Supervision Exercised:

None

Distinguishing Features:

The Administrative Specialist II is the second level of the administrative specialist classification series. Level II is distinguished from Level I by its level of responsibility and skills beyond the basic level. Level II is distinguished from level III by 1) performing more standardized program, project, and committee duties; 2) developing a full set of administrative skills and competencies; and, 3) increasing competency in Metro, departmental, and divisional practices and services.

Essential Functions:

An employee in this classification may perform any of the following duties. However, these examples do not include all the specific tasks that an employee in this classification may be expected to perform.

1. Performs and helps coordinate project, program, committee, and event services and activities, and is responsible for matters such as trackings, mailings, and problem-solving.
2. Assists with coordinating day-to-day activities with other departments, clients, council staff, or others.

METRO
