Instructions [Show/Hide](#)

1. Program summary (one paragraph, 255 characters)

Provide a brief summary that describes your project.

Maximum characters: 255. You have 255 characters left.

2. Fiscal agent

If different than the lead organization. If no fiscal agent, please write "not applicable".

Maximum characters: 255. You have 255 characters left.

3. Program partners

Committed partner organizations.

Maximum characters: 255. You have 255 characters left.

4. Potential partners

Potential partner organizations.

Maximum characters: 255. You have 255 characters left.

6. Program narrative (up to one page, 4000 characters)

Provide a narrative that describes the project. Explain why the project is important for your organization, targeted species or priority habitat, and community.

[Empty text input box]

7. Goals (up to one page, 4000 characters)

Describe how the project addresses the Nature in Neighborhood restoration grant's purpose and goals; your organization's strategic plan or mission; and the Oregon Conservation Strategy, Regional Conservation Strategy, watershed action or local plans.

[Empty text input box]

8. Partnerships (up to one page, 4000 characters)

Show how partnerships and collaboration with other individuals, organizations and groups in your community will be formed, strengthened and extended through this project.

[Empty text input box]

9. Organizational preparedness (up to one page, 4000 characters)

Explain why your organization and partners have the experience and capacity to conduct the project (e.g. planning, implementation, maintenance, reporting, outreach), including identification of key personnel, roles in the project and qualifications.

[Empty text input box]

10. Diversity, Equity and Inclusion (DEI) (up to one page, 4000 characters)

Describe how your program involves communities of color and the demographics of the community served in identifying the need for, designing, and delivering this programming. How does your organization's vision or mission address diversity and equity?

[Empty text input box]

11. Location and program reach (up to two pages)

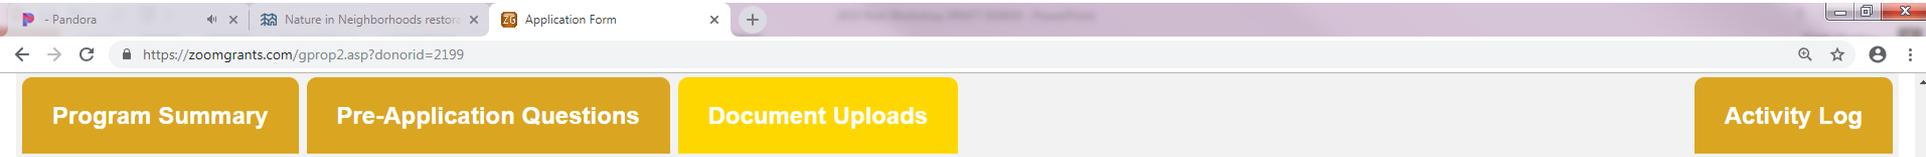

On next page, upload a location/vicinity map of the project and/or participating communities, such as Google Maps, Regional Conservation Strategy viewer, Oregon Explorer, Landscape America Conservation Registry, or MetroMap.

I uploaded it!

12. Demographic form (two pages)

On next page, please upload the requested the Nature in Neighborhoods demographic form, which will not be used for the review of your grant
