Topics

Review and finalize community lens, Introduction to Jennifer Street location

- **Review and finalize community lens:** Community advisory group members and staff reviewed the community lens criteria that has been developed throughout this community engagement process. The group discussed the language used throughout the document for environmental stewardship and accessibility, ensuring that the descriptions of the criteria accurately reflected the group vision. A vote was taken on the criteria priorities of the community advisory group members.
- **Introduction to Jennifer Street location:** Estee Segal, Project Manager, presented the location and features of the property that Metro has entered into an agreement with. The presentation included a project phase timeline, site search criteria, description of the industrial area surrounding the property, and potential risks and opportunities with the site.

Follow up for community advisory group questions:

- How do we define accessibility?
- Review the outcome of the prioritization of criteria.
