- **Unpredictable procedure – reviewed the controls over employee purchasing cards.**

Communication with Those Charged with Governance

Our Responsibility Under U.S. Generally Accepted Auditing Standards and Government Auditing Standards

1

To express our opinion on whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, and in accordance with U.S. GAAP. However, our audit does not relieve you or management of your responsibilities.

2

To perform an audit in accordance with generally accepted auditing standards issued by the AICPA and Government Auditing Standards issued by the Comptroller General of the United States, and design the audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement.

3

To consider internal control over financial reporting and internal control over compliance as a basis for designing audit procedures but not for the purpose of expressing an opinion on its effectiveness or to provide assurance concerning such internal control.

4

To communicate findings that, in our judgment, are relevant to your responsibilities in overseeing the financial reporting process and administering federal awards. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope & Timing of the Audit

It is the auditor's responsibility to determine the overall audit strategy and the audit plan, including the nature, timing and extent of procedures necessary to obtain sufficient appropriate audit evidence and to communicate with those charged with governance an overview of the planned scope and timing of the audit.

Our Comments

The planned scope and timing of the audit was communicated to the Audit Committee during the audit entrance meeting on June 27, 2018.

Significant Accounting Policies & Unusual Transactions

The auditor should determine that the Audit Committee is informed about the initial selection of and changes in significant accounting policies or their application. The auditor should also determine that the Audit Committee is informed about the methods used to account for significant unusual transactions and the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Our Comments

Management has the responsibility for selection and use of appropriate accounting policies. The significant accounting policies used by Metro are described in the footnotes to the financial statements. Throughout the course of an audit, we review changes, if any, to significant accounting policies or their application, and the initial selection and implementation of new policies. There were no changes to significant accounting policies for the year ended June 30, 2018; however, Metro did adopt the following accounting policy:

GASB Statement No. 75, Accounting and Financial Reporting for Post employment Benefits other than Pensions

We believe management has selected and applied significant accounting policies appropriately and consistent with those of the prior year.

Management Judgments & Accounting Estimates

The Audit Committee should be informed about the process used by management in formulating particularly sensitive accounting estimates and about the basis for the auditor's conclusions regarding the reasonableness of those estimates.

Our Comments

Management's judgments and accounting estimates are based on knowledge and experience about past and current events and assumptions about future events. We apply audit procedures to management's estimates to ascertain whether the estimates are reasonable under the circumstances and do not materially misstate the financial statements.

We deemed all significant management estimates reasonable.

Management Judgments & Accounting Estimates

Our views about qualitative aspects of the entity's significant accounting practices, including accounting policies, accounting estimates, and financial statement disclosures.

Our Comments

The disclosures in the financial statements are clear and consistent. Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. We draw your attention to the following:

Note D – Summary of Significant Accounting Policies

Note G – Pension Plan

Note H – Other Postemployment Benefits

Note I – Commitments and Contingencies

Note K – Bonds Payable

Difficulties Encountered in Performing the Audit

The Audit Committee should be informed of any significant difficulties encountered in dealing with management related to the performance of the audit.

Our Comments

No significant difficulties were encountered during our audit.

Significant Audit Adjustments & Unadjusted Differences Considered by Management To Be Immaterial

The Audit Committee should be informed of all significant audit adjustments arising from the audit. Consideration should be given to whether an adjustment is indicative of a significant deficiency or a material weakness in Metro's internal control over financial reporting, or in its process for reporting interim financial information, that could cause future financial statements to be materially misstated.

The Audit Committee should also be informed of uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented that were determined by management to be immaterial, both individually and in the aggregate, to the financial statements as a whole.

Our Comments

There were no corrected audit adjustments.

There were two uncorrected audit adjustments: The first adjustment was proposed to correct the over recognition of depreciation expense in the Zoo fund during the current year totaling \$4.8 million. The second adjustment was proposed to correctly recognize depreciation expense in the Solid Waste fund during the current year totaling \$1.0 million.

Potential Effect on the Financial Statements of Significant Risks & Exposures & Uncertainties

The Audit Committee should be adequately informed of the potential effect on the financial statements of significant risks and exposures and uncertainties that are disclosed in the financial statements.

Our Comments

Metro is subject to potential legal proceedings and claims that arise in the ordinary course of business, which are disclosed in the notes to the financial statements.

Disagreements with Management

Disagreements with management, whether or not satisfactorily resolved, about matters that individually or in the aggregate could be significant to Metro's financial statements, or the auditor's report.

Our Comments

We are pleased to report that there were no disagreements with management.

Deficiencies in Internal Control

Any material weaknesses and significant deficiencies in the design or operation of internal control that came to the auditor's attention during the audit must be reported to the Audit Committee.

Our Comments

- **Material weakness**
 - None noted
- **Significant deficiencies & non-compliance**
 - Capital assets
 - Payroll
- **Current year best practice recommendations**
 - Accounts receivable allowance
 - Purchasing card controls
- **Prior year best practice recommendations**
 - Unrecorded accounts payable – resolved
 - Account reconciliations – resolved
 - Accounts receivable allowance – not resolved

Management's Consultation with Other Accountants

In some cases, management may decide to consult about auditing and accounting matters. If management has consulted with other accountants about an auditing and accounting matter that involves application of an accounting principle to Metro's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts.

Our Comments

We are not aware of any significant accounting or auditing matters for which management consulted with other accountants

Other Material Written Communications

Report to the Audit Committee significant written communications between the auditor and client management.

Our Comments

Other than the contract, management representation letter, and the management letter, there have been no other significant communications.

Material Uncertainties Related to Events & Conditions

Any doubt regarding the entity's ability to continue, **as a going concern**, should be communicated to the Audit Committee.

Our Comments

No such matters came to our attention

Fraud & Noncompliance with Laws and Regulations

Fraud involving senior management and fraud (whether caused by senior management or other employees) that causes a material misstatement of the financial statements should be communicated. We are also required to communicate any noncompliance with laws and regulations involving senior management that come to our attention, unless clearly inconsequential.

Our Comments

We have not become aware of any instances of fraud or noncompliance with laws and regulations.

Information Technology Overview

Scope and Results for 2018

Scope

- PeopleSoft Financials
- PeopleSoft Human Resource Management
- Ungerboeck Event Management (EBMS)

Results

DEVELOPER ACCESS TO PRODUCTION / ADMINISTRATIVE PERMISSIONS REVIEW (HIGH PRIORITY)

- Documentation supporting the review of administrative & privileged access was not adequately retained
- Individuals with development responsibilities were noted to have administrative access to production

TERMINATION OF ACCESS (MODERATE PRIORITY)

- One of our samples was noted to have active access to PeopleSoft Financials, albeit through a role with no functional access

USER ACCESS REVIEW (MODERATE PRIORITY)

- We were unable to confirm a review of EBMS access was performed in FY18
- Documentation to support the PeopleSoft Financials and HRMS reviews did not meet best practice standards

General Comments

- Excellent engagement from IT
- Continuous improvement opportunities: Segregation of Duties Analysis, IT Risk Assessment, Application Controls, etc.

Accounting Update

New Standards

GASB 83, Certain Asset Retirement Obligations – effective for Metro’s 2019 year-end

Establishes standards of accounting and financial reporting for certain asset retirement obligations.

GASB 84, Fiduciary Activities – effective for Metro’s 2020 year-end

Establishes standards of accounting and financial reporting for fiduciary activities.

GASB 85, Omnibus 2017 – effective for Metro’s 2019 year-end

Addresses a variety of topics including issues related to blending component units, goodwill, fair value measurement and application, and pensions and other postemployment benefits.

GASB 87, Leases – effective for Metro’s 2021 year-end

Establishes standards of accounting and financial reporting for leases by lessees and lessors, and establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset.

GASB 88, Certain Disclosures Related to Debt, including Direct Borrowings and Direct Placements – effective for Metro’s 2019 year-end

Defines debt for purposes of disclosure in the notes to the financial statements and establishes additional financial statement disclosure requirements related to debt obligations of governments.

New Standards

GASB 89, Accounting for Interest Cost Incurred before the End of a Construction Period – effective for Metro’s 2021 year-end

Establishes accounting requirements for interest cost incurred before the end of a construction period.

GASB 90, Majority Equity Interests – effective for Metro’s 2020 year-end

Establishes standards of accounting and financial reporting for majority equity interests.
