Re: Solid Waste Facility License No. L-045-16 issued to S&H Logging, Inc.

Dear Mr. Stroupe:

The application that S&H Logging, Inc. submitted to Metro seeking to renew its license to accept source-separated yard debris and wood waste for reloading to authorized processing facilities for composting or use as hogged fuel has been approved. Attached is a copy of Metro Solid Waste Facility License No. L-045-16 for your records. I recommend that you review the terms of this license carefully as its provisions are effective on July 1, 2016.

Under Metro Code Chapter 2.05, you have the right to request a contested case hearing regarding the provisions contained in the license. In order to do so, you must make this request in writing and ensure that Metro receives the request within 30 days of the date this letter was mailed. Any such request should be directed to my attention at Metro. You may retain legal counsel to represent you at the hearing. Article IX, Section 14 of the Oregon Constitution, the Metro Charter, ORS Chapter 268, and Metro Code Chapters 2.05 and 5.01 provide Metro's authority and jurisdiction for the hearing.

If you have any questions regarding this matter, please contact me at (503) 797-1836. Thank you.

Sincerely,

Warren Johnson
Solid Waste Compliance Manager

JG/WJ
