AGREEMENT between
METRO and the LABORERS' INTERNATIONAL UNION of NORTH AMERICA,
LOCAL NO. 483

THIS AGREEMENT, made and entered into by and between METRO, Portland, Oregon, its successors and assigns, hereinafter called the "Employer," and LABORERS' INTERNATIONAL UNION of NORTH AMERICA, LOCAL NO. 483, hereinafter called the "Union."

PREAMBLE:

The provisions of this Agreement shall be applied equally to all employees in the Bargaining Unit without discrimination as to race, color, religion, sex, national origin, age, marital status, familial status, gender identity, sexual orientation, veteran status, political affiliation, disability for which a reasonable accommodation can be made, or any other status protected by law. The Union shall share equally with the Employer the responsibility for applying this provision of the Agreement. Nothing in this section, however, shall be construed to prohibit actions taken because of bona fide job qualifications.

1. RECOGNITION:

- 1.1 The Employer recognizes the Union as the sole collective bargaining agent for all members of the Bargaining Unit, as identified in the wage schedules for LiUNA represented employees and employed by the Employer at the Oregon Zoo and Parks and Nature, excluding confidential employees, supervisory employees including first line supervisors, administrative employees, employees whose primary duties consist of security or guard functions.
- 1.2 No supervisor shall perform any of the work covered under this Agreement, except in cases of emergency. Emergency is defined as a situation beyond the control of the Employer, which the Employer could not anticipate, including but not limited to:
 - (a) Unanticipated situations where Bargaining Unit employees were contacted, but were not available for work, or:
 - (b) The Employer has made an unsuccessful attempt to contact Bargaining Unit employees at their current home number as listed with the Employer.

Emergencies shall not include those day-to-day situations which require immediate action which have been normally performed by Bargaining Unit employees. A supervisor may use tools or equipment and perform work when the objective is to show, explain or train employees in the proper performance of their work assignments.

- 1.3 No first line supervisor shall perform the work covered under this Agreement except under the following circumstances:
 - 1.3.1 In cases of emergency as defined in paragraph 1.2.

- 1.3.2 When the objective is to show, explain or train employees in the proper performance of their work assignments.
 - 1.3.3 To reacquaint themselves with methods and routines, to maintain knowledge, skills and abilities, expertise or certification, or an understanding of the work provided, as long as the work done does not replace a regular employee of the Bargaining Unit.
- 1.4 Except as provided in this Article, work performed by classifications covered by this Agreement shall be performed at rates and conditions herein established. Any work, which is performed by bargaining unit employees shall not be contracted out until Employer indicates that the contracting out will result in reduced costs. When contracting out work is being considered, Employer shall withhold taking such action to provide the Union a reasonable opportunity for discussion of this matter, including alternative methods of performing the work. Employer will provide all available cost comparison data to the Union based on uniform specifications. However, except for union contractors, available cost comparisons must include wage, health, welfare and pension costs equivalent to those contained in this agreement. The foregoing cost comparisons shall not apply to existing contracts and practices, including those that may be renewed. This does not, however, restrict the Employer from contracting out work previously subcontracted.
- 1.5 DEFINITIONS:
- 1.5.1 REGULAR EMPLOYEE:
Any employee who has completed the probationary period and works forty hours per week in a budget approved position, on a yearly basis in a job classification contained in the LIUNA Local 483 wage schedule.
 - 1.5.2 REGULAR PART-TIME EMPLOYEE:
Any employee who has completed the probationary period and works in a budget approved position in which the scheduled hours of work are less than forty hours per week but at least more than twenty hours per week and who work in a job classification contained in the LIUNA Local 483 wage schedule, and such employment re-occurs each year.
 - 1.5.3 VARIABLE HOUR EMPLOYEE:
Any non-regular status employee, whose period of employment will last no longer than 1040 hours in a fiscal year into a LIUNA variable hour position and is further defined in Schedule B.
 - 1.5.4 SEASONAL PARK WORKERS:
Seasonal Park Workers are a type of Variable Hour Employee and shall work no more than 1,200 hours in a fiscal year.

1.5.5 LIMITED DURATION EMPLOYEE:

An employee who is serving in a limited duration position as designated by management for a duration not less than three (3) months. Employees hired into a limited duration position serve a probationary period and are governed under the same terms of the contract as regular status employees unless otherwise specified in this agreement. Limited duration positions must be for a defined period of time and must be tied to a specific project and/or temporary funding source.

Upon employment, all limited duration employees will be informed of the date at which their limited duration position is anticipated to end. Employees will be promptly informed when the ending date of their limited duration position is extended or if it will be ended prior to the anticipated end date. The Union will receive notice when a limited duration position is hired.

Employees newly hired into limited duration LiUNA positions shall not be entitled to any layoff or seniority rights under this agreement until they have been employed continuously for one year in the limited duration position. At that time they will receive seniority back to their hire date in the classification they currently hold. If a regular LiUNA employee transitions to a limited duration position with a break in service of thirty days or less, the employee shall have layoff and seniority rights to the employee's former regular status LiUNA classification based on the employee's seniority in that classification.

It is not the employer's intent to fill current regular status positions with limited duration positions. Limited duration employees shall not be used to replace and/or diminish wages, hours, or other conditions of employment of existing bargaining unit employees, or in a manner that circumvents the appropriate establishment of regular status positions.

2. MANAGEMENT RIGHTS:

The Employer shall have and retain sole responsibility for the management and operation of the Zoo and Parks direction and control of its work force, facilities, properties, programs and activities, except as expressly limited by the terms of this Agreement. These rights include but are not limited to the following, and shall be consistent with other provisions of this contract:

- (1) Determination of Employer's mission, policies, and all standards of service offered to the public and other local governments;
- (2) Planning, directing, controlling and determining the operations or services to be conducted by employees of Employer;

- (7) To make, publish and enforce rules and regulations including personnel rules and policies that do not violate any specific provision of this Agreement;
- (8) To introduce new or improved methods, equipment or facilities;
- (9) To complete performance evaluations of employees as required; and
- (10) To classify, reclassify or merge positions as required.

Nothing in this clause is intended to supersede any right to negotiate mandatory subjects of collective bargaining as outlined in State or Federal law.

3. MAINTENANCE OF STANDARDS:

The Employer agrees that all conditions of employment in its individual operations relating to wages, hours of work, overtime differentials and general working conditions directly related to job performance shall be maintained at not less than the highest standards in effect at the time of the signing of this Agreement, except where those standards have been modified through collective bargaining. It is agreed that the provisions of this Article shall not apply to inadvertent or bona fide errors made by the Employer or the Union in applying the terms and conditions of this Agreement, if such error is corrected within ninety calendar days from the date of error. Any disagreement between the local Union and the Employer with respect to this matter shall be subject to the grievance procedure.

4. CLASSIFICATIONS:

- 4.1 All job classifications covered by this Agreement shall have a description of the duties and responsibilities made up by the Employer and available for inspection. Before classifying a newly created position or reclassifying or merging an existing position or positions, the Employer shall notify the Union and discuss the effect thereof.
- 4.2 Whenever the Employer creates a new classification which comes under the jurisdiction of the Union, or modifies the job duties of existing classifications, to trigger bargaining obligations under ORS 243.698, the Employer and the Union shall meet immediately to

negotiate a wage scale as a result of such changes. Simultaneously, the Employer will implement a wage scale for a new or substantially revised classification which will remain in effect subject to negotiations between the Employer and the Union. If negotiations result in an increase to the wage scale, the increase shall be effective back to the date the new or revised classification was implemented. If agreement is not reached, final wage scale determination will be made by a three-person panel consisting of one Employer selected representative; one Union selected representative, and one neutral party to be selected by mutual agreement between the Employer and the Union.

- 10.2 Employees transferred from one shift to another, unless relieved from work at least a full shift before starting their new shift, shall be paid the overtime rates for the first such new shift worked.
- 10.3 The second or swing shift shall be defined as any full shift which begins between 12:00 Noon and 6:59 p.m. An employee scheduled on the second or swing shift shall receive \$1.60 per hour in addition to their regular hourly rate. For ten-hour shifts, second shift shall be defined as any full shift which begins between 10 a.m. and 6:59 p.m.
- 10.4 The third or graveyard shift shall be defined as any full shift which begins between 7:00 p.m. and 5:59 a.m. An employee scheduled on the third or graveyard shift shall receive \$1.85 per hour in addition to their regular hourly rate.
- 10.5 Relief shifts shall be defined as:
- 10.5.1 Any workweek schedule which includes multiple shifts with a maximum of three (3) day shifts.
- 10.5.2 Employees regularly assigned to relief shifts shall receive the same shift premium rate as third shift in Article 11.4 in lieu of other shift premiums for all hours worked in the workweek.
- 10.6 Parks and Nature will minimize shift changes based on official park hours as far as practical in recognition of the impact such shifts have on employees.
- 10.7 The shift premium provided for by 10.3, 10.4 and 10.5 above shall not apply when regular staff are on vacation, or any other paid leave of absence, other than sick leave. The shift

premium provided for by 10.5 shall not apply to variable hour and seasonal employees.

10.8 Shift differentials shall be adjusted to reflect the annual increase on COLA reflected in Article 8, beginning fiscal year 2024.

11. OVERTIME:

11.1 OVERTIME RATE:

REGULAR EMPLOYEES

Overtime worked by hourly employees shall be paid at one and one (1.5x) half the employee's regular rate including any regular rate premiums. Overtime is time in a paid status over eight (8) hours per day or over forty (40) hours in one workweek. For employees working four (4) day workweeks, overtime is time in a paid status over ten (10) hours per day or over forty (40) hours in one workweek. The "workday" for purposes of calculating overtime for hourly employees is defined as the twenty-four (24) hour period beginning at 12:01 a.m. each day and ending at 12:00 midnight. The Employer may compensate for such overtime by time off (at a time mutually agreed upon) at the rate of one and one-half (1.5x) hours off for each hour of overtime to a maximum of sixty (60) hours in one year worked.

REGULAR PART-TIME EMPLOYEES

Overtime at the rate of one and one-half (1.5x) times an employee's established hourly rate, shall be paid for all time worked outside of or in excess of an employee's established shift hours and on the employee's sixth and seventh day of work in any week and on holidays, provided, however, that the Employer may compensate for such overtime by time off (at a time mutually agreed upon) at the rate of one and one-half (1.5x) hours off for each hour of overtime to a maximum of sixty (60) hours in one year worked.

Regular part-time employees active on Employer's payroll on July 1 of each fiscal year will receive \$125, in each fiscal year they remain active on Employer's payroll in a regular part-time covered position covered under this agreement.

Application of the overtime section shall not be construed to provide for compensation for overtime at a rate exceeding time and one-half or to affect a "pyramiding" of overtime. All overtime shall be compensated in compliance with requirements under the Fair Labor Standards Act (FLSA).

11.2 ASSIGNMENT OF OVERTIME:

Overtime, as determined by management, will be offered in order of the most senior qualified employee(s) by classification within the work unit. If overtime is declined by all eligible employees, it will be assigned to the lowest senior most qualified employee, as determined by management.

For Zoo, if overtime is declined by all eligible employees, it will be assigned to the

qualified employee(s), with the least seniority, s determined by management.

For Parks and Nature, if overtime is declined by all eligible employees within the work unit, it will be offered in order of the most senior qualified employees outside the work unit. If there is no interest, it will be assigned to the qualified employee(s) with the least seniority within the work unit, as determined by management.

Work Unit, as discussed in this Article, shall be defined as follows:

Oregon Zoo	
• Africa	• Admissions
• Birds	• Animal Health
• Condors offsite	• Cash Office
• Elephants	• Events and Warehouse
• Marine Life	• Facilities
• North America	• Horticulture
• Primates	• Railroad
• Late Keepers and Rovers	• Animal Nutrition
• Invertebrates	• Custodial
	• LSS and HVAC
Parks and Nature	
• Natural Areas Land Management	
• Blue Lake	
• Oxbow	
• Historic Cemeteries and Nature Parks North	
• Historic Cemeteries and Nature Parks South	
• Parks Maintenance	

11.3 RECORD OF OVERTIME HOURS:

A record of overtime hours worked by each employee shall be maintained in each Work Unit for each month and such information shall be posted. An employee who wishes additional or less available overtime shall review the matter with their immediate supervisor and Union representative.

11.4 OVERTIME HOURS:

Employees required to work around the clock, without an eight-hour rest period prior to the start of their next assigned shift and required to continue to work any part of their regular assigned shift shall continue to receive pay at the overtime rate for those hours worked. The overtime hours earned due to an insufficient rest period shall be counted toward the forty-hour workweek when calculating overtime outside of 11.4, regardless of pyramiding over overtime.

12. REPORTING PAY AND MINIMUM PAY:

12.1 Any Regular employee who is scheduled to report for work on their scheduled shift and who presents themselves for work as scheduled, but where work is not available or made available for them, shall be paid at their regular rate for the duration of their regular shift.

12.1.1 Above shall not apply to Regular Part-Time employees whose minimum guarantee shall be four (4) hours.

12.2 Any regular employee who clocks out and is called to return to work immediately, or before the employee's next work shift, shall be paid for a minimum of four (4) hours at the rate of one and one-half times the regular rate. However, when any regular employee is required to work in excess of eight (8) hours in any workday, and the excess time is adjacent to the employee's regular work schedule, the employee will be paid time and one-half only for the time worked in excess of eight (8) hours.

12.2.1 Employees who agree to return to work after their regular shift for the purpose of pre-arranged training, meetings, animal care assignments or medical certification will receive pay at the overtime rate for the actual time at work and for not less than one hour.

12.3 Any regular employee required to work a split shift shall be paid at the rate of time and one-half for not less than eight hours of such shift (exclusive of any overtime worked in addition thereto). Time worked on the employee's sixth or seventh day shall not be covered by this paragraph.

12.4 Upon determination by the Zoo Director or Parks and Nature Director, or the Zoo or Parks and Nature Director's designee, of inclement weather conditions and such determination results in the decision to close the Oregon Zoo or the Parks and to send the staff home before the end of their normal shift, those employees required by Management to stay on the job shall receive one hour travel pay.

When the relevant director or designee has determined that inclement weather conditions exist and the worksite has been closed, employees required to work will receive pay at the overtime rate on all hours worked with a minimum of four (4) hours paid at the overtime rate.

13. SENIORITY:

13.1 Seniority shall be computed for date of hire or entry into a LiUNA classification with the Employer. Seniority shall be calculated based on continuous service in any LiUNA classification unless otherwise specified in this agreement. The Employer shall provide the Union a seniority list showing the continuous service of each employee. This list will be furnished to the Union on August first of each year and the Employer shall notify the Union by written communication immediately upon any change therein.

- 13.2 If two (2) or more employees were employed in any LiUNA classification on the same day, seniority shall be determined by their order of hire by the Employer's records.
- 13.3 Any employee who voluntarily quits, is discharged, or who does not return to work from a leave of absence, as provided for in this Agreement, will forfeit all seniority rights with the Employer. Seniority shall continue and accumulate on the following basis:
- 13.3.1 During a lay off.
- 13.3.2 Any authorized leave of absence in which an employee continues their pay status.
- 13.3.3 During a military leave of absence as provided for by law.
- 13.3.4 Up to one (1) year because of leave of absence caused by personal sickness or injury. However, an employee who has not returned to work within the one-year period shall have their seniority frozen and shall accumulate no further seniority provided they have requested to return to work as provided in 22.2.3.
- 13.3.5 Up to eighteen (18) months for an industrial accident. (See also 22.3.6)
- 13.3.6 Up to ninety (90) working days for a personal leave of absence.
- 13.3.7 Up to one (1) year for an educational leave of absence.
- 13.3.8 During an authorized leave under OFLA/FMLA.

14. VACANCIES:

For the purposes of this Article, a qualified employee is an employee who is qualified by knowledge, skill, and experience, and is physically able to perform the job. The parties recognize the desirability of preferring qualified employees.

An employee filling a vacancy shall work the work schedule specified for such job. If the Employer makes an assignment from the first consideration, the assignment will be made within thirty calendar days after the bid is closed.

The name and seniority of the employee assigned to the job shall be posted and a copy given to the Union. Upon request of any applicants, the Employer shall submit in writing to the concerned applicants the reasons for their choice with a copy to the Union.

- 14.1 When a vacancy occurs in a regular job, the Employer shall first follow the LiUNA Bid Process prior to proceeding with a general recruitment to fill the vacancy.

All vacancies within the Bargaining Unit under this Article shall be posted in the work location of the affected employees. Such job opportunities shall be posted for a period of seven (7) working days. Employees shall bid in writing on such opportunities according to the provisions of this Section and such bid shall be made no later than the eighth (8th) working day after the first day of posting. The Employer will make a good faith effort to appoint from within, which may include conducting a formal interview to gather additional information, prior to proceeding with a general recruitment to fill the vacancy.

14.1.1 THE LiUNA BID PROCESS

The LiUNA Bid process for vacant or newly established positions will follow the following steps. There will be one bid announcement for considerations one through three:

1. The job posting limited to benefitted Union members shall be first, and shall include:

a. First consideration shall be given to regular full time or part time employees and limited duration employees in the current classification and job family at the work unit and will be based on seniority within classification.

For animal keeper vacancies, animal keepers not currently assigned to the animal specific unit where the vacancy resides must demonstrate their qualifications. If there are two (2) or more qualified keepers, the vacancy will be determined by seniority in the Animal Keeper classification or job family.

b. Second consideration shall be given to regular full time or part time employees and limited duration employees within the Union who are qualified by knowledge, skill, and experience, as demonstrated through an application and screening process and are physically able to perform the job. Should the hiring manager determine that the employee does not possess the qualifications and knowledge, skills, abilities for the vacant position, the hiring manager may elect to move to the next step in the bid process.

c. Third consideration shall be given to probationary, variable hour, and seasonal employees within the union who are qualified by knowledge, skill, and experience as demonstrated through an application and screening process and are physically able to perform the job. Should the hiring manager determine that the employee does not possess the qualifications and knowledge, skills, abilities for the vacant position, the hiring manager may elect to move to the next step in the bid process.

2. If the vacancy is not filled at the third consideration, prior to opening an external recruitment for a vacancy represented by the Union, the hiring manager will review the unit's workload needs to determine if the vacancy should be announced for internal applications first.

3. If the position is not filled by the bid process or through an internal recruitment, the hiring manager will conduct an external recruitment.

14.2 Work Unit, as discussed in this Article, shall be defined as follows:

14.3 PROBATION AND PROMOTIONS:

14.3.1 INITIAL PROBATIONARY PERIOD

The first one hundred and eighty (180) calendar days of a person’s appointment to a new or promotional position. This is a continuation of the recruitment/selection process during which an employee is required to demonstrate fitness for the position to which the employee is hired or promoted. The probationary period is for the Employer’s internal screening process only and does not confer any form of tenure or other expectation of continued employment. Employees serving their initial probationary period have all rights outlined by this collective bargaining agreement, unless otherwise specified in this agreement. (See also Articles 17.6, 18.1, 18.3, and 25.3).

14.3.2 PROMOTION UPON COMPLETION OF PROBATION

14.3.2.1 Promoted employees, and employees moving to a classification in a different job family (e.g., Maintenance Worker I to Park Ranger), shall serve a one hundred and eighty (180) calendar day probationary period. The probationary period shall be used by the Employer as an evaluation period in which the Employer will make written evaluation to the employee at the completion of ninety (90) calendar days of their probationary period, and at the completion of their probationary period.

14.3.2.2 Any employee who is promoted and fails to complete probation for the new position shall be returned to their former classification, without recourse to the grievance procedure, with all rights and

conditions of employment they had in their former classification, under the following conditions:

- a. Reason for failure to complete probation wasn't due to misconduct or policy violations (i.e. discrimination/harassment, misappropriation of Employer resources, funds, drug and alcohol, theft, workplace violence) which would affect the employee's success in the former classification, and
- b. The employee passed initial probation in their former classification.

14.3.3 Within one hundred and eighty (180) calendar days of promotion, any employee may elect to return to their former classification with no loss of rights and conditions of employment; provided a vacancy exists in the employee's former classification within six months of the promotion and the employee passed probation in their former classification.

Classifications within the same job family, as discussed in this Article, shall be defined as follows:

3004 Guest Services Worker 3021 Admissions Lead	0465 Horticulturist 0467 Senior Horticulturist	0468 Arborist

15. WORKING OUT OF CLASS

15.1 Work-out-of-class should be assigned in writing where possible.

15.1.1 If an employee believes they are working out of class, they can approach their supervisor at the first reasonable opportunity to discuss why or why not the assignment qualifies for WOC. (i.e. a discussion about whether the work being completed is contained in another class specification, etcetera).

15.1.2 Incidental assignments do not qualify for work-out-of-class pay.

- 15.1.3 Working out of class shall be paid the next highest monetary step in the new assignment which allows for at least a five (5%) percent increase in wage for the out-of-class assignment.
- 15.1.4 For Keeper staff, if a Senior Keeper is on leave for six (6) or more consecutive days, an employee will receive working out of class pay for hours worked from the first day of the Senior Keeper's absence.
- 15.1.5 If assigned to the duties and responsibilities of a higher classification at the beginning of the employee's shift, they shall receive the higher rate for a minimum of four (4) hours, but if more than four (4) hours they shall receive eight (8) hours. If an employee is assigned after the beginning of the shift and works four (4) hours or less they shall receive a minimum of four (4) hours at the higher rate, and if they work more than four (4) hours, they shall be paid the higher rate for the balance of the shifts.
- 15.1.6 When it is necessary to work employees in a lower classification, the Employer shall pay the employee their regular rate for their regular classification.

16. REDUCTIONS IN FORCE:

- 16.1 When a reduction in force occurs, employees shall be laid off by seniority within the classification with the least senior person being laid off first. An employee so removed shall be entitled to work in a lower classification in which they have held Regular status in the order of their seniority in that classification in the Zoo and Parks and Nature.

16.1.1 No lay-offs or reduction to a lower classification shall be executed as long as there are variable hour employees, Seasonal employees, or work release employees serving within the affected classifications covered by this Agreement.

16.2 SENIORITY LISTS:

16.2.1 The Parks and Nature and Zoo departments shall have separate seniority lists by classification. These lists shall be used in the event that a reduction in force or resultant recall is deemed necessary. Employees may not bump another employee within classification or to a lower classification across departments. If a vacancy exists at the Parks and Nature or Zoo departments, the laid-off employee may bump or be recalled to that position. For recalls, an employee may be recalled to a different department if no-one from that department is on a lay-off list.

16.3 RECALL:

16.3.1 The Employer shall recall laid off employees on a strict seniority basis for the classification from which the employee was laid off.

16.3.2 On recall of laid off employees, the Employer shall notify the employee by certified letter, with a copy to the Union, mailed to their last known address. The employee shall have five (5) days to report their intentions to the Employer and shall report to work within two (2) weeks after notification by the Employer or as mutually agreed. Failure to accept recall to work will terminate any rights for reemployment.

16.3.3 The rights to recall shall continue for two (2) years from the date of lay-off and then be terminated.

16.4 USE OF VOLUNTEERS DURING LAYOFFS:

16.4.1 In the event of a layoff, the employer shall not replace bargaining unit employees with volunteers. A layoff cannot be implemented if either department engages volunteers who are serving within the affected classification more than 1,000 hours per budgeted FTE for that classification. If a layoff is to occur within the affected classification, volunteer hours must be reduced to 1,000 hours per fiscal year per remaining FTE before affecting a layoff. (e.g. if one gardener of the seven gardeners is laid off, the volunteer program can only be a total of 6,000 hours per fiscal year).

The volunteer limitation of this agreement does not apply to large one or two-day volunteer projects. (e.g. Nike Volunteer Project), nor does it apply to the Zoo Lights program.

17. VACATIONS:

All Regular status, Probationary and Limited Duration employees shall receive vacations with pay as follows:

17.1 ACCRUALS:

Vacation leave for employees shall be computed on base wages which include sick, vacation, personal, holiday leave and comp time used during each pay period. An employee's anniversary date for the purpose of accruing annual vacation leave is based on continuous service from the date of hire into an Employer benefit eligible position.

Total Continuous Years of Service	Accrual Per Hours Paid	Vacation Leave Per Year (Equivalent Annual Hours for Full-Time Employees)
Date of hire through completion of 3 years	.0577 hours	120 hours
4 years through completion of 7 years	.0692 hours	144 hours
8 years through completion of 10 years	.0808 hours	168 hours
11 years through completion of 13 years	.0923 hours	192 hours
14 years plus	.1038 hours	216 hours

17.2 An employee's vacation is deemed earned at the end of each pay period pursuant to Article 8.

17.2.1 In computing vacation "total continuous years of service" as used in 17.1 above: Includes time taken while on leave of absence with pay or military service without pay.

17.2.2 Includes absence because of an on-the-job injury up to eighteen months.

17.3 Employees shall continue to earn vacation credit for:

17.3.1 A period of one (1) year because of an absence caused by an on-the-job injury where an employee continues their paid status with the Employer.

17.3.2 Any authorized leave of absence where an employee continues their paid status with the Employer.

Employees shall not accumulate more than four hundred (400) hours of vacation leave. Additional hours that would have accrued at the rates in this Agreement shall be forfeited unless a denial of vacation request, that was submitted at least three (3) months prior to reaching the maximum accrual, prevents an employee from avoiding the four hundred (400) hour maximum. If denial of a vacation request prevents an employee from avoiding the four hundred (400) hour maximum, the employee shall be paid at regular rate for those hours over four hundred (400). Employees who have over the maximum of four hundred (400) hours upon ratification, may elect to receive a one-time payout at regular rate, within thirty (30) calendar days of ratification, for those hours in excess of four hundred (400).

It is the expectation of Employer that an employee monitors and manages their leave accruals to prevent forfeiting hours in excess of the maximum accrual.

17.4 Whenever an employee who has completed probation ends employment, the employee's accrued and unused vacation hours shall be paid in accordance with state law.

17.5 Work Unit, as discussed in this Article, shall be defined as follows:

17.6.1 Vacation requests shall be submitted through the electronic timekeeping system. Supervisors or their designees shall approve vacation for their respective staff on a first come first served basis with consideration for employees with proximity to max accruals, seniority, staff input and for the work requirements of the department.

17.6.2 Vacation selection for employees in the Animal Area Work Units shall be determined as follows:

- a) Employees may exercise their seniority for one (1) continuous vacation selection, up to a maximum of four (4) weeks, to be taken between April 1 of that year and March 31 of the following year.
- b) Employees are permitted to rescind their selection in full or in portions as long as the final selection remains one (1) consecutive time span.
- c) Selections shall be made within the Work Unit (as defined in 17.5), by seniority. Employees within a Work Unit will submit their preferred selection through the electronic timekeeping system by February 10. Selections submitted after February 10 will be treated as outlined in 17.6.1. Vacation requests shall be submitted through the electronic timekeeping system unless an alternative method is requested by the supervisor or their designee.
- d) Subsequent vacation requests will be subject to the approval process outlined in 17.6.1.

Vacation schedules may be amended to allow the department to meet emergency situations. Vacation requests more than thirty (30) working days in advance shall not be arbitrarily denied or amended without demonstration of conflict with a prior request, operational need, or a bona fide work emergency. For Animal Keepers, the supervisor may utilize qualified cross trained employees to cover vacation requests.

Approval of vacation leave shall be provided in a timely manner. Requests that are older than fourteen (14) calendar days without denial shall be presumed to be approved.

Scheduled vacations may not be taken if vacation accruals are unavailable or insufficient at the time of leave.

After completion of six (6) months service, each employee covered by the terms of this Agreement shall have two (2) personal holidays per fiscal year. The Personal holidays shall be arranged upon reasonable notice and by mutual agreement between the employee and the supervisor. Personal holiday requests will not be unreasonably denied. Personal holidays not taken within the year accrued will be forfeited.

Any variable hour employee, who has been employed with Employer for more than 1040 hours in a Union represented position, will be eligible for one personal holiday of eight (8) hours. Each subsequent year of employment, upon completion of more than 240 hours worked in the preceding fiscal year, the employee will be eligible for one (1) Personal holiday of eight (8) hours each fiscal year. For purposes of this section, a Personal holiday is any day chosen by the employee and approved by the supervisor which would otherwise be a regular scheduled workday. Personal holidays not taken within the fiscal year accrued will be forfeited.

However, in emergency situations where an employee is unable to procure prior approval for such absence they may submit a written request for holiday pay, stating the reason for their absence, to the Director of their designee. If the Director or their designee Director considers the reason for the absence excusable, the holiday pay shall be paid.

18.3 PART TIME EMPLOYEES:

Holiday eligibility will be pro-rated based on the average actual scheduled hours worked within the preceding pay period, or for the hours actually worked on the holiday, with the exception that personal holiday eligibility will be pro-rated based upon the employee's full-time equivalent (FTE) status.

A Regular Part-Time employee shall be entitled to receive personal holiday pay only upon completion of six (6) consecutive calendar months in which such employee works eighty (80) hours or more per month.

18.3.1 Notwithstanding any other provision of this Article, Regular Part-Time employees shall be eligible for paid holidays only if working on a regularly scheduled basis. Regular Part-Time employees who accept on-call work on holidays will be paid, at the overtime rate, only for time worked.

18.4 HOLIDAYS FALLING ON WEEKEND:

Whenever one of the above listed holidays falls on Saturday, the Friday before or the Monday following said holiday shall be considered as a holiday and paid for as such. Whenever a holiday falls on Sunday, the following Monday shall be deemed a holiday and paid for as such. The Employer shall have the option to schedule employees off for that holiday on either of such days in accordance with operational needs. As to any employee who is not given either the preceding Friday or the following Monday off as a holiday, the preceding Friday shall be deemed the holiday. Those jobs which operate seven days per week and/or twenty-four hours per day will observe Christmas on December 25, New Year's Day on January 1, and Independence Day on July 4 .

18.5 HOLIDAYS FALLING ON DAY OFF:

If an employee is scheduled to work on a holiday, they will be permitted to defer the holiday with regular pay until a later date. An employee under this section can accumulate no more than five deferred or postponed holidays. Deferred or postponed holidays will be taken at a time mutually agreeable to the supervisor and the employee. Prior to the use of any vacation time, any deferred or postponed holiday time must be taken. The employee will endeavor to schedule the deferred or postponed holiday within the fiscal year it accrues.

18.7 IF SICK ON HOLIDAY:

If an eligible employee is on sick leave and a holiday is observed, they shall be paid for such holiday, and it shall not count against their accumulated sick leave.

Employer sponsored health coverage will include medical, dental and vision coverage for the employee and their dependents. Employer sponsored Welfare coverage will include long-term disability, accidental death and dismemberment, life and dependent life insurances.

19.3.1 Employer agrees to pay an amount not to exceed \$150 per month to regular full-time employees and a pro-rated amount equivalent to their FTE status for those in less than full-time positions, who provide proof of other medical coverage and who opt out of medical coverage through Employer. Employer shall determine the amount offered to employees for opt-out based on contracts with insurance carriers, financial consideration, and health insurance plan designs.

19.3.2 If Employer does not voluntarily change plans, rather the health insurance carrier or benefits administrators change terms of a plan during the life of the contract, Employer and the Union agree to accept those changes or go to the next best available plan until such time as the JLMC for Health Benefits can be reconvened and make a recommendation. The parties agree to meet at the earliest possible date and discuss that portion of the contract. At no time shall Employer operate outside of the health insurance plan structure which it is offering employees.

19.4 Life insurance, dependent life, accidental death and dismemberment and long-term disability coverage shall be provided to all employees who enroll in the Employer plan. There shall be no lockouts on the part of the Employer, nor suspension of work on the part of the employees. This Agreement is a guarantee that for the duration of the Agreement there will be neither strikes nor lockouts, and that all complaints, grievances or disputes arising under its provisions will be settled pursuant to its grievance procedure.

28. SAVING CLAUSE:

Should any part hereof or any provision herein contained be rendered or declared invalid by reason of any existing or subsequently enacted legislation or by any decree of a court of competent jurisdiction, such invalidation of such part or portion of this Agreement shall not invalidate the remaining portions hereof; provided, however, upon such invalidation the parties agree immediately to meet and negotiate such parts or provisions affected. If an employee leaves Employer service before Employer fully recovers the overpayment, the remaining amount may be deducted from the employee's final check.

29.1.2 An employee who disagrees with Employer's determination that an overpayment has been made to the employee may grieve the determination through the grievance procedure. No collection will be made until a determination is made on the grievance.

This does not waive Employer's right to pursue other legal procedures and processes to recoup an overpayment made to an employee at any time.

29.2 UNDERPAYMENTS:

29.2.1 In the event an employee does not receive wages or benefits to which the record/documentation has for all times indicated the employer agreed the employee was entitled, Employer shall notify the employee in writing of the underpayment.
