

Westside Trail

Provide a north/south travel option connecting people to parks and employment centers in Washington County.

BENEFITS

- Provide Washington County's first complete north/south non-motorized route.
- Enable bicycling and walking in an area of large, high capacity roads and small, discontinuous streets.
- Provide the first significant non-motorized option for Beaverton residents.
- Create a recreational tour of important westside parks and natural areas.
- Connect major regional facilities including Forest Park, Tualatin Hills Nature Park, Tualatin River Greenway and the National Wildlife Refuge.
- Connect westside residents with the Willamette Valley State Scenic Bikeway.
