

2023 Regional Transportation Plan Coordinated project priority meetings

The Regional Transportation Plan (RTP) brings together city, county, regional and state transportation projects to create a list of priority projects for the greater Portland region. Agencies are working together to prioritize projects for the 2023 RTP draft project list. This document includes the meetings where agencies will discuss project priorities and finalize coordinated draft project lists.

Clackamas County

Clackamas County meeting information is available [here](#).

Clackamas Transportation Advisory Committee

- January 5, 2023: Discuss projects where there may be overlapping jurisdictional involvement and Oregon Department of Transportation and TriMet's Draft project lists.
