2.0	CONDITIONS AND DISCLAIMERS	
2.1	Guarantees	This license does not vest any right or privilege in the licensee to receive specific quantities of solid waste at the direction of Metro during the term of the license.
2.2	Non-exclusive license	This license does not in any way limit Metro from granting other solid waste licenses within Metro's boundaries.

2.3	Property rights	This license does not convey any property rights in either real or personal property.
2.4	No recourse	The licensee will have no recourse whatsoever against Metro or its officials, agents or employees for any loss, costs, expense or damage arising out of any provision or requirement of this license or because of the enforcement of the license or in the event Metro determines that the license or any part thereof is invalid.
2.5	Indemnification	The licensee must indemnify Metro, the Metro Council, the Chief Operating Officer (COO), and any of their employees or agents and save them harmless from any and all loss, damage, claim, expense including attorney's fees, or liability related to or arising out of the granting of this license or the licensee's performance of or failure to perform any of its obligations under the license or Metro Code Chapter 5.01, including without limitation patent infringement and any claims or disputes involving subcontractors
2.6	Binding nature	This license is binding on the licensee. The licensee is liable for all acts and omissions of the licensee's contractors and agents.
2.7	Waivers	To be effective, a waiver of any terms or conditions of this license must be in writing and signed by Metro.
2.8	Effect of waiver	If Metro waives a specific term or condition of this license, that waiver does not waive nor prejudice Metro's right to require subsequent performance of the same term or condition or any other term or condition.
2.9	Choice of law	The license is to be construed, applied, and enforced in accordance with the laws of the State of Oregon.
2.10	Enforceability	If a court of competent jurisdiction determines that any provision of this license is invalid, illegal or unenforceable in any respect, that determination has no effect on the validity of the remaining license provisions.
2.11	License not a waiver	This license does not relieve any owner, operator, or the licensee from the obligation to obtain all required permits, licenses, or other clearances and to comply with all applicable orders, laws, regulations, reports or other requirements of other regulatory agencies.
2.12	License not limiting	This license does not limit the power of a federal, state, or local agency to enforce any provision of law relating to the facility.
2.13	Definitions	Unless otherwise specified, all terms are as defined in Metro Code Chapter 5.00.

3.0	AUTHORIZATIONS	
3.1	General conditions on solid waste	The licensee is authorized to accept at the facility only the solid wastes described in Section 3.0. The licensee is prohibited from knowingly receiving any solid waste not authorized in this section.
3.2	General conditions on activities	The licensee is authorized to perform at the facility only those waste-related activities that are described in Section 3.0.
3.3	Acceptance of yard debris	<ol style="list-style-type: none"> 1. The licensee is authorized to accept source-separated yard debris provided that the yard debris has not decomposed to the point of producing odors detectable beyond the boundaries of the facility. 2. The licensee may accept yard debris for grinding and reloading to authorized facilities for composting, the production of mulch, use as hogged fuel or other useful purpose as described in an operating plan and approved in writing by the Metro.
3.4	Acceptance and disposal of source-separated yard debris generated within the Japanese beetle quarantine area	<ol style="list-style-type: none"> 1. The licensee is authorized to accept source-separated yard debris generated from within the Oregon Department of Agriculture's (ODA's) designated Japanese beetle quarantine area located within Washington County, Oregon. 2. ODA's list of approved yard debris generated within the quarantine area includes: grass clippings, plants with roots or soil attached, sod or removed turfgrass, growing media (i.e. potting soil from raised beds or potted plans, NOT fill dirt), compost, bulbs or tubers of ornamental plants, and mixed loads containing the above material. 3. The licensee may accept the waste described in this section for the purpose of consolidation and transfer to disposal. The licensee must not allow any of this waste to be used for composting, mulch or any other landscaping or agricultural use. 4. The licensee must remove all yard debris generated from within the quarantine area from the site within seven days of receipt.
3.5	Acceptance of land clearing debris	The licensee is authorized to accept land-clearing debris (e.g. brush and stumps). The licensee may accept land clearing debris for grinding, use as hogged fuel or other useful purpose as described in an operating plan and approved in writing by Metro.
3.6	Acceptance of untreated wood	The licensee is authorized to accept source-separated, untreated and unpainted wood waste (e.g. untreated lumber and wood pallets). The licensee may accept untreated wood waste for grinding, for use as hogged fuel or other useful purpose as described in an operating plan and approved in writing by Metro.
3.7	Production of hogged fuel	<ol style="list-style-type: none"> 1. As authorized by Section 3.0, the licensee is authorized to accept and grind only yard debris, land clearing debris, untreated wood, for delivery to facilities with industrial boilers for use as hogged fuel.

		2. The licensee is prohibited from mixing any other solid waste with the authorized wastes described in Section 3.7.1 for the production of hogged fuel.
3.8	Acceptance of inert materials	The licensee is authorized to accept inert materials such as clean concrete, asphalt, rock and dirt for processing and reuse.

4.0	LIMITATIONS AND PROHIBITIONS	
4.1	Prohibited waste	The licensee must not knowingly receive, process, reload or dispose of any solid waste not authorized in this license. The licensee must not knowingly accept or retain any material amounts of the following types of wastes: non-putrescible waste other than that specifically allowed in Section 3.0, putrescible waste, special waste, creosote-treated wood, materials contaminated with or containing asbestos; lead acid batteries; liquid waste for disposal; vehicles; infectious, biological or pathological waste; radioactive waste; hazardous waste; any waste prohibited by the DEQ.
4.2	Source-separated yard debris mixed with residential food waste	The licensee must not knowingly accept or retain source-separated yard debris mixed with residential food waste, including from municipal curbside collection programs.
4.3	Prohibition on mixing	The licensee must not mix any source-separated recyclable materials, source-separated yard debris or wood wastes brought to the facility with any other solid wastes.
4.4	No disposal of recyclable materials	The licensee must not transfer source-separated recyclable materials to a disposal site.
4.5	Composting prohibited	This licensee must not keep yard debris on site long enough for more than negligible biological decomposition to begin. Yard debris must not be stored on-site for more than seven days.
4.6	Limits not exclusive	This license does not limit, restrict, curtail or abrogate any limitation or prohibition contained elsewhere in this license document, in Metro Code, or in any federal, state, regional or local government law, rule, regulation, ordinance, order or permit.

5.0	OPERATING CONDITIONS	
5.1	Qualified operator	1. The licensee must, during all hours of operation, provide an operating staff employed by the facility, and qualified and competent to carry out the functions required by this license and to otherwise ensure compliance with Metro Code Chapter 5.01.

		<ol style="list-style-type: none"> 2. Facility personnel, as relevant to their job duties and responsibilities, must be familiar with the relevant provisions of this license and the relevant procedures contained within the facility's operating plan. 3. A qualified operator must be an employee of the facility with training and authority to reject prohibited waste that is discovered during load checks and to properly manage prohibited waste that is unknowingly received.
5.2	Fire prevention	The licensee must provide fire prevention, protection, and control measures, including but not limited to, adequate water supply for fire suppression, and the isolation of potential heat sources and/or flammables from the processing and storage areas.
5.3	Adequate vehicle accommodation	<p>The licensee must:</p> <ol style="list-style-type: none"> 1. Provide access roads of sufficient capacity to adequately accommodate all on-site vehicular traffic. The licensee must maintain access roads to allow the orderly egress and ingress of vehicular traffic when the facility is in operation, including during inclement weather. 2. Take reasonable steps to notify and remind persons delivering solid waste to the facility that vehicles cannot park or queue on public streets or roads except under emergency conditions or as provided by local traffic ordinances. 3. Post signs to inform customers not to queue on public roadways. 4. Provide adequate off-street parking and queuing for vehicles, including adequate space for on-site covering and uncovering of loads.
5.4	Managing prohibited wastes	<ol style="list-style-type: none"> 1. The licensee must reject prohibited waste upon discovery and properly manage and dispose of prohibited waste when unknowingly received. 2. The licensee must maintain a load-checking program to prevent the acceptance of waste that is prohibited by the license. This program must include at a minimum: <ol style="list-style-type: none"> (a) Visual inspection. As each load is tipped, a qualified operator will visibly inspect the load and deny any waste that is prohibited by the license. (b) Containment area. A secured or isolated containment area for the storage of prohibited wastes that are unknowingly received. Containment areas must be covered and enclosed to prevent leaking and contamination. (c) Record maintenance. The licensee must maintain records evidencing the training of facility personnel to recognize, properly handle and dispose prohibited waste. The licensee must make these records available for review by Metro.

		<p>3. Upon discovery, the licensee must remove all prohibited or unauthorized wastes or manage the waste in accordance with DEQ requirements and procedures established in the operating plan. The licensee must remove from the site all prohibited or unauthorized wastes the licensee unknowingly receives and transport the waste to an appropriate destination within 90 days of receipt, unless DEQ or a local government requires that it be removed sooner.</p>
5.5	Storage and exterior stockpiles	<p>The licensee must:</p> <ol style="list-style-type: none"> 1. Manage, contain, and remove stored materials and solid wastes at sufficient frequency to avoid creating nuisance conditions, vector or bird attraction or harborage, or safety hazards; 2. Maintain storage areas in an orderly manner and keep the areas free of litter; and 3. Position exterior stockpiles within footprints identified on the facility site plan or operating plan.
5.6	Dust, airborne debris and litter	<ol style="list-style-type: none"> 1. The licensee must operate the facility in a manner that minimizes and mitigates the dust generation, airborne debris and litter, and which prevents its migration beyond property boundaries. 2. The licensee must: <ol style="list-style-type: none"> (a) Take reasonable steps, including signage, to notify and remind persons delivering solid waste to the facility that all loads must be suitably secured to prevent any material from blowing off the load during transit. (b) Maintain and operate all vehicles and devices transferring or transporting solid waste from the facility to prevent leaking, spilling or blowing of solid waste on-site or while in transit. (c) Maintain and operate all access roads and receiving, processing (including grinding), storage, and reload areas in such a manner as to minimize dust and debris generated on-site and prevent such dust and debris from blowing or settling off-site. (d) Keep all areas within the site and all vehicle access roads within $\frac{1}{4}$ mile of the site free of litter and debris generated directly or indirectly as a result of the facility's operation. (e) Maintain on-site facility access roads to prevent or control dust and to prevent or control the tracking of mud, gravel or other debris off-site. (f) Provide access to the facility for the purpose of uncovered load enforcement. During all times that licensee is accepting solid waste or recyclable materials, licensee must allow authorized representatives of Metro (including law enforcement personnel on contract to Metro) to have access to the facility premises for the purpose of making contact with individuals that Metro representatives have observed transporting uncovered loads of

		solid waste or recyclable materials on a public road right-of-way in violation of Metro Code Chapter 5.09.
5.7	Odor	<ol style="list-style-type: none"> 1. The licensee must operate the facility in a manner that controls and minimizes off-site odors. 2. The licensee must follow procedures in the operating plan for minimizing odor at the facility.
5.8	Vectors (e.g. birds, rodents, insects)	<ol style="list-style-type: none"> 1. The licensee must operate the facility in a manner that is not conducive to the harborage of rodents, birds, insects, or other vectors capable of transmitting, directly or indirectly, infectious diseases to humans or from one person or animal to another. 2. If vectors are present or detected at the facility, the licensee must implement vector control measures.
5.9	Noise	The licensee must operate the facility in a manner that prevents noise that causes adverse off-site impacts, and to the extent necessary the licensee must meet applicable noise regulatory standards and land-use regulations.
5.10	Water contaminated by solid waste and solid waste leachate	<p>The licensee must operate the facility consistent with an approved DEQ stormwater management plan (or equivalent), and must:</p> <ol style="list-style-type: none"> 1. Operate and maintain the facility to prevent contact of solid wastes with storm water runoff and precipitation; 2. Dispose of or treat water contaminated by solid waste generated onsite in a manner complying with local, state, and federal laws and regulations.
5.11	Access control	<ol style="list-style-type: none"> 1. The licensee must control access to the facility as necessary to prevent unauthorized entry and dumping. 2. The licensee must maintain a gate or other suitable barrier at potential vehicular access points to prevent unauthorized access to the site when an attendant is not on duty.
5.12	Signage	<p>The licensee must post signs at all public entrances to the facility, and in conformity with local government signage regulations. These signs must be easily and readily visible, and legible from off-site during all hours and must contain at least the following information:</p> <ol style="list-style-type: none"> 1. Name of the facility 2. Address of the facility; 3. Telephone number of facility; 4. Emergency telephone number for the facility if different than that listed in subsection (c) above; 5. Operating hours during which the facility is open for the receipt of authorized waste;

		<ol style="list-style-type: none"> 6. Fees and charges; 7. Metro's name and telephone number (503) 234-3000; 8. A list of authorized and prohibited wastes; 9. Vehicle / traffic flow information or diagram; 10. Covered load requirements; and 11. Directions not to queue on public roadways.
5.13	Complaints	<ol style="list-style-type: none"> 1. The licensee must respond to all complaints in a timely manner (including, but not limited to, blowing debris, fugitive dust or odors, noise, traffic, and vectors), and keep a record of these complaints and any action taken to respond to the complaints, including actions to remedy the conditions that caused the complaint. 2. If the facility receives a complaint, the licensee must: <ol style="list-style-type: none"> (a) Attempt to respond to that complainant within one business day, or sooner as circumstances may require, and retain documentation of its attempts (whether successful or unsuccessful); and (b) Log all such complaints as provided by the operating plan. The licensee must retain each log entry for one year and it must be available for inspection by Metro.
5.14	Access to license document	The licensee must maintain a copy of this license on the facility's premises, and in a location where facility personnel and Metro representatives have ready access to it.

6.0	OPERATING PLAN	
6.1	Plan compliance	The licensee must operate the facility in accordance with an operating plan approved in writing by Metro. The operating plan must include sufficient detail to demonstrate that the facility will be operated in compliance with this license. The licensee may amend or revise the operating plan from time to time, subject to written approval by Metro.
6.2	Plan maintenance	The licensee must revise the operating plan as necessary to keep it current with facility conditions, procedures, and requirements. The licensee must submit revisions of the operating plan to Metro for written approval prior to implementation.
6.3	Access to operating plan	The licensee must maintain a copy of the operating plan on the facility premises and in a location where facility personnel and Metro representatives have ready access to it.
6.4	Procedures for inspecting loads	<p>The operating plan must include:</p> <ol style="list-style-type: none"> 1. Procedures for inspecting incoming loads for the presence of prohibited or unauthorized wastes; and

		2. A set of objective criteria for accepting and rejecting loads.
6.5	Procedures for processing and storage of loads	<p>The operating plan must include procedures for:</p> <ol style="list-style-type: none"> 1. Processing authorized solid wastes; 2. Reloading and transfer of authorized solid wastes; 3. Managing stockpiles to ensure that they remain within the authorized volumes and pile heights; 4. Storing authorized solid wastes; and 5. Minimizing storage times and avoiding delay in processing of authorized solid wastes.
6.6	Procedures for managing prohibited wastes	<p>The operating plan must include procedures for managing, reloading, and transporting to appropriate facilities or disposal sites each of the prohibited or unauthorized wastes if they are discovered at the facility. In addition, the operating plan must include procedures and methods for notifying generators not to place hazardous wastes or other prohibited wastes in drop boxes or other collection containers destined for the facility.</p>
6.7	Procedures for odor prevention	<p>The operating plan must include procedures for controlling and minimizing odors generated at the facility from being detected off the premises of the facility. The plan must include:</p> <ol style="list-style-type: none"> 1. A management plan that will be used to monitor and manage odors of any derivation including odorous loads delivered to the facility; and 2. Procedures for receiving and recording odor complaints, immediately investigating any odor complaints to determine the cause of odor emissions, and remedying promptly any odor problem at the facility.
6.8	Procedures for dust prevention	<p>The operating plan must include procedures for preventing dust from blowing off the premises of the facility. The plan must include:</p> <ol style="list-style-type: none"> 1. A management plan that will be used to monitor and manage dust of any derivation; and 2. Procedures for receiving and recording dust complaints, immediately investigating any dust complaints to determine the cause of dust emissions, and remedying promptly any dust problem at the facility.
6.9	Procedures for emergencies	<p>The operating plan must include procedures to be followed in case of fire or other emergency.</p>
6.10	Procedures for complaints	<ol style="list-style-type: none"> 1. The operating plan must establish procedures for recording and responding to complaints. 2. For every complaint (e.g. odor, dust, vibrations, litter) received, the licensee must record: <ol style="list-style-type: none"> (a) The nature of the complaint;

		<p>(b) The date the licensee received the complaint;</p> <p>(c) The name, address and telephone number of the person or persons making the complaint; and</p> <p>(d) Any actions taken by the licensee in response to the complaint (whether successful or unsuccessful).</p> <p>3. The licensee must make complaint records available to Metro upon request. The licensee must retain each complaint record for a period of not less than one year.</p>
6.11	Closure protocol	<p>The operating plan must include protocol for closing and restoring the site in the event the licensee ceases operations. The plan must include procedures for:</p> <ol style="list-style-type: none"> 1. Short term closure (more than seven consecutive days but less than 30 consecutive days in length); and 2. Long term closure (30 consecutive days or more in length).

7.0	FEES AND RATES	
7.1	Annual fee	The licensee must pay an annual license fee, as established in Metro Code Chapter 5.01. Metro reserves the right to change the license fee at any time by Metro Council action.
7.2	Rates not regulated	Metro does not regulate the tipping fees and other rates charged at the facility.
7.3	Metro regional system fee and excise tax	The licensee is liable for payment of the Metro regional system fee, as provided in Metro Code Title V, and the Metro excise tax, as provided in Metro Code Title VII, on all solid wastes delivered to a disposal site.

8.0	RECORD KEEPING AND REPORTING	
8.1	Record keeping requirements	For all materials the licensee is authorized to receive under Section 3.0, the licensee must keep and maintain complete and accurate records of the amount of those materials that the licensee receives, reloads, recovers for delivery for reuse or recycling markets, and disposes.
8.2	Reporting requirements	The licensee must report to Metro the records required under Section 8.1 no later than fifteen days following the end of each month in the form and format prescribed by Metro. The report must be certified as accurate by an authorized representative of the licensee.
8.3	DEQ submittals	If the licensee submits to DEQ any correspondence, exhibits or documents relating to the terms or conditions of the DEQ solid waste permit or this license, then the licensee must submit copies of that information to Metro within two business days of submitting it to DEQ.

8.4	Copies of enforcement actions provided to Metro	If the licensee receives any notice of violation or non-compliance, citation, or any other similar enforcement action related to the facility's operation from any federal, state or local government (other than Metro), then licensee must send copies of the enforcement action to Metro within two business days of receipt.
8.5	Unusual occurrences	<ol style="list-style-type: none"> 1. The licensee must keep and maintain accurate records of any unusual occurrences (such as fires or any other significant disruption) encountered during operation and methods used to resolve problems arising from these events, including details of all incidents that required implementing emergency procedures. 2. If a breakdown of the licensee's equipment occurs that will substantially impact the facility's ability to remain in compliance, or create off-site impacts, the licensee must notify Metro within 24 hours of the breakdown. 3. The licensee must report any facility fires, accidents, emergencies, and other significant incidents to Metro at (503) 234-3000 within 12 hours of the discovery of their occurrence.
8.6	Transfer of ownership or control	<ol style="list-style-type: none"> 1. The licensee must notify Metro within 10 days if the licensee leases, assigns, mortgages, sells or otherwise transfers the control of the facility to another person, whether whole or in part. 2. The term for any transferred license is for the remainder of the original term unless Metro establishes a different term.

9.0	INSURANCE REQUIREMENTS	
9.1	General liability	The licensee must carry the most recently approved ISO (Insurance Services Office) Commercial General Liability policy, or its equivalent, written on an occurrence basis, with limits not less than \$1,000,000 per occurrence. The policy must include coverage for bodily injury, property damage, personal injury, death, contractual liability, premises and products/completed operations. The licensee's coverage will be primary as respects Metro.
9.2	Automobile	The licensee must carry automobile bodily injury and property damage liability insurance with not less than a combined single limit of \$1,000,000.
9.3	Additional insureds	The licensee must name Metro, its elected officials, departments, employees, and agents as ADDITIONAL INSURED on the Commercial General Liability and automobile insurance policies.
9.4	Worker's compensation insurance	The licensee, its subcontractors, if any, and all employers working under this license, are subject employers under the Oregon Workers' Compensation Law and must comply with ORS 656.017, which requires them to provide Workers' Compensation coverage for all their subject

		workers. The licensee must provide Metro with certification of Workers' Compensation insurance including employer's liability. If the licensee has no employees and will perform the work without the assistance of others, a certificate to that effect may be attached in lieu of the certificate showing current Workers' Compensation.
9.5	Notification	The licensee must give at least 30 days written notice to Metro of any lapse or proposed cancellation of insurance coverage.

10.0	ENFORCEMENT	
10.1	Authority vested in Metro	At all times Metro retains the right to regulate, in the public interest the privileges granted by this license. Metro may also establish or amend rules, regulations or standards regarding matters within Metro's authority, and enforce all requirements against licensee.
10.2	No Enforcement Limitations	This license does not limit, restrict, curtail, or abrogate any enforcement provision contained in Metro Code or administrative rules adopted pursuant to Metro Code Chapter 5.01, nor does this license limit or preclude Metro from adopting ordinances that regulate the health, safety, or welfare of any person or persons within the district, notwithstanding any incidental impact that those ordinances may have upon the terms of this license or the licensee's operation of the facility.
10.3	Penalties	Metro Code Chapter 5.01 sets forth the penalties applicable if a licensee violates any license condition. Each day that a violation continues is a separate violation.

11.0	AMENDMENT, SUSPENSION AND REVOCATION	
11.1	Amendment	At any time during the term of the license, either Metro or the licensee may propose amendments to this license. Metro has the authority to approve or deny any amendments provided that the activities authorized in the amended license do not require a Metro Solid Waste Facility Franchise under Metro Code Chapter 5.01. An amendment pursuant to this section is not effective unless in writing and executed by Metro.
11.2	Suspension or revocation by Metro	Metro may, at any time before the expiration date, suspend or revoke this license in whole or in part, in accordance with Metro Code Chapter 5.01, for reasons including but not limited to: <ol style="list-style-type: none"> 1. Violation of the terms or conditions of this license, Metro Code, or any applicable statute, rule, or standard; 2. Changes in local, regional, state, or federal laws or regulations that should be specifically incorporated into this license; 3. Failure to fully disclose all relevant facts;

		<ol style="list-style-type: none"> 4. A significant release into the environment from the facility; 5. Significant change in the character of solid waste received or in the operation of the facility; 6. Any change in ownership or control, excluding transfers among subsidiaries of the licensee or licensee's parent corporation; 7. A request from the local government stemming from impacts resulting from facility operations; and 8. Compliance history of the licensee.
--	--	--

12.0	GENERAL OBLIGATIONS	
12.1	Compliance with law	<p>The licensee must fully comply with all applicable local, regional, state and federal laws, rules, regulations, ordinances, orders and permits pertaining in any manner to this license, including all applicable Metro Code provisions and administrative rules adopted pursuant to Chapter 5.01, regardless of whether those provisions are specifically mentioned or cited in this license.</p> <p>Any condition imposed on the facility's operation by federal, state, regional or local governments or agencies having jurisdiction over the facility is deemed part of this license as if specifically set forth in the license. These conditions and permits include those cited within or attached as exhibits to the license, as well as any existing at the time of the license's issuance but not cited or attached, as well as any permits or conditions issued or modified during the license term.</p>
12.2	Transport waste to authorized destinations	<p>The licensee must transport all solid waste to an authorized destination in accordance with Metro Code Chapters 5.01 and 5.05, and as under applicable local, state and federal laws, rules, regulations, ordinances, orders and permits.</p>
12.3	Right of inspection and audit	<ol style="list-style-type: none"> 1. Authorized representatives of Metro may take photographs, collect samples of materials, and perform any inspection or audit as the COO deems appropriate. The licensee must allow authorized representatives access to the premises of the facility at all reasonable times during business hours with or without notice or at such other times upon giving reasonable advance notice (not less than 24 hours). 2. Metro inspection reports, including site photographs, are public records subject to disclosure under Oregon Public Records Law. 3. Subject to the applicable confidentiality provisions in Section 12.4, Metro's right to inspect includes the right to review all information from which all required reports are derived, including all books, maps, plans, income tax returns, financial statements, contracts, and other similar written materials of the licensee that are directly related to the operation of the facility.

<p>12.4</p>	<p>Confidential information</p>	<ol style="list-style-type: none"> 1. The licensee may identify as confidential any reports, books, records, maps, plans, income tax returns, financial statements, contracts and other similar written materials of the licensee that are directly related to the facility operation and that are submitted to or reviewed by Metro. The licensee must prominently mark any information that it claims confidential with the mark "CONFIDENTIAL" prior to submittal to or review by Metro. 2. Metro will treat as confidential any information so marked to the extent allowed under Oregon law. Metro will make a good faith effort not to disclose the information unless Metro's refusal to disclose would be contrary to applicable Oregon law, including, without limitation, ORS Chapter 192. 3. This Section 12.0 does not limit the use of any information submitted to or reviewed by Metro for regulatory purposes or in any enforcement proceeding. In addition, Metro may share any confidential information with representatives of other governmental agencies provided that, consistent with Oregon law, those representatives agree to continue to treat such information as confidential and make good faith efforts not to disclose such information.
<p>12.5</p>	<p>Compliance by agents</p>	<p>The licensee is responsible for ensuring that its agents and contractors comply with this license.</p>
