Wait! Don't recycle that.

Recycle right by throwing these items in the trash. They aren't recyclable at work or home.

Wires, box strapping and electric cords

Takeout containers and utensils

Envelopes with bubble wrap inside

Square plastic snack containers

Batteries are hazardous and don't go in the trash or recycling. To find safe ways to dispose of them, visit oregonmetro.org/findarecycler

Test your recycling knowledge and learn how to sort other confusing items at **RecycleOrNot.org.**
