

December 6, 2018

Metro  
600 NE Grand Ave  
Portland, OR 97232

Dear Neighbor,

Beginning Sunday, March 3, 2019, TriMet's Line 79 will start operating a more direct route between Clackamas and Oregon City via 82nd avenue, I-205 and Washington Street.

In advance of this opening, we have begun siting the new bus stops needed to support this route.

We will be placing a bus stop adjacent to your property located at 2001 Washington St. Please see attached drawing with the approximate location marked in red.

Buses will only stop when customers are getting on and off. We will install a bus stop pole and sign.

While this is happening within the public right of way, I want to alert you to the changes. If you have comments or concerns, I can be reached at 503-962-2431 or at [shariffs@trimet.org](mailto:shariffs@trimet.org)

Sincerely,

*Shelina Shariff*
