Re: Solid Waste Facility License No. L-026-16 issued to McFarlane's Bark, Inc.

Dear Mrs. McFarlane:

The application that McFarlane's Bark, Inc. submitted to Metro seeking to renew its license to accept and process yard debris, leaves, and land clearing debris for composting and wood waste for producing boiler fuel has been approved. Attached is a copy of Metro Solid Waste Facility License No. L-026-16 for your records. I recommend that you review the terms of this license carefully as its provisions are effective on July 1, 2016.

Under Metro Code Section 5.05.090, you have the right to request a contested case hearing regarding the provisions contained in the license. In order to do so, you must make this request in writing and ensure that Metro receives the request within 30 days of the date this letter was mailed. Any such request should be directed to my attention at Metro. You may retain legal counsel to represent you at the hearing. Article IX, Section 14 of the Oregon Constitution, the Metro Charter, ORS Chapter 268, and Metro Code Chapters 2.05 and 5.05 provide Metro's authority and jurisdiction for the hearing.

If you have any questions regarding this matter, please contact me at (503) 797-1836. Thank you.

Sincerely,

Warren Johnson
Solid Waste Compliance Manager
