

MAKING A GREAT PLACE

Partners in Nature program Letter of interest guidelines/form

If you are interested in nourishing the connection between a community of color and nature, consider partnering with us. Together, we will create culturally relevant programming specifically tailored to serve the needs of your unique community, as related to access, education, safety, recreation and enjoyment of Metro parks and natural areas.

If you would like to become a partner, please complete the attached form **or** send us a letter of interest answering the following questions:

- What community are you a part of?
- Why is it important for your community to connect with nature?
- Does your community face difficulties in connecting with local natural spaces? If so, please describe.
- Do you have ideas for a partnership with Metro? Please describe.

Please include the name of your group or organization and a primary person for contact, including their phone number and email address.

More information about this program and Metro can be found at oregonmetro.gov/partnersinnature

Letters and forms can be submitted to:

PARTNERS IN NATURE PROGRAM: PARKS & NATURE

Metro
Attn: Sheilagh Diez
600 NE Grand Avenue
Portland, OR 97232

By email at: Sheilagh.Diez@oregonmetro.gov
