

## Metro Equity Strategy Advisory Committee Application

Due: November 5, 2015

### Background

In 2010, Metro Council adopted equity as one of the region's six desired outcomes and in 2011 directed Metro leadership and staff to develop a framework that will consistently incorporate equity into Metro policy and decision making. Now in the second phase of this work, Metro is nearing development of an agency-specific equity strategy, anticipated in spring 2016. The Equity Strategy will define Metro's roles and responsibilities in advancing equity and will guide implementation of an actionable and measurable Strategic Plan for Advancing Equity across the agency. For more information about Metro's Equity Strategy, see [www.oregonmetro.gov/equity](http://www.oregonmetro.gov/equity).

### Advisory Committee

In 2013, Metro established an Equity Strategy Advisory Committee (ESAC) to support the development of Metro's agency-specific equity strategy. Initially 12 members were chosen through an open application process. Three members have recently resigned, leaving a need to recruit up to five new members for the remainder of the adoption and initial implementation of the strategic plan. (June 2016)

The Advisory Committee will provide formal written recommendations to Metro's Chief Operating Officer on the following:

- Policy recommendations on Metro's Strategic Plan to Advance Equity
- Recommendations on implementation and evaluation processes

These recommendations, developed in collaboration with Metro staff, will be delivered to Metro Council by the Chief Operating Officer.

The Advisory Committee will be comprised of up to 15 members from a variety of backgrounds and community interests. Metro seeks new members who have experience, expertise and diverse perspectives in one or more of the following:

- Have a commitment to equity, social and/or environmental justice, and/or diversity and the ability to work collaboratively with people of diverse perspectives and experiences.
- Community service, community organizing and/or advocacy.
- Policy development, research, education, business, philanthropy, local government and/or public sector.

The Advisory Committee is expected to represent the geographic and demographic diversity of the region.

### Time commitment

The Advisory Committee will meet at a minimum once every month. Members are expected to attend all Advisory Committee meetings and are expected to spend some time outside of meetings to review materials in preparation for Advisory Committee meetings, with email being the main communication medium between meetings. Members may be called on to consult and review materials between Advisory Committee meetings. The committee is authorized to facilitate its work through informal subgroups and report their activities and recommendations to the committee as a whole.

Members recruited in 2015 are asked to commit to serving on the Advisory Committee through the issuance of the Strategic Plan to Advance Equity and initial implementation phase, estimated June 2016. The Advisory Committee will be dissolved at the end of June 2016, with the possibility of being extended on a short-term basis by the Metro Chief Operating Officer.

### **Application process**

Committee members will be selected through a public application process and appointed by the Metro Chief Operating Officer. In selecting members for this committee, the Metro Chief Operating Officer will seek a combination of members that bring experience and viewpoints necessary to connect Metro's Equity Strategy work to the region's desired outcomes. For more information on the region's six desired outcomes, see [www.oregonmetro.gov/sixoutcomes](http://www.oregonmetro.gov/sixoutcomes).

### **Advisory Committee selection criteria**

Selection will be based on applicants' ability to demonstrate a combination of the following experience and skills:

- A commitment to building partnerships among diverse stakeholders and across perspectives, either through professional, community-based or volunteer efforts.
- Experience in one or more of the fields of equity, social and/or environmental justice, diversity and the demonstrated ability to communicate these perspectives across diverse issues.
- An understanding of or experience with using a racial equity approach to creating positive change and/or an understanding of the importance of social equity to a triple bottom line approach.
- An understanding of outcomes-based monitoring and evaluation approaches, including an understanding of the strengths and limitations of current approaches to data collection, monitoring and evaluation.
- Experience in the field of organizational development and an understanding of how to implement systematic processes to effectively achieve organizational change.

Based on the current make-up of the Advisory Committee and some identified gaps in representation, Metro is specifically seeking applicants who represent:

- Clackamas and Washington counties
- Business sector
- Public sector
- Research and/or education
- Arts and culture

Metro's Chief Operating Officer has designated one member to serve as Chair and a second member to serve as Vice Chair of the Advisory Committee. The Chair oversees meetings of the Advisory Committee. When the Advisory Committee is not in session, the Chair's duties include acting as its representative and spokesperson. The Vice Chair fulfills the Chair's responsibilities in the absence of the Chair.

The Advisory Committee Chair has appointed two additional members to serve on a Joint Sub-committee. The Joint sub-committee meets every other month with members of Metro's internal Steering Committee. The joint sub-committee is charged with ensuring collaboration and open communication throughout the process.

Metro provides the facilities and staff necessary to conduct meetings and support the activities of the Advisory Committee. Advisory Committee members will not be compensated for their services. Metro will pay costs associated with the provision of reasonable accommodations for people when such costs are directly associated with the conduct of the Advisory Committee meetings and reporting activities.

**Applications are due November 5, 2015.**
