Project proposal: What brought us here today

Why now?

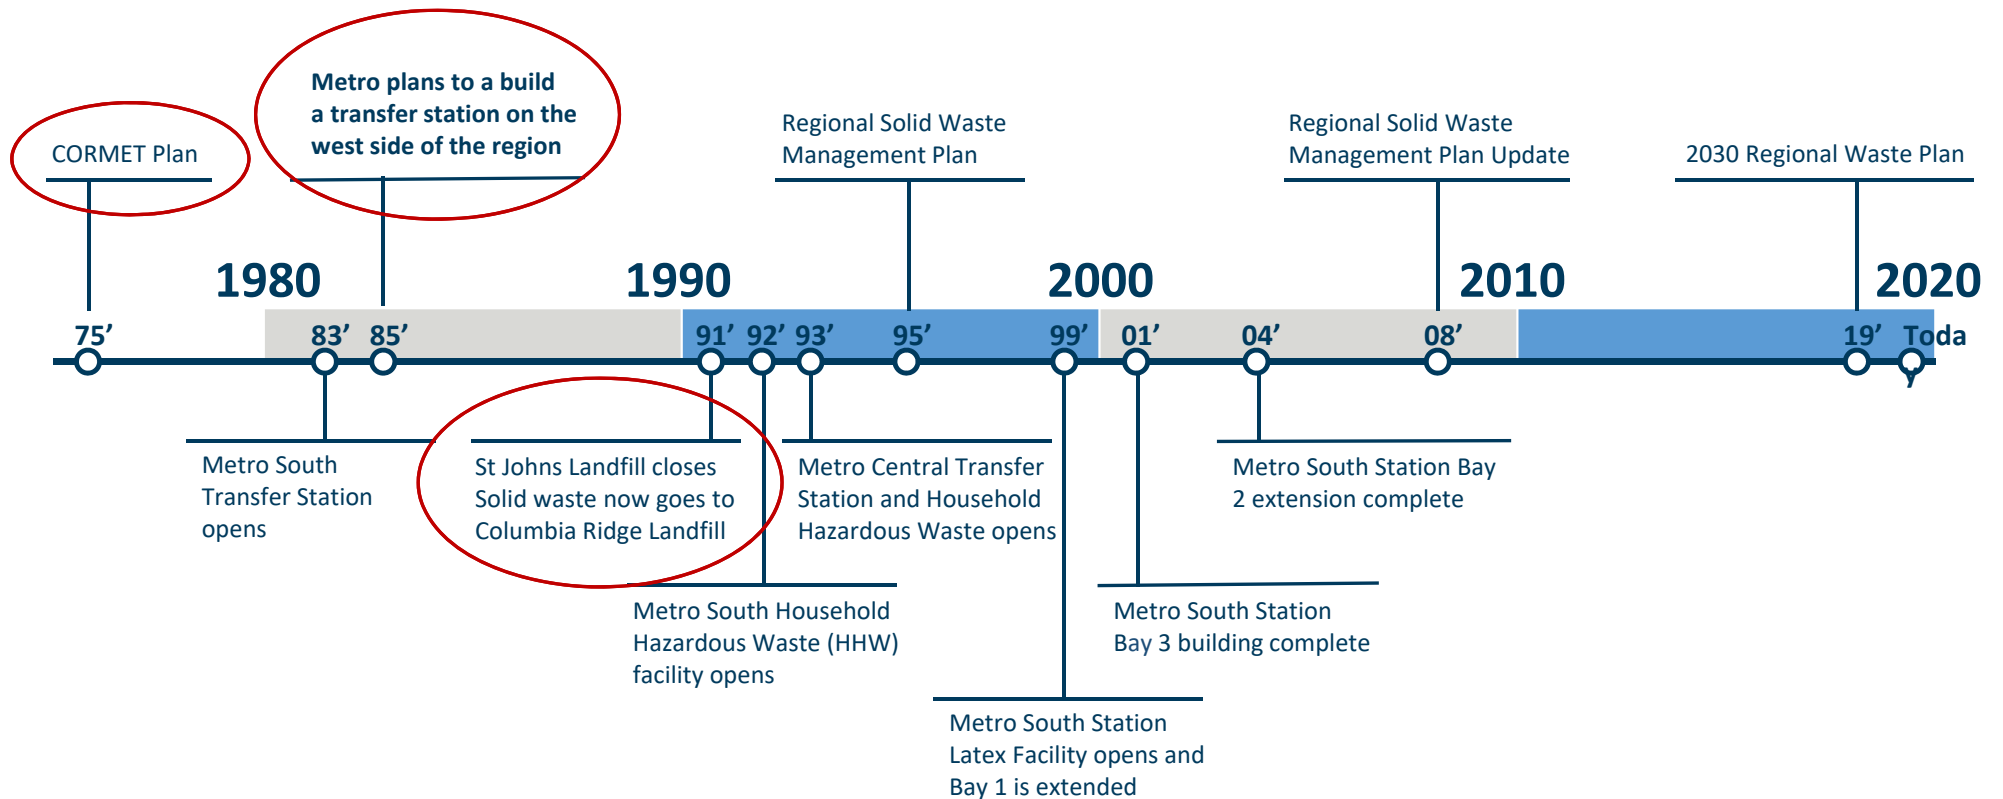

- It's overdue
- 2030 Regional Waste Plan
- Current and future regional growth
- Resilience and equity
- Opportunity to improve material recovery

¿Por qué ahora?

- Está atrasado
- Plan Regional de Residuos 2030
- Crecimiento regional actual y futuro
- Resiliencia y equidad
- Oportunidad de mejorar la recuperación de material

Metro transfer station facility history

Historia de las instalaciones de la estación de transferencia de Metro

What is the Regional Waste Plan?

¿Qué es el Plan Regional de Residuos?

The 2030 Regional Waste Plan is both a vision for greater Portland's garbage and recycling system and a blueprint for achieving that vision

El Plan Regional de Residuos 2030 es tanto una visión para el sistema de basura y reciclaje de Portland como un plan para lograr esa visión.

Regional Waste Plan Values

- **Protect and restore the environment and promote health for all**
- **Conserve natural resources**
- **Advance environmental literacy**
- **Foster economic well-being**
- **Ensure operational resilience and adaptability**
- **Provide excellent service and equitable system access**

Valores del Plan Regional de Residuos

- **Proteger y restaurar el medio ambiente y promover la salud para todos**
- **Conservar los recursos naturales**
- **Alfabetización ambiental avanzada**
- **Fomentar el bienestar económico**
- **Garantizar la resiliencia y adaptabilidad operativa**
- **Brindar un servicio excelente y un acceso equitativo al sistema**

Garbage and recycling resilience

Resiliencia de basura y reciclaje

Resilience means being able to dispose of the waste from the people of the region. This is especially important in disaster planning. After an earthquake, where does the debris go?

Resiliencia significa poder deshacerse de los desechos de la gente de la región. Esto es especialmente importante en la planificación de desastres. Después de un terremoto, ¿a dónde van los escombros?

Material Recovery | Recuperación de material

About the proposed Metro West recycling and transfer center

*Acerca de la propuesta del centro de
reciclaje y transferencia Metro West*

4th and Holladay Street Property - Cornelius

- A. S&H Compost Landscape
- B. Myers Container
- C. Summit Energy

Existing Metro transfer station services

Servicios de las estaciones de transferencia existentes de Metro

Commercial Garbage Transfer

Transferencia de basura comercial

Commercial garbage haulers offload waste from collection routes.

Waste is compacted and loaded on to transfer trailers to transport to a landfill.

Los transportistas de basura comerciales descargan los desechos de las rutas de recolección.

Los residuos se compactan y se cargan en remolques de transferencia para transportarlos a un vertedero.

Individual self-haulers | Auto-transportistas

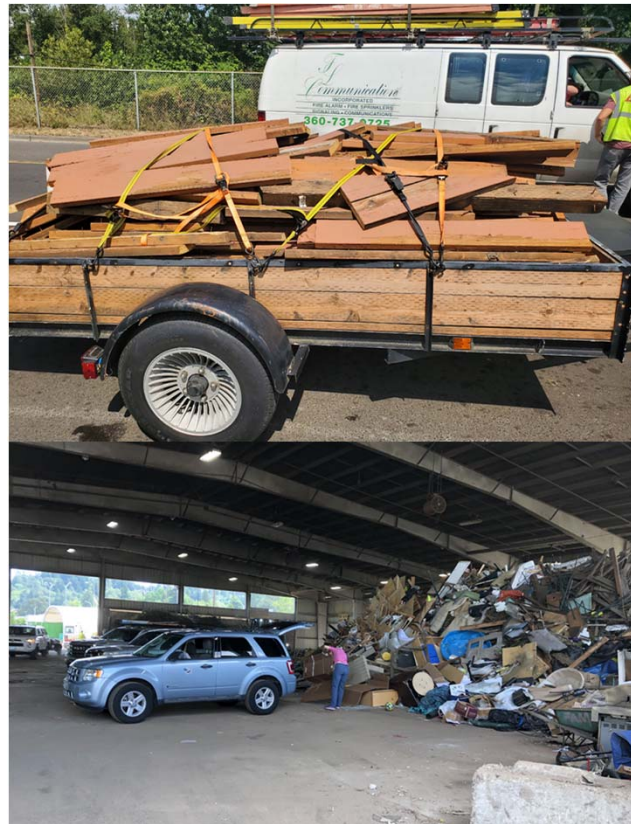

Dry waste (construction debris)

Bulky waste (furniture, plastics)

Wet waste (mixed household garbage)

Recycling (wood, metal, etc.)

Organics (yard, food)

Residuos secos (escombros de construcción)

Residuos voluminosos (muebles, plásticos)

Residuos húmedos (basura húmeda)

Reciclaje (madera, metal, etc.)

Orgánicos (jardín, comida)

Household Hazardous Waste Drop-Off

Entrega de desechos domésticos peligrosos

- Paints, stains
- Medical sharps
- Batteries
- Light bulbs
- Pesticides
- Motor oil
- Cleaning
- Propane

- Pinturas, manchas
- Punzantes médicos
- Baterías
- Bombillas
- Plaguicidas
- Aceite de motor
- Limpieza
- Propano

The vision: Modern transfer stations

La visión:

Estaciones de reciclaje y transferencia modernas

Factoria Transfer Station - King County

Factoria Transfer Station - King County

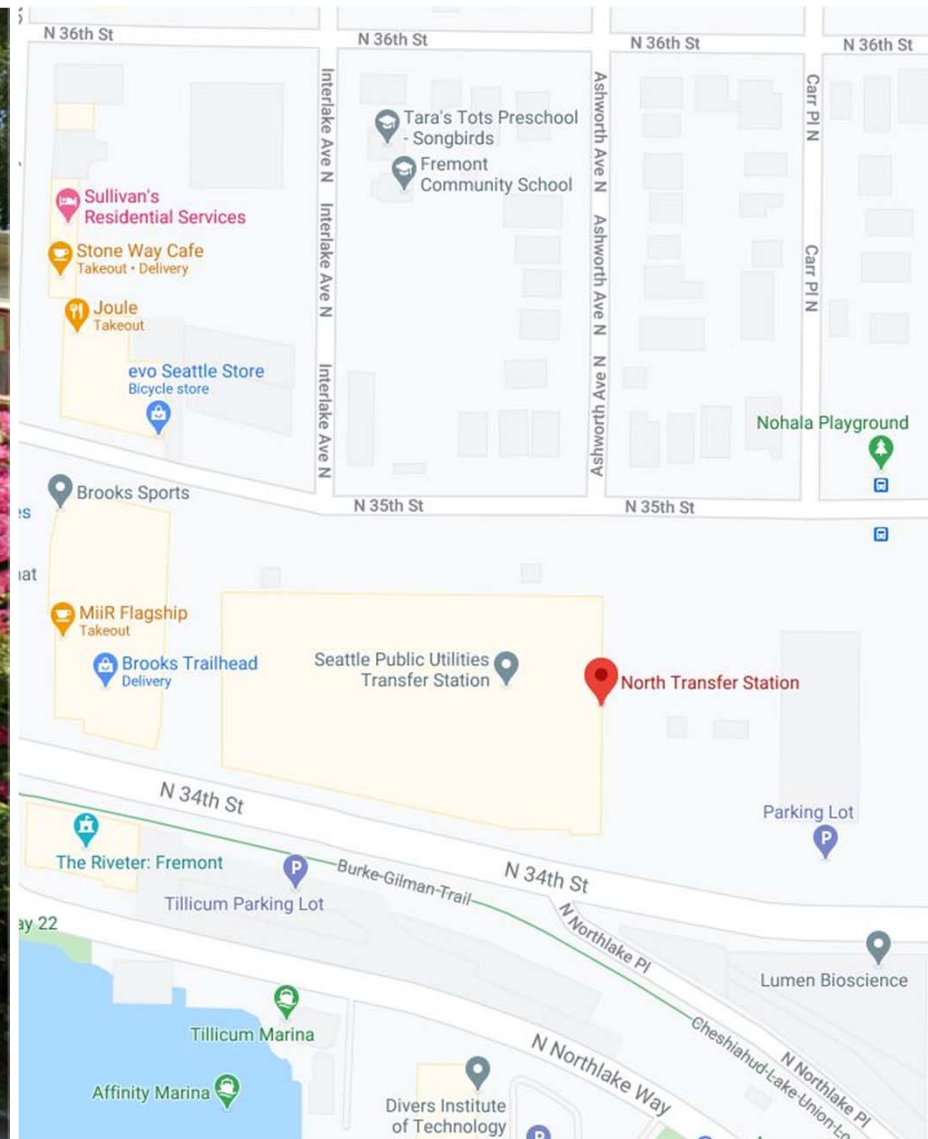

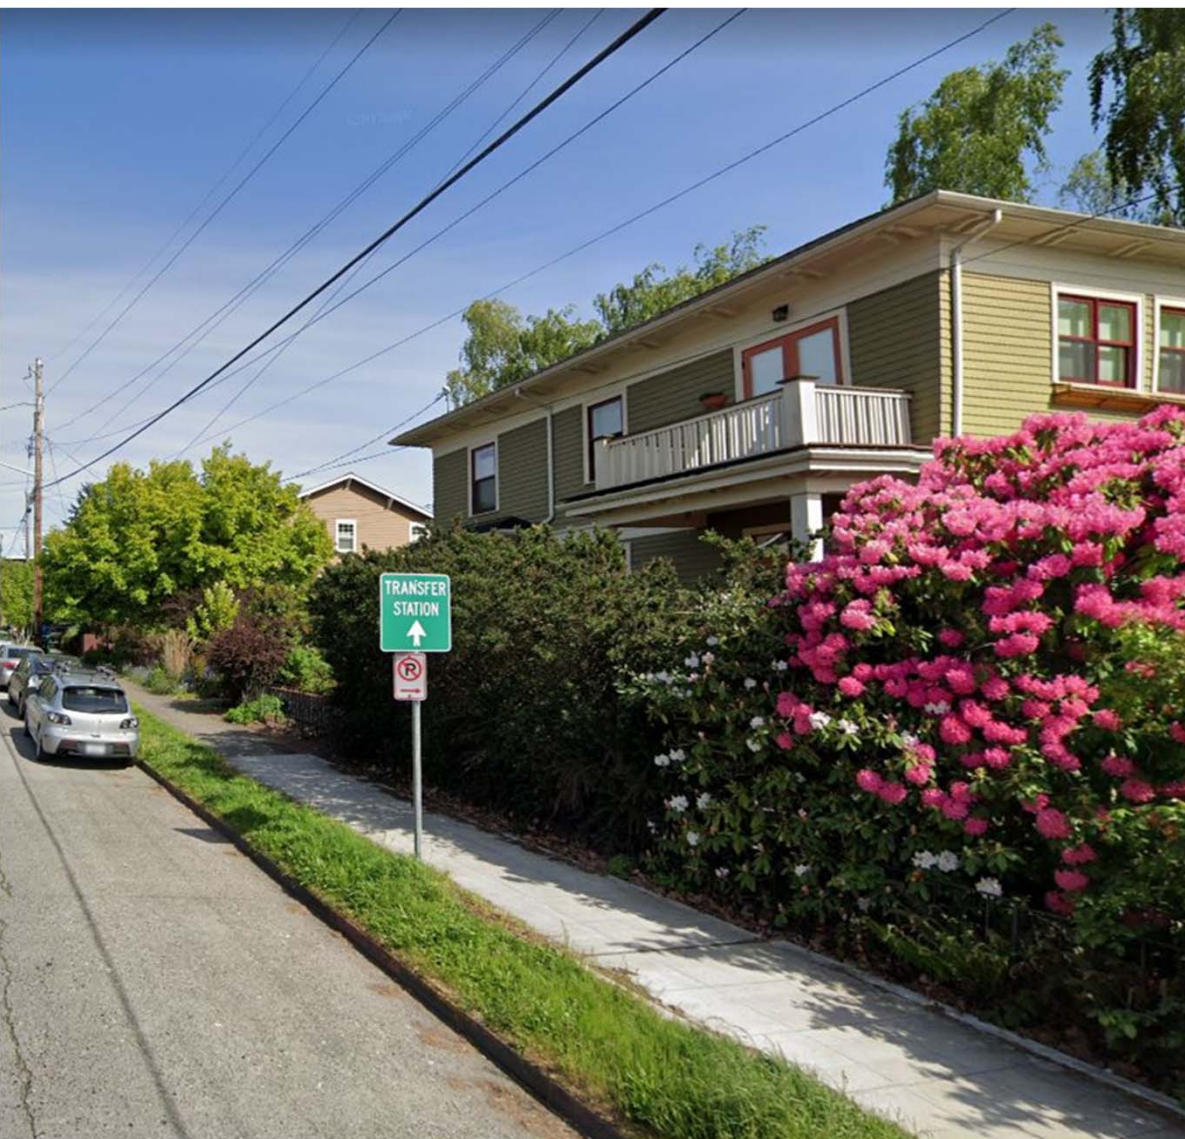

- 80,000 square feet
- LEED Gold
- Full service station with HHW facility

Seattle North Transfer Station

- 75,000¹ square feet
- Embedded in the Wallingford residential neighborhood
- LEED Platinum

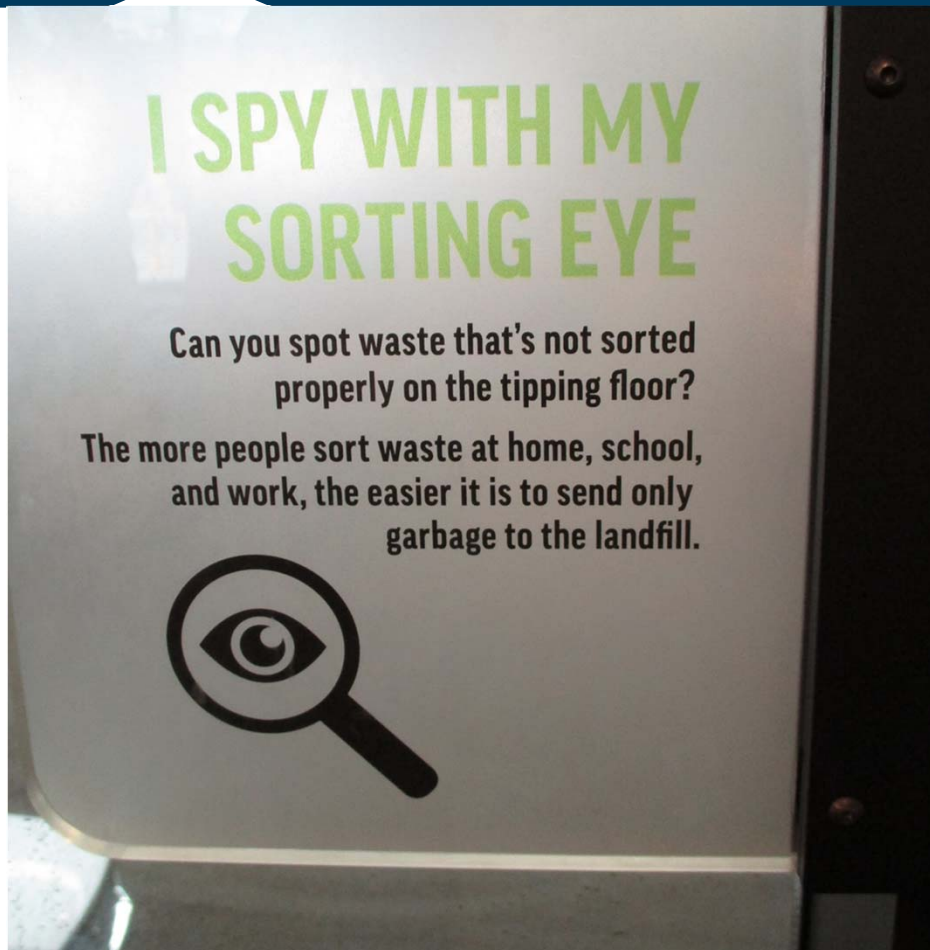

- 1 This says 75K, the text says 72K
