METRO -

This letter is in REGARDS to the attached FLIER CONCERNING Synergy ENVIRONMENTAL AND ITS REQUEST TO BE LICENCED TO CONSOLIDATE AND TRANSFER WASTE IN MY NEIGHBOR.

I WAS NOT ABLE TO LOCATE MORE INFO ONLINE - NOR WAS I ABLE TO SUBMIT A COMMENT ONLINE.

- OF PRIMARY CONCERN: PLEASE REQUIRE THAT ALL TRAFFIC TO/FROM THIS FACILITY USE JOHNSON CREEK BLVD ONLY. IF YOU ALLOW ACCESS USING SIDESTREETS, YOU'LL PUT THIS TRAFFIC THROUGH RESIDENTIAL NEIGHBORHOODS. PLEASE DON'T ALLOW THIS TO HAPPEN. EVER.
- NOISE: WILL THERE BE ANY LIMITS ON WHEN THEIR VEHICLES WILL OPERATE?

PLEASE DON'T allow GARBAGE
OR RECYCLING VEHICLES to
OPERATE 24 HRS A DAY.
SYNERGY ENVIRONMENT HAS
RESIDENTIAL NEIGHBORHOODS ON
ALL FOUR SIDES OF ITS FACILITY.
NOISE IMPACT MUST BE A
CONSIDERATION.

• WASTE INCINERATION - I DON'T
KNOW IF THIS IS PART OF THE
PLANNED LICENSING, BUT I DON'T
WANT BURNED WASTE SMOKE
SPewing OVER THE NEIGHBORHOOD.

THANKS FOR READING -

PLEASE SAFEGUARD MY ENVIRONMENT.
