Written feedback

Transportation Funding Task Force meetings are open to the public and will include opportunities for public comment. You are encouraged to share written comments with the task force at any time by sending email to getmoving@oregonmetro.gov. Comments received by 2 p.m. on the day of the meeting will be printed for the meeting.

Verbal feedback

Given the significant workload and time demands of the task force, as well as the volunteer nature of the majority of the task force members, the time available for verbal public comment at each task force meeting is limited to 30 minutes. Time limits will be enforced to provide speaking opportunities to as many people as possible. If necessary, a lottery system will be implemented to give a random sample of those looking to verbally testify an opportunity to do so.

If you are interested in providing verbal comment, all interested speakers are asked to sign up by 5:30 p.m. the day of the task force meeting. If fewer than 15 people are interested in speaking, public comment will be limited to 1 minute, 45 seconds per person and all attendees who have signed up by 5:30 p.m. will be given the opportunity to speak. If more than 15 people sign up, there will be a lottery to identify which 15 will have the opportunity to speak, and testimony will be capped at 1 minute, 45 seconds per person.
