

# Help fill a trail gap at Tryon Creek Cove

**Metro, Lake Oswego are teaming up to link Foothills Park and Tryon Creek State Natural Area. And you can help.**

People love relaxing at Foothills Park and walking, biking and hiking through Tryon Creek State Natural Area – but there’s no easy way to get between these two gems on foot or bike. You can help change that, by sharing your opinions on a trail connection at Tryon Creek Cove.

Lake Oswego and Metro are working together to develop a master plan that will link these two parks and improve access to the Willamette River, safely crossing Tryon Creek and Oregon 43.

## What’s next?

**Summer 2018:** Weigh in on concepts for the trail route.

**Fall 2018:** Give feedback on a recommended route.

**Winter 2019:** Review draft master plan.

**Spring 2019:** Lake Oswego City Council, Portland City Council and Metro Council consider master plan.
