

Bring Your Own (BYO) Container!

It's easy and helps reduce waste.

We're now accepting your clean, reusable cups and containers for over-the-counter items like deli foods, prepared meals, meat, seafood, and cheese, bulk goods and beverages – thanks to a new Oregon law.

How BYO works:

- 1 Bring clean, reusable food-safe containers or cups.
- 2 Fill them with your chosen foods or drink.
- 3 Enjoy – without the waste!
