## 2023 REGIONAL TRANSPORTATION PLAN

### JPACT and Metro Council Workshop Series

A series of monthly in-person workshops will take place for JPACT members or alternates and the Metro Council to discuss critical elements of the 2023 Regional Transportation Plan.

Due to COVID-19, non-essential staff and members of the public are invited to observe via an online livestream on YouTube. Phone call-in options are not available. Find the workshop livestream information at [oregonmetro.gov/calendar](https://oregonmetro.gov/calendar)

Find out more about the plan update at [oregonmetro.gov/rtp](https://oregonmetro.gov/rtp).

1

#### Updating Our Vision and Goals for the Future of Transportation

Discuss our vision and goals for the future of transportation

*Outcome: Provide feedback on updating the vision and goals for the transportation system serving greater Portland*

June 30,  
2022

2

#### Developing Regional Congestion Pricing Policy

Discuss proposed regional congestion pricing policies that build on findings and recommendations from Metro's Regional Congestion Pricing Study

*Outcome: Provide feedback on draft policies for congestion pricing in the region*

July 28,  
2022  
7:30-9:30  
a.m.

3

#### Creating Safe and Healthy Arterials

Explore regional challenges and opportunities for making our major streets safe and healthy for everyone

*Outcome: Provide feedback on addressing the challenges of major streets in the RTP update*

Aug. 25,  
2022  
7:30-9:30  
a.m.

4

#### Strengthening the Backbone of Regional Transit

Explore options for advancing our high capacity (fast, reliable) transit vision

*Outcome: Provide feedback on corridors to be considered for high capacity transit investment, including which are most important today and in the future*

Sept. 29,  
2022  
7:30-9:30  
a.m.

5

#### Working Together to Tackle Climate Change

Discuss progress implementing the region's adopted Climate Smart Strategy

*Outcome: Provide feedback on policies and investments needed to significantly reduce carbon emissions from our transportation system*

Oct. 27,  
2022  
7:30-9:30  
a.m.
