Re: Solid Waste Facility License No. L-007-12 issued to K.B. Recycling, Inc. Clackamas Facility

Dear Mr. Kahut,

The application that K.B. Recycling, Inc. submitted to Metro for the renewal of its solid waste facility license has been approved. Attached is a copy of Metro Solid Waste Facility License No. L-007-12 for your records.

I recommend that you review the terms of the license carefully as its provisions are effective October 1, 2012. In particular, please familiarize yourself with the updated conditions in Section 9.0 which includes an updated minimum amount of insurance coverage that all solid waste facilities are required to maintain.

Under Metro Code Chapter 2.05, you have the right to request a contested case hearing regarding the provisions contained in the license. In order to do so, you must make this request in writing and ensure that Metro receives the request within 30 days of the date this letter was mailed. Any such request should be directed to my attention at Metro. You may retain legal counsel to represent you at the hearing. Article IX, Section 14 of the Oregon Constitution, the Metro Charter, ORS Chapter 268, and Metro Code Chapters 2.05 and 5.01 provide Metro's authority and jurisdiction for the hearing.

If you have any questions regarding this matter, please contact me at (503) 797-1836.

Sincerely,

Warren Johnson
Solid Waste Compliance Supervisor

| 1.10 | Permission to operate | Applicant is the owner of the property on which the facility is located. |

| 2.0 CONDITIONS AND DISCLAIMERS | | |
|---------------------------------------|------------------------------|---|
| 2.1 | Guarantees | This license shall not vest any right or privilege in the Licensee to receive specific quantities of solid waste at the direction of Metro during the term of the license. |
| 2.2 | Non-exclusive license | This license shall not in any way limit Metro from granting other solid waste licenses within Metro's boundaries. |
| 2.3 | Property rights | This license does not convey any property rights in either real or personal property. |
| 2.4 | No recourse | The Licensee shall have no recourse whatsoever against Metro or its officials, agents or employees for any loss, costs, expense or damage arising out of any provision or requirement of this license or because of the enforcement of the license or in the event Metro determines that the license or any part thereof is invalid. |
| 2.5 | Indemnity | The Licensee shall indemnify Metro, the Council, the Chief Operating Officer ("COO"), and any of their employees, or agents and save them harmless from any and all loss, damage, claim, expenses including attorney fees, or liability related to or arising out of the granting of this license or the Licensee's performance of or failure to perform any of the obligations under the license or Metro Code Chapter 5.01, including without limitation patent infringement and any claims or disputes involving subcontractors. |
| 2.6 | Binding nature | This license is binding on the Licensee. The Licensee is liable for all acts and omissions of the Licensee's contractors and agents. |
| 2.7 | Waivers | To be effective, a waiver of any terms or conditions of this license must be in writing and signed by the COO. |
| 2.8 | Effect of waiver | Waiver of a term or condition of this license shall not waive nor prejudice Metro's right otherwise to require subsequent performance of the same term or condition or any other term or condition. |
| 2.9 | Choice of law | The license shall be construed, applied, and enforced in accordance with the laws of the State of Oregon. |
| 2.10 | Enforceability | If a court of competent jurisdiction determines that any provision of this license is invalid, illegal or unenforceable in any respect, the validity of the remaining provisions contained in this license shall not be affected. |

| | | |
|-------------|-----------------------------|---|
| 2.11 | License not a waiver | This license does not relieve any owner, operator, or the Licensee from the obligation to obtain all required permits, licenses, or other clearances and to comply with all orders, laws, regulations, reports or other requirements of other regulatory agencies. |
| 2.12 | License not limiting | This license does not limit the power of a federal, state, or local agency to enforce any provision of law relating to the facility. |
| 2.13 | Definitions | <ol style="list-style-type: none">1. Unless otherwise specified, all other terms are as defined in Metro Code Chapter 5.01.2. "Mixed Non-Putrescible Waste" means a mixture of more than one type of non-putrescible waste, including commingled recyclables other than residential curbside recyclable material. This category includes construction and demolition waste but excludes Cleanup Materials Contaminated by Hazardous Substances, Source-Separated Recyclable Material, special waste, land clearing debris and yard debris. |

| | | |
|------------|---|---|
| 3.0 | AUTHORIZATIONS | |
| 3.1 | Purpose | This section of the license describes the wastes that the Licensee is authorized to accept at the facility, and the waste-related activities the Licensee is authorized to perform at the facility. |
| 3.2 | General conditions on solid waste | The Licensee is authorized to accept at the facility only the solid wastes described in Section 3.0 of this license. The Licensee is prohibited from knowingly receiving any solid waste not authorized in this section. |
| 3.3 | General conditions on activities | The Licensee is authorized to perform at the facility only those waste-related activities that are described in Section 3.0 of this license. |
| 3.4 | Acceptance and management of mixed non-putrescible waste | <ol style="list-style-type: none">1. The Licensee is authorized to accept loads of mixed non-putrescible wastes for the purpose of conducting material recovery.2. The Licensee shall receive, process, store, reload, and transfer all mixed non-putrescible waste on an impervious surface (e.g. asphalt or concrete) and inside a roofed building that is enclosed on at least three sides. Unusually large vehicles (i.e., 30-foot tippers) may tip wastes outside, provided the tipped wastes are moved under cover prior to processing, within 12 hours of |

| | | |
|------------|---|---|
| | | <p>receipt, or by the end of the business day, whichever is earlier.</p> <p>3. The Licensee shall keep all mixed non-putrescible waste physically separated from and not mixed or commingled with source-separated recyclable materials, including wood waste, yard debris and other recyclables.</p> |
| 3.5 | Material recovery required | <p>1. The Licensee shall perform material recovery on mixed non-putrescible waste at no less than the minimum level stipulated in Metro Code Chapter 5.01.</p> <p>2. The Licensee shall ensure that the facility is designed and operated to assure materials are recovered in a timely manner and to protect the quality of non-putrescible waste that has not yet undergone material recovery.</p> <p>3. The Licensee shall take quarterly samples of processing residual that are statistically valid and representative of the facility's residual. Each sample required by this section shall weigh at least 300 pounds.</p> |
| 3.6 | Management of processing residual from material recovery | <p>1. The Licensee shall store all non-putrescible waste processing residual on an impervious surface (e.g. asphalt or concrete) and inside a roofed building that is enclosed on at least three sides, or alternatively, inside water-tight covered or tarped containers or within covered or tarped transport trailers.</p> <p>2. The Licensee shall keep all non-putrescible waste processing residual physically separated from and not mixed or commingled with source-separated recyclable materials, including wood waste, yard debris and other recyclables.</p> |
| 3.7 | Acceptance of source-separated recyclable materials | <p>The Licensee is authorized to accept source-separated recyclable materials for the purpose of sorting, classifying, consolidating, baling, temporary storage, transfer and other similar functions related to preparing these materials for reuse or recycling.</p> |
| 3.8 | Acceptance and processing of untreated wood | <p>1. The Licensee is authorized to accept for processing and reloading, source-separated, untreated and unpainted wood waste (e.g. untreated lumber and wood pallets).</p> <p>2. The Licensee may accept untreated wood waste only for processing, screening, and reloading to authorized composting facilities, paper production facilities, facilities with industrial boilers for use as hogged fuel, or other useful purposes as described in an operating plan and approved in writing by the COO.</p> |

| | | |
|------|---|---|
| 3.9 | Acceptance and processing of painted wood | <ol style="list-style-type: none">1. The Licensee is authorized to accept painted wood waste only for the production of hogged fuel or other useful purposes as described in an operating plan and approved in writing by the COO.2. The Licensee shall keep painted wood waste separate from feedstocks destined for composting. The Licensee shall not use or incorporate painted wood as mulch, animal bedding, or compost feedstock, or any other landscaping or agricultural products unless otherwise described in an operating plan and approved in writing by the COO. |
| 3.10 | Acceptance and management of preservative-treated wood | <ol style="list-style-type: none">1. The Licensee is authorized to accept incidental quantities of preservative-treated wood waste, other than creosote-treated wood waste, that may be present in loads comprised predominantly of clean or painted wood waste.2. The Licensee shall not incorporate preservative-treated wood waste, such as wood treated with Pentachlorophenol (PCP or "penta") and Copper Chromium Arsenic (CCA), into mulch, animal bedding, or compost feedstock, or any other landscaping or agricultural products |
| 3.11 | Production of hogged fuel | <ol style="list-style-type: none">1. As authorized by Section 3.0 of this license, the Licensee is authorized to accept and process only untreated wood, painted wood, and incidental quantities of treated wood for delivery to facilities with industrial boilers for use as hogged fuel.2. The Licensee is prohibited from mixing any other solid waste with the wood wastes described above in Section 3.11.1 for the production of hogged fuel. |
| 3.12 | Acceptance and management of electronic devices | The Licensee is authorized to accept source-separated electronic devices for the purpose of sorting, classifying, consolidating, bailing, temporary storage, transfer and performance of other similar functions related to preparing these materials for reuse and recycling. |

| | | |
|-----|-------------------------------------|--|
| 4.0 | LIMITATIONS AND PROHIBITIONS | |
| 4.1 | Purpose | This section of the license describes limitations and prohibitions on the wastes handled at the facility and activities performed at the facility. |

| | | |
|------------|---|---|
| 4.2 | Prohibited waste | The Licensee shall not knowingly receive, process, reload or dispose of any solid waste not authorized in this license. The Licensee shall not knowingly accept or retain any of the following types of wastes: non-putrescible waste other than that specifically allowed in Section 3.0 of this license, putrescible waste, special wastes as defined in Metro Code Chapter 5.01, creosote-treated wood, materials contaminated with or containing friable asbestos; lead acid batteries; liquid waste for disposal; vehicles; infectious, biological or pathological waste; radioactive waste; hazardous waste; any waste prohibited by the DEQ. |
| 4.3 | Prohibition on mixing | The Licensee shall not mix any source-separated recyclable materials, source-separated yard debris or wood wastes brought to the facility with any other solid wastes. |
| 4.4 | Prohibition of size reduction on non-putrescible waste | Except as provided in Section 3.0 of this license, the Licensee shall not crush, grind or otherwise reduce the size of non-putrescible waste except when such size reduction constitutes a specific step in the facility's material recovery operations, reload operations, or processing residual consolidation or loading operations, and such size reduction is described in an operating plan and approved in writing by the COO. |
| 4.5 | No disposal of recyclable materials | The Licensee shall not transfer source-separated recyclable materials to a disposal site. |
| 4.6 | Composting prohibited | The Licensee shall not keep yard debris on site long enough for more than negligible biological decomposition to begin. |
| 4.7 | Limits not exclusive | This License shall not be construed to limit, restrict, curtail, or abrogate any limitation or prohibition contained elsewhere in this license document, in Metro Code, or in any federal, state, regional or local government law, rule, regulation, ordinance, order or permit. |

| | | |
|------------|--|--|
| 5.0 | OPERATING CONDITIONS | |
| 5.1 | Purpose and general performance goals | <p>This section of the license describes criteria and standards for the operation of the facility. The Licensee shall meet the following general performance goals:</p> <ul style="list-style-type: none">a) Environment. The Licensee shall design and operate the facility to preclude the creation of undue |

| | | |
|------------|---------------------------------------|--|
| | | <p>threats to the environment including, but not limited to, stormwater or groundwater contamination, air pollution, and improper acceptance and management of hazardous waste asbestos and other prohibited wastes.</p> <p>b) Health and safety. The Licensee shall design and operate the facility to preclude the creation of conditions that may degrade public health and safety including, but not limited to, fires, vectors, pathogens and airborne debris.</p> <p>c) Nuisances. The Licensee shall design and operate the facility to preclude the creation of nuisance conditions including, but not limited to, litter, dust, odors, and noise.</p> |
| 5.2 | Qualified operator | <ol style="list-style-type: none">1. The Licensee shall, during all hours of operation, provide an operating staff employed by the facility, and qualified and competent to carry out the functions required by this license and to otherwise ensure compliance with Metro Code Chapter 5.01.2. Facility personnel, as relevant to their job duties and responsibilities, shall be familiar with the relevant provisions of this license and the relevant procedures contained within the facility's operating plan.3. A qualified operator must be an employee of the facility with training and authority to reject prohibited waste that is discovered during load checks and to properly manage prohibited waste that is inadvertently received. |
| 5.3 | Fire prevention | <p>The Licensee shall provide fire prevention, protection, and control measures, including but not limited to, adequate water supply for fire suppression, and the isolation of potential heat sources and/or flammables from the processing and storage areas.</p> |
| 5.4 | Adequate vehicle accommodation | <p>The Licensee shall:</p> <ol style="list-style-type: none">1. Provide access roads of sufficient capacity to adequately accommodate all on-site vehicular traffic. Access roads shall be maintained to allow the orderly egress and ingress of vehicular traffic when the facility is in operation, including during inclement weather.2. Take reasonable steps to notify and remind persons delivering solid waste to the facility that vehicles shall not park or queue on public streets or roads except under emergency conditions or as provided by local traffic ordinances. |

| | | |
|------------|--|---|
| | | <ol style="list-style-type: none">3. Post signs to inform customers not to queue on public roadways.4. Provide adequate off-street parking and queuing for vehicles, including adequate space for on-site tarping and untarpping of loads. |
| 5.5 | Managing prohibited wastes | <ol style="list-style-type: none">1. The Licensee shall reject prohibited waste upon discovery and shall properly manage and dispose of prohibited waste when inadvertently received.2. The Licensee shall implement a load-checking program to prevent the acceptance of waste that is prohibited by the license. This program must include at a minimum:<ol style="list-style-type: none">a) Visual inspection. As each load is tipped, a qualified operator shall visibly inspect the load to prevent the acceptance of waste that is prohibited by the license.b) Containment area. A secured or isolated containment area for the storage of prohibited wastes that are inadvertently received. Containment areas shall be covered and enclosed to prevent leaking and contamination.c) Record maintenance. Records of the training of personnel in the recognition, proper handling, and disposition of prohibited waste shall be maintained in the operating record and be available for review by Metro.4. Upon discovery, the Licensee shall remove all prohibited or unauthorized wastes or manage the waste in accordance with DEQ requirements and procedures established in the operating plan. All such wastes the Licensees inadvertently receives shall be removed from the site and transported to an appropriate destination within 90 days of receipt, unless required to be removed earlier by the DEQ or local government. |
| 5.6 | Storage and exterior stockpiles | <p>The Licensee shall:</p> <ol style="list-style-type: none">1. Manage, contain, and remove at sufficient frequency stored materials and solid wastes to avoid creating nuisance conditions, vector or bird attraction or harborage, or safety hazards;2. Maintain storage areas in an orderly manner and keep the areas free of litter;3. Position exterior stockpiles within footprints identified on the facility site plan or operating plan; and4. Not stockpile recovered or source-separated recyclable |

| | | |
|------------|---|--|
| | | materials for longer than 180 days (6 months). |
| 5.7 | Dust, airborne debris and litter | <ol style="list-style-type: none">1. The Licensee shall operate the facility in a manner that minimizes and mitigates the generation of dust, airborne debris and litter, and shall prevent its migration beyond property boundaries.2. The Licensee shall:<ol style="list-style-type: none">a) Take reasonable steps, including signage, to notify and remind persons delivering solid waste to the facility that all loads must be suitably secured to prevent any material from blowing off the load during transit.b) Maintain and operate all vehicles and devices transferring or transporting solid waste from the facility to prevent leaking, spilling or blowing of solid waste on-site or while in transit.c) Maintain and operate all access roads and receiving, processing (including grinding), storage, and reload areas in such a manner as to minimize dust and debris generated on-site and prevent such dust and debris from blowing or settling off-site.d) Keep all areas within the site and all vehicle access roads within ¼ mile of the site free of litter and debris generated directly or indirectly as a result of the facility's operation.e) Maintain on-site facility access roads to prevent or control dust and to prevent or control the tracking of mud, gravel or other debris off-site.f) Provide access to the facility for the purpose of uncovered load enforcement. During all times that solid waste or recyclable materials are being accepted, authorized representatives of Metro, including law enforcement personnel on contract to Metro, shall be permitted access to the premises of the facility for the purpose of making contact with individuals they have observed transporting uncovered loads of solid waste or recyclable materials on a public road right-of-way in violation of Metro Code Section 5.09.040. |
| 5.8 | Odor | <ol style="list-style-type: none">1. The Licensee shall operate the facility in a manner that prevents the generation of odors that are detectable off-site.2. The Licensee shall establish and follow procedures in the operating plan for minimizing odor at the facility. |

| | | |
|-------------|---|---|
| 5.9 | Vectors (e.g. birds, rodents, insects) | <ol style="list-style-type: none">1. The Licensee shall operate the facility in a manner that is not conducive to the harborage of rodents, birds, insects, or other vectors capable of transmitting, directly or indirectly, infectious diseases to humans or from one person or animal to another.2. If vectors are present or detected at the facility, the Licensee shall implement vector control measures. |
| 5.10 | Noise | The Licensee shall operate the facility in a manner that prevents the creation of noise sufficient to cause adverse off-site impacts and to the extent necessary to meet applicable regulatory standards and land-use regulations. |
| 5.11 | Water contaminated by solid waste and solid waste leachate | <p>The Licensee shall operate the facility consistent with an approved DEQ stormwater management plan (or equivalent), and shall:</p> <ol style="list-style-type: none">a) Operate and maintain the facility to prevent contact of solid wastes with storm water runoff and precipitation;b) Dispose of or treat water contaminated by solid waste generated onsite in a manner complying with local, state, and federal laws and regulations. |
| 5.12 | Access control | <ol style="list-style-type: none">1. The Licensee shall control access to the facility as necessary to prevent unauthorized entry and dumping.2. The Licensee shall maintain a gate or other suitable barrier at potential vehicular access points to prevent unauthorized access to the site when an attendant is not on duty. |
| 5.13 | Signage | <p>The Licensee shall post signs at all public entrances to the facility, and in conformity with local government signage regulations. These signs shall be easily and readily visible, and legible from off-site during all hours and shall contain at least the following information:</p> <ol style="list-style-type: none">a) Name of the facilityb) Address of the facility;c) Emergency telephone number for the facility;d) Operating hours during which the facility is open for the receipt of authorized waste;e) Fees and charges;f) Metro's name and telephone number (503) 234-3000;g) A list of authorized and prohibited wastes; |

| | | |
|------|-----------------------------------|--|
| | | <ul style="list-style-type: none">h) Vehicle / traffic flow information or diagram;i) Covered load requirements; andj) Directions not to queue on public roadways. |
| 5.14 | Nuisance complaints | <ul style="list-style-type: none">1. The Licensee shall respond to all nuisance complaints in timely manner (including, but not limited to, blowing debris, fugitive dust or odors, noise, traffic, and vectors), and shall keep a record of such complaints and any action taken to respond to the complaints, including actions to remedy the conditions that caused the complaint.2. If the facility receives a complaint, the Licensee shall:<ul style="list-style-type: none">a) Attempt to respond to that complaint within one business day, or sooner as circumstances may require, and retain documentation of its attempts (whether successful or unsuccessful); andb) Log all such complaints as provided by the recordkeeping and reporting standards. Each log entry shall be retained for one year and shall be available for inspection by Metro. |
| 5.15 | Access to license document | The Licensee shall maintain a copy of this license on the facility's premises, and in a location where facility personnel and Metro representatives have ready access to it. |

| | | |
|-----|-------------------------|---|
| 6.0 | OPERATING PLAN | |
| 6.1 | Purpose | This section lists the requirements associated with preparing and implementing a facility operating plan, and lists the procedures that must be included in the required facility operating plan. |
| 6.2 | Plan compliance | The Licensee must operate the facility in accordance with an operating plan approved in writing by the COO. The operating plan must include sufficient detail to demonstrate that the facility will be operated in compliance with this license. The Licensee may amend or revise the operating plan from time to time, subject to written approval by the COO. |
| 6.3 | Plan maintenance | The Licensee shall submit an updated operating plan to the COO by November 1, 2012 as provided in Section 6.0 of this license. The Licensee must revise the operating plan as necessary to keep it current with facility conditions, procedures, and requirements. The Licensee must submit |

| | | |
|-----|---|---|
| | | revisions of the operating plan to the COO for written approval prior to implementation. |
| 6.4 | Access to operating plan | The Licensee shall maintain a copy of the operating plan on the facility premises and in a location where facility personnel and Metro representatives have ready access to it. |
| 6.5 | Procedures for inspecting loads | The operating plan shall establish: <ul style="list-style-type: none">a) Procedures for inspecting incoming loads for the presence of prohibited or unauthorized wastes;b) A set of objective criteria for accepting and rejecting loads; andc) An asbestos testing protocol for all material that appears as if it may contain friable asbestos. |
| 6.6 | Procedures for processing and storage of loads | The operating plan shall establish procedures for: <ul style="list-style-type: none">a) Processing authorized solid wastes;b) Reloading and transfer of authorized solid wastes;c) Managing stockpiles to ensure that they remain within the authorized volumes and pile heights;d) Storing authorized solid wastes; ande) Minimizing storage times and avoiding delay in processing of authorized solid wastes. |
| 6.7 | Procedures for managing prohibited wastes | The operating plan shall establish procedures for managing, reloading, and transporting to appropriate facilities or disposal sites each of the prohibited or unauthorized wastes if they are discovered at the facility. In addition, the operating plan shall establish procedures and methods for notifying generators not to place hazardous wastes or other prohibited wastes in drop boxes or other collection containers destined for the facility. |
| 6.8 | Procedures for odor prevention | The operating plan shall establish procedures for preventing all objectionable odors generated at the facility from being detected off the premises of the facility. The plan must include: <ul style="list-style-type: none">a) A management plan that will be used to monitor and manage all odors of any derivation including malodorous loads delivered to the facility; andb) Procedures for receiving and recording odor complaints, immediately investigating any odor complaints to determine the cause of odor emissions, and remedying promptly any odor |

| | | |
|------|---|--|
| | | problem at the facility. |
| 6.9 | Procedures for dust prevention | <p>The operating plan shall establish procedures for preventing dust from blowing off the premises of the facility. The plan must include:</p> <ul style="list-style-type: none">a) A management plan that will be used to monitor and manage dust of any derivation; andb) Procedures for receiving and recording dust complaints, immediately investigating any dust complaints to determine the cause of dust emissions, and remedying promptly any dust problem at the facility. |
| 6.10 | Procedures for emergencies | <p>The operating plan shall establish procedures to be followed in case of fire or other emergency.</p> |
| 6.11 | Procedures for nuisance complaints | <ul style="list-style-type: none">1. For every nuisance complaint (e.g. odor, dust, vibrations, litter) received, the Licensee shall record:<ul style="list-style-type: none">a) The nature of the complaint;b) The date the complaint was received;c) The name, address and telephone number of the person or persons making the complaint; andd) Any actions taken by the operator in response to the complaint (whether successful or unsuccessful).2. The Licensee shall make records of such information available to Metro upon request. The Licensee shall retain each complaint record for a period of not less than one year. |
| 6.12 | Closure protocol | <p>The Licensee shall establish protocol for closure and restoration of the site in the event of a cessation of operations as provided in Metro Code Section 5.01.060 (c)(3). The plan shall establish procedures for:</p> <ul style="list-style-type: none">a) Short term closure (duration of time that is more than seven consecutive days but less than 30 consecutive days in length); andb) Long term closure (duration of time that is 30 consecutive days or more in length). |
| 6.13 | Financial assurance | <p>The Licensee shall maintain financial assurance in an amount adequate for the cost of the facility's closure and in a form approved by Metro for the term of this license, as provided in Metro Code Section 5.01.060.</p> |

| 7.0 FEES AND RATE SETTING | | |
|---------------------------|--------------------------------------|--|
| 7.1 | Purpose | This section of the license specifies fees payable by the Licensee, and describes rate regulation by Metro. |
| 7.2 | Annual fee | The Licensee shall pay an annual license fee, as established in Metro Code Chapter 5.01. Metro reserves the right to change the license fee at any time by action of the Metro Council. |
| 7.3 | Rates not regulated | The tipping fees and other rates charged at the facility are exempt from rate regulation by Metro. |
| 7.4 | Metro fee imposed on disposal | The Licensee is liable for payment of the Metro Regional System Fee, as provided in Metro Code Title V, and the Metro Excise Tax, as provided in Metro Code Title VII, on all solid wastes delivered to a disposal site. |

| 8.0 RECORD KEEPING AND REPORTING | | |
|----------------------------------|-------------------------------|--|
| 8.1 | Purpose | This section of the license describes record keeping and reporting requirements. The Licensee shall effectively monitor facility operation and maintain accurate records of the information described in this section. |
| 8.2 | Reporting requirements | <ol style="list-style-type: none">1. For all solid waste and materials the Licensee is authorized to receive under Section 3.0 of this license, the Licensee shall keep and maintain accurate records of the amount of such materials the Licensee receives, recovers, recycles, reloads, and disposes.2. The Licensee shall keep and maintain complete and accurate records of the following for all transactions:<ol style="list-style-type: none">a) Ticket Number (should be the same as the ticket number on the weight slips);b) Account Number or Business Name: Incoming hauler account number on all incoming transactions and outgoing destination account number on all outgoing transactions. For incoming cash commercial customers, incoming hauler business name for all incoming commercial cash transactions;c) Material Category: Code designating the following types of material (more detail, such as differentiating yard debris, is acceptable): (1) incoming source-separated recyclable materials by type; (2) incoming mixed non-putrescible waste; (3) outgoing recyclable materials by type; (4) outgoing mixed non-putrescible |

| | | |
|-----|--|--|
| | | <p>waste;</p> <p>d) Origin: Code designating the following origin of material: (1) from inside Metro boundaries; (2) from within Multnomah, Clackamas and Washington Counties but outside Metro boundaries; and (3) from another location outside Metro boundaries:</p> <ul style="list-style-type: none">i. Any load containing any amount of waste from within the Metro region shall be reported as if the entire load was generated from inside the Metro region.ii. If the Licensee elects to report all loads delivered to the facility as being generated from inside the Metro region, then the Licensee is not required to designate the origin of loads as described above in Subsections (d)(2) and (d)(3). <p>e) Date the load was received at, transferred within, or transmitted from the facility;</p> <p>f) Time the load was received at, transferred within, or transmitted from the facility;</p> <p>g) Indicate whether Licensee accepted or rejected the load;</p> <p>h) Net weight of the load; and</p> <p>e) The fee charged to the generator of the load.</p> |
| 8.3 | Record transmittals | Licensee shall transmit to Metro records required under Section 8.0 no later than fifteen days following the end of each month in electronic format prescribed by Metro. |
| 8.4 | Hauler account number listing | Within 5 business days of Metro's request, Licensee shall provide Metro with a computer listing that cross references the incoming hauler account Number with the hauling company's name and address. |
| 8.5 | Transactions based on scale weights | Except for minimum fee transactions for small, light-weight loads, the Licensee shall record each transaction electronically based on actual and accurate scale weights using the Licensee's on-site scales. |
| 8.6 | DEQ submittals | The Licensee shall provide Metro with copies of all correspondence, exhibits, or documents submitted to the DEQ relating to the terms or conditions of the DEQ solid waste permit or this license within two business days of providing such information to DEQ. |

| | | |
|-------------|--|---|
| 8.7 | Copies of enforcement actions provided to Metro | The Licensee shall send to Metro, upon receipt, copies of any notice of violation or non-compliance, citation, or any other similar enforcement actions issued to the Licensee by any federal, state, or local government other than Metro, and related to the operation of the facility. |
| 8.8 | Unusual occurrences | <ol style="list-style-type: none">1. The Licensee shall keep and maintain accurate records of any unusual occurrences (such as fires or any other significant disruption) encountered during operation, and methods used to resolve problems arising from these events, including details of all incidents that required implementing emergency procedures.2. If a breakdown of the Licensee's equipment occurs that will substantially impact the ability of the facility to remain in compliance, or create off-site impacts, the Licensee shall notify Metro within 24-hours.3. The Licensee shall report any facility fires, accidents, emergencies, and other significant incidents to Metro at (503) 234-3000 within 12 hours of the discovery of their occurrence. |
| 8.9 | Changes in ownership | The Licensee must, in accordance with Metro Code Section 5.01.090, submit a new license application to Metro if the Licensee proposes to transfer ownership or control of (1) the license, (2) the facility property, or (3) change the name and address of the operator. |
| 8.10 | Material recovery reporting | The Licensee shall provide the results of its quarterly sampling of processing residual, as provided in Section 3.5 of this license, to Metro as a component of its monthly report no later than fifteen days following the end of the each quarter in a format prescribed by Metro. |

| | | |
|------------|-------------------------------|---|
| 9.0 | INSURANCE REQUIREMENTS | |
| 9.1 | Purpose | This section describes the types of insurance that the Licensee shall purchase and maintain at the Licensee's expense, covering the Licensee, its employees, and agents. The Licensee shall provide Metro with documentation demonstrating that it holds all of the required insurance coverage described in Section 9.0 of this license. |
| 9.2 | General liability | The Licensee shall carry the most recently approved ISO (Insurance Services Office) Commercial General Liability policy, or its equivalent, written on an occurrence basis, with limits not less than \$1,000,000 per occurrence and |

| | | |
|-----|--|---|
| | | \$1,000,000 aggregate. The policy will include coverage for bodily injury, property damage, personal injury, death, contractual liability, premises and products/completed operations. Contractor's coverage will be primary as respects Metro. |
| 9.3 | Automobile | The Licensee shall carry automobile bodily injury and property damage liability insurance. |
| 9.4 | Coverage | Insurance coverage shall be a minimum of \$1,000,000 per occurrence and \$1,000,000 aggregate. |
| 9.5 | Additional insureds | Metro, its elected officials, departments, employees, and agents shall be named as ADDITIONAL INSURED. |
| 9.6 | Worker's Compensation Insurance | The Licensee, its subcontractors, if any, and all employers working under this license, are subject employers under the Oregon Workers' Compensation Law and shall comply with ORS 656.017, which requires them to provide Workers' Compensation coverage for all their subject workers. The Licensee shall provide Metro with certification of Workers' Compensation insurance including employer's liability. If the Licensee has no employees and will perform the work without the assistance of others, a certificate to that effect may be attached in lieu of the certificate showing current Workers' Compensation. |
| 9.7 | Notification | The Licensee shall give at least 30 days written notice to the COO of any lapse or proposed cancellation of insurance coverage. |

| | | |
|-------------|-----------------------------------|--|
| 10.0 | ENFORCEMENT | |
| 10.1 | Generally | Enforcement of this license shall be as specified in Metro Code Chapter 5.01. |
| 10.2 | Authority vested in Metro | The power and right to regulate, in the public interest, the exercise of the privileges granted by this license shall at all times be vested in Metro. Metro reserves the right to establish or amend rules, regulations or standards regarding matters within Metro's authority, and to enforce all such requirements against Licensee. |
| 10.3 | No Enforcement Limitations | This license shall not be construed to limit, restrict, curtail, or abrogate any enforcement provision contained in Metro Code or administrative procedures adopted pursuant to Metro Code Chapter 5.01, nor shall this license be construed or interpreted so as to limit or preclude Metro from adopting |

| | | |
|-------------|------------------|---|
| | | ordinances that regulate the health, safety, or welfare of any person or persons within the District, notwithstanding any incidental impact that such ordinances may have upon the terms of this license or the Licensee's operation of the facility. |
| 10.4 | Penalties | Each violation of a license condition shall be punishable by penalties as established in Metro Code Chapter 5.01. Each day a violation continues constitutes a separate violation. |

| | | |
|-------------|--|--|
| 11.0 | AMENDMENT, MODIFICATION, SUSPENSION, AND REVOCATION | |
| 11.1 | Amendment | At any time during the term of the license, either the COO or the Licensee may propose amendments to this license. The COO has the authority to approve or deny any such amendments provided that the activities authorized in the amended license do not require a Metro Solid Waste Facility Franchise under Metro Code Chapter 5.01. When applicable, the Licensee shall comply with Metro Code Section 5.01.095. No amendment pursuant to this section shall be effective unless in writing and executed by the COO. |
| 11.2 | Modification, suspension or revocation by Metro | <p>The COO may, at any time before the expiration date, modify, suspend, or revoke this license in whole or in part, in accordance with Metro Code Chapter 5.01, for reasons including but not limited to:</p> <ul style="list-style-type: none">a) Violation of the terms or conditions of this license, Metro Code, or any applicable statute, rule, or standard;b) Changes in local, regional, state, or federal laws or regulations that should be specifically incorporated into this license;c) Failure to disclose fully all relevant facts;d) A significant release into the environment from the facility;e) Significant change in the character of solid waste received or in the operation of the facility;f) Any change in ownership or control, excluding transfers among subsidiaries of the Licensee or Licensee's parent corporation;g) A request from the local government stemming from impacts resulting from facility operations; andh) Compliance history of the Licensee. |

| 12.0 | GENERAL OBLIGATIONS | |
|------|--|---|
| 12.1 | Compliance with law | <p>The Licensee shall fully comply with all applicable local, regional, state and federal laws, rules, regulations, ordinances, orders and permits pertaining in any manner to this license, including all applicable Metro Code provisions and administrative procedures adopted pursuant to Chapter 5.01 whether or not those provisions have been specifically mentioned or cited herein. All conditions imposed on the operation of the facility by federal, state, regional or local governments or agencies having jurisdiction over the facility shall be deemed part of this license as if specifically set forth herein. Such conditions and permits include those cited within or attached as exhibits to the license document, as well as any existing at the time of the issuance of the license but not cited or attached, and permits or conditions issued or modified during the term of the license.</p> |
| 12.2 | Deliver waste to appropriate destinations | <p>The Licensee shall ensure that solid waste transferred from the facility goes to the appropriate destinations under Metro Code chapters 5.01 and 5.05, and under applicable local, state and federal laws, rules, regulations, ordinances, orders and permits;</p> |
| 12.3 | Right of inspection and audit | <ol style="list-style-type: none">1. Authorized representatives of Metro may take photographs, collect samples of materials, and perform such inspection or audit as the COO deems appropriate, and shall be permitted access to the premises of the facility at all reasonable times during business hours with or without notice or at such other times upon giving reasonable advance notice (not less than 24 hours).2. Metro inspection reports, including site photographs, are public records subject to disclosure under Oregon Public Records Law.3. Subject to the confidentiality provisions in Section 12.4 of this license, Metro's right to inspect shall include the right to review all information from which all required reports are derived including all books, maps, plans, income tax returns, financial statements, contracts, and other similar written materials of Licensee that are directly related to the operation of the Facility.4. The Licensee shall permit access to the facility premises to authorized representatives of Metro, including personnel on contract to Metro, at all reasonable times during business hours with or without |

| | | |
|------|---------------------------------|---|
| | | <p>notice to determine whether the Licensee meets the minimum level of recovery as provided in Section 3.5 of this license. The Licensee shall provide:</p> <ul style="list-style-type: none">a) Access to all areas where it generates, manages, stores, and reloads processing residual, including without limitation to transfer vehicles;b) Access to facility personnel and equipment to collect, segregate, contain, and weigh individual samples of processing residual; andc) A safe, covered location away from working areas and vehicle traffic where authorized representatives of Metro may conduct an analysis of the Licensee's processing residual. |
| 12.4 | Confidential information | <p>The Licensee may identify as confidential any reports, books, records, maps, plans, income tax returns, financial statements, contracts and other similar written materials of the Licensee that are directly related to the operation of the facility and that are submitted to or reviewed by Metro. The Licensee shall prominently mark any information that it claims confidential with the mark "CONFIDENTIAL" prior to submittal to or review by Metro. Metro shall treat as confidential any information so marked and will make a good faith effort not to disclose such information unless Metro's refusal to disclose such information would be contrary to applicable Oregon law, including, without limitation, ORS Chapter 192. Within five (5) days of Metro's receipt of a request for disclosure of information identified by Licensee as confidential, Metro shall provide Licensee written notice of the request. The Licensee shall have three (3) days within which time to respond in writing to the request before Metro determines, at its sole discretion, whether to disclose any requested information. The Licensee shall pay any costs incurred by Metro as a result of Metro's efforts to remove or redact any such confidential information from documents that Metro produces in response to a public records request. This Section 12.0 shall not limit the use of any information submitted to or reviewed by Metro for regulatory purposes or in any enforcement proceeding. In addition, Metro may share any confidential information with representatives of other governmental agencies provided that, consistent with Oregon law, such representatives agree to continue to treat such information as confidential and make good faith efforts not to disclose such information.</p> |

| | | |
|-------------|---------------------------------|---|
| 12.5 | Compliance by agents | The Licensee shall be responsible for ensuring that its agents and contractors operate in compliance with this license. |
|-------------|---------------------------------|---|
