2023 Regional Transportation Plan Context and background

Presenter: Shirley Craddick, Metro Councilor
JPACT Chair

What is the Regional Transportation Plan (RTP)?

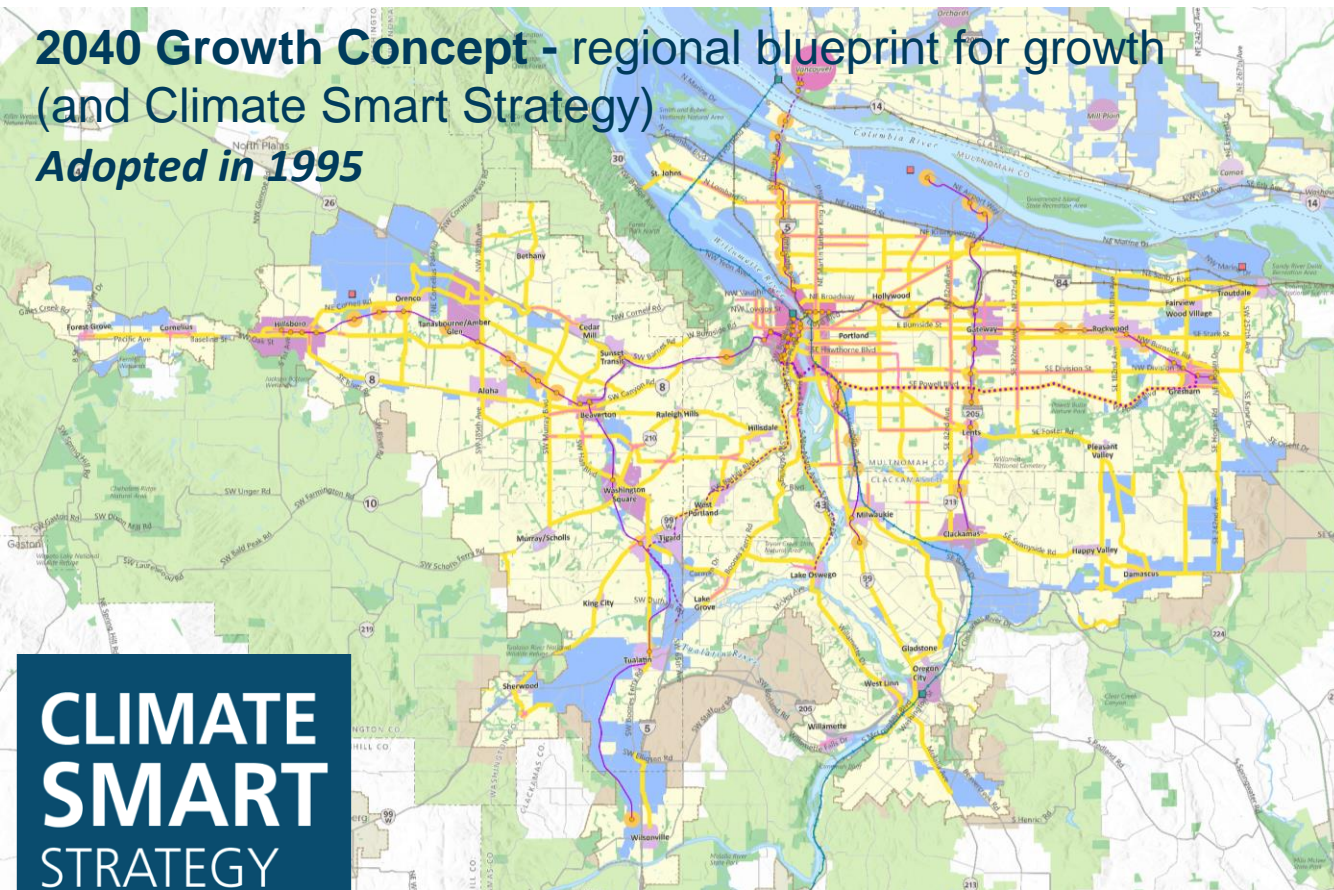

20+ year transportation plan

- Sets the vision and goals for moving people and goods safely, reliably and affordably for decades to come
- Uses projections of future population and job growth to identify travel needs and solutions through 2045
- Includes policies and projects
- Coordinates local, regional, and state investments on regional system
- Establishes priorities for federal and state funding

The RTP is a key tool for implementing the 2040 Growth Concept and Climate Smart Strategy

2040 Growth Concept - regional blueprint for growth
(and Climate Smart Strategy)
Adopted in 1995

Implemented through adopted community and regional plans

Building toward
six desired outcomes

Inclusive, equitable engagement built the 2018 RTP

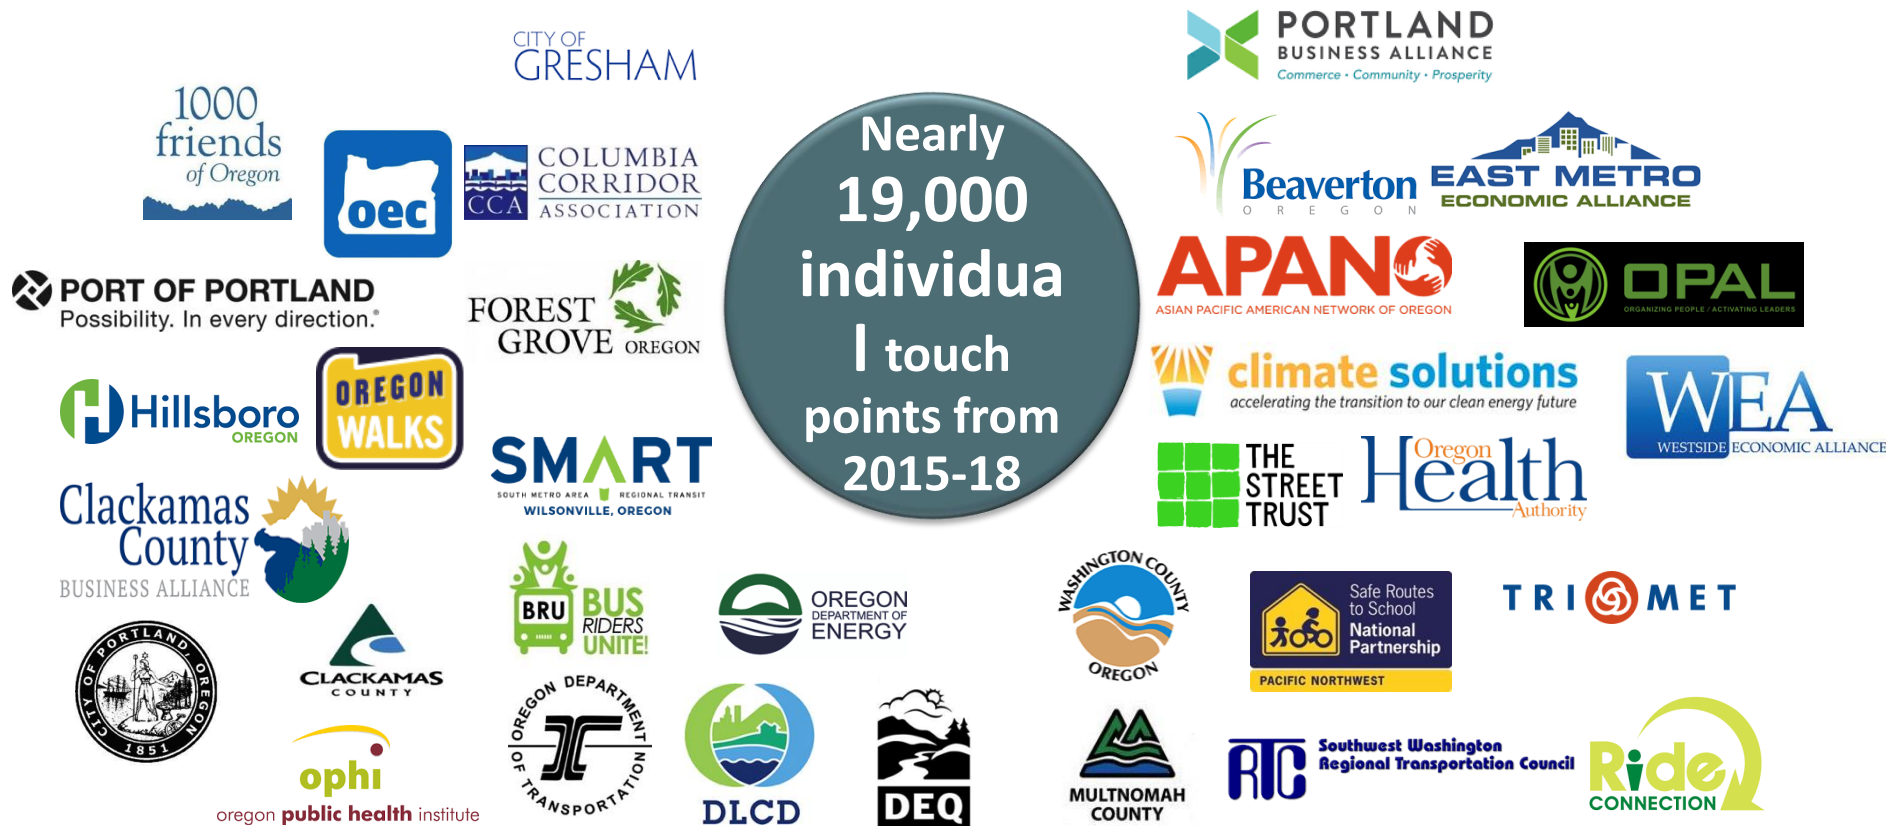

Nearly
19,000
individual
touch points
from 2015-18

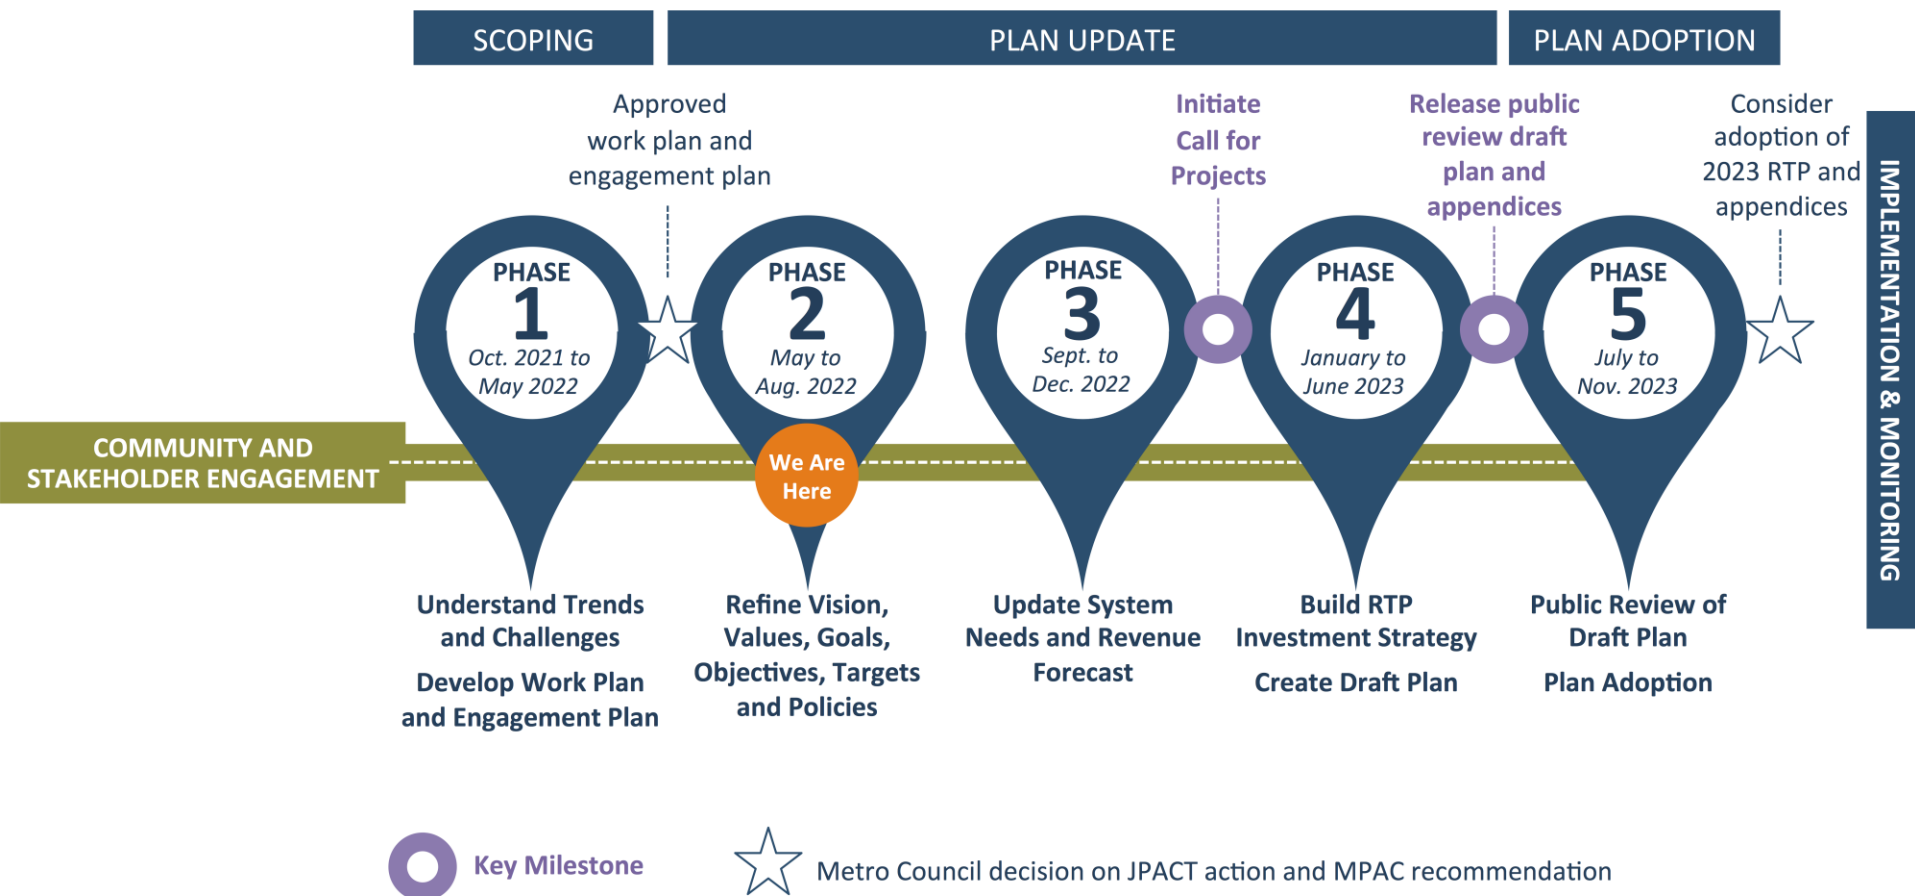

Many meaningful opportunities to listen, learn and collaborate

Partnerships and collaboration will continue in this update

Current RTP vision

In 2040, everyone in the Portland metropolitan region will share in a prosperous, equitable economy and exceptional quality of life sustained by a safe, reliable, healthy, and affordable transportation system with travel options.

Vision approved by the Metro Policy Advisory Committee, Joint Policy Advisory Committee on Transportation and the Metro Council in May 2017.

Table discussion 2

How would you update the vision statement to reflect what's most important and your vision for the future of transportation?

Report back and group discussion

The background of the slide is a close-up photograph of green plants with small, pointed leaves and thin stems, creating a textured, natural look. The entire image is overlaid with a semi-transparent green filter.
