paid leave will be granted to benefits-eligible regular status and limited duration employees for jury duty or witness service in addition to the employee's regularly accrued paid leave time.
 - a. If the employee serves for less than a full day and works for the remainder of the day, leave will also include reasonable travel time to or from the employee's work site.
 - b. An employee who is released from jury or witness service with four hours or more remaining in his or her shift will be expected to return to work for the remainder of the shift unless the supervisor determines in advance that an exception should be made due to staffing adjustments made to accommodate the leave.
 - c. An employee who is released from jury or witness service with fewer than 4 hours remaining in his or her shift must consult with his or her supervisor for instruction on whether to return to work for the remainder of the day.
 - d. If an employee serves for less than a full day but the supervisor directs him or her to stay home for the remainder of the shift, paid jury duty/witness leave will apply.
 - e. If an employee serves for less than a full day but chooses not to return to work, the remaining period of the workday will be unpaid unless the employee chooses to use accrued paid leave time.
 - f. Employees who work non-standard shifts should consult with their supervisor. The employee's supervisor may approve a temporary shift change or partial paid leave if appropriate under the circumstances.
3. An employee on leave for jury duty service will have his or her benefits continue for the duration of jury service and witness leave.
4. If it is permitted by the applicable court or forum, an employee granted paid leave to serve as a juror or witness must waive all fees received for this service, with the exception of travel allowance. If the court or forum does not allow fees to be waived, employees receiving paid leave must pay any fees other than travel allowance to Metro.
 - a. Fees should be remitted by signing over the check to Metro and delivering it to the Metro Financial and Regulatory Services Department, Accounts Receivable.
 - b. Employees who take unpaid leave or who serve as a juror or witness on their own time or while on accrued leave may keep all fees associated with this service.

5. An employee on jury duty or witness leave must keep his or her supervisor informed of any changes to his or her anticipated return date and time. If the duration of leave is not known at the outset, the employee should follow regular call-in procedures.

Responsibilities

Employee:

- Notify your supervisor if leave is needed to serve as a juror or witness.
- Give a copy of the jury summons or witness subpoena to your supervisor as soon as possible.
- Code leave time as jury duty leave in Kronos or notify your supervisor if assistance with Kronos is needed while on leave.
- Keep your supervisor informed of any changes to your anticipated return date. If you are released from witness or jury service after a partial day, return to work or contact your supervisor for instruction in accordance with this policy.
- Waive or pay to Metro any fees, other than travel allowance, received in connection with jury or witness service for which paid leave is awarded.
- If you experience any adverse employment action or negative treatment as a result of taking leave under this policy, report it following the procedures outlined in Metro's Discrimination and Harassment Policy.

Supervisor:

- Coordinate with the Department Director to ensure that operational needs are met while the employee is on leave.
- Ensure that leave is coded appropriately in Kronos.

Department Director:

- Petition the court to excuse an employee from jury service if the employee's absence would constitute an undue hardship.

Financial and Regulatory Services - Accounts Receivable:

Subject Military Leave – Servicemembers and Families
Section Human Resources
Approved by Martha Bennett, Chief Operating Officer; MERC Commission

POLICY

It is Metro's policy to comply with all state and federal laws providing employment protections to military servicemembers, veterans, and their families. Protections covered by this policy include leave rights for military servicemembers and their spouses and domestic partners and a prohibition against discrimination.

Applicable to

Protected leave: Employees who are U.S. military servicemembers, veterans, or spouses or domestic partners of servicemembers.

Non-discrimination: All employees, interns, volunteers and applicants.

Where provisions of an applicable collective bargaining agreement directly conflict with this policy, the provisions of that agreement will prevail.

Definitions

Eligible employee: Specific eligibility requirements apply under state and federal law and are detailed below under Procedures. Metro's Human Resources (HR) Department will review all leave applications and determine eligibility consistent with state and federal law.

Domestic partner: For the purposes of this policy, "domestic partner" means a same-sex domestic partner registered with the State of Oregon or an opposite-sex domestic partner confirmed by an affidavit on file with Metro.

Reasonable efforts: Actions that do not place an undue hardship on Metro's operations, including training.

Reinstatement: An employee's return to the position they formerly held following a leave of absence.

Reemployment: An employee's return to Metro and placement in a suitable alternate position following a leave of absence. Reemployment is different from reinstatement. Options for reemployment are evaluated in situations in which the employee cannot be reinstated to his or her former position.

Service: The performance of duty on a voluntary or involuntary basis in a uniformed service that may involve active duty, active duty for training, initial active duty for training, inactive duty for

training, full-time duty in the National Guard, funeral honors duty or an examination to determine fitness for uniformed service.

Undue hardship: Significant difficulty or expense.

Uniformed Services: The United States Army, Navy, Air Force, Marine Corps, Coast Guard, the Army National Guard and the Air National Guard when engaged in active duty for training, inactive duty training, or full-time National Guard duty, the commissioned corps of the Public Health Service, and any other category of persons designated by the President in time of war or national emergency.

Guidelines

Discrimination Prohibited

1. Metro will not discriminate against any individual because of their uniformed service or retaliate against any person for exercising or attempting to exercise rights under this policy.

Leave rights

2. Military servicemembers, veterans, members of an organized state militia, and the spouses and domestic partners of U.S. servicemembers are entitled to leave from work without any risk of adverse employment consequences under the circumstances described below.
 - a. Absences under this policy may not be counted against an employee's attendance record.
 - b. Employees will be restored to their position without any loss of employment benefits after leave is concluded.
3. In addition to the types of leave outlined in this policy, the Family and Medical Leave Act provides protected leave for eligible employees to care for family members who are covered military servicemembers or veterans recovering from a serious illness or injury sustained or aggravated in the line of covered active duty, and to handle exigencies related to the servicemember's call to active duty. Please see Metro's Family and Medical Leave Policy for more information.
4. In addition to leave for military service, employees may be entitled to leave for certain types of non-military government service, such as the Peace Corps and certain search and rescue operations. Please contact Human Resources for more information if needed.

Other Protections

5. Military veterans may also be eligible for preference in hiring and promotions in accordance with Oregon law. Please see Metro's Veterans' Preference Policy for more information.
6. Disabled servicemembers and veterans, as well as other disabled employees, may be entitled to reasonable accommodation under the Americans with Disabilities Act (ADA). Please see Metro's Americans with Disabilities Act Policy for more information.

Procedures

Discrimination Prohibited

1. Employees and interns who experience or observe discrimination, harassment, or retaliation on the basis of military service or the exercise of rights under this policy should report the

offending conduct using the procedures specified in Metro's Discrimination and Harassment Policy.

Military Leave

2. **Eligible employee:** An employee who leaves employment, other than in some temporary, seasonal, or part-time positions, for the purpose of military training, examination, and/or service. The employee's absences from Metro for uniformed service must total five years or less. The employee must not have been separated from military service under other than honorable conditions.
 - a. Temporary and seasonal employees are eligible for reinstatement following military leave unless their employment with Metro prior to uniformed service was for a brief, nonrecurrent period and there is no reasonable expectation that the employment would have continued indefinitely or for a significant period.
 - b. There are some exceptions to the five-year limit, including initial enlistments lasting more than five years, periodic National Guard and Reserve training duty, and involuntary active duty extensions and recalls, especially during a time of national emergency.
 - c. There is no time limit on the amount of time reservists may spend in training.
 - d. Reinstatement and reemployment protections do not depend on the timing, frequency, duration, or nature of an individual's service as long as the basic eligibility criteria are met.
3. An eligible employee who takes time off for military duty is generally entitled to reinstatement to his or her former position.
 - a. The returning veteran or reservist will be treated as if he or she had remained on the job instead of performing military service. Employees who are subject to a seniority system will continue to accrue seniority during their military service. Employees will be paid at the rate they would have received from raises based on time worked if they had stayed on the job.
 - b. Reinstatement rights apply even if a replacement has been hired for the position.
 - c. Metro will make reasonable efforts, including training or retraining, to enable returning servicemembers to refresh or upgrade their skills to help qualify for reinstatement or reemployment.
 - d. If the servicemember is unable to return to his or her former position, for example due to disability, Metro will make reasonable efforts to reemploy the servicemember in a comparable alternative position.
 - i. Metro will provide reasonable accommodation for disabilities in accordance with applicable law.
 - ii. If the employee is not qualified for an alternative position, Metro will make reasonable efforts to help the employee become qualified.
 - e. In rare cases, Metro may be unable to reemploy a returning servicemember. For example, reemployment rights may be limited in the following circumstances, consistent with applicable law:
 - i. Metro's circumstances have changed so much that reemployment is impossible or unreasonable;
 - ii. The employee is no longer qualified for the former position or a comparable alternative position, he or she cannot become qualified with

reasonable efforts by Metro, and reemployment would impose an undue hardship on Metro's operations; or

- iii. The returning employee's former position no longer exists and there is no appropriate alternative position for which the employee is or may become qualified with reasonable efforts by Metro. Metro is not required to create a position for a returning servicemember if the position no longer exists.

4. Pay status:

- a. Servicemembers, including reservists or National Guard members, are permitted but not required to use their accrued paid leave time for military leave.
- b. Employees who are members of the National Guard, National Guard Reserve or any reserve component of the U.S. Armed Forces or Public Health Service and who have been employed by Metro for six months or more may receive up to 15 consecutive calendar days of paid leave per federal fiscal year for periods of initial or annual temporary active duty for training. This equates to eleven (11) paid work days for those working a five (5) day work week and nine (9) paid work days for those working a four (4) day work week.

5. Notification requirements before taking leave: Servicemembers should provide advance written or verbal notice to Metro unless giving notice is impossible, unreasonable, or precluded by military necessity. An employee should provide notice as far in advance as is reasonable under the circumstances.

6. Notification requirements for return to work:

- a. Employees returning from active duty of less than 31 days must return to work at the beginning of the next regularly scheduled work period on the first full day after release from service, taking into account safe travel home plus an eight-hour rest period.
- b. Employees returning from active duty of more than 30 but fewer than 180 days must notify the Metro Human Resources Department of their intention to return to work within 14 days of release from service.
- c. Employees returning from active duty of more than 180 days must notify the Metro Human Resources Department of their intention to return to work within 90 days of release from duty.
- d. Reservists and members of the National Guard returning from training must inform Metro's Human Resources Department of their training obligations and report back at the next regularly scheduled work period.

7. After returning from service, a returning veteran will not be discharged except for cause for a period of one year. A returning reservist will not be discharged except for cause for a period of six months.

Oregon Military Family Leave Act

8. Eligible employee: An employee who has worked an average of 20 hours per week, and who is a spouse or domestic partner of a member of the U.S. Armed Forces, National Guard or military reserve forces.
9. An eligible employee whose spouse or domestic partner has been notified of an impending call or order to active duty or impending leave from deployment is entitled to a total of 14 work days of unpaid leave per deployment with continuation of benefits under the Oregon Military Family Leave Act (OMFLA).

- a. Leave may be taken before the servicemember's deployment and/or while the servicemember is on leave.
 - b. Leave need not be taken in one, uninterrupted period, but may be taken intermittently.
 - i. For the purpose of intermittent leave, OMFLA leave is calculated for an employee by multiplying the number of hours the employee normally works per day by 14.
 - ii. If an employee's schedule varies from day to day, a daily average of the employee's work hours over the previous 12 months will be used for calculating the employee's normal work day.
 - c. Leave taken under this policy is counted against the employee's general leave entitlement under the Oregon Family Leave Act (OFLA). Please see Metro's Family and Medical Leave Policy for more information about OFLA.
 - d. If multiple deployments occur within the employee's OFLA leave year, the employee is entitled to use all OMFLA leave until his or her OFLA entitlement is exhausted.
 - e. If the leave is also covered by the exigency leave provisions of the Family and Medical Leave Act (FMLA), Metro may run OMFLA leave and FMLA leave concurrently. Please see Metro's Family and Medical Leave Policy for more information about FMLA.
10. An employee who intends to take leave must notify his or her supervisor or the Human Resources Department by requesting leave through Kronos or submitting a Leave Request Form within five business days of an impending call or order to active duty or impending leave from deployment.
 11. An employee who takes military spouse leave may draw on any accrued paid leave to which the employee is entitled for any part of the leave. He or she may also choose to take unpaid leave rather than using accrued paid leave.

Veterans' Leave

12. Eligible employee: An employee who is a veteran undergoing medical treatment, recuperation or therapy for a serious injury or illness that occurred any time within five years of service in the U.S. Armed Forces. The employee must not have been separated from military service under other than honorable conditions.
13. An eligible employee may take up to 14 weeks of leave to recover or seek treatment for a qualifying illness or injury.
14. Veterans' leave, when combined with all other family or medical leave under the Family and Medical Leave Act and the Oregon Family Leave Act, may not exceed 26 weeks in a single 12-month period. Please see Metro's Family and Medical Leave Act policy for more information.

Responsibilities

Employee:

- Notify Metro of your need for leave as specified by the procedures for the specific type of leave.
- Notify Metro of your intention to return to work as specified by the procedures for the specific type of leave.

- Provide documentation as requested by the Human Resources Department.
- Report any discrimination, harassment, or retaliation based on military service or the exercise of any rights under this policy.

- Notify the HR Benefits Manager of any requests for leave.
- Work with the HR Benefits Manager to make any operational adjustments that may be necessary.
- Ensure that no employee is subject to discrimination, harassment, or retaliation based on military service or the exercise of any rights under this policy.

Guidelines

1. A full-time, regular status employee who serves as a volunteer in the Peace Corps or other federal volunteer program approved by the Department Director and C.O.O. will be granted at least two years of leave during the service period. An employee may draw on any type of accrued paid time off other than sick leave; otherwise, the leave will be unpaid.
2. An employee who is a certified disaster services volunteer of the American Red Cross may receive up to 15 work days of leave in any 12-month period to participate in disaster relief services in the State of Oregon. Paid leave will be in addition to any accrued paid time off.

4. Employees who would like a leave of absence for volunteer work not specifically covered by this policy may be eligible for leave under Metro's Leave Without Pay policy. Such requests will be evaluated under the terms of that policy.

Procedures

Leave for Peace Corps and other qualifying federal volunteer programs

1. To request leave for Peace Corps or other federal volunteer service, an employee must provide a copy of his or her Peace Corps or other appointment documents to his or her supervisor upon receipt. Employees are encouraged to communicate their intention to apply for volunteer service and the anticipated dates of service as soon as possible to allow for appropriate planning.
2. Upon expiration of the leave, the employee will be reinstated to the position held before the leave was granted unless the position has been eliminated for reasons unrelated to the employee's leave of absence.
 - a. The employee will receive the same salary as prior to leave unless the applicable pay range has changed during the employee's absence, in which case the employee's salary will be adjusted accordingly.
 - b. The employee will have the same leave accrual rate and other seniority rights he or she had before beginning leave.
3. Employees on leave for Peace Corps service must return to work within 90 days of their separation of service. Employees who do not return to work within this time period will be deemed to have separated from employment. Returning employees are required to notify Metro of their intent to return to work at least 30 days before their anticipated return date so that Metro can make the necessary arrangements.

Red Cross Disaster Relief Services Leave

4. A disaster relief volunteer must notify his or her supervisor as soon as possible in accordance with the applicable work rules for unanticipated absences.
5. To be eligible for leave under this policy, the employee must be a certified disaster services volunteer of the American Red Cross. The disaster relief must take place in the state of Oregon.
6. The employee must provide documentation of Red Cross certification as soon as possible to confirm leave eligibility.
7. Leave will be excused for up to 15 work days total in any rolling 12-month period. If the employee's participation is requested for only a partial day, the employee is not required to return to work for the remainder of his or her shift.
8. If an employee wishes to take part in a disaster relief operation that is not covered by this policy or that continues beyond 15 work days, he or she should request time off following regular attendance policies or apply for unpaid leave under Metro's Leave Without Pay policy.

Search and rescue leave

9. An employee who receives a request for participation in a search and rescue operation must notify his or her supervisor as soon as possible in accordance with the applicable work rules for unanticipated absences.

10. The employee must provide documentation of the request from law enforcement or another agency specified in this policy as soon as possible to confirm leave eligibility.
11. Leave will be excused and paid for the period of time for which the employee's participation is requested by the applicable agency, up to a maximum of five days. If the employee's participation is requested for only a partial day, the employee is not required to return to work for the remainder of his or her shift, and will be paid for the entire day.
12. If an employee wishes to take part in search and rescue operation that is not at the request of law enforcement or another applicable agency, or that continues beyond five days, he or she should request time off following regular attendance policies or apply for unpaid leave under Metro's Leave Without Pay policy.

Subject Domestic Violence, Sexual Assault, Criminal Harassment and Stalking Protections

Section Human Resources

Approved by Martha Bennett, Chief Operating Officer; MERC Commission

POLICY

Metro complies with Oregon laws that provide employment protections for victims of domestic violence, sexual assault, criminal harassment and stalking. Metro prohibits discrimination against victims and provides reasonable workplace accommodations to protect their safety. Eligible employees and interns may also be entitled to reasonable leave from work to address safety-related matters.

Applicable to

All employees and interns.

Where provisions of an applicable collective bargaining agreement directly conflict with this policy, the provisions of that agreement will prevail.

Definitions

Eligible Employee/Intern:

- a. Safety Accommodation: A victim of domestic violence, sexual assault, criminal harassment or stalking as defined by applicable law.
- b. Protected Leave from Work: Leave may be taken by a victim of domestic violence, sexual assault, criminal harassment or stalking as defined by applicable law; by a parent or guardian of a victim; or by any other person, including an immediate family member, who has suffered related financial, psychological, social, or physical harm.

Reasonable leave: Any amount of leave that does not cause an undue hardship to Metro's operations.

Undue Hardship: A significant difficulty or expense, determined on a case-by-case basis.

Victim: For the purposes of this policy, a victim of domestic violence, sexual assault, criminal harassment, or stalking is an individual against whom one of these offenses has been committed as defined by Oregon statute ORS 659A.270.

Victim Services Provider: A prosecutor-based victim assistance program or a nonprofit program offering safety planning, counseling, support or advocacy related to domestic violence, sexual assault, criminal harassment or stalking.

Guidelines

1. Metro prohibits discrimination against individuals who are victims of domestic violence, sexual assault, criminal harassment, and stalking.
2. Metro will provide reasonable workplace safety accommodations in response to actual or threatened domestic violence, sexual assault, criminal harassment, or stalking. A request for reasonable accommodation will be granted unless it would cause an undue hardship to Metro's operations.
3. Metro will provide eligible individuals reasonable leave from work to address safety-related matters, as described below, related to domestic violence, sexual assault, criminal harassment or stalking.
 - a. An employee must use fifty percent (50%) of accrued leave available at the time the leave commences prior to going into an unpaid leave status; however in all cases the employee may retain up to 40 hours of accrued sick leave and 40 hours of accrued vacation for later use.
 - b. If no accrued paid leave time is available, leave under this policy will be unpaid.
 - c. The supervisor should contact the Payroll Manager to determine appropriate coding of such leave.
4. Employees and interns must notify the Human Resources (HR) Department and/or Office of Metro Attorney (OMA) if they apply for or receive a protective order or restraining order that lists any Metro location as a protected area.
5. Metro will take any necessary steps to protect the safety of other employees and the public while maintaining the victim's confidentiality in accordance with applicable law.

Procedures

Discrimination prohibited

1. Metro will not refuse to hire an otherwise-qualified individual because the individual is a victim of domestic violence, sexual assault, criminal harassment or stalking.
2. Metro will not discipline, demote, suspend, terminate, or in any manner discriminate, threaten, or retaliate with regard to promotion, compensation, conditions or privileges of employment because an individual is a victim of domestic violence, sexual assault, criminal harassment or stalking, or because he or she has inquired about, requested or taken leave under this policy.
3. Anyone who experiences or observes discrimination, harassment, or retaliation prohibited by this policy should report the offending conduct using the procedures specified in Metro's Discrimination and Harassment Policy.

Requesting a safety accommodation or leave of absence

4. An employee or intern may request a safety accommodation or protected leave by contacting his or her supervisor or the Human Resources (HR) Department. Written or verbal notice should be provided in advance if possible, or as soon as practicable under the circumstances.
5. Upon receipt of a request for accommodation, the supervisor shall notify the HR Benefits Manager. The HR Department, in consultation with the OMA, will be responsible for determining whether a requested accommodation is reasonable and whether the requested accommodation or leave will result in undue hardship to Metro's operations.

6. The HR Benefits Manager will contact the employee or intern to discuss the requested accommodation, and will consult with the supervisor and/or Department Director to determine the impact of the requested accommodation on Metro operations. HR will inform the employee or intern that they may have a union representative, family member, victims' advocate or other appropriate person present during meetings to discuss possible accommodations.
7. If it is determined that the requested accommodation would pose an undue hardship, the HR Benefits Manager will coordinate an interactive process to determine whether a mutually acceptable alternative accommodation is available.
8. Metro may request documentation to confirm eligibility. Metro may, in its discretion, approve an accommodation request on the basis of verbal statements without requesting documentation. Any of the following documents may be provided as certification of eligibility:
 - a. Court documents;
 - b. Law enforcement papers;
 - c. Documentation from an attorney, counselor, victim service provider, health care professional or clergy member.
9. The employee or intern will provide the requested verification as soon as practicable. Failure to timely submit verification may result in the delay of accommodation approval.
10. After receiving sufficient verification, the HR Benefits Manager will inform the individual of whether a requested or alternative accommodation will be granted.
11. If special circumstances make it necessary to expedite the approval process, the HR Benefits Manager may grant an accommodation on a provisional basis before receiving verification, with the understanding that there is no guarantee the requested accommodation will be granted permanently.
12. The employee or intern is required to comply with all applicable policies and work rules while the request for accommodation is under consideration, or if the request is denied.
13. Anyone with concerns about the accommodation or leave process may contact the Director of Human Resources or Office of Metro Attorney to discuss the matter.
14. All documents regarding eligibility and/or the accommodation or leave provided will be kept confidential and may not be released without express permission unless required by law.

Reasonable safety accommodations

 - a. Transfer;
 - b. Reassignment;

17. The length of leave will be determined by what is reasonable under the circumstances, and will be limited only if the leave creates an undue hardship to Metro's operations.
18. Employees who take leave under this policy to recover from or seek treatment for the serious health condition of the employee or his or her minor dependent may have leave rights under the Oregon Family Leave Act and the Family and Medical Leave Act. Please see Metro's Family and Medical Leave Policy for more information. To the extent that leave under this policy is also covered by the Oregon Family Leave Act, Metro may administer the two types of leave concurrently.
19. Leave granted under this policy will not be counted against an employee's attendance record for purposes of discipline or performance evaluations.
20. Employees who are crime victims may also be covered by Metro's Crime Victims' Leave Policy.

Subject Crime Victims' Leave to Attend Criminal Proceedings
Section Human Resources
Approved by Martha Bennett, Chief Operating Officer; MERC Commission

POLICY

Metro provides excused leave from work for crime victims to attend criminal proceedings as required by Oregon law.

Applicable to

All employees.

Where provisions of an applicable collective bargaining agreement directly conflict with this policy, the provisions of that agreement will prevail.

Definitions

Crime Victim: An employee who has suffered financial, social, psychological or physical harm as the result of a "person felony," as defined in the rules of the Oregon Criminal Justice Commission (OAR 213-003-0001(14)), or who is an eligible immediate family member of a person who meets these criteria.

Criminal Proceeding: Any proceeding that constitutes a part of a criminal action or occurs in court in connection with a prospective, pending or completed criminal action, including juvenile proceedings or any other proceeding at which a crime victim has a right to be present arising from his or her status as a victim.

Eligible Employee: An employee who meets the above definition of crime victim, and who has worked an average of 25 hours per week or more for at least 180 days immediately preceding the date leave begins.

Eligible Immediate Family Member: A spouse, domestic partner, father, mother, sibling, child, stepchild or grandparent. Note that this definition follows applicable law and may differ from other Metro policies.

Undue hardship: A significant difficulty or expense, determined on a case-by-case basis.

Guidelines

1. An eligible employee who is a crime victim or a crime victim's eligible immediate family member as defined above will be granted leave from employment to attend a criminal proceeding related to the crime, unless the employee's absence would result in an undue hardship to Metro's operations.

2. Leave taken under this policy must be paid from accrued paid leave time. Once paid leave accruals are exhausted, approved leave will be unpaid.
3. Leave taken under this policy will not deplete the employee's leave entitlement under the Family and Medical Leave Act (FMLA) or the Oregon Family Leave Act (OFLA). An employee may still be eligible for FMLA or OFLA for a serious health condition related to the crime, or for other qualifying purposes under those laws.
4. Crime victims who are victims of domestic violence, sexual assault, harassment or stalking may be entitled to additional protections. See Metro's Domestic Violence, Sexual Assault, Harassment and Stalking policy or contact the Human Resources Department for more information.

Procedures

1. Eligible employees must give reasonable notice to their supervisor and/or the HR Benefits Manager of the intention to take leave. To verify the need for leave, the employee must provide the HR Benefits Manager with a copy of the notice of scheduled criminal proceedings received from a court, district attorney, or law enforcement agency.
 - a. Employees shall request leave by submitting a Leave Request Form and verification documents to Human Resources (HR) 30 days before the date leave is to begin. If the employee receives notice of a criminal proceeding that will occur fewer than 30 days from the date notice is received, the employee shall request leave and submit verification documents to HR as soon as practicable after receiving notice.
 - b. If the employee receives notice that a criminal proceeding will occur within 48 hours of the date notice is received, the initial request for leave may be verbal or written, and may be directed to the employee's supervisor, Department Director, or the HR Benefits Manager. The employee must submit a completed Leave Request Form and appropriate verification to HR immediately upon return to duty.
 - c. Employees are not required to disclose to their supervisors the nature of the underlying crime or criminal proceedings. The HR Department will inform the supervisor of the need for leave and the leave approval designation but will maintain the confidentiality of the underlying details and the documents provided for verification in accordance with applicable law. The HR Department, supervisor, and other managers may confer about staffing needs and any operational hardships related to the absence.
 - d. The HR Department will notify the employee whether the leave is approved.
2. The employee must promptly notify the HR Benefits Manager of the dates and hours of leave taken under this policy. The HR Department will code the leave appropriately in Kronos.
3. The maximum length of leave ordinarily will be the duration of the criminal proceeding. Metro may deny the leave request or limit leave to a shorter period only if the employee's absence would result in an undue hardship to Metro's operations.
 - a. Supervisors and Department Directors should notify the Human Resources Department immediately if they believe the employee's absence would create an undue hardship.
 - b. The HR Department, in consultation with the Department Director and Office of Metro Attorney, will make the decision whether to limit or deny leave based on undue hardship.
4. An employee on crime victims' leave must keep his or her supervisor informed of any changes to his or her anticipated return date and time. If the duration of leave is not known at the outset, the employee should follow regular call-in procedures.

5. The use of leave under this policy will not be held against the employee when evaluating the employee's attendance.
6. Metro will maintain the confidentiality of all records related to leave taken under this policy.

Responsibilities

Employee:

- Provide reasonable notice of the intention to take leave following the procedures outlined above.
- Provide a copy of the notice of scheduled criminal proceedings received from a court, district attorney, or law enforcement agency.
- Keep your supervisor informed of any changes to your anticipated return date and/or follow regular call-in procedures while on leave.
- Notify the HR Benefits Manager of dates and hours of leave taken under this policy.
- If you experience any adverse employment action or negative treatment as a result of taking leave under this policy, report it following the procedures outlined in Metro's Discrimination and Harassment Policy.

Supervisor:

- Immediately notify the HR Benefits Manager of any requests for leave under this policy.
- Maintain the confidentiality of all records related to leave taken under this policy. Send any verification documents received from the employee to Human Resources without keeping a copy.

Department Director:

- Immediately notify the HR Benefits Manager of any requests for leave under this policy.
- Maintain the confidentiality of all records related to leave taken under this policy. Send any verification documents received from the employee to HR without keeping a copy.

Human Resources Department:

- Notify the supervisor of any requests for leave under this policy and provide guidance and information to the supervisor and Department Director as needed.
- Track leave requests and verification of the need for leave, and code the use of paid and unpaid leave following usual procedures.

Subject Administrative Leave for Exemplary Service (Non-represented Employees)
Section Human Resources
Approved by Martha Bennett, Chief Operating Officer; MERC Commission

POLICY

Metro may, in its discretion, award paid leave to non-represented, benefits-eligible, overtime-exempt regular status and limited duration employees who demonstrate extraordinary dedication by working long hours above and beyond the expectations for their position. This policy is comparable to "bonus time" provisions found in some Metro collective bargaining agreements.

Applicable to

All non-represented, benefits-eligible regular status and limited duration employees who are ineligible to receive overtime compensation due to their exempt status under the Fair Labor Standards Act.

If an applicable collective bargaining agreement contains a comparable article such as "bonus time," that article will apply in lieu of this policy.

Guidelines

1. The intent of this policy is to reward employees who put in a substantial amount of work time in excess of regular work hours for a sustained period of time but who are ineligible for overtime compensation.
2. The decision whether to award leave and the length of the leave awarded are at Metro's sole discretion. Exemplary service leave is not intended to compensate employees for extra work on an hour-for-hour basis.
3. The maximum leave that may be awarded under this policy is 40 hours per fiscal year.
4. Leave awards under this policy are in addition to accrued paid leave and will have no effect on accrual rates or maximum accrual limits for other types of leave.
5. Metro's fiscal year runs from July 1 – June 30. Leave time must be used within the fiscal year in which it is awarded, with the exception of leave time awarded during the month of June, which may be carried over to the following fiscal year. Leave time that is not used within the applicable fiscal year will be forfeited. Leave awarded in June must be used by June 30 of the following fiscal year.
6. Employees will not receive monetary payment for any unused leave awarded under this policy.

Procedures

1. An award of leave must be approved in writing by the Department Director. A supervisor who wishes to award administrative leave for exemplary service to an employee will coordinate with the Department Director. Leave will be granted to a Department Director only with the written approval of the General Manager, Chief Operating Officer (C.O.O.) or designee.
2. Leave must be awarded in 8 hour increments, although it may be used in smaller increments in accordance with regular procedures for use of vacation and personal holidays.
3. Once approval is confirmed, the Department Director, General Manager, C.O.O or designee must notify the Payroll Division.
4. The Payroll Division will establish an administrative leave bank for the employee by entering the hours into the timekeeping system, and will confirm with the supervisor and Department Director when this process has been completed.
5. The supervisor will notify the employee of leave awarded under this policy.
6. Employees who have been awarded leave should follow regular procedures for requesting to use accrued leave. Employees may use leave under this policy only after receiving notification that the Payroll Division has established an administrative leave bank.

Responsibilities

Employee:

- After receiving an award of leave, follow regular procedures for requesting and coding use of leave.

Supervisor:

- Coordinate with the Department Director to award leave under this policy.
- Notify the employee that leave has been awarded.

Department Director, C.O.O. or designee:

- Approve leave awards and notify the Payroll Division.

Human Resources Department Payroll Division:

- Establish a leave bank and notify the supervisor and Department Director that leave has been awarded.

Subject Leave of Absence without Pay
Section Human Resources
Approved by Martha Bennett, Chief Operating Officer; MERC Commission

POLICY

Metro has discretion to provide leaves of absence without pay to benefits-eligible regular status and limited duration employees for any reasonable purpose not covered by other leave policies or accrued time off.

Applicable to

All employees, including probationary employees, who are in benefits-eligible regular status and limited duration positions.

Where provisions of an applicable collective bargaining agreement directly conflict with this policy, the provisions of that agreement will prevail.

Guidelines

1. An employee in a benefits-eligible regular status or limited duration position may be granted a leave of absence for any reasonable purpose not covered by other leave policies or accrued time off, without pay and without employee benefits, provided such leave can be scheduled without adversely affecting Metro's operations.
 - a. For employees who have completed initial probation, leave without pay may be granted for a period of up to 90 days upon the approval of the Department Director. In rare circumstances, the period of approved leave may be extended up to a maximum total leave period of 180 days upon written approval by the General Manager (for visitor venues employees), Chief Operating Officer (COO) or designee.
 - b. Supervisors have discretion to grant probationary employees brief periods of unpaid time off for illness for which the employee has insufficient accrued sick leave, for bereavement, or for any other appropriate purpose, subject to the department's operational needs.
 - c. An employee may not be granted more than 180 total days of leave under this policy in any four year period unless required by law or approved in writing by the GM or COO due to extraordinary circumstances.
2. The decision whether to grant leave is at Metro's discretion. Metro is under no obligation to grant a request for leave without pay unless required by other laws or policies. Leave without pay under this policy is not appropriate if another type of protected leave or accrued time off is available.

Procedures

1. Subject to the department's operational needs, a supervisor may approve unanticipated, brief periods of unpaid leave, such as a sick day for a probationary employee who does not yet have accrued time off. Such absences will be tracked subject to applicable attendance policies and work rules.
2. An employee may request leave without pay by submitting a Leave Request Form to his or her Department Director or designated signer.
 - a. The request for leave should be submitted at least 30 days in advance or as soon as possible after learning of the need for leave.
 - b. The request must include an explanation and/or documentation of the need for leave and the anticipated return date.
3. Requests for unpaid leave of up to 90 days may be approved by the Department Director provided the leave request is not covered by other leave policies.
 - a. The Department Director shall notify the HR Benefits Manager before awarding leave of more than 30 days for any purpose.
 - b. If a request for leave may qualify as Family and Medical Leave or other types of leave protected by law, the Department Director shall refer the matter to the HR Benefits manager even if the leave is for fewer than 30 days.
4. Requests for extensions of leave beyond an initial 90-day period must be approved in writing by the General Manager, Chief Operating Officer (COO) or designee.
 - a. The Department Director will forward all such requests to the General Manager or COO with a copy to the Human Resources (HR) Benefits Manager.
 - b. The General Manager, COO or designee will notify the Department Director and HR Benefits Manager of the decision to approve or deny the request for leave.
5. The Department Director will notify the employee of the decision to approve or deny the request for leave. If leave is denied, the employee will be given a written explanation of the reason for the denial.
6. Leave will ordinarily be without health insurance or other benefits unless the employee elects to continue coverage at his or her own expense. If the period of leave spans more than one month, Metro's contributions toward the employee's health care premiums will be suspended at the conclusion of the month in which leave begins.
 - a. After receiving notification of an award of leave of more than 30 days, the HR Benefits Manager will send the employee any necessary information about the continuation of benefits.
 - b. An employee who wishes to continue health insurance coverage while on leave should respond promptly to Consolidated Omnibus Budget Reconciliation Act (COBRA) notice and other benefits information. Employees may contact the HR Benefits Manager with any questions.
 - c. Extended coverage shall be subject to any restrictions in the applicable benefit policy or plan.
7. Leave approved under this policy ordinarily must be taken in one continuous period. It is not appropriate to schedule intermittent leave in order to extend the continuation of paid benefits.
8. Leave may not be taken from one position in order to complete a trial period in a different position.

9. Employees will not accrue additional leave time while on a leave of absence without pay.
10. Employees must return from leave as scheduled or contact their Department Director if additional leave time is needed. Employees who do not take one of these steps may be deemed to have resigned in accordance with applicable attendance policies and work rules, with consideration given to any extenuating circumstances.
11. An employee returning from leave for his or her own serious health condition as defined in Metro's Family and Medical Leave policy will be required to provide a release to full duty before resuming work.

Responsibilities

Employee:

- Submit a written request for leave without pay to your Department Director at least 30 days in advance or as soon as possible after learning of the need for leave. Include an explanation and/or documentation of the need for leave and your anticipated return date.
- Respond promptly to COBRA notices if you wish to continue employment benefits at your own expense during leave.
- Provide a release to full duty before resuming work following leave taken for your own serious health condition.
- Return to work as scheduled. Contact your Department Director if you need to extend leave beyond the original period.

Department Director:

- Approve or deny requests for leave of up to 90 days. Notify the HR Benefits Manager before awarding leave of 30 days or more. Consult relevant policies and confer with the HR Benefits Manager if a request for leave without pay may qualify as Family and Medical Leave or any other category of leave protected by law.
- Forward requests for leave of more than 90 days to the General Manager, COO or their designee, with a copy to the HR Benefits Manager.
- Notify the employee of the decision to approve or deny leave. Provide a written explanation if leave is denied.
- Ensure that leave time is properly recorded in the Kronos timekeeping system.

General Manager, Chief Operating Officer or Designee:

- Approve or deny requests for leave of more than 90 days, with copies to the Department Director and HR Benefits Manager. Provide a written explanation if leave is denied.

Human Resources Department:

- Send COBRA notices and any other necessary information related to the continuation of benefits.
- Maintain records related to approved leave requests.
- Update the Human Resources Information System (HRIS) for employees on leave 30 days or more.

Subject Building Closure Policy for Metro Regional Center
Section Human Resources
Approved by Office of the Executive

EXECUTIVE ORDER 87 (2005)

Policy is under review. Numbering is from the original Executive Order.

This Executive Order sets forth procedures and pay policies for employees reporting to work at Metro Regional Center during inclement weather and other situations that might result in a building closure. Employees at other Metro facilities will follow established procedures for each specific location. These procedures replace all prior Executive Orders regarding inclement weather for Metro Regional Center employees.

I. GENERAL

All employees are expected to make every reasonable effort to report to work on time and to work their scheduled hours, subject to this policy. The following procedures apply when the Chief Operating Officer determines that late opening, early closing, or closing of Metro Regional Center is warranted, or when inclement weather unavoidably prevents an employee from working his or her scheduled hours.

II. POLICY AND PROCEDURES

A. General Rules. The Chief Operating Officer may decide to curtail operations or close the Metro Regional Center during inclement weather or under other hazardous conditions in order to protect the health and safety of employees and the public, or to protect Metro property.

1. Notification.

If conditions warrant curtailed operations or building closure, MRC employees should determine building status before reporting to work.

- a. Building closures will normally be available on voicemail and www.pdxinfo.net by 6:30 AM.
- b. Closure information may be available on radio or television stations. However, employees should confirm closure information directly by checking voicemail or www.pdxinfo.net.

2. Compensation of MRC employees during building closure.

Except as otherwise provided by law or collective bargaining agreements, MRC employees shall be paid as follows during building closures:

- a. **Employees not scheduled to work.** Employees not scheduled to work or scheduled to be on approved leave during any MRC building closure will be compensated consistent with the work schedule or approved leave and shall record their time according to the applicable leave policy.
 - b. **Metro Regional Center Modified Schedule.** In the event of a delayed opening or early closure of the MRC, the modified hours will be treated as the full workday for employees who report to work. Any employee who is unable to report to work may take the time as unpaid leave or may charge the absence to any accrued leave balance, except sick leave, but shall not be credited with paid time for the modified schedule. Non-exempt employees who require additional travel time may take the time as unpaid leave or may charge the time to any accrued leave balance, except sick leave. Employees unable to work the full modified schedule shall follow departmental procedures for notifying Metro of the absence.
 - c. **Metro Regional Center closed.** If the Metro Regional Center is closed, MRC employees who are scheduled to work will be paid for their regular shift. Such employees should also follow additional policies and procedures established by their individual departments for building closures.
- B. **Exception for Certain Employees.** Employees who work at Metro facilities other than the Metro Regional Center shall follow specific inclement weather procedures established and maintained at each facility to ensure the safety and security of the facility.

The presence of certain MRC employees, designated by their Department Director and approved by the Chief Operating Officer in writing in advance of a closure, may be required to ensure the safety and security of the Metro Regional Center. Unless otherwise provided by a collective bargaining agreement, designated employees required to work during Metro Regional Center closures will be paid at their overtime rate, if any, for hours worked during the closure.

Subject Resignation and Retirement
Section Human Resources
Approved by Martha Bennett, Chief Operating Officer; MERC Commission

POLICY

This policy outlines procedures and responsibilities in the event of resignation or retirement.

Applicable to

All employees.

Where provisions of an applicable collective bargaining agreement directly conflict with this policy, the provisions of that agreement will prevail.

Procedures

1. Metro requests that employees provide a minimum of 14 calendar days' notice of resignation or retirement unless there is a contract or other agreement specifying a different timeframe.
2. Notice of resignation or retirement may be provided verbally or in writing to an employee's supervisor or manager.
3. After receiving notice of resignation or retirement, the supervisor must:
 - a. Immediately notify the Payroll Division via the Kronos Help Desk in order to ensure timely processing of the employee's final paycheck. Please see Metro's Payroll Policy for more information on final paychecks.
 - b. Forward an employee's resignation notice (if any) to the HR Department as soon as possible. If notice of resignation or retirement is given verbally, the supervisor must email the Human Resources (HR) Department to confirm the date and circumstances of the notice and the proposed effective date of the resignation or retirement.
 - c. Complete all applicable close-out procedures listed on the Departing Employee Checklist, available from the HR Department.

4. The effective date of resignation or retirement should ordinarily be the last date the employee is present at work and not extended by leave time or holidays. The HR Department may approve an exception to this rule in unusual circumstances, such as when an employee on leave is unable to return.
5. If an employee who has given notice of resignation or retirement seeks to rescind the notice, the decision whether to accept the rescission is at the discretion of the Department Director based on business need.
6. The HR Department will invite the employee to complete an exit interview or take similar steps to understand the employee's reasons for resigning. Employees are welcome to contact HR to request an exit interview.
7. Employees must return their employee identification cards and all other Metro property, including keys, uniforms, purchasing cards, tools and equipment, by the end of their last day of employment.
8. If contacted for an employment reference, Metro will provide the employee's dates of employment, positions held, and salary history. Metro may agree to provide additional information if requested by the employee.
