Conditions of Credit:

The undersigned agree(s) as follows:

1. In the event that the applicant(s) is/are (an) individual(s) or is a partnership, the signing of this agreement shall constitute authorization under the Fair Credit Reporting Act for Metro to utilize consumer credit reporting agencies to provide reports on said individual(s) or partners in order to permit Metro to appropriately evaluate the extension of any business credit to the applicant.
2. This application is a request to obtain solid waste or hazardous waste disposal services on an account basis. Any services provided by Metro to the applicant on credit shall **not** be used for personal, family or household use. No loans are being extended under this arrangement. All accounts are due and payable to Metro Unit 20, PO Box 4500, Portland, OR 97208-4500. All payments may be applied against open charges in the sole discretion of Metro; except against those open charges for which there is a good faith dispute.
3. If monthly credit in excess of \$15,000 is requested, a copy of the undersigned company's most recent financial statement is attached to this application.
4. Waste disposal on a credit basis under this agreement is controlled by the credit policy for Metro Waste Disposal Facilities, which is subject to revision. On behalf of the individual or business entity entering this agreement, I acknowledge receipt of a current copy of that credit policy.
5. All disposal charges are due and payable on or before the due date as shown on each monthly billing statement issued by Metro. Failure to pay on the due date of each billing statement shall deem the account to be delinquent. Pursuant to Metro's credit policy, failure to pay account charges when due will result in assessment of finance charges (1.5% per month), and it may result in suspension of credit, and/or denial of access to Metro disposal facilities.
6. This agreement may not be transferred or assigned without prior written approval from Metro. A successor in interest to this agreement shall be liable for all charges incurred under this agreement, including charges incurred prior to the date of transfer. In addition, any individual(s) providing a personal guaranty to obtain credit under this agreement shall continue to be liable for all charges incurred under this agreement, even charges incurred after the date of transfer, until Metro receives written notice that the transfer has occurred.
7. This agreement shall not be affected by any change in the composition, form, or legal organization of the applicant's business.
8. Should the account, established under this agreement, become delinquent, applicant will pay costs of collection, including collection agency fees. If litigation is instituted to enforce this agreement or collect the account, the prevailing party shall be entitled to costs, disbursements, and attorney fees, in trial court and on appeal. All legal actions related to this agreement shall be decided exclusively by a court of competent jurisdiction in Multnomah County, Oregon, under Oregon law.
9. Metro may terminate this agreement at any time, upon notice to the applicant or successor in interest.

The undersigned certifies as follows:

1. The information set forth in, and submitted with, this application is true and accurate.
2. I agree to provide notice to Metro of any change in the information set forth in or submitted with this application, at the time such changes occur.

Solid Waste Credit Account Policy - Metro Code Section 5.02.060

- (a) Disposal charges, including all fees and taxes, may be paid at the time of disposal in cash, by credit card, or by check, or may be paid under Metro's credit policy. No credit shall be granted to any person prior to approval of a credit application in a form or forms provided by Metro.
- (b) Metro's Chief Operating Officer shall establish and maintain appropriate account requirements for new and existing accounts, which requirements shall be designed to diminish Metro's risk of loss due to nonpayment. Existing account holders may be required to make new application for credit or provide additional guarantees, as deemed necessary or prudent by Chief Operating Officer.
- (c) Account charges shall accrue on a monthly basis. Metro will mail statements on or about the 10th day of the month for disposal services rendered in the prior month. A statement must be paid no later than the last business day of the month in which it is mailed; the statement will be considered past due thereafter. A payment shall under no circumstances be considered received by Metro unless it is delivered personally to the Metro Department of Finance and Administrative Services during business hours or, if delivered by mail, received in Metro's mail room on or before the due date.
- (d) A finance charge in the amount of the greater of \$25 or 1.5 percent of the sum of all past due charges shall be assessed on all unpaid, past due charges commencing as of the 15th day of the month following the month in which a statement is mailed, and continuing on the 15th day of each month thereafter until paid. Finance charges will be assessed only on unpaid past due balances, and not on previously assessed finance charges. Finance charges will continue to be assessed on negotiated repayment schedules. Payments will be applied first to finance charges and then to the oldest amount past due. In addition to any other finance charge or fee, any account that has been forwarded to any collection agency for collection will also be charged a collection fee in the amount of 30% of the past-due balance owing at the time of collection.
- (e) An account that is 15 days past due, as defined in 5.02.060(c), may be placed on a cash only basis, until all past due disposal and finance charges are paid. An account that has been placed on a cash only basis more than twice during any 12-month period may be closed. Facility access may be denied to a person whose account is past due and unpaid for 30 days. A decision to place an account on a cash only basis or deny facility access shall be at the discretion of the Chief Financial Officer.
- (f) An account customer that sells, terminates, or makes a substantial change in the scope of its business after its application for credit has been approved must notify Metro immediately. Failure to provide the notice required by this subsection may result in termination of credit at Metro facilities pending reapplication for credit.
- (g) The Department of Finance and Administrative Services may adjust accounts receivable and reverse finance charges in accordance with prudent credit practices. Adjustments over \$1,000 shall be reported to the council in writing on a monthly basis.
- (h) The Chief Operating Officer may end pursuit of an account receivable, consistent with prudent credit practices, when the likelihood of collecting does not justify further collection costs. Such action shall be reported to the council in writing on a monthly basis when the amount exceeds \$1,000 and amounts over \$10,000 shall require council approval.
