

Help fill a trail gap at Tryon Creek Cove

Metro, Lake Oswego are teaming up to link Foothills Park and Tryon Creek State Natural Area. And you can help.

People love relaxing at Foothills Park and walking, biking and hiking through Tryon Creek State Natural Area – but there’s no easy way to get between these two gems on foot or bike. You can help change that, by sharing your opinions on a trail connection at Tryon Creek Cove.

Lake Oswego and Metro are working together to develop a master plan that will link these two parks and improve access to the Willamette River, safely crossing Tryon Creek and Oregon 43.

oregonmetro.gov/tryoncreekcove

What’s next?

Summer 2018: Weigh in on concepts for the trail route.

Fall 2018: Give feedback on a recommended route.

Winter 2019: Review draft master plan.

Spring 2019: Lake Oswego City Council, Portland City Council and Metro Council consider master plan.
