Memo

DATE: December 31, 2018

TO: Roy W. Brower, Solid Waste Information Compliance and Cleanup Manager

FROM: Will Ennis, Senior Solid Waste Planner 

RE: Issuance of new Solid Waste Facility License No. L-151-19 for EFI Recycling, Inc.

Attached for your signature is new Solid Waste Facility License No. L-151-19 authorizing EFI Recycling, Inc. (EFI) to receive and process source-separated recyclable materials at their facility located at 4325 N. Commerce Street in Portland (Metro District 5). This memo provides background information on the applicant's request and recommends that Metro issue a new license to EFI to accept and process source-separated recyclable materials.

EFI Recycling, Inc. is located at 4325 N Commerce Street in Portland

BACKGROUND

Metro is tasked with planning, management, and oversight of the region's solid waste system, and has an obligation to the public to ensure the waste intended for reuse, recycling and other purposes is handled properly and sent to appropriate markets, and that all other waste is safely managed and disposed.

Historically, Metro Code exempted from licensing certain material recovery facilities that exclusively receive non-putrescible source-separated recyclable materials that are collected through a curbside residential or commercial collection program. However, it was determined that collection methods, material composition, and market conditions for source-separated recyclable materials changed
