Construction begins: October 2021

Anticipated completion: June 2022

oregonmetro.gov

Tukwila Springs will provide 48 units of permanent supportive housing for low-income individuals earning 30% of the area median income (AMI) and below. All 48 units will be supported by project-based vouchers (PBVs) provided by HACC.

Tukwila Springs is the rehabilitation of a former congregate care facility originally constructed in 1967. The rehabilitated building will provide housing affordable to low income residents age 50 and older who are currently experiencing homelessness or at risk of becoming unhoused. Applicants will be referred through the county's Coordinated Housing Access (CHA) wait list.

Design and programming best practices identified in PSH training combined with the onset of the coronavirus pandemic helped inform the redevelopment strategy. The pandemic highlighted the need for resident autonomy and self-sufficiency. As redesigned, each unit will include a full private bathroom and a food prep area with a sink, refrigerator, and microwave.

Common area amenities include a community kitchen, a dining hall, a spacious community living room, a wellness room, exam room, a laundry room, indoor bike parking, management and services offices, and various meeting and conferences spaces. Outdoor amenities include a beautifully landscaped courtyard, outdoor seating areas, and a community garden for resident use.

Regular bus lines provide direct access to downtown Milwaukie, Clackamas Community College, Oregon City Transit Center, Clackamas Town Center and MAX Green and Orange Max lines.

Home Forward will provide property management and resident services. The Native American Rehabilitation Association (NARA) will provide culturally-specific supportive services.

Development program

Tukwila Springs will feature 48 units, all supported by project-based vouchers and supportive services.

Unit size (no. of bedrooms)	No. of units	AMI%	PBVs	Square feet/unit	Gross monthly rent/unit
SRO	8	30%	8	255	\$421
Studio	40	30%	40	280-390	\$421-\$562
Total	48		48
