

Metro

District 4 Metro Update

- Councillor Harrington

Affordable housing

Challenges in transportation systems, the environment, and job and housing markets do not stop at city limits or county lines.

Regional transportation plan

A transportation system that supports clean air, improves safety across our region and addresses congestion by providing different ways of getting around.

Public comment through August 13 at oregonmetro.gov/rtp

Growth management

Working together,
we can maintain
our quality of life
and protect the
farms and forests
around our region.

Solid waste & food scraps

Working together
to make the most
of what we don't
want
