Nature, even better

You may notice changes afoot at Blue Lake. Thanks to voters, Metro is making your regional parks, trails and natural areas healthier, safer and more fun for all. Metro's Parks and Nature local-option levy allows Metro to restore habitat, add visitor amenities and improve maintenance at parks and natural areas across the region.

Park guidelines

- Reservations are necessary for picnic shelter areas and for groups of 25 or more; call 503-665-4995, option 0.
- Pets are not allowed in any of Metro’s parks or natural areas in order to protect wildlife.
- Metal detectors, firearms (including BB guns) and fireworks are prohibited.
- Fishing regulated by Oregon state laws. Children under 13 can fish without a license.
- Personal nonmotorized watercraft is allowed on the lake year-round.
- Alcohol, music and amplified sound is permitted only in designated areas with a park-issued permit and paid reservation.
- Campfires are not permitted. Barbecues are provided for cooking at designated picnic areas.
- Please do not disturb or remove landscaped plants and trees or any flowers in the park or demonstration garden.

Swimming guidelines

- Life vests and personal flotation devices are recommended. Never swim alone.
- Be aware that the shallow water in Blue Lake deepens quickly.
- Outdoor swimming in cold water saps body heat. Test the temperature and wade in slowly.
- Maintain constant supervision of children.
- Most importantly, if you feel uncomfortable in a specific area, trust your instincts and get out of the water.
