Title: Program Manager
Job Code: 0079
Pay Range: 21
FLSA Status: Exempt - Administrative

Employee Group: AFSCME 3580
Established: October 2019
Revised: NA
EEO Category: Professional

DESCRIPTION

Manage and administer an assigned program, which may include program design and development. Incumbents recommend and carry out policies and procedures with a focus in one or more programmatic areas. Program Managers use professional and organization expertise and acumen to advance agency program objectives.

DISTINGUISHING FEATURES

Program Managers plan, lead and are responsible for a program or multiple programs, or multiple components of an overall program.

The Program Manager recommends department policy, makes department commitments within their area of expertise and functions with little supervisory direction and guidance. Employees in this classification carry out responsibilities for mission-critical programs and projects that require initiative, independence, cultural competence and awareness of intergovernmental and community sensitivities and best practices in their area of influence. May provide lead direction to other professional staff.

DUTIES AND RESPONSIBILITIES

1. Develops and implements goals, objectives, strategies, policies, procedures and processes to advance program(s); develops, evaluates, and implements program revisions to improve practices and achieve agency objectives.
2. Advises management and staff on a variety of issues related to assigned programmatic area. Works with management to establish program priorities.
3. Builds strategic relationships with project and program stakeholders that could include community leaders, other governmental colleagues, internal organizational stakeholders and others, to advance program goals and outcomes, identify funding sources and leverage resources.
4. Analyzes, reviews, and develops administrative and programmatic systems and procedures, ensures effectiveness of programs and compliance with internal and external requirements.
5. Convenes, leads and participates in interagency and interdisciplinary committees, forums, task forces of associated organizations and foundations to develop strategies or advance program objectives.
6. Serves as primary point of contact for program(s). Develops communication strategies and tools to advance and clarify program objectives. Responds to public inquiries and concerns. Serves as subject matter expert for media.

7. Identifies and communicates information regarding services, programs, areas of opportunity, and/or other pertinent information as appropriate.
8. Reports on program progress to a variety of audiences which may include Metro Council, Metro senior management, Metro departments, affiliated advisory committees and work groups and partner organizations and agencies.
9. Represents Metro on local, state, and national committees and related groups; confers and collaborates with a variety of governmental agencies and other organizations to achieve program goals.
10. As project work may require: anticipates, develops, nurtures, maintains and recommends to management effective project and program relationships and agreements such as internal cross-organizational project teams and community partnerships.
11. Conducts ongoing evaluation of the efficacy of program, identifies potential obstacles to achieving outcomes and recommends new approaches as needed. Solicits public and partner input; adapts program as appropriate.
12. Liaise with other departments to provide information on available resources, programs, and/or services and to provide professional consultation and share expertise.
13. Collects and analyzes a variety of complex data to support program objectives. May develop methodologies, design computer applications, and produce data products to meet program goals.
14. May advocate for Metro priorities and policy objectives with elected and appointed officials and represent Metro at public events. May develop advocacy agenda.
15. May manage grant programs in assigned areas of responsibility; monitor compliance with grant conditions and terms, maintain intake and accountability procedures, evaluate grants for program applicability, maintain grant records, and/or performs other related activities.
16. May analyze, review and develop systems and procedures and ensure effectiveness and compliance with internal and external requirements.
17. May develop and manage consultant contracts.
18. May develop, implement, manage and monitor program budget. May conduct cost benefit analyses.
19. May develop and administer a variety of administrative documents, including: Requests for Proposals, Requests for Quotes, procedural guidelines and related documents.
20. Maintains, and exhibits discretion with, confidential and/or sensitive information.

It is the responsibility of all Metro employees to:

1. Actively participate on committees and/or attend meetings as assigned.
2. Fulfill Metro's core values of public service, excellence, teamwork, respect, innovation and sustainability. This includes, but is not limited to:
 - Build and maintain positive relationships and contribute to a positive team atmosphere; engage others in ways that foster respect and trust

- Encourage and appreciate diversity in people and ideas – seek to understand the perspectives of others
 - Provide excellent customer service – assist the public, public officials and agency partners, and other employees in a professional and courteous manner with the goal of meeting or exceeding expectations
