Summary of written comments received by 2 p.m.:

- Washington County Commissioners: Thank you to the Task Force
- Ron Swaren: Supporting Innovation in Construction

# Special Guests

**Back to the beginning...**

# We started with stories.

# You agreed on outcomes.

- Make major streets **safer** for everyone
- Make it **easier** to get around – however you get around
- Address **climate change** and support resiliency
- Prioritize investments supporting **communities of color**
- Support **clean air and water**, and healthy ecosystems
- Drive **economic growth**
- **Leverage** regional and local investments

# People all over have taken part.

**132** Testifiers at  
Task Force meetings

**301** Written Comments  
to Task Force

**5,192** Survey  
responses

**480+** participants at  
workshops, forums &  
Council public hearing

We shared a great moment.

# Communities dug even deeper.

## *Local Investment Teams*

**31** people

**26** meetings

**12** tours

**71** projects

# We got around the region.

*Beaverton, Sept. 18*

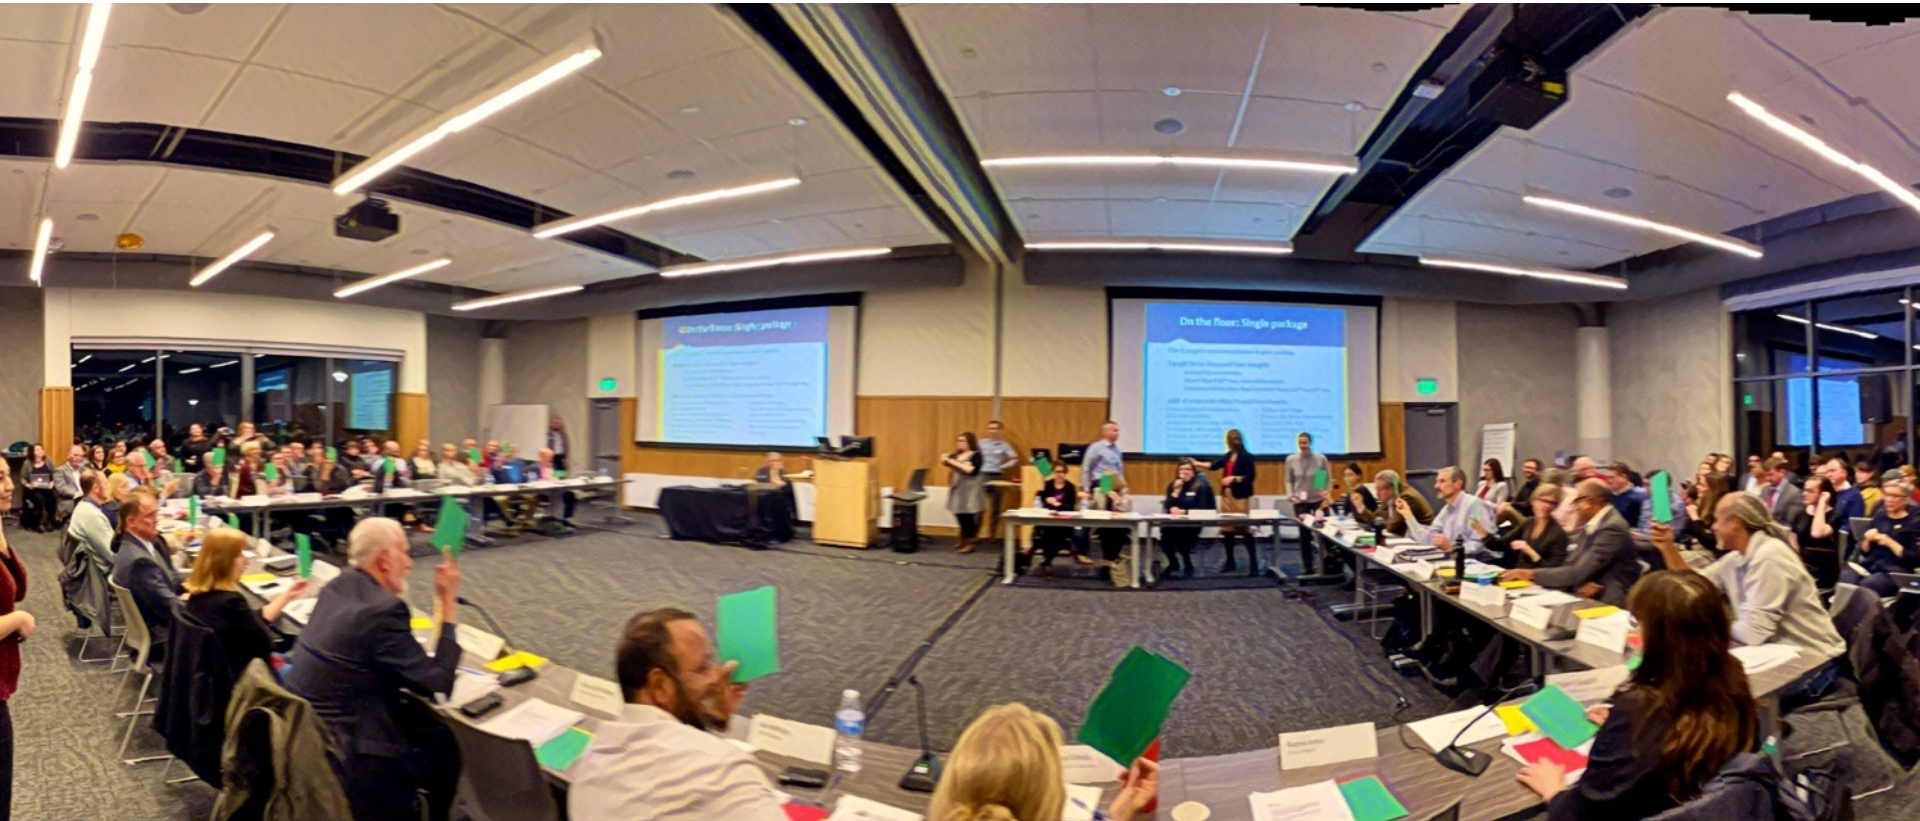

*Clackamas, Dec. 18*

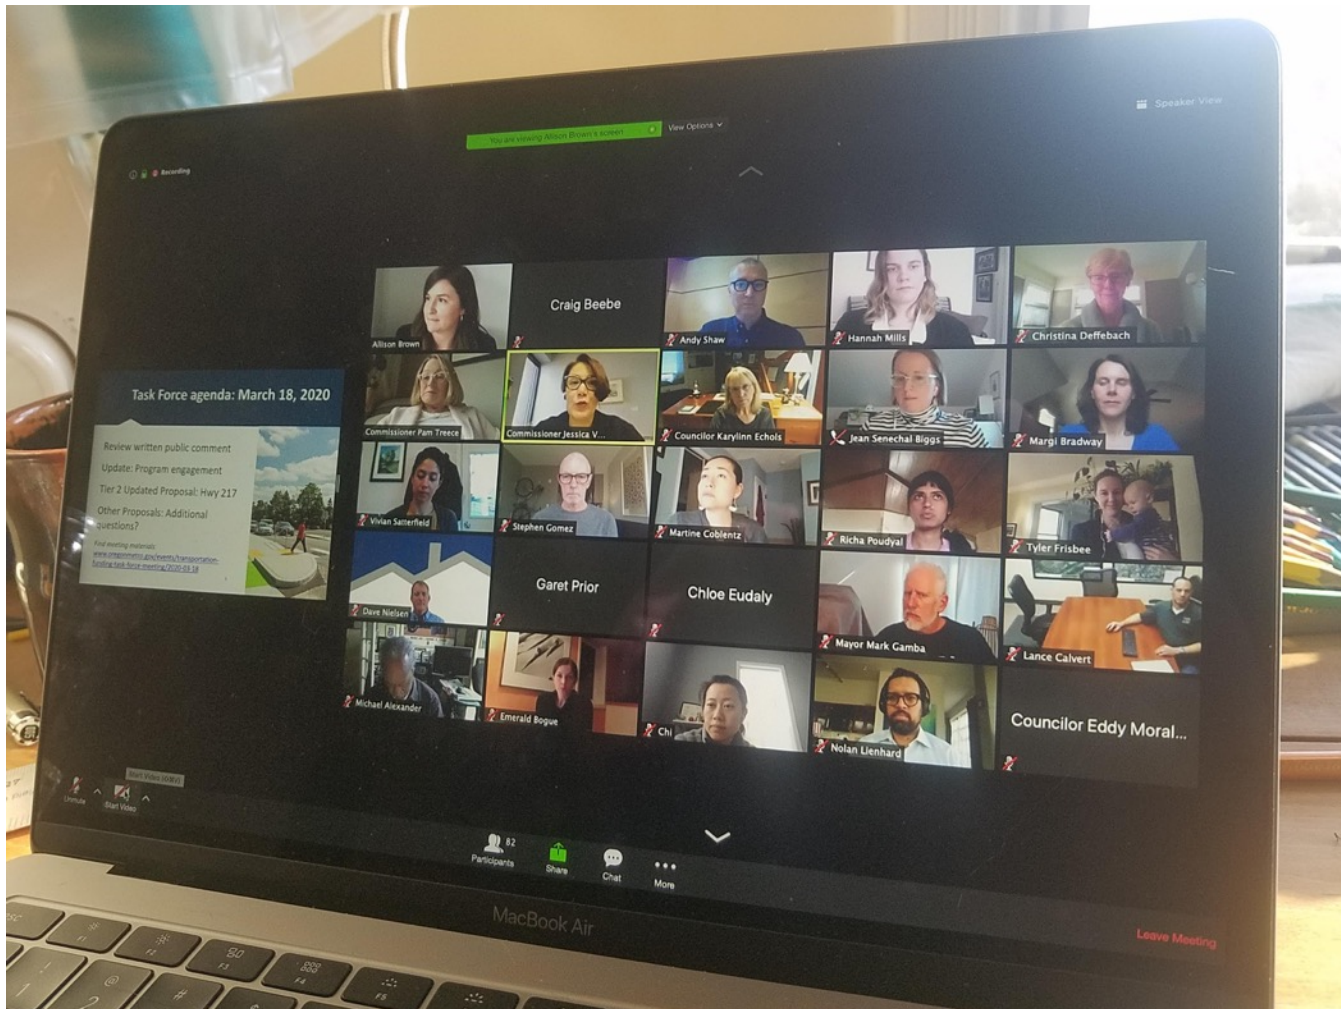

*Parkrose, March 4*

# You found remarkable consensus.

# We adjusted to a new normal. (And broke new ground.)

# Babies grew!

*Sloane,  
born Dec. 2018*

*Fitz,  
born Nov. 2019*

*Wren, born  
June 2019*

# We've loved working with you.
