

JOIN THE TRAILS GRANTS REVIEW TEAM

Metro is recruiting people to review Nature in Neighborhoods trails grants. Committee members review and evaluate grant pre-applications and applications and recommend to the Metro Council which proposals best meet the grant program criteria and goals. The Metro Council makes all final funding decisions.

Thanks to the voter approval of Metro's 5-year local option levy in 2013, funding for 2015 trails grants is set at a total of \$500,000. Small grants have a maximum of \$25,000 and larger grants have a maximum of \$100,000. For more information about the Nature Neighborhoods grants, please see www.oregonmetro.gov/grants.
