Cedar Rising

SE Alexander Street - Aloha - BRIDGE Housing Corporation

Cedar Rising is an affordable housing complex developed by BRIDGE Housing Corporation in unincorporated Aloha. The development contains 81 affordable homes and one market rate manager's unit. Thirty-three apartments will be available for households with incomes at or below 30% of the area median income, and 61% of the units will be two-bedrooms or three-bedrooms. Building amenities include a laundry room, secure bike storage, community room on ground floor, garden plots and a playground. Residents will have access to 42 parking spaces.

Cedar Rising's site is near Tualatin Valley Highway, and the 57 frequent service bus line is within 300 feet. Grocery stores in the area include Philippine Market, Fruteria El Campesino and Viet & Thai Market. One-Stop urgent care and Kaiser Aloha Dental Care are also nearby. One half mile away is Tualatin Hills Nature Park, and Kinnaman Elementary, Mountain View Middle and Aloha High Schools are all slightly over one mile away.

BRIDGE Property Management will manage the project. Staff will establish face-to-face relationships with community leaders, culturally specific organizations, service providers, schools, churches, community centers, and others serving communities of color in Aloha and Washington County. These connections will be an important conduit for publicizing leasing opportunities.

BRIDGE is partnering with Hacienda CDC to provide resident services. For Hacienda, culturally specific and culturally responsive services are essential to eliminating structural, cultural and linguistic barriers and fostering a sense of safety and belonging. Hacienda will provide service coordination, housing stabilization management, after school programming, and early childhood education for tenants.

Development program

Cedar Rising is 82 units, 61% of which will be two-bedrooms or three-bedrooms.

Unit size (no. of bedrooms)	No. of units	AMI%	PBVs	Square feet/unit	Gross monthly rent/unit
