Metro, ODOT and Fehr&amp;Peers worked on an equity assessment that will help TSMO leadership, stakeholders and project management staff craft a vision, goals, policies and a work plan that assesses equity throughout. We are testing out the draft assessment by thinking through example actions and technologies. Please check out the draft (attached one-page overview and one-page decision tree) before we meet.</i>	Caleb Winter (Metro) / Chris Grgich (Fehr&Peers) (All)
